**Supplemental Financial Data**  
**Unaudited**  
**Dollars in thousands**

The unaudited selected historical financial data for WRECO included in this presentation are summary only and are not necessarily indicative of the results or the financial condition to be expected for the remainder of the year or any future date or period. These data do not reflect the changes that WRECO expects to experience in the future as a result of the recently completed transactions with TRI Pointe, including, without limitation, the transfer of certain assets and liabilities of WRECO that were excluded from the WRECO transaction and changes in the financing, cost structure and personnel needs of the combined businesses. Further, the historical financial statements include allocations of certain Weyerhaeuser corporate general and administrative expenses and these allocations may not be indicative of the actual level of expense that would have been incurred by WRECO if it had operated as an independent company or of costs expected to be incurred in the future.

TRI Pointe's Proxy Statement for its 2014 Annual Meeting of Stockholders, filed with the Securities and Exchange Commission on May 20, 2014, includes: (i) the unaudited consolidated financial statements of WRECO as of and for the three months ended March 31, 2014 and for the three months ended March 31, 2013; (ii) the audited balance sheets of WRECO and its subsidiaries as of December 31, 2013 and 2012, and the related consolidated statements of operations, changes in equity, and cash flows for each of the years in the three-year period ended December 31, 2013; and (iii) and notes thereto. In addition, the Risk Factors section of the Proxy Statement includes a discussion of risks relating to TRI Pointe and WRECO's business and industry.
