2012 Gateway Conference to Feature 50+ Emerging Growth Companies on September 6 in San Francisco

July 23, 2012 3:28 PM ET

Jul 23, 2012 --The 2012 Gateway Conference, featuring more than 50 public companies from a range of industries, has been set for September 6, 2012 at the W San Francisco Hotel.

Hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community, the conference will provide a unique gateway between institutional investors and a select group of compelling public companies.

Attendees will have the opportunity to learn about exciting emerging growth companies across a broad range of industries, from technology, business services, digital media and clean-tech to consumer/retail, life sciences and natural resources.

The conference has been designed to provide more than 150 portfolio managers, research analysts and brokers from buy-side and sell-side institutions extensive opportunities for interaction with senior management and to gain insights into each business and sector.

The conference will begin with registration and an opening reception at 5:00 p.m. PT on Wednesday, September 5. Company presentations, Q&A sessions and 1-on-1 meetings will be held on Thursday, September 6 starting at 8:30 a.m. PT.

Attendance is by invitation only. For additional information, contact Liolios Group at gateway@liolios.com or (949) 574-3860, or visit http://ctt.marketwire.com/?release=911934&id=1829935&type=1&url=http%3a%2f%2fwww.liolios.com%2f and click on the Gateway Conference icon.
