

Through the ANZ Dividend Charity Donation Program, you can share the return on your ANZ investment with charitable organisations striving to make a difference at home and around the world.

To participate, simply complete the Dividend Charity Donation form today.

What else you should know

1. The Dividend Charity Donation Program is available only in respect of cash dividend entitlements paid in Australian dollars, and participation is limited to Australian resident taxpayers.
2. A complete listing of the charities involved appears on the back of the Dividend Charity Donation form. If you have misplaced or require a copy of this form, please contact the ANZ Share Registry.
3. You can find summary details of each participating charity on the ANZ website at www.shareholder.anz.com. Full details of each charity and the causes they support are available on each charity's own website.
4. Please note your Dividend Charity Donation election will be subject to any existing or future election you may have in place regarding participation in the Dividend Reinvestment Plan or Bonus Option Plan, and will continue to apply in respect of each of your future cash dividend entitlements unless and until you terminate or vary your participation or the involvement of your selected charity in the Program ceases.
5. For Australian income tax purposes, the decision to donate all or part of your cash dividend entitlement will still require you to declare the amount donated as assessable dividend income. However, all participating charities are verified on the business.gov.au website as having "Deductible Gift Recipient" status, and donations of A\$2 or more to such charities are allowable tax deductions.
6. ANZ will provide you with written confirmation detailing the amount donated and your selected charity for retention with your tax records. Your name and personal details will not be provided to your selected charity, and therefore the charity will not provide you with a receipt.
7. ANZ will match dividend donations made on a dollar-for-dollar basis up to a maximum aggregate amount of A\$250,000 across all shareholder donations made under this Program during the first 12 months from its commencement.
8. You can terminate or vary your participation in the Program at any time by completing a Dividend Charity Donation form.
