

Cautionary Statement

Forward-Looking Statements. Our website may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. We intend all forward-looking statements to be covered by the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally can be identified by the fact that they do not relate strictly to historical or current facts and by the use of forward-looking words such as “expect,” “expectation,” “believe,” “anticipate,” “may,” “could,” “intend,” “belief,” “plan,” “estimate,” “target,” “predict,” “likely,” “will,” “should,” “forecast,” “outlook” or similar terminology. These statements are based on current estimates and assumptions made by us in light of our experience and perception of historical trends, current conditions and expected future developments, as well as other factors that we believe are appropriate and reasonable under the circumstances, but there can be no assurance that such estimates and assumptions will prove to be correct. Forward-looking statements reflect our current expectations, estimates or projections concerning future results or events, including, without limitation, statements regarding the intended capital return to shareholders as well as the related borrowing required to fund such capital return, the planned separation of the Yum! Brands and Yum! China businesses, the timing of any such separation, the future earnings and performance as well as capital structure of Yum! Brands, Inc. or any of its businesses, including the Yum! Brands and Yum! China businesses on a standalone basis if the separation is completed. Forward-looking statements are not guarantees of performance and are inherently subject to known and unknown risks, uncertainties and assumptions that are difficult to predict and could cause our actual results to differ materially from those indicated by those statements. We cannot assure you that any of our expectations, estimates or projections will be achieved. The forward-looking statements included on our website are only made as of the date indicated on the relevant materials and we disclaim any obligation to publicly update any forward-looking statement to reflect subsequent events or circumstances. Numerous factors could cause our actual results and events to differ materially from those expressed or implied by forward-looking statements, including, without limitation: whether we are able to return capital to shareholders at the times and in the amounts currently anticipated, if at all, as well as the corresponding costs of borrowing to fund such capital return as well as other costs; whether the separation of the Yum! Brands and Yum! China businesses is completed, as expected or at all, and the timing of any such separation; whether the operational and strategic benefits of the separation can be achieved; whether the costs and expenses of the separation can be controlled within expectations, including potential tax costs; as well as other risks. In addition, other risks and uncertainties not presently known to us or that we currently believe to be immaterial could affect the accuracy of any such forward-looking statements. All forward-looking statements should be evaluated with the

understanding of their inherent uncertainty. You should consult our filings with the Securities and Exchange Commission (including the information set forth under the captions “Risk Factors” and “Forward-Looking Statements” in our Annual Report on Form 10-K) for additional detail about factors that could affect our financial and other results.
