TeleCommunication Systems To Present at the 2007 Stephens Inc. Spring Investment Conference

June 4, 2007 3:03 PM ET

ANNAPOLIS, Md., June 4 /PRNewswire-FirstCall/ -- TeleCommunication Systems, Inc. (TCS) (Nasdaq: TSYS), announced the company will present at the 2007 Stephens Inc. Spring Investment Conference on June 6, 2007 at The New York Palace Hotel. TeleCommunication Systems' CEO Maurice B. Tose and CFO Tom Brandt will present at 1p.m. Eastern Time.

For more information about the conference, visit www.stephens.com.

The company owns a large wireless data patent portfolio, and on Friday, May 25 it reported a $12 million patent infringement jury award. In the first half of 2007, the company completed divestiture of three former Aether Systems enterprise business units. During the past 6 months, TCS was named as one of six primary vendors on a $5 billion Army Worldwide Satellite Services Contract vehicle and a $90 million prime contractor position on the GSA's Satcom II vehicle. For the first three months of 2007, TCS reported record revenues of $34.1 million and a profit of $.8 million, its first profitable quarter since the 2004 acquisition of the Aether businesses.
