PROPOSED RIGHTS ISSUE

The Company proposes to raise not less than approximately HK\$4,888,631,461, before expenses, and not more than approximately HK\$5,183,627,461, before expenses, by way of the Rights Issue of not less than 500,884,371 Rights Shares and not more than 531,109,371 Rights Shares on the basis of 39 Rights Shares for every 500 Shares held by each Qualifying Shareholder on the Record Date at the Subscription Price of HK\$9.76 per Rights Share payable in full on acceptance.

Pursuant to the terms of the Rights Issue, the Company will provisionally allot 39 Rights Shares in nil-paid form for every 500 existing Shares held by each Qualifying Shareholder on the Record Date. Fractional entitlements will not be allotted but will be aggregated and sold for the benefit of the Company.

The Rights Issue is only available to Qualifying Shareholders and will not be available to the Non-Qualifying Shareholders.

The estimated gross proceeds of the Rights Issue will be approximately HK\$4,888.6 million (assuming that no Shares have been issued or allotted on or before the Last Day for Transfer pursuant to any exercise of the outstanding Conversion), or approximately HK\$5,183.6 million (assuming that Shares have been issued or allotted on or before the Last Day for Transfer pursuant to full exercise of all outstanding Conversion).

The net proceeds of the Rights Issue are estimated to be not less than approximately HK\$4,863.6 million and not more than approximately HK\$5,158.6 million after the deduction of all estimated expenses. The net proceeds of the Rights Issue are intended to be used for refinancing and general corporate purposes.

Pursuant to the conditions set out in the Underwriting Agreement, the Underwriter has conditionally agreed to fully underwrite the Underwritten Shares. As at the Latest Practicable Date, FHL (being the Underwriter) is interested in 5,074,698,000 Shares, representing 79.03% of the total number of the Company's Shares in issue. FHL is a connected person of the Company within the meaning of Rule 14A.11 of the Listing Rules. The transaction of FHL acting as the underwriter for an issue of securities by the Company is exempt from the requirements of reporting, announcement and independent shareholders' approval pursuant to Rule 14A.31(3)(c) of the Listing Rules. It is not in the ordinary course of business of FHL to underwrite shares.

WARNING OF THE RISKS OF DEALING IN SHARES AND NIL-PAID RIGHTS SHARES

The Underwriting Agreement contains provisions granting the Underwriter a right to terminate its obligations on the occurrence of certain events. Please refer to the section headed “Termination of Underwriting Agreement” in this announcement for further details. The Rights Issue is conditional upon, among other things, the Underwriting Agreement becoming unconditional and not being terminated in accordance with its terms. If the Underwriting Agreement does not become unconditional or is terminated, the Rights Issue will not proceed.

The Shares are expected to be dealt in on an ex-rights basis from 15 April 2014. Dealings in the Rights Shares in the nil-paid form are expected to take place from 29 April 2014 to 8 May 2014 (both days inclusive).

Any Shareholders or other persons contemplating selling or purchasing Shares and/or Rights Shares in their nil-paid form are advised to exercise caution when dealing in the Shares and/or Rights Shares. Any person who is in any doubt about his/her position is recommended to consult his/her own professional adviser. Any Shareholder or other person dealing in Shares up to the date on which all the conditions to which the Rights Issue is subject are fulfilled (and the date on which the Underwriter’s right of termination of the Underwriting Agreement ceases) and any person dealing in the nil-paid Rights Shares during the period from 29 April 2014 to 8 May 2014 (both days inclusive) will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

TRADING ARRANGEMENT

The last day for dealing in the Shares on a cum-rights basis is 14 April 2014. The Shares will be dealt with on an ex-rights basis from 15 April 2014. To qualify for the Rights Issue, a Qualifying Shareholder's name must appear on the Register of Members on the Record Date, which is currently expected to be 24 April 2014. In order to be registered as a member on the Record Date, any transfer of Shares (together with the relevant share certificate(s)) must be lodged with the Company's Registrar at Shops 1712-16, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong for registration by 4:30 p.m. on 16 April 2014 (the Register of Members will be closed from 17 April 2014 to 24 April 2014, both days inclusive).

GENERAL

As the proposed Rights Issue will not increase the issued share capital or the market capitalisation of the Company by more than 50% or otherwise fall under any scenarios contemplated under Rule 7.19(6) of the Listing Rules, the Rights Issue is not subject to the approval of the Shareholders in a general meeting.

The Prospectus or, where applicable, the Prospectus Documents, containing further information on the Rights Issue is expected to be despatched by the Company to Qualifying Shareholders on or about the Prospectus Posting Date.

Underwriter:	FHL
Financial Adviser to the Company:	UBS
Minimum enlarged number of Shares in issue upon completion of the Rights Issue:	6,922,478,871 Shares (based on the number of Shares in issue as at the Latest Practicable Date and assuming no Shares have been allotted and issued on or before the Last Day for Transfer pursuant to the exercise of the outstanding and no other Shares (other than the Rights Shares) are allotted and issued on or before completion of the Rights Issue)
Maximum enlarged number of Shares in issue upon completion of the Rights Issue:	7,340,203,871 Shares (based on the number of Shares in issue as at the Latest Practicable Date and assuming Shares are allotted and issued pursuant to the full exercise of all outstanding Conversion on or before the Last Day for Transfer and no other Shares (other than the Rights Shares) are allotted and issued on or before completion of the Rights Shares)

The number of Rights Shares which may be issued pursuant to the Rights Issue will be increased in proportion to any additional Shares which may be allotted and issued after the Latest Practicable Date and on or before the Last Day for Transfer, including Shares which may be issued and allotted on the Last Day for Transfer pursuant to the exercise of outstanding Conversion on or before the Last Day for Transfer.

As at the Latest Practicable Date:

- (1) no Share Option has been granted by the Company under the Share Option Scheme. The Company confirms that no Share Option is scheduled to be granted or vested on or before the Last Day for Transfer; and
- (2) there were outstanding Convertible Bonds in the aggregate principal amount of HK\$3,875,000,000 convertible into approximately 387,500,000 Shares at the initial conversion price of HK\$10.00 per Share (subject to adjustment). Assuming full exercise of the conversion rights attaching to the Convertible Bonds and Shares are allotted and issued pursuant to such exercise on or before the Last Day for Transfer, a total of 387,500,000 new Shares would fall to be issued and allotted, which would result in the issue and allotment of 30,225,000 additional Rights Shares.

Save for the outstanding Convertible Bonds as mentioned above, the Company has no other outstanding convertible securities or options in issue or other similar rights which confer any rights to convert into or subscribe for Shares as at the Latest Practicable Date.

Assuming no new Shares (other than the Rights Shares) are issued and allotted on or before completion of the Rights Shares, the aggregate number of the nil-paid Rights Shares proposed to be provisionally allotted pursuant to the terms of the Rights Issue represents:

- (i) approximately 7.80% of the Company's total number of issued shares as at the Latest Practicable Date; and
- (ii) approximately 7.24% of the Company's issued Shares as enlarged by the Rights Shares.

Qualifying Shareholders

The Company will send the Prospectus Documents to the Qualifying Shareholders on or about 25 April 2014. Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company will send copies of the Prospectus to Non-Qualifying Shareholders for their information only but will not send any PALs or EAFs to them.

To qualify for the Rights Issue, a Shareholder must:

- (i) be registered as a member of the Company on the Record Date; and
- (ii) not be a Non-Qualifying Shareholder.

The last day for dealing in the Shares on a cum-right basis is 14 April 2014. The Shares will be dealt with on an ex-rights basis from 15 April 2014.

In order to be registered as a member of the Company on the Record Date, purchasers of the Shares or investors in the Shares must lodge any transfers of Shares (together with the relevant share certificate(s)) with the Company's Registrar at Shops 1712-16, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong for registration no later than 4:30 p.m. on the Last Day for Transfer.

Holders of the Convertible Bonds who wish to participate in the Rights Issue should complete the exercise of the conversion rights attaching to the Convertible Bonds in accordance with the terms and conditions thereof and be registered as holders of the Shares issued and allotted to them pursuant to such exercise with the Company on or before the Last Day for Transfer.

Qualifying Shareholders who take up their pro rata entitlement in full will not suffer any dilution to their interests in the Company. If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.

Overseas Shareholders

If there are Overseas Shareholders on the Record Date, the Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Directors will make enquiries, to be based on legal advice provided by legal advisers if the Directors consider necessary, as to whether the issue of Rights Shares to Overseas Shareholders may contravene the applicable securities legislation of the relevant overseas jurisdictions or the requirements of any relevant regulatory body or stock exchange pursuant to Rule 13.36(2)(a) of the Listing Rules. If, after making

such enquiries, the Directors are of the opinion that it would be necessary or expedient, on account either of the legal restrictions under the Laws of the relevant place or any requirement of the relevant regulatory body or stock exchange in that place, not to offer Rights Shares to such Overseas Shareholders, no provisional allotment of nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. Accordingly, the Rights Issue will not be extended to the Non-Qualifying Shareholders and no Rights Shares will be provisionally allotted to them.

The Company will send the Prospectus to the Non-Qualifying Shareholders for their information only but will not send PALs or EAFs to them. The Prospectus Documents are not intended to be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong.

The basis of exclusion of the Non-Qualifying Shareholders, if any, from the Rights Issue will be disclosed in the Prospectus.

Arrangements will be made for the Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders to be sold in the market in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence on the Stock Exchange and in any event before the last day for dealings in nil-paid Rights Shares, if a premium (net of expenses) can be obtained. The proceeds of each sale, less expenses and stamp duty, of more than HK\$100 will be paid to the relevant Non-Qualifying Shareholder(s) (pro rata to their shareholdings on the Record Date) in Hong Kong dollars in form of cheque by ordinary post at their own risk. The Company will retain individual amounts of HK\$100 or less for the benefit of the Company. Any unsold entitlement of Non-Qualifying Shareholders, together with any Rights Shares provisionally allotted but not accepted, will be made available to meet excess application on EAFs by the Qualifying Shareholders.

Overseas Shareholders and beneficial owners of Shares who are residing outside Hong Kong should note that they may or may not be entitled to participate in the Rights Issue subject to the results of enquiries made by the Company. The Company reserves the right to treat as invalid any acceptances of or applications for the Rights Shares where it believes that such acceptance or application would violate the applicable securities or other Laws or regulations of any territory or jurisdiction. Accordingly, such Overseas Shareholders and beneficial owners of Shares who are residing outside Hong Kong should exercise caution when dealing in the Shares.

Closure of Register of Members

The Register of Members will be closed from 17 April 2014 to 24 April 2014 (both days inclusive) for determining the entitlement of the Rights Issue. No transfer of Shares will be registered during this period.

TERMS OF THE RIGHTS ISSUE

Subscription Price

The Subscription Price for the Rights Shares is HK\$9.76 per Rights Share, payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment of Rights Shares or, where applicable, upon application for excess Rights Shares under the Rights Issue or when a transferee of nil-paid Rights Shares applies for the relevant Rights Shares.

The Subscription Price represents:

- (i) same as the closing price of HK\$9.76 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 0.10% to the average of the closing prices per Share as quoted on the Stock Exchange for the five previous consecutive trading days up to and including the Last Trading Day of approximately HK\$9.77;
- (iii) a premium of approximately 0.57% to the average of the closing prices per Share as quoted on the Stock Exchange for the ten previous consecutive trading days up to and including the Last Trading Day of approximately HK\$9.71; and
- (iv) same as the theoretical ex-rights price of approximately HK\$9.76 per Share based on the closing price of HK\$9.76 per Share as quoted on the Stock Exchange on the Last Trading Day.

Each Rights Share has no par value.

The Subscription Price was determined by the Board with reference to the closing price of the Shares as quoted on the Stock Exchange on the Latest Practicable Date, the financial conditions of the Company, and the proposed final dividends of the Company for the year ended 31 December 2013. Each Qualifying Shareholder is entitled to subscribe for the Rights Shares at the same price in proportion to his/her/its shareholding in the Company held on the Record Date.

After taking into consideration the reasons for the Rights Issue and the use of proceeds, the Directors consider the terms of the Rights Issue, including the Subscription Price (and the discount or premium to the relative values as indicated above), to be fair and reasonable and to be in the interests of the Company and the Shareholders as a whole.

Basis of provisional allotment

The basis of the provisional allotment shall be 39 Rights Shares for every 500 existing Shares held on the Record Date, being not less than 500,884,371 Rights Shares or not more than 531,109,371 Rights Shares in aggregate, at a price of HK\$9.76 per Rights Share by Qualifying Shareholders. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the PAL and lodging the same with a remittance for the Rights Shares being applied for.

Fractions of Rights Shares

The entitlement of Qualifying Shareholders will be rounded down to the nearest whole number. The Company will not provisionally allot and will not accept applications for any fractions of Rights Shares. All fractions of Rights Shares will be aggregated and all nil-paid Rights Shares arising from such aggregation will be sold in the market if a premium (net of expenses) can be obtained, and the Company will retain the proceeds for its own benefit. Any unsold fractions of Rights Shares will be available to meet excess application by the Qualifying Shareholders.

Share certificates and refund cheques for Rights Issue

Subject to the fulfilment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares are expected to be posted on or before 22 May 2014 to those who have accepted and (where applicable) applied for, and paid for, the Rights Shares by ordinary post at their own risk.

Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be posted on or before 22 May 2014 by ordinary post to the applicants at their own risk.

Status of Rights Shares

The Rights Shares, when allotted, issued and fully paid, will rank *pari passu* in all respects with the existing Shares in issue. Holders of the fully-paid Rights Shares will be entitled to receive all future dividends and distributions which are declared, made or paid on or after the date of issue and allotment of the Rights Shares in their fully-paid form. The fully-paid Rights Shares will entitle holders thereof to (subject to approval by Shareholders at the forthcoming annual general meeting of the Company to be held on 28 May 2014) the final dividends for the year ended 31 December 2013 declared by the Board on 25 March 2014.

Application for excess Rights Shares

Qualifying Shareholders may apply, by way of excess application, for any unsold entitlements of the Non-Qualifying Shareholders (if any), any unsold Rights Shares created by adding together fractions of the Rights Shares, and any Rights Shares provisionally allotted but not accepted by Qualifying Shareholders or otherwise subscribed for by transferees of nil-paid Rights Shares.

Applications for excess Rights Shares may be made only by Qualifying Shareholders and only by completing an EAF and lodging the same with a separate remittance for the excess Rights Shares being applied for at any particular branches of Industrial and Commercial Bank of China (Asia) Limited as to be mentioned in the Prospectus by a time which is currently expected to be 4:00 p.m. on 13 May 2014 or such later time as may be agreed between the Company and the Underwriter.

The Directors will allocate the excess Rights Shares (if any) at their discretion on a fair and equitable basis, according to the principle that any excess Rights Shares will be allocated to Qualifying Shareholders who apply for them on a pro rata basis by reference to the number of excess Rights Shares applied for but no reference will be made to Rights Shares comprised in applications by PAL or the existing number of Shares held by Qualifying Shareholders. If the aggregate number of Rights Shares not taken up by the Qualifying Shareholders under PALs is greater than the aggregate number of excess Rights Shares applied for through EAFs, the Directors will allocate to each Qualifying Shareholder who applies for excess Rights Shares in full application. No preference will be given to topping up odd lots to whole board lots.

Shareholders whose Shares are held by a nominee (or which are held in CCASS) should note that the Board will regard a nominee (including HKSCC Nominees Limited) whose name appears on the Register of Members as a single Shareholder (“**Registered Nominee**”) under the aforesaid arrangement in relation to the allocation of excess Rights Shares. Accordingly, the aforesaid arrangement will not be extended to the beneficial owners individually. Beneficial owners who hold Shares through a Registered Nominee are advised to consider whether they would like to arrange for the registration of their Shares in their own names prior to 4:30 p.m. on the Last Day for Transfer.

Shareholders whose Shares are held by a Registered Nominee and who would like to have their names registered on the Register of Members, must lodge all necessary documents with the Registrar, by 4:30 p.m. on the Last Day for Transfer. The Register of Members will be closed from 17 April 2014 to 24 April 2014 (both days inclusive).

If a Qualifying Shareholder wishes to apply for excess Rights Shares in addition to his/hers/its provisional allotment, he/she/it must complete and sign a EAF and lodge it, together with a separate remittance for the amount payable on application in respect of the excess Rights Shares applied for, at any particular branches of Industrial and Commercial Bank of China (Asia) Limited as to be mentioned in the Prospectus by a time which is currently expected to be 4:00 p.m. on 13 May 2014, or such later time and/or date as may be agreed between the Company and the Underwriter.

Application for listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms. No part of the securities of the Company is listed or dealt in or on which listing or permission to deal is being or is proposed to be sought on any other stock exchange. The nil-paid Rights Shares shall have the same board lot size as the existing Shares (i.e. 500 Shares in one board lot).

Stamp duty and other applicable fees and charges

Dealings in the Rights Shares (in both nil-paid and fully-paid forms) will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy and other applicable fees and charges in Hong Kong.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the listing of, and the permission to deal in, the Rights Shares in both nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Rights Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbroker or other professional adviser for details of those settlement arrangements and how such arrangements will affect their rights and interests.

- (e) all relevant consents and approvals required for the Rights Issue being obtained from all relevant governmental and regulatory authorities, including the Stock Exchange and the SFC, by the Company;

- (h) compliance by the Company and the Underwriter with all of its undertakings and obligations under the Underwriting Agreement; and
- (i) the registration and filing of the Prospectus Documents with the Registrar of Companies.

If any of the above conditions is not fulfilled and/or (in respect of the Condition specified in clause (i)) waived in whole or in part by the Underwriter at or before the Latest Time for Termination (or such later time and/or date as the Company and the Underwriter may agree):

- (a) the Underwriting Agreement shall terminate and the obligations of the parties shall immediately cease and be null and void and none of the parties shall, nor any right or liability accrued before such termination shall, have any right against or liability towards any of the parties arising out of or in connection with the Underwriting Agreement; and
- (b) the Company shall reimburse the Underwriter all such reasonable costs and expenses as have been properly incurred by it in connection with the Rights Issue.

WARNING OF THE RISKS OF DEALING IN SHARES AND NIL-PAID RIGHTS SHARES

The Shares are expected to be dealt in on an ex-rights basis from 15 April 2014. Dealings in the Rights Shares in nil-paid form are expected to take place from 29 April 2014 to 8 May 2014 (both days inclusive). Any Shareholders or other persons contemplating selling or purchasing Shares and/or Rights Shares in their nil-paid form are advised to exercise caution when dealing in the Shares and/or Rights Shares. Any person who is in any doubt about his/her position is recommended to consult his/her own professional adviser. Any Shareholder or other person dealing in Shares up to the date on which all the conditions to which the Rights Issue is subject are fulfilled (and the date on which the Underwriter's right of termination of the Underwriting Agreement ceases) and any person dealing in the nil-paid Rights Shares during the period from 29 April 2014 to 8 May 2014 (both days inclusive) will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

REASONS FOR RIGHTS ISSUE AND USE OF PROCEEDS OF THE RIGHTS ISSUE

Having considered various fund raising methods with a view to enhance the Company’s capital structure and to strengthen its financial capability, the Directors are of the opinion that, under the present circumstances, raising funds by way of rights issue is the most appropriate means and in line with the interests of the Shareholders and the Company as a whole.

The estimated gross proceeds of the Rights Issue will be approximately HK\$4,888.6 million (assuming that no Shares have been issued or allotted on or before the Last Day for Transfer pursuant to any exercise of the outstanding Conversion), or approximately HK\$5,183.6 million (assuming that Shares have been issued or allotted on or before the Last Day for Transfer pursuant to full exercise of all outstanding Conversion).

The net proceeds of the Rights Issue are estimated to be not less than approximately HK\$4,863.6 million and not more than approximately HK\$5,158.6 million after the deduction of all estimated expenses. The net proceeds of the Rights Issue are intended to be used for refinancing and general corporate purposes.

The estimated expenses of the Rights Issue (including the underwriting commission, financial advisory fees, printing, registration, translation, legal and accounting charges and other related expenses) amount to approximately HK\$25 million and will be borne by the Company. The net subscription price per Rights Share upon full acceptance of the relevant provisional allotment of Rights Shares is expected to approximately HK\$9.71.

POSSIBLE ADJUSTMENT TO THE CONVERTIBLE BONDS

As at the Latest Practicable Date, there are outstanding Convertible Bonds with an aggregate principal amount of HK\$3,875,000,000 convertible into approximately 387,500,000 Shares at the initial conversion price of HK\$10.00 per Share (subject to adjustment). Assuming full exercise of the conversion rights attaching to the Convertible Bonds and Shares are allotted and issued pursuant to such exercise on or before the Last Day for Transfer, a total of 387,500,000 new Shares would fall to be issued and allotted, which would result in the issue and allotment of 30,225,000 additional Rights Shares.

As a result of the Rights Issue, the conversion price of the outstanding Convertible Bonds may be adjusted in accordance with the respective terms and conditions of the Convertible Bonds. The Company expects to make a further announcement on the appropriate adjustments (if any) and the date it is to take effect in due course.

GENERAL

On the basis that the Rights Issue is being offered to Shareholders (excluding, for these purposes, Non-Qualifying Shareholders) pro rata to their existing shareholdings (apart from fractional entitlements to Rights Shares), in accordance with Listing Rule 13.36(2), there is no requirement for the Directors to issue the Rights Shares pursuant to the current general mandate granted to the Directors at the annual general meeting of the Company held on 22 May 2013.

As the proposed Rights Issue will not increase the issued share capital or the market capitalisation of the Company by more than 50% or otherwise fall under any scenarios contemplated under Rule 7.19(6) of the Listing Rules, the Rights Issue is not subject to the approval of the Shareholders in a general meeting.

The Prospectus or, where applicable, the Prospectus Documents, containing further information on the Rights Issue is expected to be despatched by the Company to Qualifying Shareholders on or about the Prospectus Posting Date.
