TeleCommunication Systems Executives to Speak at International CTIA Wireless 2011

March 17, 2011 9:16 AM ET

Industry Leaders to Discuss Insights in Location Based Services and Machine-to-Machine Technologies

ANNAPOLIS, MD and ORLANDO, FL, Mar 17, 2011 -- CTIA Wireless 2011 Booth 2211 -- TeleCommunication Systems, Inc. (TCS) (NASDAQ: TSYS), a world leader in highly reliable and secure mobile communication technology, today announced that two of its industry experts will be speaking at International CTIA Wireless 2011 in Orlando, Florida on March 22 and March 23. Group Vice President of Location Products, Joe Hannan, will join fellow industry leaders to discuss "Location -- Beyond Check-ins and Directions," while Senior Vice President and Chief Marketing Officer, Tim Lorello, will participate in the executive forum, "Deep Dive into Transportation."

DETAILS: "Location - Beyond Check-ins and Directions"
March 22; 12:30-1:45 p.m. ET Orange County Convention Center S220 F, Orlando, Florida Joe Hannan and panelists will discuss how carriers and their application partners will leverage the emergence of 4G/LTE networks to meet increasing customer demands for location based services (LBS). The panel will examine the use of multi-mode location services and the role LBS will play in emergency and disaster situations.

"Deep Dive into Transportation"
March 23; 3:20-4:20 p.m. ET
Orange County Convention Center S230 F, Orlando, Florida Tim Lorello and forum executives will focus on the challenges to machine-to-machine (M2M) adoption in transportation, with emphasis on identifying the met and unmet needs of the sector.

TCS will also be demonstrating its Telematics, LBS, Navigation, Messaging, Public Safety and Cyber Intelligence solutions at CTIA in booth # 2211.
