Notes to editors:

About FCMB Group Plc

FCMB Group Plc is a non-operating financial holding company, regulated by the Central Bank of Nigeria (“CBN”). FCMB Group Plc was formed in response to the CBN’s regulation on the scope of banking activities and ancillary matters (“Regulation 3”), which requires banks to divest their non-banking businesses, or retain them under a holding company (“Hold Co.”) structure approved by the CBN. Under the HoldCo. arrangement, shares in First City Monument Bank (FCMB) Plc were exchanged one-for-one for FCMB Group Plc shares, effectively making the former shareholders of FCMB Plc, the owners of FCMB Group Plc, in the same ratio as their previous holdings in the bank. FCMB Group Plc is one of the leading financial services institutions in Nigeria, with subsidiaries that are market leaders in their respective segments. Through ownership of FCMB Group Plc, shareholders continue to own all the subsidiaries 100%, including FCMB Capital Markets Limited, CSL Stockbrokers Limited (including its subsidiaries First City Asset Management Ltd and CSL Trustees Ltd) and FCMB Limited (the bank) and its subsidiaries – Credit Direct Limited, FCMB (UK) Limited and Arab-Gambia Islamic Bank Limited.

From a structural perspective, FCMB Group Plc directly and wholly-owns three subsidiaries, namely First City Monument Bank Limited, FCMB Capital Markets Limited and CSL Stockbrokers Limited, the other aforementioned entities will report into the three direct subsidiaries.

FCMB Group Plc is listed on the Nigerian Stock Exchange (NSE) with the ticker symbol (FCMB) and has 19,802,710,781 ordinary shares held by approximately 530,000 shareholders. FCMB Group Plc and its subsidiaries each function as separate and distinct operating companies with separate Boards of Directors and Executives.

FCMB Group Plc's strategy is to position itself as the premier financial services group of African origin. At the centre of its businesses lies a talented work-force that drives a comprehensive bouquet of financial services including micro-lending, asset management, stock-broking, trusteeship and custodial services, foreign exchange, personal banking, corporate and commercial banking, investment banking (including financial advisory, debt & equity capital markets, project & structured finance transactions) and transaction banking products delivering cash management, trade and liquidity management solutions to corporate, commercial, public sector, financial institutions and small & medium-scale enterprises.

First City Monument Bank Limited completed the acquisition of FinBank Plc in February 2012 and subsequently merged with FinBank in October 2012. Following the merger, the Bank now has 2 million customers, 275 branches and cash-centres spread across every state of the Federal Republic of Nigeria and presence in the United Kingdom (through its FSA-authorized investment banking subsidiary, FCMB UK), Gambia and in the Republic of South Africa (representative office).
