Non-GAAP Financial Information

This twitter session contains certain non-GAAP financial information. Please see the "Notes Regarding the Use of Non-GAAP Financial Measures" in the Company's **earnings press release**.

Special Note Regarding Forward-Looking Statements

The statements in this twitter session that are not strictly historical, including, without limitation, statements regarding the Company's strategic direction, prospects and future results, constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements involve certain risks and uncertainties and, therefore, actual results may differ materially from what is expressed or implied in the twitter session. Factors that could cause results to differ materially from those expressed or implied by such forward-looking statements include, but are not limited to, economic and other conditions in the markets in which we operate, risks associated with acquisitions or dispositions, competition, and the other risks discussed in our Form 10-K and our other filings made with the Securities and Exchange Commission. Many of the factors that will determine the Company's future results are beyond the ability of management to control or predict. You should not place undue reliance on the forward-looking statements in this twitter session as they reflect management's views only as of the date of the twitter session. The Company undertakes no obligation to revise or update any of the forward-looking statements contained in this twitter session or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
