**Effective as of November 19, 2015**

The Board of Directors has adopted a formal clawback policy stating that, if any Section 16 officer of the Company engages in any fraud, misconduct or other bad-faith action that, directly or indirectly, causes or contributes to the need for a material accounting restatement of previously filed financial statements for any period as to which a performance based award or other equity grant was made based on the financial results that the Company subsequently restates, such award in excess of what would have been paid without the restatement, made to all Section 16 officers, shall be subject to reduction, cancellation or reimbursement to the Company at the Board's discretion.
