

**Introduction**

The AES Corporation (NYSE: AES) is a Fortune 200 global power company. We provide affordable, sustainable energy to 27 countries through our diverse portfolio of distribution businesses as well as thermal and renewable generation facilities. Our workforce of 28,000 people is committed to operational excellence and meeting the world's changing power needs. Our 2010 revenues were \$16 billion and we own and manage \$41 billion in total assets. To learn more, please visit [www.aes.com](http://www.aes.com).

**Basic Facts**
**Businesses in 27 Countries on 5 Continents**

45,894 MW Generation capacity in operation  
 2,538 MW Generation capacity under construction

**2010 Revenue by Line of Business (\$16,181 million)**
**Generation Segment (22 Countries, 5 Continents)**

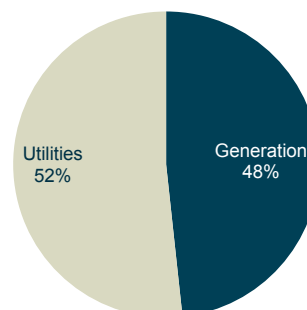

35,469 MW Generation capacity in operation  
 2,257 MW Generation capacity under construction

**Utilities Segment (6 Countries, 5 Continents)**

13 Distribution businesses in operation  
 8,453 MW Generation capacity operated at distribution businesses

**Renewables & Other Initiatives (8 Countries, 3 Continents)**

1,829 MW Wind generation capacity in operation  
 206 MW Wind generation capacity under construction  
 143 MW Solar generation capacity in operation  
 75 MW Solar generation under construction

**Recent Financial History (\$ in Millions)**

	2010	2009	2008

<sup>1</sup> Includes all Generation segment power plants owned by AES or operated under management agreements, and under construction.

<sup>2</sup> AES Wind Generation is part of the North America region.

<sup>3</sup> Includes 1,039 MW wind generation in the U.S., which AES owns together with third party tax equity investors with variable ownership interests. The tax equity investors receive a portion of the economic attributes of the facilities, including tax attributes, that vary over the life of the projects. The proceeds from the issuance of tax equity are recorded as Minority Interest in the Company's consolidated balance sheet.

<sup>4</sup> AES Solar is a Joint Venture with Riverstone Holdings.
