Notes:
(1) Amounts related to consolidation of a contract manufacturer, contingent consideration and/or other individually insignificant amounts
(2) Amounts may not sum due to rounding

Management believes the non-GAAP information presented above is useful for investors, taken in conjunction with Gilead's GAAP financial statements, because management uses such information internally for its operating, budgeting and financial planning purposes. Non-GAAP information is not prepared under a comprehensive set of accounting rules and should only be used to supplement an understanding of Gilead's operating results as reported under United States generally accepted accounting principles.
