Shakira has toured the United States just twice in her career, first in 2002 for the "Tour of the Mongoose" and again in 2006 for the "Oral Fixation," Tour which grossed more than $100 million. The Washington Post raved about her 2006 tour saying, *"Shakira doesn't need much to take it to the rafters. No pyrotechnics, no army of back up dancers, no elaborate staging – not even a pair of shoes. Just her charisma, pipes and hips."*
