FMC Corporation's Board Declares Stock Split, Announces Quarterly Dividend

PHILADELPHIA, April 24, 2012 – FMC Corporation (NYSE:FMC) announced today its Board of Directors declared a two-for-one split of its common stock to be effected in the form of a distribution payable on May 24, 2012, to shareholders of record of its common stock as of the close of business on May 11, 2012. Trading in the common stock will begin on a post-split adjusted basis on May 25, 2012.

The Board's action followed the approval by FMC stockholders at today's Annual Meeting of an amendment to FMC's certificate of incorporation to increase the number of authorized shares.

In addition, the Board of Directors declared a regular quarterly dividend of 9 cents per share (after giving effect to the stock split) payable on July 19, 2012, to shareholders of record at the close of business on June 29, 2012.

About FMC Corporation

FMC Corporation is a diversified chemical company serving agricultural, industrial and consumer markets globally for more than a century with innovative solutions, applications and quality products. In 2011, FMC had annual sales of approximately \$3.4 billion.
