

**CHARTER OF THE
AUDIT COMMITTEE OF
ARRIS INTERNATIONAL PLC**
(As adopted effective 3 May 2018)

PURPOSE

The Audit Committee (the "Committee") is appointed by the Board of Directors to oversee the accounting and financial reporting processes of ARRIS International plc (the "Company") and the audits of the financial statements of the Company. The Company's management continues to be responsible for (a) the preparation, presentation and integrity of the Company's financial statements; (b) accounting and financial reporting principles; and (c) the Company's internal controls for financial reporting designed to promote compliance with accounting standards and applicable laws and regulations. The Company's independent auditing firm (the "Independent Auditor") is responsible for performing the independent audits of the Company's consolidated financial statements in accordance with generally accepted auditing standards and the effectiveness of the Company's internal controls.

The Committee members are not necessarily professional accountants or auditors, and their functions are intended neither to duplicate nor to certify the activities of Company's management or its Independent Auditor, nor can the Committee assure that the Independent Auditor is "independent" under applicable rules. The Committee serves in a board level oversight role, overseeing the relationship with the Independent Auditor, as set forth in this charter, and providing advice, counsel and general direction, as it deems appropriate, to the Company's management and its Independent Auditor on the basis of the information it receives, discussions with the Independent Auditor, and the Committee members' experience in business, finance and accounting.

AUDIT COMMITTEE MEMBERSHIP

The Committee shall be comprised of at least three directors selected by the Board of Directors and who each meet the independence and financial literacy requirements of the Securities Exchange Act of 1934, the NASDAQ Listing Rules and other applicable rules. At least one member of the Committee must also meet the financial sophistication requirement of the NASDAQ Listing Rules and/or be an "audit committee financial expert" as such term is defined in Regulation S-K. Appointment to the Committee, including the designation of the Chair of the Committee and the designation of any Committee members as "audit committee financial experts", shall be made on an annual basis by the full Board and each Committee member shall serve until such member's successor is duly appointed or until earlier resignation or death. Any member may be removed from the Committee, with or without cause, by a majority vote of the Board.
