Dear _____,

As part of our continued outreach efforts, and in the interest of providing clear and accurate information, we would like to clarify an item noted incorrectly in a recent report issued by a proxy advisory firm.

Director George Parker currently serves on 3 public company audit committees, rather than 4, as stated in the report. A recent filing from iShares Trust (on page 24) confirms that while he is a Director of the company, he is not a member of its audit committee: <http://www.sec.gov/Archives/edgar/data/1100663/000119312514144619/d708669d485bpos.htm>

We would welcome the opportunity to discuss this further, should you have any questions. Please find my contact details below. As always, we appreciate your support and the investment of your firm in First Republic Bank.
