

## ARRIS EU REACH Product Disclosure

ARRIS provides a large number of products to the market that do not contain REACH SVHC's. Through our detailed analysis we have identified a few products that do have substances that require reporting to recipients/customers. ARRIS continues to take steps to notify recipients directly about these products. The ARRIS products below contain substances which are reportable under the EC REACH regulation. The products are safe when used as intended, and in accordance with the applicable instructions.
