

*Statement for Compensation Committee regarding compliance with NYSE rules:*

Many of the corporate governance rules in the New York Stock Exchange (“NYSE”) Listed Company Manual (the “NYSE Manual”) do not apply to InterXion Holding N.V. as a “foreign private issuer”, however, Rule 303A.11 requires foreign private issuers to describe significant differences between their corporate governance standards and the corporate governance standards applicable to U.S. companies listed on the NYSE. While InterXion Holding N.V.’s management believes that its corporate governance practices are similar in many respects to those of U.S. NYSE-listed companies and provide investors with protections that are comparable in many respects to those established by the NYSE Manual, there are certain key differences which are described below.

Under Section 303A.05 of the NYSE Manual, which governs compensation committees, InterXion Holding N.V.’s Compensation Committee does not meet the independence standard of the NYSE Manual, as one (1) member of that committee is not “independent” as defined under the applicable NYSE Manual standard.
