Webster's New Milford Banking Center Offers State-of-Art Experience

WATERBURY, Conn., January 13, 2014 – Webster Bank, a leading regional bank serving businesses and consumers from metro New York to Boston, Mass., today opened its new, state-of-the-art banking center at 169 Danbury Road in New Milford, Conn., as part of its investment and focus on customer convenience in the Route 7 corridor.

“This new, state-of-the-art banking center reiterates our commitment to providing best-in-class service to our customers in the footprint,” said Nitin Mhatre, executive vice president, Head of Community Banking at Webster. “The opening of this banking center is part of our growth strategy that includes investing in the future to address the rapidly evolving preferences and expectations of the consumers and business community that we serve.”

Some of the exciting new features in the new 3,400-square foot facility include: 24-hour drive-up deposit automated ATM; 24-hour walk-up deposit automated ATM; electronic coin counting machine; digital video displays; and Universal Bankers for one point of contact for your consumer and business needs.

“You’ll feel welcome from the moment you walk in,” said Rose Gaidos, executive vice president, Consumer Deposits and Webster Investment Services. “We continue to improve upon our exceptional customer experience in New Milford by investing in two important banking centers in this highly trafficked and convenient retail area. Not only are we opening this new facility, we are renovating our banking center at 53 Main Street in downtown New Milford with similar amenities. Both banking centers are optimally located and outfitted based on our customers’ needs and demand for both face-to-face and electronic banking services.”

Webster’s banking centers at 291 Danbury Road and 19 Main Street will be consolidated into these newly built and renovated facilities. Customers will see the same, friendly and familiar Webster banker faces at the modernized locations.
