- ARRIS has a strong track record of successfully generating shareholder value from prior transactions, including its acquisition of Motorola Home in 2013, since the announcement of which ARRIS's share price has more than doubled.
- It is New ARRIS's intent, upon completion of the Merger, to continue to invest in its organic businesses (including the businesses of Pace), to continue to add adjacent acquisitions, to reduce its leverage and to consider share repurchases as appropriate.

- The Conditions to the Merger are set out in full in Appendix I to this Announcement.
- It is expected that the Scheme Circular will be published in the third quarter of 2015 and that, subject to the satisfaction, or where relevant waiver, of all relevant Conditions, the Scheme will become Effective and the Transaction is expected to complete in late 2015.

Commenting on the Merger, Bob Stanzione, Chairman, Chief Executive Officer and President of ARRIS said:

*"This transaction is another example of ARRIS's ongoing strategy of investing in the right opportunities to position our company for growth. Adding Pace's talent, products and diverse customer base will provide ARRIS with a large scale entry into the satellite segment, broaden our portfolio and expand our global presence. We expect this merger will enable ARRIS to increase our speed of innovation. We believe this is a tremendous opportunity for ARRIS and*

our customers, employees, shareholders and partners around the world as we collaborate to invent the future. We look forward to working with the talented and accomplished team at Pace.”

Commenting on the Merger, Allan Leighton, Chairman of Pace said:

*“Pace plc is a great company with a strong track record of pioneering innovation and excellent customer service. Through a combination of organic development and acquisitions, Pace has grown to be a leading technology solutions provider to the PayTV and Broadband industries serving cable, satellite and telco customers across the globe. Over the last three years, Mike Pulli and the wider Pace team have successfully executed against our strategic plan to develop Pace into a more distinctive, profitable and cash generative company, creating significant value for shareholders.*

*The Pace Directors believe that ARRIS's offer recognises this value and also gives our shareholders the opportunity to share in the future success of the Combined Group. While we believe that Pace is strongly positioned to continue to execute its strategy in the medium and long term, we believe that the combination of the complementary ARRIS and Pace businesses will create a platform for future growth above and beyond our standalone potential. We believe this is a great fit for both companies, our employees, customers and trading partners.”*

FOR IMMEDIATE RELEASE

22 APRIL 2015

### RECOMMENDED COMBINATION OF PACE PLC AND ARRIS GROUP, INC.

#### 1. Introduction

The Boards of ARRIS and Pace are pleased to announce that they have reached agreement on the terms of a recommended combination of Pace with ARRIS.

#### 2. The Merger

Under the terms of the Merger, Pace Shareholders will be entitled to receive:

**for each Pace Share:            132.5 pence in cash**  
**and**  
**0.1455 New ARRIS Shares**

The Merger terms represent an indicative value of 426.5 pence per Pace Share based on ARRIS's closing share price of US\$30.16 on the Latest Practicable Date (being 21 April 2015).

The indicative value of 426.5 pence per Pace Share values the entire issued and to be issued share capital of Pace on a fully diluted basis at approximately £1.4 billion and represents:

- o a premium of approximately 27.6 per cent. to the closing price of 334.2 pence per Pace Shares on the Latest Practicable Date; and
- o an implied enterprise value/Adjusted EBITDA multiple of Pace of approximately 8.2x.

On the basis of approximately 48.2 million New ARRIS Shares being issued pursuant to the Merger, following the Transaction, Pace Shareholders will hold New ARRIS Shares representing approximately 24 per cent. of the issued share capital of New ARRIS and ARRIS Stockholders will hold New ARRIS Shares representing approximately 76 per cent. of the issued share capital of New ARRIS.

The Boards of ARRIS and Pace have agreed that, in addition to the consideration payable in connection with the Merger, Pace Shareholders will continue to be entitled to receive the proposed final dividend for 2014 of 4.75 cents, payable on 3 July 2015 to Pace Shareholders on the register on 5 June 2015.

#### 3. Background to and reasons for the Transaction

The Merger will enable the Combined Group to better serve customers in markets across the globe with its enhanced scope and scale, broad geographic footprint and innovative product offerings.

The Merger is expected to generate compelling financial benefits, including significant synergies from the optimisation of back-office infrastructure, component procurement and go-to-market efficiencies, and the removal of Pace's public company costs.

The Combined Group is expected to have 2014 pro forma revenues of approximately US\$8 billion and will employ over 8,500 people globally in more than 15 countries.

In particular, ARRIS believes:

- the Merger of the two companies with complementary product and geographic positions in consumer premises equipment (“CPE”) and network infrastructure will create a global industry player with impressive characteristics and a compelling investment thesis;
- the enhanced scope and scale of New ARRIS will enable it to maintain pace with recent consolidation among operators and increase volumes across a broad array of product cost tiers, and create manufacturing and procurement efficiencies;
- the Merger will diversify New ARRIS’s geographic and customer footprint, building on the Combined Group’s strong global presence, including complementary positions in both Latin America and Asia, two of our industry’s highest growth regions; and
- the Merger will provide New ARRIS with a large scale entry into the satellite segment.

ARRIS expects the Transaction to be US\$0.45 - US\$0.55 per share accretive to ARRIS’s Non-GAAP EPS<sup>2</sup> in the first twelve months following completion.

ARRIS expects the Transaction to reduce the non-GAAP effective tax rate of New ARRIS to approximately 26 to 28 per cent. in the first full year following closing.

ARRIS has a strong track record of successfully generating shareholder value from prior transactions, including its acquisition of Motorola Home in 2013, since the announcement of which ARRIS’s share price has more than doubled.

It is New ARRIS’s intent, upon completion of the Merger, to continue to invest in its organic businesses (including the businesses of Pace), to continue to add adjacent acquisitions, to reduce its leverage and to consider share repurchases as appropriate.

#### **4. Pace Recommendation**

The Pace Board, which has been so advised by J.P. Morgan Cazenove, considers the terms of the Merger to be fair and reasonable. In providing its advice, J.P. Morgan Cazenove has taken into account the commercial assessments of the Pace Directors.

The Pace Board considers that the terms of the Transaction are in the best interests of Pace Shareholders as a whole and intends unanimously to recommend that Pace Shareholders vote in favour of the resolutions to be proposed at the Court Meeting and the General Meeting to approve the Merger, as the Pace Directors have irrevocably undertaken to do in respect of their own beneficial shareholdings in Pace which amount in aggregate to 1,063,293 Pace Shares, representing approximately 0.34 per cent. of the ordinary share capital of Pace in issue on the Latest Practicable Date.

#### **5. Background to and reasons for the Pace recommendation**

Pace has a strong track record of innovation, first-to-market solutions and excellent customer service, having successfully operated as a provider of technology solutions to the PayTV and Broadband industries for over thirty years. Through a combination of organic development and acquisitions Pace has grown to be a leading technology solutions provider to the PayTV and Broadband industries serving cable, satellite and telco customers across the globe.

Over the past three years, Pace’s management has significantly transformed Pace, resulting in a material improvement in operational efficiency, cash flow management and recent entry into the network infrastructure segment through the acquisition of Aurora Networks Inc. Since Mike Pulli was appointed CEO in December 2011, return

<sup>2</sup> Non-GAAP EPS excludes stock compensation expense, amortization of intangible assets, restructuring charges, acquisition, integration, other one-time items and their related income tax effect. The statement that the Transaction is expected to be earnings accretive should not be construed as a profit forecast and is therefore not subject to the requirements of Rule 28 of the Code. It should not be interpreted to mean that the earnings per share in any future financial period will necessarily match or be greater than those for the relevant preceding financial period.

on sales has increased from 6.1 per cent. to 9.2 per cent., Adjusted Basic EPS<sup>3</sup> has increased 114 per cent., approximately US\$600 million Free Cash Flow<sup>4</sup> has been delivered and Pace has delivered total shareholder returns of 403 per cent.

The Pace Board believes that the Transaction will create a global industry leader in the provision of technology solutions to the PayTV and Broadband industries. The Combined Group will be well positioned to better serve, and provide incrementally innovative solutions for, its customers in a rapidly evolving and increasingly complex digital communications landscape. The Transaction provides excellent opportunities for Pace's employees to continue providing world-class expertise for Pace's customers across a broadened remit and platform. The Pace Board believes the Pace-ARRIS combination represents the most compelling combination within the industry.

Pace and ARRIS have complementary customer profiles and the breadth and depth of commercial, research, and development experience and capabilities of the Combined Group will accelerate the ability of both companies to reach their full potential for shareholders and customers across the globe. Pace will benefit from the Combined Group's financial resources and the expected cost savings a combination is expected to generate. The share component of the consideration provides Pace Shareholders with meaningful ownership in New ARRIS allowing them to access the benefits of the Merger in addition to the continued exposure to the PayTV and Broadband technology solutions sector.

In light of these factors, the Pace Board believes the terms of the Transaction substantially recognise Pace's growth potential and its longer term prospects and the Transaction is in the best interests of Pace Shareholders as a whole. In reaching its conclusion, the Pace Directors considered the terms of the Transaction in relation to the value and prospects of the underlying business, the potential benefits ARRIS expects to achieve from combining its operations with those of Pace and the potential medium term standalone value of Pace Shares. The Pace Directors intend unanimously to recommend that Pace Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions relating to the Combination at the Pace General Meeting.

## **6. Irrevocable undertakings to vote in favour of the Merger**

The Pace Directors who hold Shares in Pace, being Mike Pulli, Allan Leighton, Pat Chapman-Pincher, John Grant and Mike Inglis, have irrevocably undertaken to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting in respect of their holdings of Pace Shares which amount, in aggregate, to 1,063,293 Pace Shares representing approximately 0.34 per cent. of the ordinary share capital of Pace in issue on the Latest Practicable Date.

Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

## **7. Information on the Pace Group**

Pace is a leading technology developer for the global Pay TV industry, working across satellite, cable, IPTV and terrestrial platforms. Pace has highly experienced specialist engineering teams, developing intelligent and innovative products and services for both Pay TV operators and Telcos across the world.

It enables service providers, including cable, telephone, and digital broadcast satellite operators, and media programmers to deliver media, voice, and IP data services to their subscribers.

ARRIS is headquartered in Suwanee, Georgia, USA, and is listed on NASDAQ. For the year ended 31 December 2014, ARRIS generated revenues of approximately US\$5,323 million and operating income of approximately US\$341 million.

## **9. Information on New ARRIS**

### **9.1 Overview**

The New ARRIS Group will operate under a new holding company, New ARRIS, and will retain operational headquarters in Suwanee, Georgia, USA.

### **9.2 New ARRIS**

New ARRIS is a private limited company incorporated and tax resident in England and Wales. New ARRIS was formed solely for the purpose of effecting the Transaction. Prior to the Effective Date, New ARRIS will be converted, pursuant to section 90 of the Companies Act, to a public limited company. To date, New ARRIS has not conducted any activities other than those incidental to its formation and the execution of the Co-operation Agreement and the New ARRIS Facility. Following completion of the Transaction, New ARRIS will become the holding company of the Pace Group and the ARRIS Group.

Application will be made for the listing of New ARRIS Shares on NASDAQ. It is expected that on the Effective Date, New ARRIS will be listed on NASDAQ.

## **10. Management and employees**

ARRIS and Pace attach great importance to the skills and experience of the existing management and employees of ARRIS and Pace, and New ARRIS will benefit from the combined talent of both organisations.

ARRIS confirms that, following implementation of the Merger, the existing contractual and statutory employment rights, including in relation to pensions, of all Pace Group employees will be fully safeguarded.

The ARRIS Board recognises that in order to achieve the expected benefits of the Merger, operational and administrative restructuring will be required following completion of the Merger. The detailed steps for such a restructuring are not yet known but ARRIS will aim to retain the best talent across the Combined Group.

## **11. Dividends**

The Boards of ARRIS and Pace have agreed that, in addition to the consideration payable in connection with the Merger, Pace Shareholders will continue to be entitled to receive the proposed final dividend for 2014 of 4.75 cents, payable on 3 July 2015 to Pace Shareholders on the register on 5 June 2015.

## **12. Pace Share Schemes**

Participants in the Pace Share Schemes will be contacted regarding the effect of the Merger on their rights under the Pace Share Schemes (including awards to be made under the Performance Share Plan, International Performance Share Plan and Deferred Share Plan shortly after today's date) and appropriate proposals will be made to such participants in due course. In relation to the options that subsist under the Pace Sharesave Plan and the Pace Americas US Sharesave Plan, the proposals will include a choice for participants to allow their awards to vest and become exercisable or to agree to the rollover of their awards into New ARRIS Shares.

The Pace Share Schemes contain provisions whereby Pace's Remuneration Committee has certain discretions as regards the vesting of certain awards in these circumstances. Pace's Remuneration Committee will exercise such discretion in such manner as it considers appropriate, which may include allowing all applicable options and awards to vest in full.

## **13. The Merger and the ARRIS Merger**

### **13.1 Structure of the Merger**

It is intended that the Merger will be implemented by means of a Court-sanctioned scheme of arrangement between Pace and the Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for New ARRIS to become the direct or indirect owner of the entire issued and to be issued share capital of Pace. In order to achieve this, the Scheme Shares will be transferred to New ARRIS (or a subsidiary of New ARRIS). In consideration for this, the Scheme Shareholders will receive cash and New ARRIS Shares on the basis set out in section 2 of this Announcement. The transfer of those Scheme Shares to New ARRIS (or a subsidiary of New ARRIS) will result in Pace becoming a direct or indirect wholly owned subsidiary of New ARRIS.

The Scheme requires approval by Pace Shareholders by the passing of a resolution at the Court Meeting. The Scheme must be approved at the Court Meeting by a majority in number representing not less than three-fourths in value of the Scheme Shareholders present and voting, either in person or by proxy. In addition, the implementation of the Scheme will require approval by the passing of certain resolutions at the General Meeting to be held immediately after the Court Meeting.

The Scheme must also be sanctioned by the Court. The Scheme will only become Effective upon delivery to the Registrar of Companies of the Scheme Court Order.

Once the Scheme becomes Effective, it will be binding on all Scheme Shareholders, whether or not they voted at the Court Meeting and the General Meeting and, if they did vote, whether or not they voted in favour of or against the resolutions proposed at those meetings.

ARRIS or New ARRIS reserves the right, subject to the prior consent of the Panel, to elect to implement the acquisition of the Pace Shares by way of a takeover offer (as such term is defined in section 974 of the Companies Act). In such event, such Offer will be implemented on the same terms (subject to appropriate amendments as described in Part 2 of Appendix I), so far as applicable, as those which would apply to the Scheme. Furthermore, if such Offer is made and sufficient acceptances of such Offer are received, when aggregated with Pace Shares otherwise acquired by New ARRIS, it is the intention of New ARRIS to apply the provisions of section 979 of the Companies Act to acquire compulsorily any outstanding Pace Shares to which such Offer relates.

## 13.2 Conditions

The Scheme is subject to certain Conditions and certain further terms referred to in Appendix I of this Announcement. The Conditions will be set out in the Scheme Circular to be sent to all Pace Shareholders.

The Conditions in Appendix I provide that the Merger is conditional on, amongst other things:

- (a) the Court Meeting and General Meeting being held on or before the 22<sup>nd</sup> day after the expected date of the meetings to be set out in the Scheme Circular in due course or such later date (if any) as ARRIS and Pace may agree;
- (b) the Scheme Court Hearing being held on or before the 22<sup>nd</sup> day after the expected date of the hearing to be set out in the Scheme Circular in due course, or such later date (if any) as ARRIS and Pace may agree;
- (c) the Scheme becoming unconditional and becoming Effective by no later than 22 April 2016 or such later date (if any) as ARRIS and Pace may agree and (if required) the Court may allow;
- (d) the Form S-4 having become effective under the Securities Act and not having been the subject of any stop order suspending its effectiveness, and no proceedings seeking any such stop order having been initiated or threatened by the SEC;
- (e) the US Merger Agreement being duly adopted by the affirmative vote of the holders of a majority of the outstanding ARRIS Shares entitled to vote on such matter at an ARRIS Stockholders' Meeting duly called and held for such purpose in accordance with applicable law and the certificate of incorporation and bylaws of ARRIS;
- (f) NASDAQ having authorised the listing of all of the New ARRIS Shares upon official notice of issuance and not having withdrawn such authorisation; and
- (g) all notifications and filings as may be required under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the regulations promulgated thereunder (the "HSR Act"), having been made in connection with the acquisition of Pace shares by ARRIS and all applicable HSR Act waiting periods (including any extensions thereof) relating to the acquisition of Pace shares by ARRIS having expired or been terminated.

The Merger is also conditional on the receipt of various other anti-trust clearances in a number of jurisdictions, including Brazil, Colombia, Germany, Portugal and South Africa.

Pace Shareholders should note that completion of the Scheme will be conditional upon the satisfaction or, where appropriate, waiver of all the above Conditions in addition to the satisfaction or, where appropriate, waiver of the other Conditions and certain further terms set out in Appendix I to this Announcement.

The terms of the Scheme will provide that the Scheme Shares will be acquired under the Scheme fully paid and free from all liens, charges and encumbrances, rights of pre-emption and any other third party rights of any nature whatsoever and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions declared, paid or made after the date on which the Scheme becomes Effective. If any dividend or other distribution or return of capital is proposed, declared, made, paid or becomes payable by Pace in respect of a Scheme Share on or after the date of this Announcement and prior to the Scheme becoming Effective, other than the Permitted Dividend, New ARRIS reserves the right to reduce the value of the consideration payable for each Scheme Share by up to the amount per Scheme Share of such dividend, distribution or return of capital except where the Scheme Share is or will be acquired pursuant to the Scheme on a basis which entitles New ARRIS to receive the dividend, distribution or return of capital and to retain it.

If any such dividend or distribution is paid or made after the date of this Announcement and New ARRIS exercises its rights described above, any reference

in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by ARRIS of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

### **13.3 The ARRIS Merger**

Immediately following the Merger, US Merger Sub will merge with and into ARRIS, with ARRIS continuing as the surviving corporation. On the Effective Date, all ARRIS common shares will be cancelled and will automatically be converted into the right to receive New ARRIS Shares on a one-for-one basis. Following the ARRIS Merger, ARRIS will become an indirect wholly owned subsidiary of New ARRIS. The ARRIS Merger is subject to the terms and conditions of the US Merger Agreement. Following completion of the Merger, the then-current ARRIS Board of Directors will serve as the New ARRIS Board of Directors.

### **13.4 ARRIS stockholder approval**

Pursuant to the US Merger Agreement, immediately following the Merger, US Merger Sub will merge with and into ARRIS and ARRIS will continue as the surviving corporation. As a result, the US Merger Agreement must be duly adopted by the affirmative vote of the holders of a majority of the outstanding ARRIS Shares entitled to vote on such matter at an ARRIS Stockholders' meeting duly called and held for such purpose in accordance with applicable law and the certificate of incorporation and bylaws of ARRIS. ARRIS and New ARRIS are required to send ARRIS Stockholders a proxy/prospectus which will, among other things, summarise the background to and reasons for the transactions to be consummated pursuant to the US Merger Agreement, provide information about the special meeting of ARRIS Stockholders at which the adoption of the US Merger Agreement will be considered, and provide information relating to the New ARRIS Group and the New ARRIS Shares.

The ARRIS Board has approved the Transaction and intends to recommend that ARRIS Stockholders vote in favour of the adoption of the US Merger Agreement.

### **14. De-listing and re-registration**

Applications will be made to the UK Listing Authority and the London Stock Exchange for the cancellation of the listing of the Pace Shares on the Official List and of the trading in Pace Shares on the London Stock Exchange's main market for listed securities respectively, upon or shortly after the Scheme becoming Effective. When the Scheme becomes Effective, the share certificates in respect of Pace Shares will cease to be valid and entitlements to Pace Shares held in CREST will be cancelled.

New ARRIS intends to re-register Pace as a private company as soon as it is appropriate to do so under the provisions of the Companies Act.

It is intended that, subject to and following the Scheme becoming Effective, and subject to requirements of NASDAQ and applicable securities law, New ARRIS will take all actions necessary or appropriate action to voluntarily terminate the listing of ARRIS Shares on NASDAQ. The last trading day of ARRIS Shares on NASDAQ will be the last Business Day before the Effective Date.

### **15. Settlement, listing and dealing of New ARRIS Shares**

Once the Scheme has become Effective, New ARRIS Shares will be allotted to Scheme Shareholders and former ARRIS Stockholders.

Application will be made for the listing of New ARRIS Shares on NASDAQ. It is expected that on the ARRIS Merger Effective Date, New ARRIS will be listed on NASDAQ.

Details of how UK shareholders can hold, access and trade the New ARRIS Shares will be set out in the Scheme Circular.

## **16. Financing of the Merger**

New ARRIS will finance the cash component (the "Cash Component") of the consideration payable in connection with the Merger from existing cash balances made available to it by ARRIS and under the New ARRIS Facility.

Evercore, as financial adviser to ARRIS, is satisfied that ARRIS and New ARRIS have the necessary financial resources available to satisfy in full the cash consideration payable under the Merger.

Under the terms of the New ARRIS Facility, New ARRIS has agreed that it will not, without the consent of the administrative agent:

- (a) amend or waive any term of the Scheme Circular in a manner materially adverse to the interests of the lenders from those in this Announcement, save for any amendment or waiver required by the Panel, the Code, a court or any other applicable law, regulation or regulatory body; and
- (b) should the Merger be implemented by way of an Offer, amend or waive the acceptance condition (as determined under the terms of that Offer at the relevant time) to permit the Offer to become unconditional as to acceptances until New ARRIS has (directly or indirectly) acquired acceptances which, when aggregated with all Pace shares to which the Offer relates (excluding Treasury Shares) directly or indirectly acquired by New ARRIS represent at least 90 per cent. of the Pace shares to which the Offer relates (excluding Treasury Shares).

It is ARRIS's current intention to seek the consent of the lenders under the Existing ARRIS Facility in order to amend and extend that facility to increase its size and extend its term, in which case New ARRIS may use the proceeds from this amended facility to fund the Cash Component instead of the New ARRIS Facility.

Further information on the financing of the Merger will be set out in the Scheme Circular.

The pro forma leverage of the Combined Group is expected to be below 2.5 times net debt to Non-GAAP EBITDA (based on the pro forma EBITDA for the Combined Group for 2014 and taking into account the acquisition financing and the payment of the Cash Component). On the basis that the amended facility referred to above is put in place, ARRIS expects that the available liquidity of the Combined Group on closing will be approximately US\$1,150 million.

## **17. Offer-related arrangements**

### **17.1 Confidentiality agreements**

Pace and ARRIS have entered into a mutual Confidentiality Agreement, as amended and restated, dated 20 April 2015 pursuant to which each party has undertaken to keep confidential information relating to the other party and not to disclose it to third parties (other than to permitted disclosees) unless required by law or regulation. These confidentiality obligations will remain in force until the completion of the Transaction.

Pace and ARRIS have also entered into a Clean Team Confidentiality Agreement dated 13 April 2015 which sets out how any confidential information that is competitively sensitive can be disclosed, used or shared, and a Synergies Clean Team Confidentiality Agreement dated 17 April 2015 which sets out how certain competitively sensitive synergy information can be disclosed, used or shared, in each case to a clean team made up of certain named representatives of the parties' respective external legal advisers.

### **17.2 Co-operation Agreement**

Pace, ARRIS and New ARRIS have entered into the Co-operation Agreement pursuant to which Pace has agreed to provide ARRIS with such information and assistance as ARRIS may reasonably require for the purposes of obtaining the

regulatory clearances that ARRIS determines are necessary or desirable in order to satisfy the Regulatory Conditions and making any submission, filing or notification to any regulatory authority.

ARRIS has agreed that it shall use reasonable endeavours to obtain the regulatory clearances that ARRIS determines are necessary or desirable in order to satisfy the Regulatory Conditions as soon as reasonably practicable.

By way of compensation for any loss suffered by Pace in connection with the preparation and negotiation of the Merger, the Co-operation Agreement and any other document relating to the Merger, ARRIS has undertaken that, on the occurrence of a Break Payment Event (as defined below), ARRIS will pay or procure the payment to Pace of an amount in cash, in US dollars, equal to US\$20 million (the "**Break Payment**") in the event that on or prior to 22 April 2016:

- (a) on 22 April 2016, any Regulatory Condition shall not have been satisfied or waived by ARRIS or New ARRIS;
- (b) ARRIS or New ARRIS invokes any Regulatory Condition; or
- (c) the ARRIS Board withdraws or qualifies its recommendation without Pace's consent and either: (i) the US Merger Agreement has not been approved at the ARRIS Stockholders' Meeting; (ii) the ARRIS Stockholders' Meeting has not occurred; (iii) the Co-operation Agreement has been terminated in accordance with its terms; or (iv) the Effective Date has not occurred by 22 April 2016,

each a "**Break Payment Event**".

ARRIS shall have no obligation to pay the Break Payment to Pace if: (a) the failure of ARRIS to satisfy a Regulatory Condition or the invoking of a Regulatory Condition is due to a material breach of Pace's undertakings to provide certain information and assistance to ARRIS for the purposes of satisfying the Regulatory Conditions; or (b) Pace withdraws or qualifies its recommendation before a Break Payment Event referred to in (b) or (c) above occurs.

The Co-operation Agreement further provides that, in the event that the ARRIS Stockholders do not approve the US Merger Agreement at the ARRIS Stockholders Meeting but ARRIS has not withdrawn its recommendation, ARRIS shall indemnify Pace for all costs and expenses (including irrevocable VAT) incurred by Pace in connection with the Merger up to an aggregate amount of US\$12 million ("**Expense Reimbursement Payment**").

ARRIS is only obliged to pay one Break Payment and any Break Payment will be reduced by the amount of the Expense Reimbursement Payment with such payment to be Pace's exclusive remedy in connection with any claim it may have in respect of any or all Break Payment Events or the circumstances giving rise to the Expense Reimbursement Payment.

ARRIS may switch to an Offer with the consent of the Panel only after having received the prior written consent of Pace (such consent not to be unreasonably withheld or delayed).

ARRIS has agreed to certain customary restrictions on the conduct of its business during the period pending completion of the Merger.

The Co-operation Agreement contains provisions in relation to the Pace Share Schemes. Details of these arrangements will be set out in the Scheme Circular.

The Co-operation Agreement can be terminated:

- (a) by written agreement of ARRIS and Pace;
- (b) by ARRIS or Pace if any Condition is invoked in accordance with the terms of the Scheme (or the Offer as the case may be) but only in circumstances which constitute "material significance" to ARRIS for the purposes of Rule 13.5 of the Code (other than Conditions 1 or 2 in Appendix I or, in the case of an Offer, the acceptance condition);

- (c) by ARRIS or Pace, if the ARRIS Board withdraws or qualifies its recommendation without Pace's consent;
- (d) by ARRIS or Pace if the Pace Board notifies ARRIS or publicly states that it no longer recommends (or intends to recommend) that Pace Shareholders vote in favour of the Scheme;
- (e) by ARRIS or Pace if there is an announcement by a third party announcing a firm intention to make an offer for Pace which is recommended by the Pace Board; or
- (f) by ARRIS or Pace if the Transaction has not completed by 22 April 2016.

**18. Overseas shareholders**

The availability of the New ARRIS Shares under the terms of the Merger to persons not resident in the United Kingdom may be affected by the laws and regulations of the relevant jurisdiction. Such persons should inform themselves about and observe any applicable requirements. Further details in relation to Overseas Shareholders will be contained in the Scheme Circular.

This Announcement does not constitute an offer or invitation to purchase any securities.

**19. Taxation**

It is expected that Pace Shareholders who are resident in the UK for tax purposes will generally not be charged to tax in the UK in respect of that element of the consideration provided to them in the form of New ARRIS Shares, but that any cash consideration received by such shareholders for their Pace Shares will crystallise a disposal for such shareholders for the purposes of UK tax on chargeable gains and may, depending on the circumstances of such shareholders, give rise to a charge to UK capital gains tax or UK corporation tax.

It is expected that, for US federal income tax purposes, the Transaction generally will be taxable to US shareholders of both ARRIS and Pace. The tax consequences of the Transaction may vary based on an individual shareholder's circumstances, and a more complete description of the anticipated tax consequences of the Transaction will be made available in the Scheme Circular and the ARRIS Proxy Statement.

**20. Fractional entitlements**

Fractions of New ARRIS Shares will not be allotted to Scheme Shareholders but will be aggregated and sold as soon as practicable after the Scheme becomes Effective. The net proceeds of such sale will then be paid in cash to the relevant Scheme Shareholders in accordance with their fractional entitlements.

**21. Disclosure of interests in Pace Shares**

In connection with the Merger, ARRIS will make an Opening Position Disclosure in respect of Pace Shares and ARRIS Shares by no later than 12 noon on 7 May 2015, setting out the details required to be disclosed by it under Rule 8.1(a) of the Takeover Code.

**22. Expected timetable**

Further details of the Scheme will be contained in the Scheme Circular. It is expected the Scheme Circular will be published in the third quarter of 2015 and that, subject to the satisfaction, or where relevant waiver, of all relevant Conditions as set out in Appendix I to this Announcement, the Scheme will become Effective and the Transaction is expected to complete in late 2015.

## **23. Documents available on website**

Copies of the following documents will shortly be available on ARRIS's website at [www.arris.com](http://www.arris.com) and Pace's website at [www.pace.com](http://www.pace.com) by no later than 12 noon (London time (BST)) on the Business Day following the date of this Announcement:

- this Announcement;
- the Co-operation Agreement;
- the US Merger Agreement;
- the irrevocable undertakings described in paragraph 6 and listed in Appendix III;
- the confidentiality agreements described in paragraph 17; and
- the documents relating to the financing of the Merger referred to in paragraph 16.

## **24. General**

The Merger will be made subject to the Conditions and on the terms contained in Appendix I to this Announcement and on the further terms and conditions to be set out in the Scheme Circular. The Scheme will be governed by English law and subject to the applicable rules and regulations of the London Stock Exchange, the Panel and the Financial Conduct Authority.

**The Conditions and certain further terms of the Merger are set out in Appendix I. Appendix II contains bases and sources of certain information contained within this document. ### **Dealing Disclosure requirements**

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time (BST)) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time (BST)) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been

disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time (BST)) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

### **Forward-looking statements**

This Announcement contains certain forward-looking statements with respect to a possible combination involving ARRIS and Pace. The words "believe", "expect", "anticipate", "project" and similar expressions, among others, generally identify forward-looking statements. These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those indicated in the forward-looking statements. Such risks and uncertainties include, but are not limited to, the possibility that a possible combination will not be completed, failure to obtain necessary regulatory approvals or required financing or to satisfy any of the other conditions to the possible combination, adverse effects on the market price of ARRIS Shares and on ARRIS's or Pace's operating results because of a failure to complete the possible combination, failure to realise the expected benefits of the possible combination, negative effects relating to the announcement of the possible combination or any further announcements relating to the possible combination or the consummation of the possible combination on the market price of ARRIS Shares or Pace Shares, significant transaction costs and/or unknown liabilities, customer reaction to the announcement of the combination, possible litigation relating to the combination or the public disclosure thereof, general economic and business conditions that affect the combined companies following the consummation of the possible combination, changes in global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax laws, regulations, rates and policies, future business combinations or disposals and competitive developments. These factors are not intended to be an all-encompassing list of risks and uncertainties. Additional information regarding these and other factors can be found in ARRIS's reports filed with the SEC, including its Annual Report on Form 10-K for the year ended 31 December 2014, the contents of which are not incorporated by reference into, nor do they form part of, this Announcement. By their nature, forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement could cause ARRIS's plans with respect to Pace, ARRIS's or Pace's actual results, performance or achievements, industry results and developments to differ materially from those expressed in or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. ARRIS and Pace expressly disclaim any obligation to release publicly any revisions to forward-looking statements as a result of subsequent events or developments, except as required by law.

Conditions 3(a) to (n) (other than Condition 3(c)) inclusive must be fulfilled, be determined by ARRIS or New ARRIS to be satisfied or (if capable of waiver) be waived by ARRIS or New ARRIS prior to commencement of the Scheme Court Hearing (or such later date as agreed between ARRIS and Pace and with the approval of the Panel (if required)), failing which the Scheme shall lapse.

To the extent permitted by law and subject to the requirements of the Panel, ARRIS or New ARRIS reserves the right to waive all or any of the Conditions (other than Conditions 1, 2, 3(a), 3(b) and 3(c)) inclusive, in whole or in part. ARRIS shall be under no obligation to waive or treat as fulfilled any of the Conditions by a date earlier than the date of the Scheme Court Hearing notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

**Part 2: Certain further terms of the Merger**

1. ARRIS or New ARRIS reserves the right, subject to the prior consent of the Panel and Pace's right of consent set out in the Co-operating Agreement, to elect to implement the Merger by way of a takeover offer (as defined in section 974 of the Companies Act). In such event, such Offer will be implemented on the same terms and conditions subject to appropriate amendments to reflect the change in method of effecting the Merger, which: (i) will include an acceptance condition set at 90 per cent. (or such lesser percentage, being more than 50 per cent., as ARRIS or New ARRIS may decide) of the voting rights then exercisable at a general meeting of Pace, including, for this purpose, any such voting rights attaching to Pace Shares that are unconditionally allotted or issued, and to any Treasury Shares which are unconditionally transferred or sold by Pace, before the Offer becomes or is declared unconditional as to acceptances, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise; and (ii) may include changing the consideration structure under the terms of the Merger.
2. If ARRIS is required by the Panel to make an offer for Pace Shares under the provisions of Rule 9 of the Code, ARRIS or New ARRIS may make such alterations to any of the above conditions as are necessary to comply with the provisions of that Rule.
3. The Scheme and the Co-operation Agreement and any dispute or claim arising out of, or in connection with, them (whether contractual or non-contractual in nature) will be governed by English law and will be subject to the jurisdiction of the Courts of England.
4. The terms of the Scheme will provide that the Scheme Shares will be acquired under the Scheme fully paid and free from all liens, charges and encumbrances, rights of pre-emption and any other third party rights of any nature whatsoever and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions declared, paid or made after the date on which the Scheme becomes Effective, other than the Permitted Dividend. If any dividend or other distribution or return of capital is proposed, declared, made, paid or becomes payable by Pace in respect of a Scheme Share on or after the date of this Announcement and prior to the Scheme becoming Effective, other than the Permitted Dividend, New ARRIS reserves the right to reduce the value of the consideration payable for each Scheme Share under the Scheme by up to the amount per Scheme Share of such dividend, distribution or return of capital except where the Scheme Share is or will be acquired pursuant to the Scheme on a basis which entitles New ARRIS to receive the dividend, distribution or return of capital and to retain it.
5. If any such dividend or distribution is paid or made after the date of this Announcement, other than the Permitted Dividend, and New ARRIS exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by ARRIS of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.
6. The New ARRIS Shares to be issued under the Scheme will be issued credited as fully paid and will rank *pari passu* with all other New ARRIS Shares, including the right to receive in full all dividends and other distributions, if any, declared, made or paid after the date hereof.

7. Fractions of New ARRIS Shares will not be allotted or issued to Scheme Shareholders. Fractional entitlements to New ARRIS Shares will be aggregated and sold in the market and the net proceeds of sale distributed pro rata to the Scheme Shareholders entitled thereto.
8. Under Rule 13.5 of the Code, New ARRIS may not invoke a condition to the Merger so as to cause the Merger not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the condition are of material significance to New ARRIS in the context of the Merger. The determination of whether or not such a condition can be invoked would be determined by the Panel. Conditions 1, 2, 3(a), 3(b) and 3(c) are not subject to this provision of the Code.
