<sup>(a)</sup> Effective January 15, 2015, Target operates as a single segment which includes all of its continuing operations, excluding net interest expense and certain other discretely managed items. Segment operations are designed to enable Target's guests to purchase products seamlessly in stores or through our digital channels.

<sup>(b)</sup> Total sales include merchandise sales, net of expected returns, from our store and digital channels, as well as gift card breakage.

<sup>(c)</sup> The fourth quarter and full year 2017 consisted of 14 weeks and 53 weeks, respectively, compared with 13 weeks and 52 weeks in the comparable prior-year periods.

<sup>(d)</sup> Beginning with the first quarter 2018, we adopted the new accounting standards for revenue recognition, leases, and pensions. We are presenting certain prior period results on a basis consistent with the new standards and conformed to the current period presentation. We provided additional information about the impact of the new accounting standards on previously reported financial information in a Form 8-K filed on May 11, 2018.

<sup>(e)</sup> 2015 sales includes \$3,815 million related to our former pharmacy and clinic businesses, which Target sold to CVS in December of 2015.

<sup>(f)</sup> Additional information as previously reported is available under "summary financials/archives" on investors.target.com.
