2. Explanation on Operation Results and Financial Position

During the reporting period, Nanjing Iron & Steel demolished its obsolete production facilities and part of the public auxiliary facilities. Due to the demolition of the assets, the production scale of Nanjing Iron & Steel reduced significantly compared with the same period of last year. As a result, the total operation revenue and the profit before tax decreased compared with the same period of last year and the operation of Nanjing Iron & Steel suffered continuous loss in 2013.

3. Others

Nanjing Iron & Steel issued "The Second Warning Announcement in Relation to a Delisting Risk Warning to be Imposed on the Company Shares and Suspension of Trading to be Imposed on the Company Bond" on the same day. Since the audited net profit of Nanjing Iron & Steel for the year of 2012 was negative, and the unaudited net profit attributable to shareholders of the listed company of Nanjing Iron & Steel for the year of 2013 is -RMB618 million according to the Financial Highlights Announcement, a delisting risk warning will be imposed on the shares of Nanjing Iron & Steel and suspension of trading may be imposed on 2011 company bond publicly offered (Short Name: 11 Nangang Bond; Bond Code: 122067) after the release of 2013 annual report of Nanjing Iron & Steel.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
