1. THE COMPANY

Nu Skin Enterprises, Inc. (the "Company") is a leading, global direct selling company that develops and distributes premium-quality, innovative personal care products and nutritional supplements that are sold worldwide under the Nu Skin and Pharmanex brands and a small number of other products and services. Over the last several years, the Company has introduced new Pharmanex nutritional supplements and Nu Skin personal care products under its ageLOC anti-aging brand. The Company reports revenue from five geographic regions: Greater China, which consists of Mainland China, Hong Kong, Macau and Taiwan; North Asia, which consists of Japan and South Korea; Americas, which consists of the United States, Canada and Latin America; South Asia/Pacific, which consists of Australia, Brunei, French Polynesia, Indonesia, Malaysia, New Caledonia, New Zealand, the Philippines, Singapore, Thailand and Vietnam; and Europe, Middle East and Africa ("EMEA"), which consists of several markets in Europe as well as Israel, Russia, Ukraine and South Africa (the Company's subsidiaries operating in these countries in each region are collectively referred to as the "Subsidiaries").

The accompanying unaudited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. The unaudited consolidated financial statements include the accounts of the Company and its Subsidiaries. All significant intercompany accounts and transactions are eliminated in consolidation. In the opinion of management, the accompanying unaudited consolidated financial statements contain all adjustments, consisting of normal recurring adjustments, considered necessary for a fair statement of the Company's financial information as of June 30, 2016, and for the three- and six-month periods ended June 30, 2016 and 2015. The results of operations of any interim period are not necessarily indicative of the results of operations to be expected for the fiscal year. The consolidated balance sheet as of December 31, 2015 has been prepared using information from the audited financial statements at that date. For further information, refer to the consolidated financial statements and accompanying footnotes included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015.

2. NET INCOME PER SHARE

Net income per share is computed based on the weighted-average number of common shares outstanding during the periods presented. Additionally, diluted earnings per share data gives effect to all potentially dilutive common shares that were outstanding during the periods presented. For the three-month periods ended June 30, 2016 and 2015, stock options of 2.8 million and 1.5 million, respectively, and for the six-month periods ended June 30, 2016 and 2015, stock options of 3.1 million and 1.5 million, respectively, were excluded from the calculation of diluted earnings per share because they were anti-dilutive.

3. DIVIDENDS PER SHARE

In January and April 2016, the Company's board of directors declared a quarterly cash dividend of \$0.355 per share. These quarterly cash dividends of \$19.8 million and \$19.9 million were paid on March 16, 2016 and June 8, 2016 to stockholders of record on February 26, 2016 and May 27, 2016. In July 2016, the Company's board of directors declared a quarterly cash dividend of \$0.355 per share to be paid on September 14, 2016 to stockholders of record on August 26, 2016.

4. DERIVATIVE FINANCIAL INSTRUMENTS

As of June 30, 2016, the Company held mark-to-market forward derivative contracts to hedge foreign denominated intercompany positions with notional amounts of 500.0 million Japanese yen (\$4.8 million) and 11.5 billion Korean won (\$10.0 million), 3.9 million Canadian dollars (\$3.0 million) and 16.0 million South African rand (\$1.1 million) with related gains and losses being recorded as part of Other Income (Expense); in addition, the Company held mark-to-market forward contracts designated as foreign currency cash flow hedges with notional amounts totaling 2.9 billion Japanese yen and 9.0 million euros (\$28.1 million and \$10.0 million, respectively) as of June 30, 2016 and 1.3 billion Japanese yen and 15.0 million euros (\$10.6 million and \$13.5 million, respectively) as of June 30, 2015 to hedge forecasted foreign-currency-denominated intercompany transactions. The fair value of these hedges were \$0.1 million and \$(3.3) million as of June 30, 2015 and 2016, respectively.

The contracts held at June 30, 2016 have maturities through June 2017, and accordingly, all unrealized gains and losses on foreign currency cash flow hedges included in accumulated other comprehensive loss will be recognized in current earnings over the next 12 months. The pre-tax net gains/(losses) on foreign currency cash flow hedges reclassified from accumulated other comprehensive loss to the income statement were \$(0.9) million and \$0.8 million, respectively, for the three-month periods ended June 30, 2016 and 2015 and \$(1.1) million and \$2.0 million, respectively, for the six-month periods ended June 30, 2016 and 2015. The corresponding tax effects of these transactions were recorded in provision for income tax expense. As of June 30, 2016 and December 31, 2015, there were \$(1.9) million and \$0.3 million, respectively, of unrealized gains/(losses) included in accumulated other comprehensive loss related to foreign currency cash flow hedges. The remaining \$69.6 million and \$71.6 million as of June 30, 2016 and December 31, 2015, respectively, in accumulated other comprehensive loss are related to cumulative translation adjustments.

5. REPURCHASES OF COMMON STOCK

During the three-month periods ended June 30, 2016 and 2015, the Company repurchased 0.1 million and 0.9 million shares of its Class A common stock under its open market stock repurchase plans for \$4.3 million and \$49.6 million, respectively. As of June 30, 2016, \$422.7 million was available for repurchases under the Company's open market stock repurchase plan.

6. SEGMENT INFORMATION

The Company operates in a single operating segment by selling products through a global network of independent distributors that operates in a seamless manner from market to market, except for its operations in Mainland China. In Mainland China, the Company utilizes sales employees, independent direct sellers and independent marketers to distribute its products. While sales employees sell products through the Company's stores and website, independent direct sellers can sell away from the Company's stores where the Company has obtained a direct selling license to do so. Independent marketers are licensed business owners who are authorized to sell the Company's products either at their own approved premises or through the Company's stores. Selling expenses are the Company's largest expense comprised of sales compensation and incentives paid to its sales force. The Company manages its business primarily by managing its sales force. The Company does not use profitability reports on a regional or divisional basis for making business decisions. However, the Company does report revenue in five geographic regions: Greater China, North Asia, Americas, South Asia/Pacific and EMEA.

Revenue generated in each of these regions is set forth below (U.S. dollars in thousands):

7. DEFERRED TAX ASSETS AND LIABILITIES

The Company accounts for income taxes in accordance with ASC 740 Income Taxes Topic of the Financial Accounting Standards Codification. These standards establish financial accounting and reporting standards for the effects of income taxes that result from an enterprise's activities during the current and preceding years. The Company takes an asset and liability approach for financial accounting and reporting of income taxes. The Company pays income taxes in many foreign jurisdictions based on the profits realized in those jurisdictions, which can be significantly impacted by terms of intercompany transactions between the Company and its foreign affiliates. Deferred tax assets and liabilities are created in this process. The Company has netted these deferred tax assets and deferred tax liabilities by jurisdiction. Valuation allowances are established when necessary to reduce deferred tax assets to the amounts expected to be ultimately realized. As of June 30, 2016 and December 31, 2015, the Company had net deferred tax assets of \$20.2 million and \$24.2 million, respectively.

The Company evaluates its indefinite reinvestment assertions with respect to foreign earnings for each quarter. Other than earnings the Company intends to reinvest indefinitely, the Company accrues for the U.S. federal and state income taxes applicable to the earnings. For all foreign earnings, the Company accrues the applicable foreign income taxes. The Company intends to utilize the offshore earnings to fund foreign investments, specifically capital expenditures. Undistributed earnings that the Company has indefinitely reinvested, for which no federal or state income taxes in the U.S. have been provided, aggregate to \$70.0 million as of December 31, 2015. If the amount designated as indefinitely reinvested as of December 31, 2015 was repatriated to the United States, the amount of incremental taxes would be approximately \$3.4 million.

8. UNCERTAIN TAX POSITIONS

The Company files income tax returns in the U.S. federal jurisdiction, and in various state and foreign jurisdictions. The Company is no longer subject to tax examinations from the IRS for all years for which tax returns have been filed before 2011. With a few exceptions, the Company is no longer subject to state and local income tax examination by tax authorities for the years before 2011. In 2009, the Company entered into a voluntary program with the IRS called Compliance Assurance Process ("CAP"). The objective of CAP is to contemporaneously work with the IRS to achieve federal tax compliance and resolve all or most of the issues prior to filing of the tax return. The Company has elected to participate in the CAP program for 2016 and may elect to continue participating in CAP for future tax years; the Company may withdraw from the program at any time. In major foreign jurisdictions, the Company is generally no longer subject to income tax examinations for years before 2010. However, statutes in certain countries may be as long as ten years for transfer pricing related issues. Along with the IRS examination of 2011, the Company is currently under examination in certain foreign jurisdictions; however, the outcomes of those reviews are not yet determinable.

The Company's unrecognized tax benefits relate to multiple foreign and domestic jurisdictions. Due to potential increases in unrecognized tax benefits from the multiple jurisdictions in which the Company operates, as well as the expiration of various statutes of limitation, it is reasonably possible that the Company's gross unrecognized tax benefits, net of foreign currency adjustments, may increase within the next 12 months by a range of approximately \$0.1 million to \$1.0 million.

9. COMMITMENTS AND CONTINGENCIES

The Company is subject to government regulations pertaining to product formulation, labeling and packaging, product claims and advertising, and the Company's direct selling system. The Company is also subject to the jurisdiction of numerous foreign tax and customs authorities. Any assertions or determination that either the Company or the Company's sales force is not in compliance with existing statutes, laws, rules or regulations could have a material adverse effect on the Company's operations. In addition, in any country or jurisdiction, the adoption of new statutes, laws, rules or regulations or changes in the interpretation of existing statutes, laws, rules or regulations could have a material adverse effect on the Company and its operations. Although management believes that the Company is in compliance in all material respects with the statutes, laws, rules and regulations of every jurisdiction in which it operates, no assurance can be given that the Company's compliance with applicable statutes, laws, rules and regulations will not be challenged by foreign authorities or that such challenges will not have a material adverse effect on the Company's financial position or results of operations or cash flows. The Company and its Subsidiaries are defendants in litigation and proceedings involving various matters. Except as noted below, in the opinion of the Company's management, based upon advice of its counsel handling such litigation and proceedings, adverse outcomes, if any, will not likely result in a material effect on the Company's consolidated financial condition, results of operations or cash flows.

The Company is subject to regular audits by federal, state and foreign tax authorities. These audits may result in additional tax liabilities. The Company believes it has appropriately provided for income taxes for all years. Several factors drive the calculation of its tax reserves. Some of these factors include: (i) the expiration of various statutes of limitations; (ii) changes in tax law and regulations; (iii) issuance of tax rulings; and (iv) settlements with tax authorities. Changes in any of these factors may result in adjustments to the Company's reserves, which would impact its reported financial results.

10. DEBT

On October 9, 2014, the Company entered into a Credit Agreement (the "Credit Agreement") with various financial institutions, and Bank of America, N.A. as administrative agent. The Credit Agreement provides for a \$127.5 million term loan facility, a 6.6 billion Japanese yen term loan facility and a \$187.5 million revolving credit facility, each with a term of five years. On October 10, 2014, the Company drew the full amount of the term loan facilities, and as of June 30, 2016 and December 31, 2015, the Company had outstanding balances of \$62.5 million and \$47.5 million on the revolving credit facility. Any additional amounts drawn under the revolving credit facility will bear interest at rates that will be determined in accordance with the Credit Agreement. The Credit Agreement requires that the Company maintain a consolidated leverage ratio not exceeding 2.00 to 1.00 and a consolidated interest coverage ratio of no less than 3.00 to 1.00. The Company believes these covenants provide it with greater flexibility to pay dividends and repurchase stock. The Company is in compliance with its debt covenants.

The following table summarizes the Company's debt facilities as of December 31, 2015 and June 30, 2016:

<u>Facility or Arrangement</u>	<u>Original Principal Amount</u>	<u>Balance as of December 31, 2015</u>	<u>Balance as of June 30, 2016⁽¹⁾⁽²⁾</u>	<u>Interest Rate</u>	<u>Repayment terms</u>

- (1) As of June 30, 2016, the current portion of the Company's debt (i.e. becoming due in the next 12 months) included \$74.5 million of the balance of its U.S. dollar-denominated debt under the Credit Agreement term loan facility, \$6.0 million of the balance of its Japanese yen-denominated debt under the Credit Agreement term loan facility, \$10.0 million of the Korea subsidiary loan and \$6.5 million of the Japan subsidiary loan. The Company has classified the amount borrowed under the Credit Agreement revolving credit facility as short term because it is the Company's intention to use this line of credit to borrow and pay back funds over short periods of time.
- (2) The carrying value of the debt reflects the amounts stated in the above table less a debt discount of \$3.7 million on the credit agreement and \$17.0 million on the convertible debt, which is not reflected in this table.
- (3) See Note 11 for more information regarding the convertible note.

11. CONVERTIBLE NOTE

On June 16, 2016, the Company issued \$210.0 million of convertible senior notes (the "Convertible Notes") in a private offering to a Chinese investor (the "Holder"). The Convertible Notes are senior unsecured obligations which will rank equal in right of payment to all senior unsecured indebtedness of the Company, and will rank senior in right of payment to any indebtedness that is contractually subordinated to the Convertible Notes. Interest on the Convertible Notes is payable semiannually in arrears on June 15 and December 15 of each year, beginning on December 15, 2016 at a rate of 4.75% per annum.

The Convertible Notes mature on June 15, 2020, unless repurchased or converted prior to maturity. Prior to the stated maturity date, the Company may, at its option, redeem all or part of the Convertible Notes at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, provided that its common stock share price is equal to or exceeds 180% of the applicable conversion price for 20 or more trading days (including the final three trading days) in the 30 consecutive trading days prior to the Company's exercise of such redemption right. The Holder of the Convertible Notes may, at its option, cause the Company to repurchase all of such Holder's Convertible Notes or any portion thereof that is equal to \$1,000 in principal amount or multiples of \$1,000 upon a change in control or a termination of trading of the Company's common stock, as those terms are defined in the indenture governing the Convertible Notes. In addition, each holder of the Convertible Notes shall have the right, at such holder's option, to convert all or any portion thereof that is equal to \$1,000 in principal amount or multiples of \$1,000 at any time beginning six calendar months following June 16, 2016, at the then-applicable conversion rate. Upon conversion by the Holder, the Convertible Notes will be settled in cash with respect to principal and any accrued and unpaid interest to such date and in the Company's common shares with respect to any additional amounts, based on the applicable conversion rate at such time. The Convertible Notes had an initial conversion rate of 21.5054 common shares per \$1,000 principal amount of the Convertible Notes (which is equal to an initial conversion price of approximately \$46.50 per common share). Throughout the term of the Convertible Notes, the conversion rate may be adjusted upon the occurrence of certain specified events.

Of the \$210.0 million in proceeds received from the issuance of the Convertible Notes, \$199.1 million was allocated to long-term debt (the "Liability Component") and \$10.9 million was allocated to additional paid-in-capital (the "Equity Component") within the Company's consolidated balance sheet. The Liability Component was calculated by measuring the fair value of a similar debt instrument that does not have an associated conversion feature. The amount allocated to the Equity Component, which represents the conversion option, was calculated by deducting the fair value of the Liability Component from the par value of the Convertible Notes. The Company determined that the conversion option does not require separate accounting treatment as a derivative instrument because it is both indexed to the Company's own stock and would be classified in stockholder's equity if freestanding. The Equity Component will not be remeasured as long as it continues to meet the conditions for equity classification. The excess of the principal amount of the Liability Component over its carrying amount (the "Debt Discount") will be amortized to interest expense over the term of the Convertible Notes. As a result, the Liability Component will be accreted up to the Convertible Notes' \$210.0 million face value, resulting in additional non-cash interest expense being recognized within the Company's consolidated statement of income. The effective interest rate on the Convertible Notes is approximately 7.1% per annum.

The net carrying amount of the Liability Component is as follows (in thousands):

	June 30, 2016
Principal	\$ 210,000
Unamortized debt discount (conversion option)	(10,828)
Total long-term debt, net	199,172
Unamortized debt discount (issuance costs)	(6,196)
Net carrying amount	<u>\$ 192,976</u>

The net carrying amount of the Liability Component was recorded to long-term debt within the Company's consolidated balance sheet.

The Company incurred approximately \$6.6 million of issuance costs related to the issuance of the Convertible Notes. Of the \$6.6 million in issuance costs incurred, \$6.3 million and \$0.3 million were recorded to deferred financing cost and additional paid-in capital, respectively, in proportion to the allocation of the proceeds of the Convertible Notes. The \$6.3 million recorded to deferred financing cost on the Company's consolidated balance sheet as a reduction of long-term debt is being amortized over the contractual term of the Convertible Notes using the effective interest method.

During the quarter ended June 30, 2016, the Company recognized \$0.6 million in non-cash interest expense related to the Convertible Notes, which included \$0.4 million of contractual interest and \$0.2 million in amortization of debt issuance costs and in amortization of the Debt Discount.

As the Convertible Notes were issued in June 2016, the carrying value of the Convertible Notes approximates their fair value at June 30, 2016.

12. ACCOUNTING PRONOUNCEMENTS

In April 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-08, *Presentation of Financial Statements (Topic 205) and Property, Plant, and Equipment (Topic 360): Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity*. This ASU changes the threshold for a disposal to qualify as a discontinued operation. To be considered a discontinued operation, a disposal now must represent a strategic shift that has or will have a major effect on an entity's operations and financial results. This ASU also requires new disclosures for individually material disposal transactions that do not meet the definition of a discontinued operation. This update will be applied prospectively and was effective for annual periods, and interim periods within those years, beginning after December 15, 2014. The adoption of this standard did not have a material impact on the Company's financial statements.

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The new revenue recognition standard provides a five-step analysis of transactions to determine when and how revenue is recognized. The core principle is that a company should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This ASU is effective for annual periods beginning after December 15, 2017 and shall be applied either retrospectively to each period presented or as a cumulative-effect adjustment as of the date of adoption. The Company is evaluating the potential impact of this adoption on its consolidated financial statements.

In June 2014, the FASB issued ASU No. 2014-12, *Compensation—Stock Compensation (Topic 718): Accounting for Share-Based Payments When the Terms of an Award Provide That a Performance Target Could Be Achieved after the Requisite Service Period (a consensus of the FASB Emerging Issues Task Force)*. This ASU clarifies that a performance target that affects vesting and that could be achieved after the requisite service period be treated as a performance condition. A reporting entity should apply existing guidance in Topic 718 as it relates to awards with performance conditions that affect vesting to account for such awards. As such, the performance target should not be reflected in estimating the grant-date fair value of the award. Compensation cost should be recognized in the period in which it becomes probable that the performance target will be achieved and should represent the compensation cost attributable to the period(s) for which the requisite service has already been rendered. This ASU is effective for annual periods, and interim periods within those years, beginning after December 15, 2015. Early adoption is permitted. This ASU may be applied either (a) prospectively to all awards granted or modified after the effective date or (b) retrospectively to all awards with performance targets that are outstanding as of the beginning of the earliest annual period presented in the financial statements and to all new or modified awards thereafter. The adoption of this guidance did not have a material impact on the Company's consolidated financial statements.

In August 2014, the FASB issued ASU No. 2014-15, *Presentation of Financial Statements — Going Concern (Subtopic 205-40)*. The purpose of this ASU is to incorporate into U.S. GAAP management's responsibility to evaluate whether there is substantial doubt about an entity's ability to continue as a going concern within one year after the date that the financial statements are issued, and to provide related footnote disclosures. This update is effective for the annual period ending after December 15, 2016, and for annual periods and interim periods thereafter. Early application is permitted. The adoption of this guidance is not expected to have a material impact on the Company's consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, *Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*. This guidance requires that debt issuance costs be presented as a direct reduction to the carrying amount of the related debt in the balance sheet rather than as a deferred charge, consistent with the presentation of discounts on debt. ASU 2015-15, *Interest - Imputation of Interest (Subtopic 835-30): Presentation and Subsequent Measurement of Debt Issuance Costs associated with Line-of-Credit Arrangements*, was issued in August 2015 to clarify that the U.S. Securities and Exchange Commission ("SEC") staff would not object to an entity deferring and presenting debt issuance costs related to a line-of-credit arrangement as an asset and subsequently amortizing the deferred debt issuance costs ratably over the term of the line-of-credit arrangement, regardless of whether there are any outstanding borrowings on the line-of-credit arrangement. The guidance is effective for fiscal years beginning after December 15, 2015, and is to be applied retrospectively. Early adoption is permitted. The adoption of this guidance did not have a material impact on the Company's consolidated financial statements.

In July 2015, the FASB issued ASU 2015-11, *Inventory (Topic 330): Simplifying the Measurement of Inventory*. This guidance requires an entity to measure inventory at the lower of cost and net realizable value, rather than at the lower of cost or market. The guidance is effective for interim and annual periods beginning after December 15, 2016, and is to be applied prospectively. Early adoption is permitted. The adoption of this guidance is not expected to have a material impact on the Company's consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Subtopic 842)*. ASU 2016-02 will require companies to recognize lease assets and lease liabilities on the balance sheet and disclose key information about leasing arrangements. For public companies, this standard is effective for annual reporting periods beginning after December 15, 2018, and early adoption is permitted. The Company is currently evaluating the impact of this standard on its consolidated financial position, results of operations, and cash flows.

In March 2016, the FASB issued ASU 2016-09, *Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting*. The objective of this update is to simplify several aspects of the accounting for employee share-based payment transactions, including the income tax consequences, classification of awards as either equity or liabilities, and classification on the statement of cash flows. This ASU is effective for fiscal years beginning after December 15, 2016, including interim periods within those fiscal years. Early adoption is permitted. The Company is currently evaluating the new guidance to determine the impact it may have on its consolidated financial statements.

13. COST OF SALES

In February 2016, the Tokyo District Court issued its ruling on a dispute between the Company and the customs authorities in Japan. The District Court upheld previous customs assessments related to the importation of several of the Company's products into Japan.

As a result of the District Court's decision, the Company recorded a charge of \$31.4 million to cost of sales in the first quarter of 2016. This is a non-cash item because the Company was previously required to pay the assessments. This charge represents the full amount that was disputed, including assessments for the period of October 2006 through September 2009 in connection with post-importation audits, as well as the disputed portion of the Company's import duties from October 2009 to the date of the District Court's decision. The Company has appealed this decision to the Tokyo High Court.

14. CLASS ACTION SETTLEMENT

On February 22, 2016, the Company entered into a Settlement Term Sheet (the "Agreement") in potential settlement of the previously reported putative securities class action consolidated lawsuit. The litigation was brought against the Company and certain of the Company's officers (collectively, the "Defendants") on behalf of a class consisting of persons or entities that publicly traded the Company's common stock during the period from May 4, 2011 through January 17, 2014 and were allegedly damaged thereby. In May 2016, the court issued preliminary approval of the settlement.

The terms of the Agreement provide for, among other things, a settlement payment by, or on behalf of, the Company of \$47 million, which the Company recorded as a short-term liability in its consolidated balance sheet. As expected, the Company's insurers fully funded the settlement payment in an escrow account in June 2016, and the Company maintained the corresponding amount as a short-term receivable, which it had recorded during the first quarter of 2016. There was no net impact on the Company's consolidated statement of income.

The settlement remains subject to court approval and may be cancelled by the Defendants at their sole election in certain limited circumstances. A hearing for final court approval of the settlement is scheduled in October 2016, but could be delayed by circumstances beyond the Company's control. Subsequent to final approval of the settlement by the court, the litigation will be dismissed, with prejudice.

15. ACQUISITION

In the first quarter of 2016, the Company purchased 70% of Vertical Eden, LLC, an early-stage company in the warehouse growing market, based in Alpine, Utah, for \$3.3 million in cash and contingent consideration valued at \$1.5 million. The purchase of Vertical Eden includes specialized technology in remote programming and management of the entire crop growing cycle. As a result of this acquisition, the Company has recorded approximately \$4.4 million of intangible assets which will be amortized over the useful lives of 3 to 7 years. The Company has also recorded \$2.5 million of goodwill. Due to the insignificance of the transaction to the Company's consolidated financial statements, the Company has not separately presented the \$2.1 million non-controlling interest related to this acquisition, but has included it in additional paid-in capital and has included the net income (loss) attributable to the non-controlling interest in other income (expense).

In some cases, you can identify these statements by forward-looking words such as "believe," "expect," "project," "anticipate," "estimate," "intend," "plan," "targets," "likely," "will," "would," "could," "may," "might," the negative of these words and other similar words. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law. We caution and advise readers that these statements are based on assumptions that may not be realized and involve risks and uncertainties that could cause actual results to differ materially from the expectations and beliefs contained herein. For a summary of these risks, see the risk factors included in our Annual Report on Form 10-K for the year ended December 31, 2015 and in subsequent Quarterly Reports on Form 10-Q (our "Periodic Reports"), as well as our Current Reports on Form 8-K.

The following Management's Discussion and Analysis should be read in conjunction with our consolidated financial statements and related notes and Management's Discussion and Analysis included in our Periodic Reports, and our other filings, including Current Reports on Form 8-K, filed with the Securities and Exchange Commission through the date of this report.

Overview

Revenue for the three-month period ended June 30, 2016 increased 7% to \$600.5 million, compared to the prior-year period, and revenue for the six-month period ended June 30, 2016 decreased 3% to \$1.1 billion, compared to the prior-year period. Foreign currency fluctuations negatively impacted revenue 3% and 4% in the three- and six-month periods ended June 30, 2016, respectively, compared to the prior-year periods. We currently expect that the stronger U.S. dollar will continue to impact our results in 2016. Revenue for the second quarter of 2016 includes approximately \$106 million of sales generated from limited-time offers in our Greater China and South Asia/Pacific regions during the quarter. We did not have any limited-time offers during the first half of 2015. Sales Leaders and Actives for the quarter were up 6% and flat, respectively, compared to the prior-year quarter.

Earnings per share for the second quarter of 2016 were \$0.79, compared to \$0.75 in the prior-year period. This increase primarily reflects the increase in revenue, partially offset by foreign currency translation expenses of \$11.1 million in the second quarter of 2016. For more information on these expenses, see "Other income (expense), net," below.

Earnings per share for the first half of 2016 were \$0.85, or \$1.21 excluding a non-cash expense of \$31.4 million in the first quarter of 2016 associated with the Japan customs ruling that is discussed in Note 13 to the consolidated financial statements contained in this report, compared to \$1.35 for the first half of 2015. Excluding the Japan customs expense, earnings per share for the six-month period decreased due largely to the decline in revenue. Earnings per share excluding Japan customs expense is a non-GAAP financial measure. See "Non-GAAP Financial Measures," below.

We expect that our revenue for the remainder of 2016 will be positively impacted by the continued rollout of our *ageLOC Me* personalized skin care system and our *ageLOC Youth* nutritional supplement throughout the remainder of the year.

Revenue

Greater China. The following table sets forth revenue for the three- and six-month periods ended June 30, 2016 and 2015 for the Greater China region and its principal markets (U.S. dollars in millions):

	Three Months Ended June 30,		Change	Six Months Ended June 30,		Change
	2016	2015		2016	2015	
Mainland China	\$ 184.3	\$ 149.2	24%	\$ 303.0	\$ 283.4	7%
Taiwan/Hong Kong	52.4	50.9	3%	92.4	104.1	(11%)
Greater China total	<u>\$ 236.7</u>	<u>\$ 200.1</u>	18%	<u>\$ 395.4</u>	<u>\$ 387.5</u>	2%

Foreign currency fluctuations negatively impacted revenue 6% and 5% in this region for the three- and six-month periods ended June 30, 2016, respectively, compared to the prior-year periods. Sales Leaders and Actives in Mainland China increased 33% and 38%, respectively, compared to the prior-year quarter. Sales Leaders and Actives in Taiwan were down 14% and 7%, respectively, and in Hong Kong they were down 14% and 13%, respectively, compared to the prior-year quarter.

The year-over-year revenue increase for the second quarter of 2016 reflects approximately \$72 million in revenue generated by a limited-time offer of *ageLOC Me* in the region. The results of this limited-time offer were strong, particularly in Mainland China. The year-over-year revenue results for the six-month period ended June 30, 2016 were tempered by the region's results for the first quarter of 2016. As previously disclosed, revenue in the region for the first quarter of 2016 was negatively impacted by declines in Sales Leaders and Actives in the region, particularly in Taiwan and Hong Kong. Although Taiwan and Hong Kong benefited from the limited-time offer during the second quarter of 2016, we continue to see softness in these markets.

We currently plan to launch an air purifier product in this region later this year, and we plan to make *ageLOC Me* generally available for purchase in this region near the end of 2016 or the beginning of 2017.

North Asia. The following table sets forth revenue for the three- and six-month periods ended June 30, 2016 and 2015 for the North Asia region and its principal markets (U.S. dollars in millions):

	Three Months Ended June 30,		Change	Six Months Ended June 30,		Change
	2016	2015		2016	2015	
South Korea	\$ 93.0	\$ 109.0	(15%)	\$ 179.2	\$ 217.8	(18%)
Japan	72.9	63.9	14%	137.9	127.2	8%
North Asia total	<u>\$ 165.9</u>	<u>\$ 172.9</u>	(4%)	<u>\$ 317.1</u>	<u>\$ 345.0</u>	(8%)

Revenue in the North Asia region for the three- and six-month periods ended June 30, 2016 was positively impacted 2% and negatively impacted 1%, respectively, by foreign currency fluctuations, compared to the prior-year periods.

In South Korea, foreign currency fluctuations negatively impacted revenue 5% and 6% for the second quarter of 2016 and first half of 2016, respectively, compared to the prior-year periods. In the second quarter of 2016, Sales Leaders and Actives in South Korea each decreased 8%, compared to the prior-year period. We believe the declines in revenue, Sales Leaders and Actives for the three- and six-month periods reflected softness in the South Korea market. During the third quarter of 2016, in July, we had a successful introduction of *ageLOC Youth* in a limited-time offer in South Korea.

In Japan, year-over-year reported revenue growth of 14% and 8% for the second quarter of 2016 and the first half of 2016, respectively, reflects a positive impact of approximately 13% and 8%, respectively, from the strengthening of the Japanese yen against the U.S. dollar, compared to the prior-year periods. Local-currency revenue in Japan grew 1% in the second quarter of 2016 and was approximately even in the first half of 2016, compared to the prior-year periods. In the second quarter of 2016, Sales Leaders and Actives in Japan decreased 1% and 8%, respectively, compared to the prior-year period. The regulatory environment in Japan continues to be challenging. We made *ageLOC Me* generally available for purchase in Japan during the second quarter of 2016, and we currently plan to make *ageLOC Youth* generally available for purchase in Japan during the fourth quarter of 2016.

Americas. The following table sets forth revenue for the three- and six-month periods ended June 30, 2016 and 2015 for the Americas region and its principal markets (U.S. dollars in millions):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2016	2015	Change	2016	2015	Change
United States/Canada	\$ 60.4	\$ 68.6	(12%)	\$ 117.8	\$ 137.2	(14%)
Latin America	7.5	14.9	(50%)	15.8	26.1	(39%)
Americas total	<u>\$ 67.9</u>	<u>\$ 83.5</u>	(19%)	<u>\$ 133.6</u>	<u>\$ 163.3</u>	(18%)

Revenue in the Americas region for the three- and six-month periods ended June 30, 2016 was negatively impacted 4% and 5% by foreign currency fluctuations, respectively, compared to the prior-year periods. Sales Leaders and Actives in the region declined 17% and 8%, respectively, in the second quarter of 2016, compared to the prior-year period. These declines in revenue, Sales Leaders and Actives reflect steep declines in Latin America, primarily in Venezuela, as well as continued weakness in the United States, where revenue was down 15% and 17% for the second quarter and first half of 2016, respectively, compared to the prior-year periods.

We currently plan to offer *ageLOC Me* in this region during the fourth quarter of 2016.

South Asia/Pacific. The following table sets forth revenue for the three- and six-month periods ended June 30, 2016 and 2015 for the South Asia/Pacific region (U.S. dollars in millions):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2016	2015	Change	2016	2015	Change
South Asia/Pacific	\$ 92.3	\$ 68.0	36%	\$ 155.9	\$ 138.8	12%

Year-over-year revenue growth in the South Asia/Pacific region for the three- and six-month periods ended June 30, 2016 was 36% and 12%, respectively, despite negative impacts from foreign currency of 6% and 7%, respectively. In the second quarter of 2016, Sales Leaders in the region increased 6% and Actives decreased 5%, compared to the prior-year period. We generated strong revenue growth across the markets in this region during the second quarter of 2016, driven by a limited-time offer of *ageLOC Youth*, which generated approximately \$35 million in sales in the region. There were no limited-time offer sales in this region during the second quarter of the prior year.

We anticipate difficult year-over-year comparisons in this region in the third quarter of 2016, as a limited-time offer in the third quarter of 2015 generated approximately \$47 million in sales in the region. We do not have any significant product initiatives scheduled in this region in the third quarter of 2016. In the fourth quarter of 2016, we currently plan to make *ageLOC Youth* generally available for purchase in the region.

EMEA. The following table sets forth revenue for the three- and six-month periods ended June 30, 2016 and 2015 for the Europe, Middle East and Africa ("EMEA") region (U.S. dollars in millions):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2016	2015	Change	2016	2015	Change
EMEA	\$ 37.7	\$ 35.6	6%	\$ 70.3	\$ 68.8	2%

Revenue in the EMEA region for the three- and six-month periods ended June 30, 2016 was positively impacted 1% and negatively impacted 1%, respectively, by foreign currency fluctuations, compared to the prior-year periods. In the second quarter of 2016, Sales Leaders and Actives in the region increased 3% and 6%, compared to the prior-year period. Revenue growth in the region reflects the continued success of Sales Leader social media initiatives in certain markets.

Gross profit

Gross profit as a percentage of revenue was 78.7% and 75.2% for the three- and six-month periods ended June 30, 2016 and 80.3% and 80.5% for the three- and six-month periods ended June 30, 2015. The year-over-year decrease in the second quarter was primarily driven by promotions of *ageLOC Me* in the second quarter of 2016 and continued strength of the U.S. dollar. The year-over-year decrease for the six-month period was primarily driven by the non-cash Japan customs expense of \$31.4 million in the first quarter of 2016 that is discussed in Note 13 to the consolidated financial statements contained in this report. Excluding this expense, gross profit as a percentage of revenue for the first half of 2016 was 78.1%. Gross profit excluding Japan customs expense is a non-GAAP financial measure. See "Non-GAAP Financial Measures," below.

Selling expenses

Selling expenses as a percentage of revenue decreased to 41.4% for the three-month period ended June 30, 2016 from 42.7% for the same period in 2015. Selling expenses as a percentage of revenue decreased to 41.4% for the six-month period ended June 30, 2016 from 42.9% for the same period in 2015. The salaries of our sales employees in Mainland China are fixed for a three-month period of time, until they are adjusted during a quarterly evaluation process. Selling expenses as a percentage of revenue in the first half of 2016 were also lower due to a reduction in the number of Sales Leaders qualifying for incentive trips and other promotional incentives in the first half of 2016.

General and administrative expenses

General and administrative expenses increased to \$144.1 million in the second quarter of 2016 and \$274.4 in the first half of 2016, compared to \$138.7 million and \$274.3 in the respective prior-year periods. The increase in the second quarter of 2016 primarily reflects increased labor expenses and increased expenses related to events and other promotions. As a percentage of revenue, general and administrative expenses decreased to 24.0% and increased to 25.6% for the three- and six-month periods ended June 30, 2016, respectively, from 24.8% and 24.9% for the same periods in 2015, reflecting fluctuations in revenue and relatively stable general and administrative expenses.

Other income (expense), net

Other income (expense), net for the three- and six-month periods ended June 30, 2016 was \$11.1 million of expense and \$13.9 million of expense, respectively, compared to \$2.8 million of expense and \$15.0 million of expense for the same periods in 2015. The second-quarter year-over-year increase in expense reflects foreign currency translation expenses of \$11.1 million in the second quarter of 2016, primarily driven by translation expenses resulting from the strengthening of the Japanese yen against the U.S. dollar and its impact on our Japanese yen-denominated debt and liabilities. The year-over-year comparison for the first half of 2016 also reflects a \$10.2 million foreign currency charge in the first quarter of 2015 resulting from the impact of the devaluation of the Venezuelan currency on the monetary assets and liabilities of our Venezuela entity. This devaluation resulted from a foreign exchange mechanism that Venezuela announced in the first quarter of 2015.

Provision for income taxes

Provision for income taxes for the three- and six-month periods ended June 30, 2016 was \$24.0 million and \$26.0 million, compared to \$24.4 million and \$44.5 million for the same periods in 2015. The effective tax rate was 35.0% and 35.1%, of pre-tax income during the three- and six-month periods ended June 30, 2016, respectively, compared to 35.3% and 35.5%, respectively, in the prior-year periods.

Net income

As a result of the foregoing factors, net income for the second quarter of 2016 was \$44.7 million, which is unchanged from the same period in 2015. Net income for the first half of 2016 was \$48.0 million, or \$68.1 million excluding Japan customs expense of \$31.4 million (\$20.1 million, net of tax), compared to \$80.9 million for the first half of 2015. Net income excluding Japan customs expense is a non-GAAP financial measure. See "Non-GAAP Financial Measures" below.

Liquidity and Capital Resources

Historically, our principal uses of cash have included operating expenses, particularly selling expenses, and working capital (principally inventory purchases), as well as capital expenditures, stock repurchases, dividends, debt repayment and the development of operations in new markets. We have at times incurred long-term debt in order to fund strategic transactions and stock repurchases. We typically generate positive cash flow from operations due to favorable margins and have generally relied on cash from operations to fund operating activities. We generated \$135.8 million in cash from operations during the first half of 2016, compared to \$159.6 million in cash generated from operations during the prior-year period. This decrease in cash generated from operations during the first half of 2016 reflects payments made during the first quarter of 2016, primarily (1) the payment of a significant amount of items that were accrued as of the end of 2015, particularly commissions based on limited-time offers during December 2015; and (2) payments to build up inventory for planned product launches in 2016. In the second quarter of 2016, we generated \$138.6 million in cash from operations.

As of June 30, 2016, working capital was \$519.6 million, compared to \$298.8 million as of December 31, 2015. Cash and cash equivalents, including current investments, as of June 30, 2016 and December 31, 2015 were \$556.4 million and \$303.7 million, respectively.

Capital expenditures in the first half of 2016 were \$24.7 million, and we anticipate additional capital expenditures of approximately \$30 million for the remainder of 2016. Our 2016 capital expenditures are primarily related to:

- the expansion and upgrade of facilities in our various markets; and
- purchases and expenditures for computer systems and equipment, software, and application development.

On June 16, 2016, we issued \$210.0 million principal amount of convertible 4.75% senior notes, due 2020 (the "Convertible Notes") to Ping An ZQ China Growth Opportunity Limited ("Ping An ZQ") at face value. Net proceeds on the issuance of the Convertible Notes were \$203 million. We plan to use the proceeds primarily for repurchasing common stock throughout the remainder of the year. The Convertible Notes are senior unsecured obligations of the Company and rank equal in right of payment to all senior unsecured indebtedness of the Company. Interest on the Convertible Notes is payable semiannually in cash on June 15 and December 15, and the Convertible Notes mature on June 15, 2020, subject to earlier conversion. Although the stated interest rate on the Convertible Notes is 4.75%, interest on this debt is expensed on our income statement at a rate of approximately 7.1%, reflecting the amortization of a debt discount resulting from approximately \$6.3 million in issuance costs and approximately \$10.9 million of the principal amount that is allocated to equity due to the conversion option. Beginning December 16, 2016, the Convertible Notes will be convertible at the holder's discretion at a conversion rate of 21.5054 per \$1,000 principal amount of Convertible Notes (which represents an initial conversion price of \$46.50 per share), in each case subject to customary anti-dilution adjustments. As of August 3, 2016, the conversion price remained at \$46.50 per share. So long as the Convertible Notes are held by Ping An ZQ, any conversion of the Convertible Notes will be satisfied by cash in respect of the principal amount of Convertible Notes converted and any accrued and unpaid interest to such date, and shares of our common stock in respect to all additional amounts. Conversion of Convertible Notes by any other holders may be into cash, common stock or a combination of cash and common stock, at our option.

Upon a change in control of the Company (as defined in the indenture governing the Convertible Notes) or the failure of our common stock to be listed on certain stock exchanges, the holders of the Convertible Notes may require that we repurchase all or part of the principal amount of the Convertible Notes at a purchase price equal to 108% of the principal amount plus accrued and unpaid interest. In addition, we may redeem all or part of the principal amount of the Convertible Notes, at our option, at a purchase price equal to the principal amount plus accrued and unpaid interest, provided that the closing trading price of our common stock exceeds 180% of the then-current conversion price for 20 or more trading days in the 30 consecutive trading day period preceding our exercise of this redemption right (including the last three such trading days). The Convertible Notes are subject to customary events of default, which may result in the acceleration of the maturity of the Convertible Notes.

Our Credit Agreement (the "Credit Agreement") with various financial institutions, and Bank of America, N.A. as administrative agent, provides for a \$127.5 million term loan facility, a 6.6 billion Japanese yen term loan facility and a \$187.5 million revolving credit facility, each with a term of five years ending in October 2019. The Credit Agreement requires that we maintain a consolidated leverage ratio not exceeding 2.00 to 1.00 and a consolidated interest coverage ratio of no less than 3.00 to 1.00. As of June 30, 2016, we had debt pursuant to the Credit Agreement of \$233.5 million. See Notes 10 and 11 to the consolidated financial statements contained in this report for further information regarding the Credit Agreement, Convertible Notes and other debt.

Our board of directors has approved a stock repurchase plan authorizing us to repurchase up to \$500 million of our outstanding shares of Class A common stock on the open market or in private transactions. The repurchases are used primarily for strategic initiatives and to offset dilution from our equity incentive plans and from conversion of the Convertible Notes. During the first half of 2016, we repurchased 0.7 million shares of Class A common stock under this plan for \$24.3 million. As of June 30, 2016, \$422.7 million was available for repurchases under the stock repurchase plan.

In January and April 2016, our board of directors declared a quarterly cash dividend of \$0.355 per share. These quarterly cash dividends of \$19.8 million and \$19.9 million were paid on March 16, 2016 and June 8, 2016 to stockholders of record on February 26, 2016 and May 27, 2016. In July 2016, our board of directors declared a quarterly cash dividend of \$0.355 per share to be paid on September 14, 2016 to stockholders of record on August 26, 2016. Currently, we anticipate that our board of directors will continue to declare quarterly cash dividends and that the cash flows from operations will be sufficient to fund our future dividend payments. However, the continued declaration of dividends is subject to the discretion of our board of directors and will depend upon various factors, including our net earnings, financial condition, cash requirements, future prospects and other relevant factors.

As of June 30, 2016 and December 31, 2015, we held \$556.4 million and \$303.7 million, respectively, in cash and cash equivalents, including current investments. As of June 30, 2016 and December 31, 2015, cash and cash equivalents includes \$300.3 million and \$241.4 million, respectively, held in our operations outside of the U.S. Substantially all of our non-U.S. cash and cash equivalents are readily convertible into U.S. dollars or other currencies, with the exception of cash in Venezuela, which is subject to currency exchange restrictions by the government of Venezuela. As of June 30, 2016, we had \$1.7 million in monetary assets denominated in Venezuela bolivars.

We typically fund the cash requirements of our operations in the U.S. through intercompany dividends and intercompany charges for products, use of intangible property, and corporate services. Some markets impose government-approval or other requirements for the repatriation of dividends. For example, in Mainland China, we are unable to repatriate cash from current operations in the form of dividends until we file the necessary statutory financial statements for the relevant period. As of June 30, 2016, we had \$139.5 million in cash denominated in Chinese RMB. We also have intercompany loan arrangements with some of our markets, including Mainland China, that allow us to access available cash. We currently plan to repatriate undistributed earnings from our non-U.S. operations as necessary, considering the cash needs of our non-U.S. operations and the cash needs of our U.S. operations for dividends, stock repurchases, capital investments, debt repayment and strategic transactions. Except for partial indefinite reinvestment in two jurisdictions, we have not designated our investments as indefinitely reinvested, but rather have these funds available for our operations in the U.S. as needed. Any repatriation of non-U.S. earnings requires payment of U.S. taxes in accordance with applicable U.S. tax rules and regulations. Accordingly, we have accrued the necessary U.S. taxes related to the funds that are not indefinitely reinvested.

We currently believe that existing cash balances, future cash flows from operations and existing lines of credit will be adequate to fund our cash needs on both a short- and long-term basis. The majority of our historical expenses have been variable in nature and as such, a potential reduction in the level of revenue would reduce our cash flow needs. In the event that our current cash balances, future cash flow from operations and current lines of credit are not sufficient to meet our obligations or strategic needs, we would consider raising additional funds in the debt or equity markets or restructuring our current debt obligations. Additionally, we would consider realigning our strategic plans, including a reduction in capital spending, stock repurchases or dividend payments.

Contingent Liabilities

Please refer to Note 9 to the consolidated financial statements contained in this report for information regarding our contingent liabilities.

Critical Accounting Policies

There were no significant changes in our critical accounting policies during the quarter ended June 30, 2016.

Seasonality and Cyclicity

In addition to general economic factors, we are impacted by seasonal factors and trends such as major cultural events and vacation patterns. For example, most Asian markets celebrate their respective local New Year in the first quarter, which generally has a negative impact on that quarter. We believe that direct selling is also generally negatively impacted during the third quarter, when many individuals, including our sales force, traditionally take vacations.

Although our product launch process may vary by market, we generally introduce new key products to our sales force and consumers through limited-time offers. The limited-time offers typically generate significant activity and a high level of purchasing, which often results in a higher-than-normal increase in revenue during the quarter of the limited-time offer and skew year-over-year and sequential comparisons.

Actives and Sales Leaders

The following table provides information concerning the number of Actives and Sales Leaders as of the dates indicated. "Actives" are persons who have purchased products directly from the Company during the three months ended as of the date indicated. "Sales Leaders" are independent distributors, and sales employees and independent marketers in China, who achieve certain qualification requirements.

Region:	As of June 30, 2016		As of June 30, 2015

Americas	165,000	6,515	180,000	7,892
South Asia/Pacific	113,000	7,747	120,000	7,279

Currency Risk and Exchange Rate Information

A majority of our revenue and many of our expenses are recognized outside of the United States, except for inventory purchases, a significant portion of which are primarily transacted in U.S. dollars from vendors in the United States. The local currency of each of our Subsidiaries' primary markets is considered the functional currency with the exception of our Asia product-distribution subsidiary in Singapore and our Venezuela subsidiary. All revenue and expenses are translated at weighted-average exchange rates for the periods reported. Therefore, our reported revenue and earnings will be positively impacted by a weakening of the U.S. dollar and will be negatively impacted by a strengthening of the U.S. dollar. Given the large portion of our business derived from outside of the United States, any strengthening of the U.S. dollar negatively impacts reported revenue and profits, whereas a weakening of the U.S. dollar positively impacts our reported revenue and profits. Given the uncertainty of exchange rate fluctuations, it is difficult to predict the effect of these fluctuations on our future business, product pricing and results of operations or financial condition. During 2014 and 2015, the strengthening of the U.S. dollar against other currencies significantly impacted our financial results.

Additionally, we may seek to reduce our exposure to fluctuations in foreign currency exchange rates through the use of foreign currency exchange contracts and through intercompany loans of foreign currency. We do not use derivative financial instruments for trading or speculative purposes. We regularly monitor our foreign currency risks and periodically take measures to reduce the impact of foreign exchange fluctuations on our operating results. As of June 30, 2016, we held mark-to-market forward derivative contracts to hedge foreign denominated intercompany positions or third-party foreign debt with notional amounts of 500.0 million Japanese yen (\$4.8 million) and 11.5 billion Korean won (\$10.0 million), 3.9 million Canadian dollars (\$3.0 million) and 16.0 million South African rand (\$1.1 million) with related gains and losses being recorded as part of Other Income (Expense); in addition, we held forward contracts designated as foreign currency cash flow hedges with notional amounts totaling approximately 2.9 billion Japanese yen and 9.0 million euros (\$28.1 million and \$10.0 million, respectively, as of June 30, 2016) to hedge forecasted foreign-currency-denominated intercompany transactions. At June 30, 2015, we held forward contracts designated as foreign currency cash flow hedges with notional amounts totaling approximately 1.3 billion Japanese yen (\$10.6 million as of June 30, 2015) and 15.0 million euros (\$13.5 million as of June 30, 2015). Because of our foreign exchange contracts at June 30, 2016, the impact of a 10% appreciation or 10% depreciation of the U.S. dollar against the Japanese yen, the Korean won or the euro would not represent a material potential loss in fair value, earnings or cash flows against these contracts. This potential loss does not consider the underlying foreign currency transaction or translation exposures to which we are subject.

Non-GAAP Financial Measures

Regulation G, Conditions for Use of Non-GAAP Financial Measures, and other SEC regulations define and prescribe the conditions for use of certain non-GAAP financial information. Our measures of earnings per share, gross profit and net income, each excluding the Japan customs expense, meet the definition of non-GAAP financial measures. Earnings per share, gross profit and net income, each excluding the Japan customs expense, are used in addition to and in conjunction with results presented in accordance with GAAP and should not be relied upon to the exclusion of GAAP financial measures.

Management believes these non-GAAP financial measures assist management and investors in evaluating, and comparing from period to period, results from ongoing operations in a more meaningful and consistent manner while also highlighting more meaningful trends in the results of operations.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The information required by Item 3 of Part I of Form 10-Q is incorporated herein by reference from the section entitled "Currency Risk and Exchange Rate Information" in "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations" of Part I and also from Note 4 to the consolidated financial statements contained in this report.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

As of the end of the period covered by this report, under the supervision and with the participation of our management, including our Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), we evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")). Based on that evaluation, our CEO and our CFO concluded that our disclosure controls and procedures were effective as of June 30, 2016.

Changes in Internal Controls Over Financial Reporting.

We made no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) during the fiscal quarter ended June 30, 2016 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The following information supplements and amends our discussion set forth under "Legal Proceedings" in our Annual Report on Form 10-K for the year ended December 31, 2015 and our Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2016. Except as discussed below, there have been no material developments concerning the matters discussed in those reports.

As previously disclosed, we are currently being sued in a purported class action lawsuit relating to negative media and regulatory scrutiny regarding our business in Mainland China and the associated decline in our stock price. Beginning in January 2014, six purported class action complaints were filed in the United States District Court for the District of Utah. In May 2014, the court consolidated the various purported class actions, appointed State-Boston Retirement System as lead plaintiff in the consolidated action and appointed the law firm Labaton Sucharow as lead counsel for the purported class in the consolidated action. In June 2014, a consolidated class action complaint was filed. In February 2015, the court denied our motion to dismiss the case. The consolidated class action complaint purports to assert claims on behalf of certain of our stockholders under Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder against Nu Skin Enterprises, Ritch N. Wood, and M. Truman Hunt and to assert claims under Section 20(a) of the Securities Exchange Act of 1934 against Messrs. Wood and Hunt. The consolidated class action complaint alleges that, inter alia, we made materially false and misleading statements regarding our sales operations in and financial results derived from Mainland China, including purportedly operating a pyramid scheme based on illegal multi-level marketing activities. On February 22, 2016, the parties entered into a Settlement Term Sheet (the "Agreement"). The terms of the Agreement provide for, among other things, the certification of a settlement class consisting of persons or entities that publicly traded our common stock during the period from May 4, 2011 through January 17, 2014 and a settlement payment by, or on behalf of, Nu Skin Enterprises, Inc. of \$47 million. In May 2016, the court issued preliminary approval of the settlement. In June 2016, our insurers fully funded the settlement payment in an escrow account. The settlement remains subject to final court approval and may be cancelled by us at our sole election in certain limited circumstances. A hearing for final court approval of the settlement is scheduled in October 2016 but could be delayed by circumstances beyond our control. Subsequent to final approval of the settlement by the court, the litigation will be dismissed, with prejudice.

In addition, beginning in February 2014, five purported shareholder derivative complaints were filed in the United States District Court for the District of Utah. In May 2014, the court issued an order consolidating the derivative actions, appointing plaintiffs Amos C. Acoff and Analisa Suderov as co-lead plaintiffs in the consolidated action, and appointing the law firms Bernstein Litowitz Berger & Grossmann LLP and The Weiser Law Firm, P.C. as co-lead counsel for the plaintiffs in the consolidated action. In July 2014, a consolidated derivative complaint was filed. The consolidated derivative complaint purports to assert claims on behalf of Nu Skin Enterprises, Inc. for, inter alia, breach of fiduciary duties for disseminating false and misleading information, failing to maintain adequate internal controls, unjust enrichment, abuse of control, and gross mismanagement against M. Truman Hunt, Ritch N. Wood, Steven J. Lund, Nevin N. Andersen, Neil H. Offen, Daniel W. Campbell, Andrew W. Lipman, Patricia A. Negrón, Thomas R. Pisano, and nominally against Nu Skin Enterprises, Inc. The consolidated derivative complaint also purports to assert claims on behalf of Nu Skin Enterprises, Inc. for breach of fiduciary duty for insider selling and misappropriation of information against Messrs. Wood, Lund and Campbell. The consolidated derivative complaint alleges that, inter alia, the defendants allowed materially false and misleading statements to be made regarding their sales operations in and financial results derived from Mainland China, including purportedly operating a pyramid scheme based on illegal multi-level marketing activities, and that certain defendants sold common stock on the basis of material, adverse non-public information. In July 2015, the court stayed the derivative action pending a final resolution in the class action lawsuit and denied the Company's motion to dismiss without prejudice to renewing the motion when the stay is lifted. The parties reached a settlement of the matter, and the court issued preliminary approval of the settlement agreement in July 2016. The settlement agreement requires us to implement certain corporate governance measures, and it requires us and/or our insurers to pay or cause to be paid to Plaintiffs' counsel attorneys' fees and expenses in the total amount of \$1.3 million. We currently anticipate that our insurers will pay approximately \$1.0 million of this amount. The settlement agreement remains subject to final approval by the court.

From time to time, we are involved in legal proceedings arising in the ordinary course of business. We believe that the resolution of these matters will not have a negative material effect on our consolidated financial position, results of operations or liquidity.

Please refer to Notes 9, 13 and 14 to the consolidated financial statements contained in this report and to our recent SEC filings, including our Annual Report on Form 10-K for the 2015 fiscal year and our Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2016, for additional information regarding our legal proceedings.

ITEM 1A. RISK FACTORS

The information presented below supplements and should be read in conjunction with the detailed discussion of risks associated with our business in our recent SEC filings, including our Annual Report on Form 10-K for the 2015 fiscal year.

Currency exchange rate fluctuations could impact our financial results.

In 2015, approximately 89% of our sales occurred in markets outside of the United States in each market's respective local currency. We purchase inventory primarily in the United States in U.S. dollars. In preparing our financial statements, we translate revenue and expenses in our markets outside the United States from their local currencies into U.S. dollars using weighted average exchange rates. If the U.S. dollar strengthens relative to local currencies, our reported revenue, gross profit and net income will likely be reduced. For example, foreign currency fluctuations negatively impacted reported revenue by approximately 8% in 2015 compared to 2014 and by approximately 3% in 2014 compared to 2013.

Foreign currency fluctuations can also result in losses and gains resulting from translation of foreign currency denominated balances on our balance sheet. Although we may engage in transactions intended to reduce our exposure to foreign currency fluctuations, there can be no assurance that these transactions will be effective. Complex global political and economic dynamics can affect exchange rate fluctuations. For example, significant foreign currency fluctuations occurred as a result of the June 2016 referendum in the United Kingdom, in which voters approved an exit from the European Union. It is difficult to predict future fluctuations and the effect these fluctuations may have upon future reported results or our overall financial condition.

Challenges to the form of our network marketing system could harm our business.

We may be subject to challenges by government regulators regarding the form of our network marketing system. Legal and regulatory requirements concerning the direct-selling industry generally do not include "bright line" rules and are inherently fact-based and subject to interpretation. As a result, regulators and courts have discretion in their application of these laws and regulations, and the enforcement or interpretation of these laws and regulations by government agencies or courts can change. We are aware of ongoing investigations and legal actions against other companies in the direct selling industry. An adverse ruling in these investigations or legal actions could impact our business if direct selling laws or anti-pyramid laws are interpreted more narrowly or in a manner that results in additional burdens or restrictions on direct selling companies. For example, in 2015, the FTC took aggressive actions against a multi-level marketing company, alleging an illegal business model and improper earnings claims. In 2016, the FTC entered into a settlement with another multi-level marketing company, requiring that company to modify its business model. This settlement is not judicial precedent or a new FTC rule, but if it ultimately leads to new industry standards or new rules, our business could be impacted and we may need to amend our distributor compensation plan.

We could also be subject to challenges by private parties in civil actions. We are aware of recent civil actions against some of our competitors in the United States, which have and may in the future result in significant settlements. Allegations by short sellers directed at us and our competitors regarding the legality of multi-level marketing in various markets have also created intense public scrutiny of us and our industry. Our business has also been subject to such formal and informal inquiries from various government regulatory authorities in the past regarding our business and our compliance with local laws and regulations. All of these actions and any future government scrutiny of us or our industry could generate negative publicity or further regulatory actions that could result in fines, restrict our ability to conduct our business in our various markets, enter into new markets, motivate our sales force and attract consumers.

Section 4.01 Taking of Necessary Action. Each of the parties hereto agrees to use its reasonable efforts promptly to take or cause to be taken all action, and promptly to do or cause to be done all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the sale and purchase of the Notes hereunder, subject to the terms and conditions hereof and compliance with applicable law. In case at any time before or after the Closing any further action is necessary or desirable to carry out the purposes of the sale and purchase of the Notes, the proper officers, managers and directors of each party to this Agreement shall take all such necessary action as may be reasonably requested by, and the sole expense of, the requesting party.

Section 4.02 Restricted Period; Non-Conversion.

(a) During the Restricted Period, notwithstanding any rights provided in Article V, the Purchaser shall not, without the Company's prior written consent, directly or indirectly (including by reason of any dividend payable in securities issuance or transfer of equity interests, combination, recapitalization, reclassification, merger, consolidation or otherwise), (x) sell, offer, transfer, assign, mortgage, hypothecate, gift, pledge or dispose of, enter into or agree to enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, gift, assignment or similar disposition (including any economic, beneficial or other interest therein) of (any of the foregoing, a "transfer"), any of the Notes or Conversion Shares or (y) enter into or engage in any hedge, swap, short sale, derivative transaction or other agreement or arrangement that transfers to any Third Party, directly or indirectly, in whole or in part, any of the economic consequences of ownership of the Notes or any Conversion Shares (such actions in clauses (x) and (y), "Prohibited Transfers"), other than, in the case of clause (x), Permitted Transfers, and in the case of clause (y), Permitted Derivative Transactions. "Permitted Transfers" shall mean any (i) transfer to an Affiliate of the Purchaser that executes and delivers to the Company a Joinder becoming a Purchaser party to this Agreement and a duly completed and executed IRS Form W-9, W-8 or such other appropriate form as applicable, (ii) transfer to the Company or any of its Subsidiaries, (iii) transfer to a Third Party for

cash solely to the extent that all of the net proceeds of such sale are used solely to satisfy a bona fide margin call or collateral pledge enforcement (i.e. posted as collateral) pursuant to a Permitted Loan, or repay a Permitted Loan to the extent necessary to satisfy a bona fide margin call or collateral pledge enforcement on such Permitted Loan or avoid a bona fide margin call or collateral pledge enforcement on such Permitted Loan in either case arising from a payment default under such indebtedness, (iv) transfer with the prior written consent of the Company, (v) tender of any Company Common Stock into a Third Party Tender/Exchange Offer, as defined below, (and any related conversion of Notes to the extent required to effect such tender or exchange) or any transfer effected pursuant to any merger, consolidation, recapitalization or similar transaction consummated by the Company (for the avoidance of doubt, if such Third Party Tender/Exchange Offer does not close for any reason, the restrictions on transfer contained herein shall continue to apply to any Conversion Shares received pursuant to the conversion of any Notes that had previously been converted to participate in any such tender or exchange offer), (vi) transfer of limited partnership, non-managing member limited liability company interests or similar non-controlling interests in a private equity or other investment fund or pooled investment vehicle managed or advised by any Affiliate of the Purchaser, (vii) transfer of shares of any Affiliate of Purchaser (x) that has publicly-traded shares listed on a securities exchange or (y) that is otherwise an operating company or a direct or indirect holding company thereof that in each case with respect to this clause (y) directly or indirectly holds meaningful assets in addition to equity interests in the Purchaser or (viii) issuance of an equity interest of the Purchaser, or right, warrant or similar instrument convertible or exchangeable into or exercisable for equity interests of the Purchaser, issued or granted to a lender in connection with a Permitted Loan. "Third Party Tender/Exchange Offer" shall mean any tender or exchange offer made to all of the holders of Company Common Stock by a Third Party for a number of outstanding shares of Voting Stock that, if consummated, would result in a Change in Control solely to the extent that the Board of Directors has recommended such tender or exchange offer in a Schedule 14D-9 under the Exchange Act. "Permitted Derivative Transactions" shall mean, after delivery of any Conversion Notice (as defined in the Indenture) in accordance with the terms of the Indenture, any hedge, swap, short sale, derivative transaction or transfer of any of the economic consequences of ownership of the Notes or any Conversion Shares that are the subject of such Conversion Notice. Following the Restricted Period, the Purchaser shall not transfer any of the Notes or any Conversion Shares to any of its Affiliates that did not execute and deliver to the Company a Joinder becoming a Purchaser party to this Agreement or did not deliver to the Company a duly completed and executed IRS Form W-9, W-8 or such other appropriate form, as applicable. Any purported Prohibited Transfer in violation of this Section 4.02 shall be null and void ab initio. Notwithstanding the foregoing or anything in this Agreement to the contrary, the Purchaser (or an Affiliate of the Purchaser) shall be permitted to mortgage, hypothecate, and/or pledge the Notes and/or the Conversion Shares issuable or issued upon conversion of the Notes (or any interest therein) in respect of one or more bona fide purpose (margin) or bona fide non-purpose loans incurred prior to or on the date hereof (or any refinancing thereof) (each, a "Permitted Loan") for the purpose of the purchase and acquisition of the Notes pursuant to this Agreement. Any Permitted Loan entered into by the Purchaser or its Affiliates shall be with one or more financial institutions and nothing contained in this Agreement shall prohibit or otherwise restrict the ability of any lender (or its securities' affiliate) or collateral agent to foreclose upon and sell, dispose of or otherwise transfer the Notes and/or the Conversion Shares received upon conversion of the Notes

following foreclosure on a Permitted Loan mortgaged, hypothecated and/or pledged to secure the obligations of the borrower following a payment default under a Permitted Loan, except that in respect of a Permitted Loan entered into after the date hereof that is a refinancing of any Permitted Loan incurred prior to or on the date hereof, during the Restricted Period, the foreclosure on such refinanced Permitted Loan shall not be deemed a Permitted Transfer hereunder unless an Event of Default (as defined under the Indenture) shall have first occurred and is continuing at the time of such foreclosure. Notwithstanding the foregoing or anything to the contrary herein, in the event that any lender or other creditor under a Permitted Loan transaction (including any agent or trustee on their behalf) or any Affiliate of the foregoing exercises any rights or remedies in respect of the Notes or the Conversion Shares issuable or issued upon conversion of the Notes or any other collateral for any Permitted Loan, no lender, creditor, agent or trustee on their behalf or Affiliate of any of the foregoing (other than, for the avoidance of doubt, Purchaser or any of its Affiliates) shall be entitled to any rights or have any obligations or be subject to any transfer restrictions or limitations hereunder (including the rights or benefits provided for in Section 4.06 and Section 4.07), except and to the extent for those expressly provided for in Article V.

(b) Notwithstanding anything in this Agreement or elsewhere to the contrary, any sale of Company Common Stock pursuant to Article V shall be subject to any applicable limitations set forth in this Section 4.02 and Article V but shall not be subject to any policies, procedures or limitations (other than any applicable federal securities laws and any other applicable laws) otherwise applicable to the Purchaser Designee with respect to trading in the Company's securities and the Company acknowledges and agrees that such policies, procedures or limitations applicable to the Purchaser Designee shall not be violated by any such transfer pursuant to Article V, other than any applicable federal securities laws and any other applicable laws.

(c) Notwithstanding anything in the Notes or in the Indenture to the contrary, until the six (6) month anniversary of the Closing Date, no Purchaser (including any Party that signs a Joinder) shall, without the Company's prior written consent, convert (or give notice of conversion of) any of the Notes, irrespective of whether permitted pursuant to the terms of the Notes or the Indenture, except (i) in connection with a sale of Conversion Shares that is (A) not prohibited pursuant to this Section 4.02 and (B) not to an Affiliate of the Purchaser and (ii) following the public disclosure or announcement of the entry by the Company into a definitive agreement for a transaction that, if consummated, would result in a Change in Control. In connection with a conversion covered by Section 4.02(c)(ii), and notwithstanding anything in the Indenture or the Notes to the contrary, the Company shall provide that such Conversion Shares shall be entitled to participate in the transactions contemplated by such definitive agreement in the same manner as the public shareholders of the Company Common Stock generally in their capacities as holders of Company Common Stock (except for any separate agreements in respect of such transaction between or among the other party to such transaction or any of its Affiliates, on the one hand, and any particular holder or holders of the Company Common Stock, on the other hand). For the avoidance of doubt, notwithstanding anything in the Notes or in the Indenture to the contrary, the Company shall not be obligated to issue any Conversion Shares to the Purchaser or any of its Affiliates prior to the six (6) month anniversary of the Closing Date except as described in this Section 4.02(c).

Section 4.03 Standstill.

(a) The Purchaser agrees that, during the Standstill Period, it shall not, and shall cause each of its Affiliates (collectively and individually, the Purchaser's "Purchaser's Affiliates") not to, directly or indirectly, in any manner, alone or in concert with others take any of the following actions without the prior consent of the Company (acting through a resolution of the Company's directors not including the Purchaser Designee):

(i) make, engage in, or in any way participate in, directly or indirectly, any "solicitation" of proxies (as such terms are used in the proxy rules of the SEC but without regard to the exclusion set forth in Rule 14a-1(l)(2)(iv)) or consents to vote, or seek to advise, encourage or influence any person with respect to the voting of any securities of the Company for the election of individuals to the Board of Directors or to approve any proposals submitted to a vote of the stockholders of the Company that have not been authorized and approved, or recommended for approval, by the Board of Directors, or become a "participant" in any contested "solicitation" (as such terms are defined or used under the Exchange Act) for the election of directors with respect to the Company, other than a "solicitation" or acting as a "participant" in support of all of the nominees of the Board of the Directors at any stockholder meeting, or make or be the proponent of any stockholder proposal (pursuant to Rule 14a-8 under the Exchange Act or otherwise);

(ii) form, join, encourage, influence, advise or in any way participate in any "group" (as such term is defined in Section 13(d)(3) of the Exchange Act) with any persons who are not Purchaser Affiliates with respect to any securities of the Company or otherwise in any manner agree, attempt, seek or propose to deposit any securities of the Company or any securities convertible or exchangeable into or exercisable for any such securities in any voting trust or similar arrangement, or subject any securities of the Company to any arrangement or agreement with respect to the voting thereof, except as expressly permitted by this Agreement;

(iii) acquire, offer or propose to acquire, or agree to acquire, directly or indirectly, whether by purchase, tender or exchange offer, through the acquisition of control of another person, by joining a partnership, limited partnership, syndicate or other group (including any group of persons that would be treated as a single "person" under Section 13(d) of the Exchange Act), through swap or hedging transactions or otherwise, any securities of the Company or any rights decoupled from the underlying securities that would result in the Purchaser (together with its Purchaser Affiliates), having Beneficial Ownership in more than 15% in the aggregate of the shares of the Company Common Stock outstanding as of such time (assuming all the Notes are converted on a fully physical settlement basis), excluding any issuance by the Company of shares of Company Common Stock or options, warrants or other rights to acquire Company Common Stock (or the exercise thereof) to the Purchaser Designee as compensation for his or her membership on the Board of Directors; provided that nothing herein will require any Notes or shares of Company Common Stock to be sold solely to the extent the Purchaser and its Purchaser Affiliates, collectively, exceed the ownership limit under this paragraph as the result of a share repurchase or any other Company actions that reduces the number of outstanding shares of Company Common Stock;

(iv) transfer, directly or indirectly, through swap or hedging transactions or otherwise, the Notes or Company Common Stock Beneficially Owned by the Purchaser or its Purchaser Affiliates or any economic or voting rights decoupled from the underlying securities held by the Purchaser or its Purchaser Affiliates to any Third Party that, to the knowledge of the Purchaser and its Purchaser Affiliates at the time it enters into such transaction, would result in such Third Party, together with its Affiliates and Associates, having Beneficial Ownership in the aggregate of more than 10% of the shares of Company Common Stock outstanding at such time;

(v) effect or seek to effect, offer or propose to effect, cause or participate in, or in any way knowingly assist or facilitate any other person to effect or seek, offer or propose to effect or participate in, any tender or exchange offer, merger, consolidation, acquisition, scheme of arrangement, business combination, recapitalization, extraordinary dividend or share repurchase, delisting or deregistration of any class of securities of the Company, reorganization, sale or acquisition of all or substantially all assets, liquidation, dissolution or other extraordinary transaction involving the Company or any of its Subsidiaries or joint ventures or any of their respective securities (each, an "Extraordinary Transaction"), or make any public statement with respect to an Extraordinary Transaction; provided, however, that this clause (v) shall not preclude the tender by the Purchaser or its Purchaser Affiliates of any securities of the Company into any Third Party Tender/Exchange Offer (and any related conversion of Notes to the extent required to effect such tender) or the vote by the Purchaser or its Purchaser Affiliates of any voting securities of the Company with respect to any Extraordinary Transaction in accordance with other provisions of this Agreement;

(vi) (A) call or seek to call any meeting of stockholders of the Company, including by written consent, (B) seek representation on the Board of Directors, except as expressly set forth herein, (C) seek the removal of any member of the Board of Directors (other than the Purchaser Designee in accordance with Section 4.07), (D) solicit consents from stockholders or otherwise act or seek to act by written consent with respect to the Company, (E) conduct a referendum of stockholders of the Company or (F) make a request for any stockholder list or other Company books and records, whether pursuant to Section 220 of the DGCL or otherwise;

(vii) make any public disclosure, announcement or statement regarding any intent, purpose, plan or proposal with respect to the Board of Directors, the Company, its management, policies or affairs, any of its securities or assets or this Agreement that is inconsistent with the provisions of this Section 4.03;

(viii) enter into any discussions, negotiations, agreements or understandings with any Third Party with respect to any of the foregoing, or advise, assist, knowingly encourage or seek to persuade any Third Party to take any action or make any public statement with respect to any of the foregoing; or

(ix) request, directly or indirectly, any amendment, modification or waiver of this Section 4.03 (including this clause (ix)).

(b) The foregoing provisions of Section 4.03(a) shall not be deemed to prohibit the Purchaser or any of its Purchaser Affiliates or any of their respective members' directors, executive officers, partners, employees, managing members, advisors or agents (acting in such capacity) from communicating privately with the Company's directors, officers or advisors, including requesting any amendment, modification or waiver of this Section 4.03, so long as such communications are not intended to, and would not reasonably be expected to, require any public disclosure; provided, that no such person may request, directly or indirectly, any amendment, modification or waiver of this Section 4.03 if such request relates to the taking of any action that is intended to, or would reasonably be expected to, result in a Change in Control.

(c) Nothing in this Section 4.03 shall (i) limit any action that may be taken by the Purchaser Designee acting solely as a director of the Company consistent with his or her fiduciary duties as a director of the Company if such action does not include any public announcement or disclosure by the Purchaser Designee or the Purchaser or a Purchaser Affiliate or (ii) preclude the Purchaser or any Purchaser Affiliate from participating in any Extraordinary Transaction or Change in Control transaction in the same manner as the public shareholders of the Company Common Stock generally in their capacities as holders of Company Common Stock.

(d) Notwithstanding anything in this Section 4.03 to the contrary, if (i) the Company enters into a definitive agreement providing for a transaction that, if consummated, would result in a Change in Control and (ii) the Company had not, reasonably prior to entering into such definitive agreement, provided the Purchaser with a written notice inviting the Purchaser or a Purchaser Affiliate to make one or more proposal or offers to effect a transaction that would result in a Change in Control, then after the announcement of such transaction and prior to the earlier of any termination of such definitive agreement or Company stockholder approval of such definitive agreement, nothing in this Section 4.03 will prevent the Purchaser or any Purchaser Affiliate from (A) submitting to the Board of Directors one or more bona fide proposals or offers for an alternative transaction involving, directly or indirectly, the Purchaser or one or more of its Purchaser Affiliates, (B) pursuing and entering into any such alternative transaction with the Company and (C) taking any actions in furtherance of the foregoing, including actions relating to obtaining equity and/or debt financing for the alternative transaction as long as (x) any proposal or offer is conditioned on the proposed transaction being approved by the Board of Directors and (y) neither the Purchaser nor any Purchaser Affiliate makes any public announcement or disclosure of such proposal, offer or actions other than any filings and disclosures that may be required in filings with the SEC. Without limiting Section 4.02, neither the Purchaser nor any Purchaser Affiliate shall be prohibited from electing to tender or exchange into any Third Party Tender/Exchange Offer.

Section 4.04 Securities Laws. The Purchaser acknowledges and agrees that, as of the Closing Date, the Notes (and the Conversion Shares that are issuable upon conversion of the Notes) have not been registered under the Securities Act or the securities laws of any state and that they may be sold or otherwise disposed of only in one or more transactions registered under the Securities Act and, where applicable, such laws, or as to which an exemption from the registration requirements of the Securities Act and, where applicable, such laws, is available. The Purchaser acknowledges that, except as provided in Article V with respect to the Conversion Shares, the Purchaser has no right to require the Company or any of its Subsidiaries to register the Notes or the Conversion Shares that are issuable upon conversion of the Notes.

Section 4.05 Lost, Stolen, Destroyed or Mutilated Securities. Upon receipt of evidence satisfactory to the Company of the loss, theft, destruction or mutilation of any certificate for any security of the Company and, in the case of loss, theft or destruction, upon delivery of an undertaking by the holder thereof to indemnify the Company (and, if requested by the Company, the delivery of an indemnity bond sufficient in the judgment of the Company to protect the Company from any loss it may suffer if a certificate is replaced), or, in the case of mutilation, upon surrender and cancellation thereof, the Company will issue a new certificate or, at the Company's option, a share ownership statement representing such securities for an equivalent number of shares or another security of like tenor, as the case may be.

Section 4.06 Antitrust Approval and Clearance. The Company and the Purchaser acknowledge that one or more filings under the HSR Act or foreign antitrust laws may be necessary or advisable in connection with the issuance of Conversion Shares upon conversion of the Notes. The Purchaser will promptly notify the Company if any such filing is required on the part of the Purchaser or any of its Affiliates or any successor thereto. To the extent reasonably requested, the Company will, and the Purchaser will, and will cause its applicable Affiliates to, use reasonable efforts to cooperate in timely making or causing to be made all applications and filings under the HSR Act or any foreign antitrust requirements in connection with the issuance of Conversion Shares upon conversion of Notes held by the Purchaser or any of its Affiliates in a timely manner and as required by the law or set forth in the applicable procedures of the applicable jurisdiction; provided that, notwithstanding in this Agreement to the contrary, the Company shall not have any responsibility or liability for failure of the Purchaser or any of its Affiliates to comply with any applicable law. For as long as there are Notes outstanding and owned by the Purchaser or its Affiliates, the Company shall as promptly as reasonably practicable provide (no more than once per calendar quarter) such information regarding the Company and its Subsidiaries as the Purchaser may reasonably request in order to determine what foreign antitrust requirements may exist with respect to any potential conversion of the Notes. The Purchaser shall be responsible for the payment of the filing fees associated with any such applications or filings.

Section 4.07 Board Nomination.

(a) The Company agrees to appoint Zheqing Shen to the Board of Directors as the initial Purchaser Designee effective no later than forty-five days after the Closing Date by taking all necessary action to increase the size of the Board of Directors unless there otherwise is a vacancy in the Board of Directors and in either event filling the vacancy thereby created with such individual. Between the Closing and such appointment, Zheqing Shen shall be entitled to attend meetings of the Board of Directors as a non-voting observer and receive all notices of such meetings and related materials provided to the members of the Board of Directors (in each case, except to the extent that such attendance or receipt of notices or materials reasonably would be expected to result in the Company's inability to exercise attorney-client privilege). The Company agrees that, subject to Section 4.07(c), the Purchaser shall have the right to nominate at each meeting or action by written consent at which individuals will be elected members of the Board of Directors one nominee selected by the Purchaser (for the avoidance of doubt, the Purchaser shall have a right to nominate a member to the Board of Directors if and only so long as the Purchaser and its Affiliates, collectively, do not fall below the Minimum Ownership Threshold (as defined below) at any point in time). Notwithstanding the foregoing, the Purchaser shall not have a right to nominate any member to the Board of Directors from and after such time as the Purchaser and its Affiliates collectively hold or Beneficially Own less than 50% of the Conversion Shares Beneficially Owned by the Purchaser as of the Closing Date on an as-converted basis (assuming any Subject Securities Beneficially Owned by such Person and its Affiliates are converted on a fully physical settlement basis) (as equitably adjusted for any stock split, reverse stock split, recapitalization or similar event with respect to the Company Common Stock) (the "Minimum Ownership Threshold").

(b) Subject to the terms and conditions of this Section 4.07 and applicable law, the Company agrees to include the Purchaser Designee in its slate of nominees for election as directors of the Company at each of the Company's meetings of stockholders or action by written consent at which directors are to be elected and use its reasonable efforts to cause the election of the Purchaser Designee to the Board of Directors (for the avoidance of doubt, the Company will be required to use substantially the same level of efforts and provide substantially the same level of support as is used and/or provided for the other director nominees of the Company with respect to the applicable meeting of stockholders or action by written consent). For the avoidance of doubt, failure of the stockholders of the Company to elect any Purchaser Designee to the Board of Directors shall not affect the right of the Purchaser to nominate directors for election pursuant to this Section 4.07 in any future election of directors.

(c) Any Purchaser Designee must be a director of the Purchaser that is acceptable to the Nominating and Governance Committee of the Board of Directors (or any successor thereto) acting in good faith. As a condition to any Purchaser Designee's appointment to the Board of Directors and nomination for election as a director of the Company at the Company's annual meetings of stockholders (A) the Purchaser and the Purchaser Designee must in all material respects provide to the Company (1) all information reasonably requested by the Company that is required to be or customarily disclosed for directors, candidates for directors, and their affiliates and representatives in a proxy statement or other filings under applicable law or regulation or stock exchange rules or listing standards, in each case, relating to their nomination or election as a director of the Company or the Company's operations in the ordinary course of business and (2) information reasonably requested by the Company in connection with assessing eligibility, independence and other criteria applicable to directors or satisfying compliance and legal or regulatory obligations, in each case, relating to their nomination or election as a director of the Company or the Company's operations in the ordinary course of business, with respect to the Purchaser, its Affiliates and the applicable Purchaser Designee, (B) the Purchaser Designee must be qualified to serve as a director of the Company under the DGCL, the rules of the NYSE and the applicable federal securities laws to the same extent as all other directors of the Company and (C) the Purchaser Designee must satisfy the requirements set forth in the Company's Corporate Governance Guidelines, code of conduct and securities trading policy (subject to Section 4.02), in each case as currently in effect (the "Specified Guidelines") with such changes thereto (or such successor policies) as are applicable to all other directors, as are adopted in good faith by the Board of Directors, and as are consistent with clause (d) below (for the avoidance of doubt, the Purchaser Designee shall be required to qualify as an independent director under applicable stock exchange rules and federal securities laws and regulations). The Company will make all information requests pursuant to this Section 4.07(c) in good faith in a timely manner that allows the Purchaser and the Purchaser Designee a reasonable amount of time to provide such information, and will cooperate in good faith with the Purchaser and the Purchaser Designee in connection with their efforts to provide the requested information.

(d) The Purchaser acknowledges that at all times while serving as a member of the Board of Directors, the Purchaser Designee, solely in his or her individual capacity, will be required to comply with all policies, procedures, processes, codes, rules, standards and guidelines applicable to all non-executive members of the Board of Directors that are included in the Specified Guidelines as currently in effect with such changes (or such successor policies) as are applicable to all other directors and as are not targeted towards, and are not disproportionately applicable to, the Purchaser Designee. Notwithstanding the foregoing, for so long as an Purchaser Designee is on the Board of Directors, without limiting Sections 4.02 or 4.03 in any respect, (i) the Company shall not implement or maintain any trading policy, equity ownership guidelines (including with respect to the use of Rule 10b5-1 plans and preclearance or notification to the Company of any trades in the Company's securities) or similar guideline or policy with respect to the trading of securities of the Company that applies to the Purchaser or its Affiliates (including a policy that limits, prohibits, restricts Purchaser or its Affiliates from entering into any hedging or derivative arrangements), in each case other than with respect to the Purchaser Designee solely in his or her individual capacity, except as provided herein, or that imposes confidentiality obligations on the Purchaser Designee that are inconsistent with Section 4.14 or the Confidentiality Agreement, (ii) any share ownership requirement for any Purchaser Designee serving on the Board of Directors will be deemed satisfied by the securities owned by the Purchaser and/or its Affiliates and under no circumstances shall any of such policies, procedures, processes, codes, rules, standards and guidelines impose any restrictions on the Purchaser's or its Affiliates' transfers of securities pursuant to Article V (except as otherwise provided therein with respect to Blackout Periods) and (iii) under no circumstances shall any policy, procedure, code, rule, standard or guideline applicable to the Board of Directors be violated by any Purchaser Designee (x) accepting an invitation to serve on another board of directors of a company whose principal line(s) of business do not compete with the principal line(s) of business of the Company or failing to notify an officer or director of the Company prior to doing so, or (y) receiving compensation from the Purchaser or any of its Affiliates, or (z) failing to offer his or her resignation from the Board of Directors except as otherwise expressly provided in this Agreement or pursuant to any majority voting policy adopted by the Board of Directors, and, in each case of (i), (ii) and (iii), it is agreed that any such policies in effect from time to time that purport to impose terms inconsistent with this Section 4.07 shall not apply to the extent inconsistent with this Section 4.07 (but shall otherwise be applicable to the Purchaser Designee).

(e) Subject to the terms and conditions of this Section 4.07, if a vacancy on the Board of Directors is created as a result of a Purchaser Designee's death, resignation, disqualification or removal for cause, or if the Purchaser desires to nominate a different individual pursuant to this Section 4.07 to replace any then-existing Purchaser Designee, then, at the request of the Purchaser, the Purchaser and the Company (acting through the Board of Directors) shall work together in good faith to fill such vacancy or replace such nominee as promptly as reasonably practical with a replacement Purchaser Designee subject to the terms and conditions hereof, and thereafter such individual shall as promptly as reasonably practical be appointed to the Board of Directors to fill such vacancy and/or be nominated as a Company nominee as a "Purchaser Designee" pursuant to this Section 4.07 (as applicable).

(f) To the fullest extent permitted by the DGCL and subject to any express agreement that may from time to time be in effect, the Company agrees that the Purchaser Designee, the Purchaser and any Affiliate or any portfolio company thereof (collectively, "Covered Persons") may, and shall have no duty not to, (i) invest in, carry on and conduct, whether directly, or as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equity holder or investor in any person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Company or any of its Subsidiaries, (ii) do business with any client, customer, vendor or lessor of any of the Company or its Affiliates, and/or (iii) make investments in any kind of property in which the Company may make investments. To the fullest extent permitted by the DGCL, the Company renounces any interest or expectancy to participate in any business or investments of any Covered Person as currently conducted or as may be conducted in the future, and waives any claim it may have against a Covered Person. The Company agrees that in the event that a Covered Person acquires knowledge of a potential transaction or matter which may constitute a corporate opportunity for both (x) the Covered Person outside of his or her capacity as a member of the Board of Directors and (y) the Company or its Subsidiaries, the Covered Person shall not have any duty to offer or communicate information regarding such corporate opportunity to the Company or its Subsidiaries. To the fullest extent permitted by the DGCL, the Company hereby renounces any interest or expectancy in any potential transaction or matter of which the Covered Person acquires knowledge, except for any corporate opportunity which is expressly offered to a Covered Person in writing in his or her capacity as a member of the Board of Directors, and waives any claim against each Covered Person arising from the fact that such Covered Person (A) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other person, (B) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another person or (C) does not communicate information regarding such corporate opportunity to the Company; provided, that, in each such case, that any corporate opportunity which is expressly offered to a Covered Person in writing in his or her capacity as a member of the Board of Directors shall belong to the Company. The Company hereby acknowledges and agrees to indemnify any Purchaser Designee for actions brought against them for activities contemplated by this Section 4.07(f) and advance expenses of such Purchaser Designee in connection with the defense thereof, in each case solely in their capacity as a director of the Company, to the fullest extent permitted under the laws of the State of Delaware and the Company's Certificate of Incorporation.

(g) The Company's obligations under this Section 4.07 with respect to any Purchaser Designee shall terminate and the Purchaser shall have no designation or nomination rights hereunder with respect to the Purchaser Designee if (i) the Purchaser and its Purchaser Affiliates, collectively, cease to hold or Beneficially Own the Minimum Ownership Threshold or (ii) the Purchaser or any of its Purchaser Affiliates, including any Purchaser Designee, is determined by a final, non-appealable order of a court having competent jurisdiction to be in material breach of any of Sections 4.02 or 4.03, and in such case the Purchaser Designee shall promptly offer to resign from the Board of Directors (and, if requested by the Company, promptly deliver his written resignation to the Board of Directors (which shall provide for his immediate resignation), it being understood that it shall be in the Board of Directors' sole discretion whether to accept or reject such resignation). If any Purchaser Designee ceases to satisfy in all material respects the conditions and obligations set forth in clauses (c) through (d) of this Section 4.07, the Company may notify the Purchaser thereof and promptly following such notification, (x) the Purchaser Designee shall promptly offer to resign from the Board of Directors (and, if requested by the Company, promptly deliver his written resignation to the Board of Directors (which shall provide for his immediate resignation), it being understood that it shall be in the Board of Directors' sole discretion whether to accept or reject such resignation) and (y) the Purchaser shall be entitled to fill the vacancy created thereby in accordance with Section 4.07(e). The Purchaser agrees to cause, and agrees to cause its Affiliates to cause, any Purchaser Designee to resign from the Board of Directors if the applicable Purchaser Designee fails to resign if and when requested pursuant to this clause (g).

(h) For the avoidance of doubt, notwithstanding anything in this Agreement or the Notes to the contrary, transferees of the Notes and/or the shares of Company Common Stock (other than Affiliates of the Purchaser who sign a Joinder) shall not have any rights pursuant to this Section 4.07.

Section 4.08 Financing Cooperation. In connection with any Permitted Loan, the Company will provide such cooperation and assistance as may be reasonably requested by the Purchaser from time to time in connection with any mortgage, hypothecation and/or pledge of the Notes and/or the Conversion Shares issuable or issued upon conversion of the Notes (or any interest therein) as security for the lenders with respect to such Permitted Loan, so long as such cooperation and assistance will not unreasonably disrupt the operation of the business of the Company and its Subsidiaries; provided, however, that the Company shall not be obligated to execute or deliver any documentation in connection therewith other than any acknowledgment of receipt of a notice of mortgage, hypothecation and/or pledge of the Notes and/or the Conversion Shares issuable or issued upon conversion of the Notes (or any interest therein). Anything in the preceding sentence to the contrary notwithstanding, the Company's obligation to provide any cooperation or assistance as may be requested by the Purchaser under this Section 4.08 is conditioned on (x) the Purchaser delivering to the Company a copy of the loan agreement for the Permitted Loan and (y) the Purchaser certifying to the Company in writing that (i) the loan agreement with respect to which the Security Documents is being delivered constitutes a Permitted Loan being entered into in accordance with this Agreement, the Purchaser has pledged the Notes and/or the Conversion Shares (or any interest therein) as collateral to the lenders under such Permitted Loan and that the execution of such Permitted Loan and the terms thereof do not violate the terms of this Agreement, (ii) to the extent applicable, whether the registration rights under Article V are being assigned to the lenders under that Permitted Loan, (iii) that an Event of Default (as contemplated under the Permitted Loan) constitutes the only circumstances under which the lenders under the Permitted Loan may foreclose on the Notes and/or the Conversion Shares (or any interest therein) and (iv) the Purchaser acknowledges and agrees that the Company will be relying on such certificate when entering into the Security Documents and any inaccuracy in such certificate will be deemed a breach of this Agreement. Purchaser acknowledges and agrees that the statements and agreements of the Company in any Security Documents are solely for the benefit of the applicable lenders party thereto and that in any dispute between the Company and the Purchaser under this Agreement the Purchaser shall not be entitled to use the statements and agreements of the Company in any Security Documents against the Company.

Section 4.09 Certain Tax Matters. Notwithstanding anything herein to the contrary, the Company shall have the right to deduct and withhold from any payment or distribution made with respect to the Notes (including the issuance of Conversion Shares upon conversion of the Notes) and/or any Conversion Shares issued upon conversion of the Notes such amounts as are required to be deducted or withheld with respect to the making of such payment or distribution (or issuance) under any applicable Tax law. To the extent that any amounts are so deducted or withheld, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction or withholding was made. In the event the Company previously remitted any amounts to a Governmental Entity on account of Taxes required to be deducted or withheld in respect of any payment or distribution (or deemed distribution) on any Notes, the Company shall be entitled to offset any such amounts against any amounts otherwise payable in respect of such Notes (including the issuance of shares of Company Common Stock upon conversion of the Notes) and/or any Conversion Shares issued upon conversion of the Notes.

Section 4.10 Section 16 Matters. If the Company becomes a party to a consolidation, merger or other similar transaction or if there is any event or circumstance that may result in the Purchaser, its Affiliates and/or the Purchaser Designee being deemed to have made a disposition or acquisition of equity securities of the Company or derivatives thereof for purposes of Section 16 of the Exchange Act, and if any Purchaser Designee is serving on the Board of Directors at such time or has served on the Board of Directors during the preceding six months (i) the Board of Directors or a committee thereof composed solely of two or more "non-employee directors" as defined in Rule 16b-3 of the Exchange Act will pre-approve such acquisition or disposition of equity securities of the Company or derivatives thereof for the express purpose of exempting the Purchaser's, its Affiliates' and any Purchaser Designee's interests (in each case for the Purchaser and/or its Affiliates, to the extent such persons may be deemed to be "directors by deputation") in such transaction from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder and (ii) if the transaction involves (A) a merger or consolidation to which the Company is a party and the Company Common Stock is, in whole or in part, converted into or exchanged for equity securities of a different issuer, (B) a potential acquisition or deemed acquisition, or disposition or deemed disposition, by the Purchaser, its Affiliates, and/or any Purchaser Designee of equity securities of such other issuer or derivatives thereof and (C) an Affiliate or other designee of the Purchaser or its Affiliates will serve on the board of directors (or its equivalent) of such other issuer pursuant to the terms of an agreement to which the Company is a party (or if the Purchaser notifies the Company of such service a reasonable time in advance of the closing of such transactions), then if the Company requires that the other issuer pre-approve any acquisition of equity securities or derivatives thereof for the express purpose of exempting the interests of any director or officer of the Company or any of its subsidiaries in such transactions from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder, the Company shall require that such other issuer pre-approve any such acquisitions of equity securities or derivatives thereof for the express purpose of exempting the interests of the Purchaser's, its Affiliates' and any Purchaser Designee's (in each case for the Purchaser and/or its Affiliates, to the extent such persons may be deemed to be "directors by deputation" of such other issuer) in such transactions from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder. If any Purchaser Designee is granted any equity or equity-based awards by the company in connection with his or her service on the Board of Directors (or any committee thereof), (x) the Board of Directors acknowledges that, immediately upon grant of such award, the Purchaser Designee may assign all rights, title and interest in the shares of Company Common Stock underlying such award to any Affiliate of Purchaser and (y) the Board of Directors or a committee thereof composed solely of two or more "non-employee directors" (as defined in Rule 16b-3 of the Exchange Act) will pre-approve the grant of such awards (and any such subsequent assignment thereof to any Affiliate of Purchaser) to be exempt to the maximum extent legally permitted for purposes of Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder or any other rule or regulation thereunder.

Section 4.11 D&O Indemnification / Insurance Priority Matters. The Purchaser Designee shall be eligible to enter into an indemnification agreement with the Company on terms that are no less favorable to such director than the most favorable indemnification agreement entered into by the Company with any of its other directors from time to time. The Company acknowledges and agrees that any Purchaser Designees who are partners, members, employees, advisors or consultants of the Purchaser or its Affiliates may have certain rights to indemnification, advancement of expenses and/or insurance provided by the applicable Purchaser or Affiliate thereof (collectively, the "Purchaser Indemnitors"). The Company acknowledges and agrees that the Company shall be the indemnitor of first resort with respect to any indemnification, advancement of expenses and/or insurance provided in the Company's certificate of incorporation, bylaws and/or indemnification agreement (including Section 5.05 hereof) to any Purchaser Designee in his or her capacity as a director of the Company or any of its subsidiaries (such that the Company's obligations to such indemnitees in their capacities as directors are primary and any obligation of the Purchaser Indemnitors to advance expenses or to provide indemnification or insurance for the same expenses or liabilities incurred by such indemnitees are secondary). Such indemnitees shall, in their capacities as directors, be entitled to all the rights to indemnification, advancement of expenses and entitled to insurance to the extent provided under (i) the certificate of incorporation and/or bylaws of the Company as in effect from time to time and/or (ii) such other agreement (including Section 5.05 hereof), if any, between the Company and such indemnitees, without regard to any rights such indemnitees may have against the Purchaser Indemnitors. No advancement or payment by the Purchaser Indemnitors on behalf of such indemnitees with respect to any claim for which such indemnitees have sought indemnification, advancement of expenses or insurance from the Company in their capacities as directors shall affect the foregoing and the Purchaser Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such indemnitees against the Company.

Section 4.12 Conversion Price Matters. The Conversion Price on the Closing Date will equal \$46.50 and the Conversion Rate on the Closing Date (the "Initial Conversion Rate") shall be the quotient (rounded to four decimal places) of \$1,000 divided by such Conversion Price; provided, that if any event shall occur between the date hereof and the Closing Date (inclusive) that would have resulted in an adjustment to the Conversion Rate pursuant to Article 10 of the Indenture if the Notes had been issued and outstanding since the date hereof, the Conversion Price and the Initial Conversion Rate shall be adjusted in the same manner as would have been required by Article 10 of the Indenture if the Notes had been issued and outstanding since the date hereof and the Conversion Price and the Initial Conversion Rate shall reflect such adjustment.

Section 4.13 Voting. (a) During the Standstill Period, the Purchaser shall take such action (including, if applicable, through the execution of one or more written consents if stockholders of the Company are requested to vote through the execution of an action by written consent in lieu of any such annual or special meeting of stockholders of the Company) at each meeting of the stockholders of the Company as may be required so that all shares of issued and outstanding Company Common Stock Beneficially Owned, directly or indirectly, by it and/or by any of its Purchaser Affiliates are voted in the same manner ("for," "against," "withheld," "abstain" or otherwise) either (i) as recommended by the Board of Directors to the other holders of Company Common Stock (including with respect to director elections so long as the Purchaser Designee is included on the election slate) or (ii) in the same proportion as all votes cast by the stockholders of the Company other than the Purchaser and its Affiliates, and (b) the Purchaser shall, and shall (to the extent necessary to comply with this Section 4.13) cause its Purchaser Affiliates to, be present, in person or by proxy, at all meetings of the stockholders of the Company so that all shares of issued and outstanding Company Common Stock Beneficially Owned by it or them from time to time may be counted for the purposes of determining the presence of a quorum and voted in accordance with the preceding clause (a) at such meetings (including at any adjournments or postponements thereof).

Section 4.14 Confidentiality.

(a) The Purchaser acknowledges that Confidential Information has been and may in the future be made available to it in connection with its investment in the Company. The Purchaser agrees that it shall, and shall cause any person to whom Confidential Information is disclosed pursuant to clause (i) below (collectively, "Representatives") to, keep the Confidential Information confidential and use the Confidential Information solely in connection with its investment in the Company. The Purchaser further acknowledges and agrees that it shall not disclose any Confidential Information to any person, except that Confidential Information may be disclosed (i) to any of the Purchaser's Affiliates or any of the Purchaser's or its Affiliates' respective directors, officers, employees, agents, advisors, attorneys, accountants, consultants, investment bankers or financing sources (or agents or trustees utilized by such financing sources) who reasonably require access to such information in connection with the Purchaser's investment in the Company, including to the extent related to the tax treatment and tax structure of the Transactions, who in each case have been informed of the confidential nature of the Confidential Information, (ii) in the event and to the extent that the Purchaser or any of its Representatives is required to disclose any Confidential Information by applicable law, legal process or other legal compulsion, whether or not in connection with any proceeding by or before a court of law or Governmental Entity (provided that it or such Representative shall (to the extent not prohibited by applicable law) give the Company prompt written notice of such requirement (and in any event prior to any disclosure of Confidential Information in connection therewith) so that the Company may seek an appropriate order or other remedy protecting such Confidential Information from disclosure or waive compliance with the terms of this Section 4.14 (and it or such Representative shall use reasonable efforts to cooperate with the Company to obtain such protective order or other remedy, at the Company's expense)), (iii) to any person to whom the Purchaser in good faith is contemplating a transfer of the Notes or Conversion Shares or in connection with any Permitted Loan; provided that such transfer would not be in violation of the provisions of this Agreement and such potential transferee is advised of the confidential nature of such information and agrees to be bound by a confidentiality agreement enforceable by the Company and consistent with the provisions of this Section 4.14, or (iv) to any regulatory authority or rating agency to which the Purchaser or any of its Affiliates is subject if and to the extent such information is requested by such authority or agency in an inspection, audit, review or investigation by such authority or agency of the Purchaser or such Affiliate that is not specifically directed at the Confidential Information, the Company or any of its Subsidiaries; provided that such authority or agency is advised of the confidential nature of such information and is requested to maintain the confidentiality of such information; and provided further that the Purchaser or such Affiliate shall (to the extent not prohibited by applicable law) give the Company prompt written notice of such requirement (and in any event prior to any disclosure of Confidential Information in connection therewith) so that the Company may seek an appropriate order or other remedy protecting such Confidential Information from disclosure or waive compliance with the terms of this Section 4.14 (and the Purchaser or such Representative shall use reasonable efforts to cooperate with the Company to obtain such protective order or other remedy, at the Company's expense). The Purchaser shall be responsible for any actions taken by any of its Representatives of the applicable provisions of this Section 4.14 as if the Purchaser had taken such actions.

(b) For purposes hereof, "Confidential Information" shall mean any information concerning the Company or any of its Subsidiaries or the business, products, markets, condition (financial or otherwise), operations, assets, liabilities, results of operations cash flows or prospects of the Company or any of its Subsidiaries (whether prepared by the Company or otherwise) that is furnished or has been furnished (regardless of the manner in which it is or has been furnished) by or on behalf of the Company to the Purchaser or any of its Representatives at any time (whether before, on or after the Closing Date) in connection with the Purchaser's investment in the Company and all notes, analyses, compilations, forecasts, studies, emails or other documents (in whatever form maintained) prepared by the Purchaser or any of its Representatives that contain or reflect such information (in whole or in part); provided that the term "Confidential Information" does not include information that (i) is or becomes generally available to the public other than as a result of a disclosure by the Purchaser or any of its Representatives in violation of this Section 4.14, (ii) was within the Purchaser's or its Representatives' possession prior to it being furnished to the Purchaser or its Representatives by or on behalf of the Company; provided that the source of such information was not known by the Purchaser or any of its Representatives to be bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information, or (iii) becomes available to the Purchaser or its Representatives on a non-confidential basis from a source other than the Company; provided that such source is not known by the Purchaser or any of its Representatives to be bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information.

(c) Notwithstanding anything to the contrary contained herein, nothing contained herein shall prevent or restrict (A) the Purchaser's or its Representatives' use (subject, to the extent possible, to a protective order) of Confidential Information in connection with the assertion of any claim against, or the defense of any claim by, the Company or any of its Subsidiaries, or (B) the Purchaser or its Representatives from communicating with their respective investors and potential investors to the extent reasonably required to fulfill their informational and reporting obligations to such persons; provided that the recipients of such information are subject to a customary obligation to keep such information confidential.

(d) The Purchaser and the Company hereby agree that the Confidentiality Agreement shall terminate at the Closing without further force or effect, except with respect to Transaction Information, with respect to which the Confidentiality Agreement shall continue in full force and effect in accordance with its terms.

Section 4.15 NYSE Listing; WKSI Status. The Company shall use commercially reasonable efforts to (a) cause the Conversion Shares issuable upon the conversion of the Notes to be approved for listing on the NYSE, subject to official notice of issuance, and (b) maintain its status as a WKSI.

Section 4.16 Par Value. While the Purchaser owns any Notes, the Company will not, without the consent of the Purchaser, increase the par value per share of the Company Common Stock to above \$0.001 per share

Section 4.17 Participation Rights. Until such time as there is no Purchaser Designee serving on the Board of Directors and the Purchaser is no longer entitled to designate a director nominee pursuant to Section 4.07, notwithstanding Section 4.03, whenever the Company or any of its Subsidiaries proposes to issue, directly or indirectly (including, through any underwriters) any Additional Securities that are not Excluded Securities (such proposed issuance, an "Additional Investment") (provided, however, that if such Additional Securities are Company Common Stock or any equity security or instrument that is convertible into, or exercisable or exchangeable for, Company Common Stock, then this Section 4.17 shall only apply if the price per share of Company Common Stock or the effective price per share of Company Common Stock upon the conversion, exercise or exchange thereof (as applicable) is less than the Conversion Price), the Company will provide written notice of such proposed issuance to the Purchaser (an "Offer Notice") at least twenty (20) Business Days prior to the proposed date of the purchase agreement, investment agreement or other agreement (the "Additional Investment Agreement"). Each Offer Notice shall include the applicable purchase price per security for such Additional Investment, the aggregate amount of the proposed Additional Investment and the other material terms and conditions of such Additional Investment, including the proposed closing date. The Offer Notice shall constitute the Company's offer to issue such Additional Investment to the Purchaser substantially on the terms and conditions specified in the Offer Notice, which offer shall be irrevocable for fifteen (15) Business Days following the date the Offer Notice is received by the Purchaser (the "Participation Notice Period"). The Purchaser may irrevocably elect to purchase all (but not less than all) of the Additional Securities on the terms proposed if such proposed Additional Investment is expected by the Company in good faith to be made to only one group of Affiliated investors or irrevocably elect to purchase any or all of the Additional Securities on the terms proposed if such proposed Additional Investment is expected by the Company in good faith to be made to more than one group of Affiliated investors. If the Purchaser irrevocably elects to purchase such Additional Investment specified in the Offer Notice in accordance with this Section 4.17,

the Purchaser shall deliver to the Company during the Participation Notice Period a written notice stating the aggregate amount of the proposed Additional Investment that the Purchaser offers to purchase (the "Participation Notice"). If the Purchaser does not deliver a Participation Notice during the Participation Notice Period (or if, prior to the expiration of the Participation Notice Period, the Purchaser delivers to the Company a written notice declining to participate in the Additional Investment specified in the Offer Notice), the Purchaser shall be deemed to have waived its right to participate in such Additional Investment under this Section 4.17 and the Company shall thereafter be free to issue during the 80 Business Day period following the expiration of the Participation Notice Period (or the receipt by the Company of a written notice from the Purchaser declining to participate in such Additional Investment) such proposed Additional Investment to one or more third parties at a price no more favorable to, and on such other terms and conditions no more favorable in any material respect to, any such third party than those set forth in the Offer Notice, unless otherwise agreed by the Purchaser and the Company. Any obligation of the Company and the Purchaser to participate in any Additional Investment shall in all cases be conditioned on applicable antitrust clearance or approval under antitrust or other applicable law, and the closing date for such Additional Investment by the Purchaser shall not occur until the later of (x) at least eleven (11) Business Days after the Purchaser's receipt of such clearance or approval or the Purchaser's waiver of such conditions and (y) at least eleven (11) Business Days after the Company and the Purchaser enter into the Additional Investment Agreement in respect of such Additional Investment, in each case of (x) and (y), unless otherwise agreed by the Purchaser and the Company. For the avoidance of doubt, the Company and its Subsidiaries shall not be obligated to consummate any Additional Investment unless and until an Additional Investment Agreement has been executed by the Company and the Purchaser. The Purchaser may from time to time designate one or more of its Affiliates through which the participation right in this Section 4.17 may be exercised. The issuance of "Additional Securities" means the issuance of any equity security, or instrument convertible into or exchangeable for any equity security, of the Company or any of its Subsidiaries, or the granting of any option, warrant, commitment or right by the Company or any of its Subsidiaries with respect to any of the foregoing. The issuance of "Excluded Securities" means any issuance of (i) Additional Securities as consideration to the selling Persons in an acquisition by the Company or its Subsidiaries of a business or asset owned by such Persons, (ii) Additional Securities to a third-party financial institution in connection with a bona fide borrowing by the Company or its Subsidiaries, (iii) Additional Securities to the Company's directors, employees, advisors or consultants (including as a result of the exercise of any option to subscribe for, purchase or otherwise acquire shares of Company Common Stock or upon the vesting or delivery of any award of restricted stock units (including performance-based restricted stock units) that corresponds to Company Common Stock and/or an option to subscribe for, purchase or otherwise acquire shares of Company Common Stock), (iv) Additional Securities by a wholly-owned Subsidiary of the Company to the Company or another wholly-owned Subsidiary of the Company, (v) Additional Securities in connection with any stock split, stock combination, stock dividend, distribution or recapitalization affecting all of the holders within each class or series of the Company's shares proportionately, (vi) Additional Securities in a bona fide underwritten public offering (including a marketed "Rule 144A" and/or Regulation S offering of debt or equity securities to qualified institutional buyers through one or more initial purchasers) and (vii) Additional Securities issued upon the conversion, exchange or exercise of Additional Securities previously issued in compliance with this Section 4.17. If the Purchaser elects to purchase the Additional Securities pursuant to this Section 4.17, the Purchaser, at its sole expense, shall make any filings required in connection with such participation under antitrust or other applicable law promptly following the delivery to the Company of the corresponding Participation Notice and shall use reasonable efforts to obtain applicable antitrust clearance and/or approval under antitrust or other applicable laws.

Section 4.18 Transfers of Purchaser Global Securities. The Purchaser agrees that (i) except in the case of a foreclosure under a Permitted Loan pursuant to which the lender thereunder is obligated to exchange the foreclosed interest in the Purchaser Global Security for a Global Security other than the Purchaser Global Security, Purchaser and its Affiliates will only transfer their interests in the Purchaser Global Security to a Third Party if such Person receives such transferred interest in a Global Security other than the Purchaser Global Security and (ii) Purchaser and its Affiliates may only transfer an interest in the Purchaser Global Security to an Affiliate of Purchaser if such Affiliate continues to hold such transferred interest in the Purchaser Global Security and not any other Global Security.

ARTICLE V

REGISTRATION RIGHTS

Section 5.01 Registration Statement.

(a) The Company will prepare and file and use reasonable efforts to cause to be declared effective or otherwise become effective pursuant to the Securities Act in each case no later than the earlier of (x) fifteen (15) Business Days from the last date of the Restricted Period and (y) the date that is eighteen (18) months following the Closing Date (the "Target Registration Date") a Registration Statement in order to provide for resales of Registrable Securities to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act, which Registration Statement will (except to the extent the SEC objects in written comments upon the SEC's review of such Registration Statement) include the Plan of Distribution. In addition, the Company will from time to time use reasonable efforts to file such additional Registration Statements to cover resales of any Registrable Securities that are not registered for resale pursuant to a pre-existing Registration Statement and will use its reasonable efforts to cause such Registration Statement to be declared effective or otherwise to become effective under the Securities Act and, subject to Section 5.02, will use its reasonable efforts to keep the Registration Statement continuously effective under the Securities Act at all times until the Registration Termination Date. Any Registration Statement filed pursuant to this Article V shall cover only Registrable Securities, shall be on Form S-3 (or a successor form) if the Company is eligible to use such form and shall be an automatically effective Registration Statement if the Company is a WKSI.

(b) Subject to the provisions of Section 5.02 and further subject to the availability of a Registration Statement on Form S-3 (or any successor form thereto) to the Company pursuant to the Securities Act and the rules and interpretations of the SEC, the Company will use its reasonable efforts to keep the Registration Statement (or any replacement Registration Statement) continuously effective until the earlier of (such earlier date, the "Registration Termination Date"): (i) the date on which all Registrable Securities covered by the Registration Statement have been sold thereunder in accordance with the plan and method of distribution disclosed in the prospectus included in the Registration Statement and (ii) there otherwise cease to be any Registrable Securities.

(c) Notwithstanding anything herein to the contrary, during such period of time from and after the Target Registration Date that the Company ceases to be eligible to file or use a Registration Statement on Form S-3 (or any successor form thereto), upon the written request of any holder of Registrable Securities, the Company shall use its reasonable efforts to file a Registration Statement on Form S-1 (or any successor form) under the Securities Act covering the Registrable Securities of the requesting party and use reasonable efforts to cause such Registration Statement to be declared effective pursuant to the Securities Act as soon as reasonably practicable after filing thereof and file and cause to become effective such amendments thereto as are necessary in order to keep such Registration Statement continuously available. Each such written request must specify the amount and intended manner of disposition of such Registrable Securities; provided, that the minimum amount of such Registrable Securities shall be \$50,000,000. Any Registration Statement required to be filed pursuant to this Section 5.01(c) shall not be required to cover the Registrable Securities to be offered on a delayed or continuous basis pursuant to Rule 415 under the Securities Act. When the Company regains ability to file a Registration Statement on Form S-3 covering the Registrable Securities it shall as promptly as practicably do so in accordance with Section 5.01(a).

Section 5.02 Registration Limitations and Obligations.

(a) Subject to Section 5.01, the Company will use reasonable efforts to prepare such supplements or amendments (including a post-effective amendment), if required by applicable law, to each applicable Registration Statement and file any other required document so that such Registration Statement will be Available at all times during the period for which such Registration Statement is, or is required pursuant to this Agreement to be, effective; provided, that no such supplement, amendment or filing will be required during a Blackout Period. In order to facilitate the Company's determination of whether to initiate a Blackout Period, the Purchaser shall give the Company notice of any proposed sale of Registrable Securities pursuant to the Registration Statement at least two (2) Business Days (or, if two Business Days is not practicable, one (1) Business Day) prior to the proposed date of sale (which notice shall not bind the Purchaser to make any sale).

(b) Notwithstanding anything to the contrary contained in this Agreement, the Company shall be entitled, from time to time, by providing written notice to the holders of Registrable Securities, to require such holders of Registrable Securities to suspend the use of the prospectus for sales of Registrable Securities under the Registration Statement during any Blackout Period; provided, for purposes of this Section 5.02, the Company shall only be obligated to provide written notice to any holder or Beneficial Owner of Registrable Securities of any such Blackout Period, or the certificate described in the third sentence of this Section 5.02(b), if such holder or Beneficial Owner has specified in writing to the Company for purposes of receiving such notice such holder's or Beneficial Owner's address, contact and fax number information. No sales may be made under the applicable Registration Statement during any Blackout Period. In the event of a Blackout Period, the Company shall (x) deliver to the holders of Registrable Securities a certificate signed by the chief executive officer, chief financial officer or general counsel of the Company confirming that the conditions described in the definition of Blackout Period are met (but which certificate need not specify the nature of the event causing such conditions to have been met), which certificate shall contain an approximation of the anticipated delay, and (y) notify each holder of Registrable Securities promptly upon each of the commencement and the termination of each Blackout Period, which notice of termination shall be delivered to each holder of Registrable Securities no later than the close of business of the last day of the Blackout Period. In connection with the expiration of any Blackout Period and without any further request from a holder of Registrable Securities, the Company to the extent necessary and as required by applicable law shall as promptly as reasonably practicable prepare supplements or amendments, including a post-effective amendment, to the Registration Statement or the prospectus, or any document incorporated therein by reference, or file any other required document so that the Registration Statement will be Available. A Blackout Period shall be deemed to have expired when the Company has notified the holders of Registrable Securities that the Blackout Period is over and the Registration Statement is Available. Notwithstanding anything in this Agreement to the contrary, the absence of an Available Registration Statement at any time from and after the Target Registration Date shall be considered a Blackout Period and subject to the limitations therein.

(c) At any time that a Registration Statement is effective and prior to the Registration Termination Date, if a holder of Registrable Securities delivers a notice to the Company (a "Take-Down Notice") stating that it intends to sell at least \$50,000,000 of Registrable Securities held by such holder and its Affiliates, in each case, pursuant to the Registration Statement, then, the Company shall amend or supplement the Registration Statement as may be necessary and to the extent required by law so that the Registration Statement remains Available in order to enable such Registrable Securities to be distributed in an Underwritten Offering (subject to Section 5.02(b)). In connection with any Underwritten Offering of Registrable Securities for which a holder delivers a Take-Down Notice and satisfies the dollar thresholds set forth in first sentence above, and where the Take-Down Notice contemplates reasonable and customary marketing efforts not to exceed twenty-four (24) hours by the Company and the underwriters, the Company will use reasonable efforts to cooperate and make its senior officers available for participation in such marketing efforts (which marketing efforts will not, for the avoidance of doubt, include a "road show" requiring such officers to travel outside of the city in which they are primarily located). The holder of Registrable Securities that delivered the applicable Take-Down Notice shall select the underwriter(s) for each Underwritten Offering; provided that the managing underwriter(s) (if there is only one underwriter, such underwriter shall be deemed to be the managing underwriter) shall be reasonably acceptable to the Company. The Company shall select the counsel for the managing underwriter(s); provided that such counsel shall be reasonably acceptable to the underwriter(s) and the holder of Registrable Securities that delivered the applicable Take-Down Notice. Such holder shall determine the pricing of the Registrable Securities offered pursuant to any such Registration Statement, including the underwriting discount and fees payable by such holder to the underwriters in such Underwritten Offering. Such holder shall reasonably determine the timing of any such registration and sale. Such holder shall determine the applicable underwriting discount and other financial terms, and the holder of the Registrable Securities participating in the Underwritten Offering shall be solely responsible for all such discounts and fees payable to such underwriters in such Underwritten Offering for the Registrable Securities sold by such holders. Without the consent of the applicable holder of Registrable Securities subject to an Underwritten Offering, no Underwritten Offering pursuant to this Agreement shall include any securities other than Registrable Securities.

(d) Notwithstanding anything herein to the contrary, (i) if holders of Registrable Securities engage or propose to engage in a "distribution" (as defined in Regulation M under the Exchange Act) of Registrable Securities, such holders shall discuss the timing of such distribution with the Company reasonably prior to commencing such distribution, and (ii) such distribution must not be for less than \$50,000,000 of Registrable Securities held by such holders.

(e) In connection with a distribution of Registrable Securities in which a holder of Registrable Securities is selling at least \$75,000,000 of Registrable Securities, the Company shall, to the extent requested by managing underwriter(s) of such a distribution, be subject to a restricted period of the same length of time as such holder agrees with the managing underwriter(s) (but not to exceed 90 days) during which the Company may not offer, sell or grant any option to purchase Company Common Stock (in the case of an offering of Company Common Stock or securities convertible or exchangeable for Company Common Stock) and any debt securities (in the case of an offering of debt securities) of the Company, subject to customary carve-outs that include, but are not limited to, (i) issuances pursuant to the Company's employee or director stock plans and issuances of shares upon the exercise of options or other equity awards under such stock plans and (ii) in connection with acquisitions, joint ventures and other strategic transactions.

Section 5.03 Registration Procedures.

(a) In connection with the registration of any Registrable Securities under the Securities Act and in connection with any distribution of Registered Securities pursuant thereto as contemplated by this Agreement (including any sale referred to in any Take-Down Notice), the Company shall as promptly as reasonably practicable, subject to the other provisions of this Agreement:

(i) subject to the provisions of Section 5.01(a), use reasonable efforts to prepare and file with the SEC a Registration Statement to effect such registration in accordance with the intended method or methods of distribution of such securities and thereafter use reasonable efforts to cause such Registration Statement to become and remain effective pursuant to the terms of this Article V; provided, however, that the Company may discontinue any registration of its securities which are not Registrable Securities at any time prior to the effective date of the Registration Statement relating thereto; provided, further, that before filing such registration statement or any amendments or supplements thereto, including any prospectus supplements in connection with a sale referred to in a Take-Down Notice (but excluding amendments and supplements that do nothing more than name Selling Holders (as defined below) and provide information with respect thereto), the Company will furnish to the holders which are including Registrable Securities in such registration ("Selling Holders") and the lead managing underwriter(s), if any, copies of all such documents proposed to be filed, which documents will be subject to the review and reasonable comment (which comments will be considered in good faith by the Company) of the counsel (if any) to such holders and counsel (if any) to such underwriter(s), and other documents reasonably requested by any such counsel, including any comment letters from the SEC, and, if requested by any such counsel, provide such counsel and the lead managing underwriter(s), if any, reasonable opportunity to participate in the preparation of such Registration Statement and each prospectus (including any prospectus supplement) included or deemed included therein and such other opportunities to conduct a customary and reasonable due diligence investigation (in the context of a registered underwritten offering) of the Company, including reasonable access to (including responses to any reasonable inquiries by the lead managing underwriter(s) and their counsel) the Company's books and records, officers, accountants and other advisors, provided that the same is not disruptive to the business of the Company; provided that such persons shall first agree in writing with the Company that any information that is reasonably designated by the Company as confidential at the time of delivery shall be kept confidential by such persons subject to customary exceptions;

(ii) at or before any Registration Statement is declared or otherwise becomes effective, qualify the Indenture under the Trust Indenture Act of 1939, as amended, and appoint a new trustee under the Indenture to the extent such qualification requires the appointment of a new trustee thereunder;

(iii) subject to Section 5.02, prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary and to the extent required by applicable law to keep such Registration Statement effective and Available pursuant to the terms of this 0;

(iv) if requested by the lead managing underwriter(s), promptly include in a prospectus supplement or post-effective amendment such information as the lead managing underwriter(s), if any, and such holders may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such post-effective amendment as soon as reasonably practicable after the Company has received such request; provided, however, that the Company shall not be required to take any actions under this Section 5.03(a)(iv) that are not, in the opinion of counsel for the Company, in compliance with applicable law;

(v) furnish to the Selling Holders and each underwriter, if any, of the securities being sold by such Selling Holders such number of conformed copies of such Registration Statement and of each amendment and supplement thereto, such number of copies of the prospectus and any prospectus supplement contained in or deemed part of such Registration Statement (including each preliminary prospectus supplement) and each free writing prospectus (as defined in Rule 405 of the Securities Act) (a "Free Writing Prospectus") utilized in connection therewith and any other prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such Selling Holders and underwriter(s), if any, may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such Selling Holders;

(vi) use reasonable efforts to cause such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed;

(vii) use reasonable efforts to provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such Registration Statement from and after a date not later than the effective date of such Registration Statement;

(viii) as promptly as practicable notify in writing the holders of Registrable Securities and the underwriters, if any, of the following events: (A) the filing of the Registration Statement, any amendment thereto, the prospectus or any prospectus supplement related thereto or post-effective amendment to such Registration Statement or any Free Writing Prospectus utilized in connection therewith, and, with respect to such Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) any request by the SEC or any other U.S. or state Governmental Entity for amendments or supplements to such Registration Statement or the prospectus, (C) the issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or the initiation of any proceedings by any person for that purpose, (D) the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction or the initiation or threat of any proceeding for such purpose, (E) if at any time the representations and warranties of the Company contained in any agreement (including any underwriting agreement) related to such registration cease to be true and correct in any material respect, and (F) upon the happening of any event that makes any statement made in such Registration Statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in such registration statement, prospectus or documents so that, in the case of such Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, in the case of clause (F), that such notice need not include the nature or details concerning such event;

(ix) use reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Registration Statement, or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction at the earliest reasonable practicable date, except that the Company shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation or as a dealer in securities in any jurisdiction wherein it would not but for the requirements of this clause (ix) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(x) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.;

(xi) prior to any public offering of Registrable Securities, use reasonable efforts to register or qualify or cooperate with the Selling Holders in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the applicable state securities or "blue sky" laws of those jurisdictions within the United States as any holder reasonably requests in writing to keep each such registration or qualification (or exemption therefrom) effective until the Registration Termination Date; provided, that the Company will not be required to (A) qualify generally to do business as a foreign corporation or as a dealer in securities in any jurisdiction wherein it would not but for the requirements of this clause (xi) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(xii) use reasonable efforts to cooperate with the holders to facilitate the timely preparation and delivery of certificates or book-entry securities representing Registrable Securities to be delivered to a transferee pursuant to the Registration Statements, which certificates or book-entry securities shall be free, to the extent permitted by the Indenture and applicable law, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such holders may request in writing; and in connection therewith, if required by the Company's transfer agent, the Company will promptly after the effectiveness of the Registration Statement cause to be delivered to its transfer agent when and as required by such transfer agent from time to time, any authorizations, certificates, directions and other evidence required by the transfer agent which authorize and direct the transfer agent to issue such Registrable Securities without legend upon sale by the holder of such shares of Registrable Securities under the Registration Statement; and

(xiii) agrees with each holder of Registrable Securities that, in connection with any Underwritten Offering or other resale pursuant to the Registration Statement in accordance with the terms hereof, it will use reasonable efforts to negotiate in good faith and execute all customary indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements (in each case on terms reasonably acceptable to the Company), including using reasonable efforts to procure customary legal opinions and auditor "comfort" letters.

(b) The Company may require each Selling Holder and each underwriter, if any, to (i) furnish the Company in writing such information regarding each Selling Holder or underwriter and the distribution of such Registrable Securities as the Company may from time to time reasonably request in writing to complete or amend the information required by such Registration Statement and/or any other documents relating to such registered offering, and (ii) execute and deliver, or cause the execution or delivery of, and to perform under, or cause the performance under, any agreements and instruments reasonably requested by the Company to effectuate such registered offering, including, without limitation, opinions of counsel and questionnaires. If the Company requests that the holders of Registrable Securities take any of the actions referred to in this Section 5.03(b), such holders shall take such action promptly and as soon as practicable following the date of such request.

(c) Each Selling Holder agrees that upon receipt of any notice from the Company of the happening of any event of the kind described in clauses (B), (C), (D), (E) and (F) of Section 5.03(a)(viii), such Selling Holder shall forthwith discontinue such Selling Holder's disposition of Registrable Securities pursuant to the applicable Registration Statement and prospectus relating thereto until such Selling Holder is advised in writing by the Company that the use of the applicable prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such prospectus. The Company shall use reasonable efforts to cure the events described in clauses (B), (C), (D), (E) and (F) of Section 5.03(a)(viii) so that the use of the applicable prospectus may be resumed at the earliest reasonably practicable moment.

Section 5.04 Expenses. The Company shall pay all Registration Expenses in connection with a registration pursuant to this Article V, provided that each holder of Registrable Securities participating in an offering shall pay all applicable underwriting fees, discounts and commissions, agency fees, brokers' commissions and transfer taxes, if any, on the Registrable Securities sold by such holder, and similar charges.

Section 5.05 Registration Indemnification.

(a) The Company agrees, without limitation as to time, to indemnify and hold harmless, to the fullest extent permitted by law, each Selling Holder and its Affiliates and their respective officers, directors, members, shareholders, employees, managers, partners, accountants, attorneys, advisors and agents and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such Selling Holder or such other indemnified Person and the officers, directors, members, shareholders, employees, managers, partners, accountants, attorneys, advisors and agents of each such controlling Person, each underwriter, if any, and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such underwriter (collectively, the "Indemnified Persons"), from and against all losses, claims, damages, liabilities, costs, expenses (including reasonable expenses of investigation and reasonable attorneys' fees and expenses), judgments, fines, penalties, charges and amounts paid in settlement (collectively, the "Losses"), as incurred, arising out of, caused by, resulting from or relating to any untrue statement (or alleged untrue statement) of a material fact contained in any Registration Statement, prospectus or preliminary prospectus or Free Writing Prospectus, in each case related to such Registration Statement, or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (without limitation of the preceding portions of this Section 5.05(a)) will reimburse each such Selling Holder, each of its Affiliates, and each of their respective officers, directors, members, shareholders, employees, managers, partners, accountants, attorneys, advisors and agents and each such Person who controls each such Selling Holder and the officers, directors, members, shareholders, employees, managers, partners, accountants, attorneys, advisors and agents of each such controlling Person, each such underwriter and each such Person who controls any such underwriter, for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability or action, except insofar as the same are caused by any information regarding a holder of Registrable Securities or underwriter furnished in writing to the Company by any such person or any selling holder or underwriter expressly for use therein.

(b) In connection with any Registration Statement in which a Selling Holder is participating, without limitation as to time, each such Selling Holder shall, severally and not jointly, indemnify the Company, its directors and officers, and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) the Company, from and against all Losses, as incurred, arising out of, caused by, resulting from or relating to any untrue statement (or alleged untrue statement) of material fact contained in the Registration Statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (without limitation of the preceding portions of this Section 5.05(b)) will reimburse the Company, its directors and officers and each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability or action, in each case solely to the extent, but only to the extent, that such untrue statement or omission is made in such registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto in reliance upon and in conformity with written information regarding the Selling Holder furnished to the Company by such Selling Holder for inclusion in such registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto.

(c) Any Person entitled to indemnification hereunder shall give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification; provided, however, the failure to give such notice shall not release the indemnifying party from its obligation, except to the extent that the indemnifying party has been actually and materially prejudiced by such failure to provide such notice on a timely basis.

(d) In any case in which any such action is brought against any indemnified party, the indemnified party shall promptly notify in writing the indemnifying party of the commencement thereof, and the indemnifying party will be entitled to participate therein, and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and acknowledging the obligations of the indemnifying party with respect to such proceeding, the indemnifying party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such indemnified party hereunder for any legal or other expense subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation, supervision and monitoring (unless (i) such indemnified party reasonably objects to such assumption on the grounds that there may be defenses available to it which are different from or in addition to the defenses available to such indemnifying party or a conflict of interest otherwise exists or (ii) the indemnifying party shall have failed within a reasonable period of time to assume such defense and the indemnified party is or would reasonably be expected to be materially prejudiced by such delay, in either event the indemnified party shall be promptly reimbursed by the indemnifying party for the expenses incurred in connection with retaining one separate legal counsel (for the avoidance of doubt, for all indemnified parties in connection therewith)). For the avoidance of doubt, notwithstanding any such assumption by an indemnifying party, the indemnified party shall have the right to employ separate counsel in any such matter and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party except as provided in the previous sentence. An indemnifying party shall not be liable for any settlement of an action or claim effected without its consent (which consent shall not be unreasonably withheld, conditioned or delayed). No matter shall be settled by an indemnifying party without the consent of the indemnified party (which consent shall not be unreasonably withheld, conditioned or delayed), unless such settlement (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such claim or proceeding, (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any indemnified party and (z) is settled solely for cash for which the indemnified party would be entitled to indemnification hereunder. The failure of an indemnified party to give notice to an indemnifying party of any action brought against such indemnified party shall not relieve the indemnifying party of its obligations or liabilities pursuant to this Agreement, except to the extent such failure adversely prejudices the indemnifying party.

(e) The indemnification provided for under this Agreement shall survive the sale or other transfer of the Registrable Securities and the termination of this Agreement

(f) If recovery is not available under the foregoing indemnification provisions for any reason or reasons other than as specified therein, any Person who would otherwise be entitled to indemnification by the terms thereof shall nevertheless be entitled to contribution with respect to any Losses with respect to which such Person would be entitled to such indemnification but for such reason or reasons, in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, the Persons' relative knowledge and access to information concerning the matter with respect to which the claim was asserted, the opportunity to correct and prevent any statement or omission, and other equitable considerations appropriate under the circumstances. It is hereby agreed that it would not necessarily be equitable if the amount of such contribution were determined by pro rata or per capita allocation that does not take into account the equitable considerations referred to in the immediately preceding sentence. Notwithstanding any other provision of this Agreement, no holder of Registrable Securities shall be required to contribute, in the aggregate, any amount in excess of its net proceeds from the sale of the Registrable Securities subject to any actions or proceedings over the amount of any damages, indemnity or contribution that such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not found guilty of such fraudulent misrepresentation.

(g) The indemnification and contribution agreements contained in this Section 5.05 are in addition to any liability that the indemnifying party may have to the indemnified party and do not limit other provisions of this Agreement that provide for indemnification.

Section 5.06 Facilitation of Sales Pursuant to Rule 144. For as long as the Purchaser, any of its Affiliates or any Lender for any Permitted Loan Beneficially Owns Notes or any Conversion Shares to the extent it shall be required to do so under the Exchange Act, the Company shall use reasonable efforts to timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144) and submit all required Interactive Data Files (as defined in Rule 11 of Regulation S-T of the Commission), and shall use reasonable efforts to take such further necessary action as any holder of Subject Securities may reasonably request in connection with the removal of any restrictive legend on the Subject Securities being sold, all to the extent required from time to time to enable such holder to sell the Subject Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144.

Section 6.03 Entire Agreement; Third Party Beneficiaries; Amendment. This Agreement, together with the Confidentiality Agreement, sets forth the entire agreement between the parties hereto with respect to the Transactions, and is not intended to and shall not confer upon any person other than the parties hereto, their successors and permitted assigns any rights or remedies hereunder, provided that (i) Section 4.07(f) and Section 4.11 shall be for the benefit of and fully enforceable by the Purchaser Designee, (ii) Section 5.05 shall be for the benefit of and fully enforceable by each of the Indemnified Persons and (iii) Section 6.12 shall be for the benefit of and fully enforceable by each of the Specified Persons. Any provision of this Agreement may be amended or modified in whole or in part at any time by an agreement in writing between the parties hereto executed in the same manner as this Agreement. No failure on the part of any party to exercise, and no delay in exercising, any right shall operate as a waiver thereof nor shall any single or partial exercise by any party of any right preclude any other or future exercise thereof or the exercise of any other right.

Section 6.04 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute any original, but all of which together shall constitute one and the same document. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document will have the same effect as physical delivery of the paper document bearing the original signature.

Section 6.05 Public Announcements. No press release or public announcement related to this Agreement or the transactions contemplated herein shall be issued or made by the Purchaser or any of its Affiliates without the prior written approval of the Company, unless required by law (based on the advice of counsel) in which case the Company shall have the right to review and reasonably comment on such press release, announcement or communication prior to issuance, distribution or publication. Notwithstanding the foregoing (but subject to the terms of the Confidentiality Agreement), the Purchaser and its Affiliates shall not be restricted from communicating with their respective investors and potential investors in connection with marketing, informational or reporting activities; provided that the recipient of such information is subject to a customary obligation to keep such information confidential. The Company may issue or make one or more press releases or public announcements (in which case the Purchaser shall be provided with reasonable advance notice and opportunity and shall have the right to review and reasonably comment on such press release, announcement or communication prior to issuance, distribution or publication) and may file this Agreement with the SEC and may provide information about the subject matter of this Agreement in connection with equity or debt issuances, share repurchases, or marketing, informational or reporting activities.

Section 6.06 Expenses. At or promptly after the Closing, the Company will pay or reimburse the reasonable and documented out-of-pocket fees and expenses incurred by the Purchaser in connection with the due diligence, negotiation and documentation of the Transactions, in an amount not to exceed \$3,900,000. If this Agreement terminates in accordance with Section 2.03 and at such time the Purchaser has not willfully breached any of its obligations under this Agreement, the Company will pay or reimburse the reasonable and documented out-of-pocket fees and expenses incurred by the Purchaser in connection with the due diligence, negotiation and documentation of the Transactions, in an amount not to exceed \$250,000. Any amounts paid or reimbursed by the Company pursuant to the two previous sentences shall constitute "Reimbursed Expenses". In the event of litigation between the Company and the Purchaser relating to this Agreement, upon the issuance of a final non-appealable order by a court of competent jurisdiction, the non-prevailing party will reimburse the prevailing party for the reasonable and documented out-of-pocket costs and expenses (including legal fees and expenses) incurred by it in connection therewith. Except as otherwise expressly provided herein, each party hereto shall bear its own costs and expenses (including attorneys' fees) incurred in connection with this Agreement and the Transactions.

Section 6.07 Successors and Assigns. Except as otherwise expressly provided herein, the provisions hereof shall inure to the benefit of, and be binding upon, the Company's successors and assigns and the Purchaser's successors and assigns, and no other person; provided, the Company may not assign its respective rights or delegate its respective obligations under this Agreement, whether by operation of law or otherwise, and any assignment by the Company in contravention hereof shall be null and void; provided, that (i) any Affiliate of the Purchaser who after the Closing Date executes and delivers a Joinder and is a permitted transferee hereunder of any Notes or Conversion Shares shall be deemed a Purchaser hereunder and have all the rights and obligations of the Purchaser, (ii) if the Company consolidates or merges with or into any Person and the Company Common Stock is, in whole or in part, converted into or exchanged for securities of a different issuer, then, subject to Section 6.14, as a condition to such transaction the Company will cause such issuer to assume all of the Company's rights and obligations under this Agreement in a written instrument delivered to the Purchaser, and (iii) the rights of a holder of Registrable Securities under Article V may be transferred but only together with Subject Securities (x) in a transfer of (1) Notes in an aggregate principal amount of at least \$50,000,000 and (2) Conversion Shares issued or issuable upon conversion of at least \$50,000,000 in aggregate principal amount of Notes or (y) to an Affiliate of the transferor that executes and delivers to the Company a Joinder (subject to Section 4.02(a)). For the avoidance of doubt, no Third Party to whom any of the Notes or Conversion Shares are transferred shall have any rights or obligations under this Agreement except (and then only to the extent of) any rights and obligations under Article V to the extent transferable in accordance with this Section 6.07.

Section 6.08 Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. In addition, each of the parties hereto irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder brought by the other party hereto or its successors or assigns, shall be brought and determined in the Supreme Court of the State of New York, County of New York or the United States Federal District Court sitting for the Southern District of New York. Each of the parties hereto hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the parties hereto hereby irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 6.08(a), (ii) any claim that it or its property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) to the fullest extent permitted by the applicable law, any claim that (A) the suit, action or proceeding in such court is brought in an inconvenient forum, (B) the venue of such suit, action or proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. Each of the parties hereby agrees that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 6.02 shall be effective service of process for any suit or proceeding in connection with this Agreement or the transactions contemplated hereby.

(b) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS CONTAINED IN THIS SECTION 6.08.

Section 6.09 Severability. If any provision of this Agreement is determined to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect provided that the economic and legal substance of, any of the Transactions is not affected in any manner materially adverse to any party. In the event of any such determination, the parties agree to negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intent and purpose hereof. To the extent permitted by law, the parties hereby to the same extent waive any provision of law that renders any provision hereof prohibited or unenforceable in any respect.

Section 6.10 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each party agrees that in the event of any breach or threatened breach by any other party of any covenant or obligation contained in this Agreement, the non-breaching party shall be entitled (in addition to any other remedy that may be available to it, whether in law or equity) to obtain (i) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and (ii) an injunction restraining such breach or threatened breach. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11 Headings. The headings of Articles and Sections contained in this Agreement are for reference purposes only and are not part of this Agreement.

Section 6.12 Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against the entities that are expressly named as parties hereto and their respective successors and assigns (including any Person that executes and delivers a Joinder). Except as set forth in the immediately preceding sentence, no past, present or future director, officer, employee, incorporator, member, partners, stockholder, Affiliate, agent, attorney, advisor or representative of any party hereto (collectively, the "Specified Persons") shall have any liability for any obligations or liabilities of any party hereto under this Agreement or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby.

Section 6.13 Actions of Purchaser. ARTICLE 2 THE SECURITIES

Section 2.01. *Form and Dating.* The Securities and the Trustee's certificate of authentication shall be substantially in the form set forth in Exhibit A, which is incorporated in and forms a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage; *provided* that such notations, legends or endorsements are in a form acceptable to the Company. Each Security shall be dated the date of its authentication.

So long as the Securities, or portion thereof, are eligible for book-entry settlement with the Depository, unless otherwise required by law, subject to Section 2.15, such Securities may be represented by one or more Securities in global form registered in the name of the Depository or the nominee of the Depository (each, a "**Global Security**"). The transfer and exchange of beneficial interests in any such Global Securities shall be effected through the Depository in accordance with this Indenture and the Applicable Procedures. Except as provided in Section 2.15, beneficial owners of a Global Security shall not be entitled to have certificates registered in their names, will not receive or be entitled to receive Physical Securities and such beneficial owners will not be considered Holders of such Global Security.

Any Global Securities shall represent such of the outstanding Securities as shall be specified therein and shall provide that it shall represent the aggregate amount of outstanding Securities from time to time endorsed thereon and that the aggregate amount of outstanding Securities represented thereby may from time to time be increased or reduced to reflect issuances, repurchases, conversions, transfers or exchanges permitted hereby. Any endorsement of a Global Security to reflect the amount of any increase or decrease in the amount of outstanding Securities represented thereby shall be made by the Trustee or the custodian for the Global Security, at the written direction of the Trustee, in such manner and upon instructions given by the Holder of such Securities in accordance with this Indenture. Payment of principal of, and interest on, any Global Securities (including the Fundamental Change Repurchase Price or Redemption Price, if applicable) shall be made to the Depository in immediately available funds.

Section 2.02. *Execution and Authentication.* One duly authorized Officer shall sign the Securities for the Company by manual or facsimile signature.

A Security's validity shall not be affected by the failure of an Officer whose signature is on such Security to hold, at the time the Security is authenticated, the same office at the Company.

A Security shall not be valid until duly authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

Upon a Company Order, the Trustee shall authenticate Securities for original issue in the aggregate principal amount of \$210,000,000. The aggregate principal amount of Securities outstanding at any time may not exceed \$210,000,000, subject to the immediately succeeding paragraph and except for Securities authenticated and delivered in lieu of lost, destroyed or wrongfully taken Securities pursuant to Section 2.07.

The Company may not, without the consent of Holders of 100% in aggregate principal amount of the outstanding Securities, increase the aggregate principal amount of Securities by issuing additional Securities in the future (except for Securities authenticated and delivered upon registration of transfer or exchange for or in lieu of other Securities pursuant to Section 2.06, Section 2.07, Section 2.10, Section 2.15, Section 2.16, Section 2.17, Section 3.01(h), Section 10.02(h) and Section 13.06).

Upon a Company Order, the Trustee shall authenticate Securities, including Securities not bearing the Security Private Placement Legend, to be issued to the transferees when sold pursuant to an effective registration statement under the Securities Act as set forth in Section 2.16(b) or when not otherwise required under this Indenture to bear the Security Private Placement Legend.

The Trustee shall act as the initial authenticating agent. Thereafter, the Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such authenticating agent. An authenticating agent so appointed has the same rights as a Securities Agent to deal with the Company and its Affiliates.

If a Company Order pursuant to this Section 2.02 has been, or simultaneously is, delivered, then any instructions by the Company to the Trustee with respect to endorsement, delivery or redelivery of a Security that is a Global Security shall be in writing and be required to be accompanied by an Opinion of Counsel and an Officer's Certificate in compliance with Section 14.03 and shall not be required to be accompanied by an Opinion of Counsel. The Securities shall be issuable only in registered form without interest coupons and only in minimum denominations of \$100,000 principal amount and any \$1,000 integral multiple thereof.

Section 2.03. *Registrar, Paying Agent and Conversion Agent.* The Company shall maintain, or shall cause to be maintained, (i) an office or agency where Securities may be presented for registration of transfer or for exchange ("**Registrar**"), (ii) an office or agency where Securities may be presented for payment ("**Paying Agent**") and (iii) an office or agency where Securities may be presented for conversion ("**Conversion Agent**"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint or change one or more co-registrars, one or more additional paying agents and one or more additional conversion agents, subject to providing written notification to the Trustee of any such new registrar, paying agent or conversion agent, and may act in any such capacity on its own behalf. The term "**Registrar**" includes any co-registrar; the term "**Paying Agent**" includes any additional paying agent; and the term "**Conversion Agent**" includes any additional conversion agent.

The Company shall use reasonable best efforts to enter into an appropriate agency agreement with any Securities Agent not a party to this Indenture, if any. Such agency agreement, if any, shall implement the provisions of this Indenture that relate to such Securities Agent. The Company shall notify the Trustee in writing of the name and address of any Securities Agent not a party to this Indenture. If the Company fails to maintain an entity other than the Trustee as Registrar, Paying Agent or Conversion Agent, the Trustee shall act as such.

The Company initially appoints the Trustee as Paying Agent, Registrar and Conversion Agent.

Section 2.04. *Paying Agent to Hold Money in Trust.* Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all moneys held by the Paying Agent for the payment of the Securities, and shall notify the Trustee in writing of any Default by the Company in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds so paid by it. Upon payment over to the Trustee, the Paying Agent shall have no further liability for such money. If the Company acts as Paying Agent, it shall segregate and hold as a separate trust fund all money held by it as Paying Agent; *provided* that the Company may not act as Paying Agent upon the occurrence and continuance of an Event of Default.

Section 2.05. *Holder Lists.* The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with Section 312(a) of the TIA. If the Trustee is not the Registrar, the Company shall furnish, or shall cause to be furnished, to the Trustee before each Interest Payment Date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders appearing in the security register of the Registrar and the Company shall otherwise comply with Section 312(a) of the TIA.

Section 2.06. *Transfer and Exchange.* Subject to Section 2.15 and Section 2.16, where Securities are presented to the Registrar with a request to register their transfer or to exchange them for an equal principal amount of Securities of other authorized denominations, the Registrar shall register the transfer or make the exchange if its requirements under this Indenture for such transaction are met. To permit registrations of transfer and exchanges, the Trustee shall authenticate Securities at the Registrar's request or upon the Trustee's receipt of a Company Order therefor. The Company, the Registrar or the Trustee, as the case may be, shall not be required to register the transfer of or exchange any Security for which a Repurchase Notice or notice of redemption pursuant to Article 11 has been delivered, and not withdrawn, in accordance with this Indenture, except if the Company has defaulted in the payment of the Fundamental Change Repurchase Price or the Redemption Price with respect to such Security or to the extent that a portion of such Security is not subject to such Repurchase Notice or notice of redemption.

No service charge shall be made for any transfer, exchange or conversion of Securities, but the Company and the Trustee may require payment of a sum sufficient to cover any documentary, stamp, issue or transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or conversion of Securities, other than exchanges pursuant to Section 2.07, Section 2.10, Section 3.01, Section 9.04 or Section 10.02, in each case, not involving any transfer.

Section 2.07. *Replacement Securities.* If the Holder of a Security claims that the Security has been mutilated, lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate, at the Holder's expense, a replacement Security upon surrender to the Trustee of the mutilated Security, or upon delivery to the Trustee of evidence of the loss, destruction or theft of the Security satisfactory to the Trustee and the Company. In the case of a lost, destroyed or wrongfully taken Security, if required by the Trustee or the Company, indemnity (including in the form of a bond) must be provided by the Holder that is reasonably satisfactory to the Trustee and the Company to indemnify and hold harmless the Company, the Trustee or any Securities Agent from any loss that any of them may suffer if such Security is replaced.

In case any such mutilated, lost, destroyed or wrongfully taken Security has become due and payable, the Company in its discretion may, instead of issuing a new Security, pay the amounts due in respect of such Security as provided hereunder.

Every replacement Security is an additional obligation of the Company only as provided in Section 2.08.

Section 2.08. *Outstanding Securities.* Securities outstanding at any time are all the Securities authenticated by the Trustee except for those converted, those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Except to the extent provided in Section 2.09, a Security does not cease to be outstanding because the Company or one of its Subsidiaries or Affiliates holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it, or a court holds, that the replaced Security is held by a protected purchaser.

If the Paying Agent (in the case of a Paying Agent other than the Company) holds as of 11:00 a.m. New York City time on a Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, money sufficient to pay the aggregate Fundamental Change Repurchase Price, Redemption Price or principal amount (plus accrued and unpaid interest, if any), as the case may be, with respect to all Securities to be repurchased or paid on such Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, as the case may be, in each case, payable as herein provided on such Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, then (unless there shall be a Default in the payment of such aggregate Fundamental Change Repurchase Price, Redemption Price, principal amount, or of such accrued and unpaid interest), except as otherwise provided herein, on and after such date such Securities shall be deemed to be no longer outstanding, interest on such Securities shall cease to accrue, and such Securities shall be deemed to be paid whether or not such Securities are delivered to the Paying Agent. Thereafter, all rights of the Holders of such Securities shall terminate with respect to such Securities, other than the right to receive the Fundamental Change Repurchase Price, Redemption Price or principal amount, as the case may be, plus, if applicable, such accrued and unpaid interest in accordance with this Indenture.

If a Security is converted in accordance with Article 10 then, from and after the time of such conversion on the Conversion Date (except in the case of Cash Settlement of a conversion of a Purchaser Security, then, from and after the time of Cash Settlement of such conversion of a Purchaser Security in respect of the Specified Dollar Amount for such conversion in accordance with Section 10.02), such Security shall cease to be outstanding, and interest, if any, shall cease to accrue on such Security unless there shall be a Default in the payment or delivery of the consideration payable and/or deliverable hereunder upon such conversion (except that any such Security will remain outstanding solely for the purpose of receiving any interest or other amounts due following such conversion as set forth in this Indenture).

Section 2.09. *Securities Held by the Company or an Affiliate.* In determining whether the Holders of the required aggregate principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Company or any of its Subsidiaries or Affiliates shall be considered as though not outstanding, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be considered to be outstanding for purposes of this Section 2.09 if the pledgee establishes, to the satisfaction of the Trustee, the pledgee's right so to concur with respect to such Securities and that the pledgee is not, and is not acting at the direction or on behalf of, the Company, any other obligor on the Securities, an Affiliate of the Company or an Affiliate of any such other obligor. In case of a dispute as to whether the pledgee has established the foregoing, any decision by the Trustee taken upon the advice of counsel shall provide full protection to the Trustee. The Company shall furnish to the Trustee an Officers' Certificate listing and identifying all Securities, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Securities not listed therein are outstanding for the purpose of any such determination. Notwithstanding Section 316(a)(1) of the TIA or anything herein to the contrary, to the fullest extent permitted by law, no Purchaser Securities shall be deemed to be owned by the Company or any of its Subsidiaries or Affiliates for purposes of this Indenture, the Securities and any direction, waiver or consent with respect thereto.

Section 2.10. *Temporary Securities.* Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall, upon receipt of a Company Order therefor, authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee, upon receipt of a Company Order therefor, shall authenticate definitive Securities in exchange for temporary Securities. Until so exchanged, each temporary Security shall in all respects be entitled to the same benefits under this Indenture as definitive Securities, and such temporary Security shall be exchangeable for definitive Securities in accordance with the terms of this Indenture.

Section 2.11. *Cancellation.* The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar, Paying Agent and Conversion Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange, payment or conversion. The Trustee shall promptly cancel all Securities surrendered for transfer, exchange, payment, conversion or cancellation in accordance with its customary procedures. The Company may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation or that any Holder has converted pursuant to Article 10. All cancelled Securities held by the Trustee shall be disposed of in accordance with its customary procedure for the disposal of cancelled securities and, at the Company's request, certification of such disposal shall be delivered by the Trustee to the Company.

Section 2.12. *Defaulted Interest.* If, and to the extent, the Company defaults in a payment of interest on the Securities, the Company shall pay in cash the defaulted interest in any lawful manner plus, to the extent not prohibited by applicable statute or case law, interest on such defaulted interest at the rate borne by such Securities plus 6% per annum. The Company may pay the defaulted interest (plus interest on such defaulted interest) to the Persons who are Holders on a subsequent special record date. The Company shall fix such special record date and payment date. At least fifteen (15) calendar days before the special record date, the Company shall send to Holders a notice that states the special record date, payment date and amount of interest to be paid. Upon the due payment in full, interest shall no longer accrue on such defaulted interest pursuant to this Section 2.12.

Section 2.13. *CUSIP Numbers.* The Company in issuing the Securities may use one or more "CUSIP" numbers, and, if so, the Trustee shall use the CUSIP numbers in notices as a convenience to Holders; *provided, however*, that no representation is hereby deemed to be made by the Trustee as to the correctness or accuracy of the CUSIP numbers printed on the notice or on the Securities; and *provided further* that reliance may be placed only on the other identification numbers printed on the Securities, and the effectiveness of any such notice shall not be affected by any defect in, or omission of, such CUSIP numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP numbers.

On the Issue Date, the Securities shall initially bear the CUSIP and ISIN numbers set forth in the following sentence. The CUSIP and ISIN numbers for the Purchaser Global Securities that are Restricted Global Securities shall be U66987 AB1 and USU66987AB16, respectively; the CUSIP and ISIN numbers for the Purchaser Global Securities that are Unrestricted Global Securities shall be 67018T AF2 and US67018TAF21, respectively; the CUSIP and ISIN numbers for Restricted Global Securities other than Purchaser Global Securities shall be U66987 AA3 and USU66987AA33, respectively; and the CUSIP and ISIN numbers for Unrestricted Global Securities other than Purchaser Global Securities shall be 67018T AC9 and US67018TAC99, respectively.

Section 2.14. *Deposit of Moneys.* Prior to 11:00 a.m., New York City time, on each Interest Payment Date, the Maturity Date, any Fundamental Change Repurchase Date, date of Cash Settlement of a conversion in accordance with Article 10 or Redemption Date, the Company shall deposit with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust in accordance with Section 2.04) money, in funds immediately available on such date, sufficient to make cash payments, if any, due on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be, in a timely manner which permits the Paying Agent to remit payment to the Holders on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be. If any Interest Payment Date, the Maturity Date, any Fundamental Change Repurchase Date, date of Cash Settlement of a conversion in accordance with Article 10 or Redemption Date falls on a date that is not a Business Day, the payment due on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be, shall be postponed until the next succeeding Business Day, and no interest or other amount shall accrue as a result of such postponement.

Section 2.15. Book-Entry Provisions for Global Securities

(a) Global Securities initially shall (i) be registered in the name of the Depository, its successors or their respective nominees, (ii) be delivered to the Trustee as custodian for the Depository, its successors or their respective nominees, as the case may be, and (iii) bear the legends such Global Securities are required to bear under Section 2.17.

Members of, or participants in, the Depository ("**Participants**") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository (or its nominee) may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever; *provided, however*, that each Purchaser Global Security shall be subject to the rights under Section 9.02 and Section 10.02(a)(v) of the beneficial owners of such Purchaser Global Security. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee, any Securities Agent or any of their respective agents from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and Participants, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b) Except as otherwise set forth in this Section 2.15 or Section 2.16, transfers of Global Securities shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. In addition, one or more Physical Securities shall be transferred to each owner of a beneficial interest in a Global Security, as identified by the Depository, in exchange for its beneficial interest in the Global Securities if (i) the Depository notifies the Company that the Depository is unwilling or unable to continue as depository for any Global Security, or the Depository ceases to be a "clearing agency" registered under Section 17A of the Exchange Act, and, in either case, a successor Depository is not appointed by the Company within ninety (90) days of such notice or cessation or (ii) an Event of Default has occurred and is continuing and the Registrar has received a written request from the beneficial owner (via the Depository) of the relevant Securities to issue Physical Securities. For the avoidance of doubt, if any event described in clause (i) of the immediately preceding sentence occurs, any owner of a beneficial interest in any Global Security will be entitled to receive one or more Physical Securities in exchange for its beneficial interest or interests in the Global Securities, and if any event described in clause (ii) of the immediately preceding sentence occurs, only the beneficial owner that has made a written request to the Registrar (via the Depository) will be entitled to receive one or more Physical Securities in exchange for its beneficial interest or interests in the Global Securities. The Company may also exchange beneficial interests in a Global Security for one or more Physical Securities registered in the name of the owner of beneficial interests if the Company and the owner of such beneficial interests agree to so exchange.

(c) The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as, to the extent applicable, the other provisions of this Section 2.15(c) that follow:

- (i) *Transfer of Beneficial Interests in the Same Global Security.* Beneficial interests in any Restricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security (or a Restricted Global Security with the same CUSIP number) in accordance with the transfer restrictions set forth in the Security Private Placement Legend. Beneficial interests in any Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this clause (i).
- (ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Securities.* In connection with all transfers and exchanges of a beneficial interest in a Global Security that are not addressed by Section 2.15(c)(i), there must be delivered (A) such instruction or order from a Participant or an Indirect Participant to the Depository, as may be required by the Applicable Procedures, directing the Depository to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Security contained in this Indenture, the Trustee shall adjust the principal amount of the Global Securities pursuant to Section 2.15(d).
- (iii) *Transfer and Exchange of Beneficial Interests in a Restricted Global Security for Beneficial Interests in an Unrestricted Global Security.* A beneficial interest in any Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of this Section 2.15(c) and the Registrar receives the following:
- (A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder substantially in the form of Exhibit E; or
 - (B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form of Exhibit D;

and, in each such case set forth in this clause (iii), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that no registration under the Securities Act is required in connection with such exchange or transfer of beneficial interests to the relevant Person or in connection with any re-sales of the beneficial interests in the Unrestricted Global Security that are beneficially owned by such Person on the date of such opinion.

Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(iv) *Transfer and Exchange of Beneficial Interests in one Restricted Global Security for Beneficial Interests in another Restricted Global Security.* A beneficial interest in any Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in a Restricted Global Security with a different CUSIP or different legends or transferred to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Security with a different CUSIP or different legends if the exchange or transfer complies with the requirements of this Section 2.15(c) and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in a Restricted Global Security with a different CUSIP or different legends, a certificate from such Holder substantially in the form of Exhibit E; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in a Restricted Global Security with a different CUSIP or different legends, a certificate from such holder in the form of Exhibit D.

Notwithstanding the foregoing or anything to the contrary provided herein, a holder of a beneficial interest in a Security that is not a Purchaser Security may not exchange or transfer such beneficial interest for a beneficial interest in a Purchaser Security.

(d) At such time as all beneficial interests in a particular Global Security have been exchanged for Physical Securities or a particular Global Security has been repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Physical Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(e) In connection with the transfer of a Global Security in its entirety to beneficial owners pursuant to Section 2.15(b), such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall upon written instructions from the Company authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Physical Securities of authorized denominations.

(f) Any Physical Security delivered in exchange for an interest in a Global Security pursuant to Section 2.15(b), shall bear the same legend(s), if any, from Exhibit B-1A that are borne by the relevant Global Security, except to the extent the requirements of Section 2.15(c)(iii) or Section 2.15(c)(iv) are satisfied with respect to the removal or addition of any legend, *mutatis mutandis* for the fact that a Physical Security is being issued rather than a beneficial interest in a Global Security.

(g) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(h) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on the transfer of any interest in any Securities imposed under this Indenture or under applicable law (including any transfers between or among Participants or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(i) Neither the Trustee nor any Securities Agent shall have any responsibility for any actions taken or not taken by the Depository.

(j) No service charge shall be made to or by a holder of a beneficial interest in a Global Security or to or by a Holder of a Physical Security for any registration of transfer or exchange.

(k) All Global Securities and Physical Securities issued upon any registration of transfer or exchange of Global Securities or Physical Securities shall evidence the same debt of the Company and entitled to the same benefits under this Indenture, as the Global Securities or Physical Securities surrendered upon such registration of transfer or exchange.

(l) Prior to due presentment for the registration of a transfer of any Security, the Trustee and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and, subject to Section 2.09, for all other purposes, and neither of the Trustee or the Company shall be affected by notice to the contrary.

(m) Upon surrender for registration of transfer of any Security at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more replacement Securities of any authorized denomination or denominations of a like aggregate principal amount.

(n) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Securities to be exchanged at such office or agency. Whenever any Global Securities or Physical Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and send, the replacement Global Securities and Physical Securities which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02.

(o) Neither the Trustee nor any Securities Agent shall have any responsibility or obligation to any beneficial owner of an interest in the Global Securities, an agent member of, or a participant in, the Depository or other person with respect to the accuracy of the records of the Depository or its nominees or of any Participant or member thereof, with respect to any ownership interest in the Global Securities or with respect to the delivery to any Participant, agent member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. The rights of beneficial owners in any Global Securities shall be exercised only through the Depository, subject to its applicable rules and procedures. The Trustee and each agent may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its agent members, Participants and any beneficial owners.

Section 2.16. *Special Transfer Provisions.* (a) Notwithstanding any other provisions of this Indenture, but except as provided in Section 2.15(b), a Global Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(b) Upon the transfer, exchange or replacement of Securities not bearing the Security Private Placement Legend, unless the Company notifies the Trustee in writing otherwise, the Trustee shall deliver Securities that do not bear the Security Private Placement Legend. Upon the transfer, exchange or replacement of Securities bearing the Security Private Placement Legend, the Trustee shall deliver only Securities that bear the Security Private Placement Legend unless (i) the requested transfer, exchange or replacement is after the Resale Restriction Termination Date, (ii) there is delivered to the Trustee and the Company an Opinion of Counsel reasonably satisfactory to the Company and addressed to the Company to the effect that no registration under the Securities Act is required in connection with such transfer, exchange or replacement of such Securities in connection with any re-sales of such Securities on the date of such opinion or (iii) such Security has been sold pursuant to an effective registration statement under the Securities Act and the Holder selling such Securities has delivered to the Registrar a notice in the form of Exhibit C hereto.

(c) By its acceptance of any Security or any Common Stock bearing the Security Private Placement Legend or the Common Stock Private Placement Legend, each holder thereof acknowledges the restrictions on transfer of such security set forth in this Indenture and in the Security Private Placement Legend or Common Stock Private Placement Legend, as applicable, and agrees that it will transfer such security only as provided in this Indenture and as permitted by applicable law.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.15 or this Section 2.16 in accordance with its customary document retention policies. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

- (d) The Company may, to the extent permitted by law, purchase the Securities in the open market or by tender offer at any price or by private agreement without giving prior notice to Holders. The Company may, at its option, surrender to the Trustee for cancellation any Securities the Company purchases in this manner. Securities surrendered to the Trustee for cancellation may not be reissued or resold and shall be promptly cancelled pursuant to Section 2.11.

Section 2.17. *Restrictive Legends.*

- (a) Each Global Security and Physical Security that constitutes a Restricted Security shall bear the legend (the "**Security Private Placement Legend**") as set forth in Exhibit B-1A on the face thereof until the date such Securities no longer constitute Restricted Securities as reasonably determined by the Company in good faith and evidenced by an Officers' Certificate (such date, the "**Resale Restriction Termination Date**").

No transfer of any Security prior to the Resale Restriction Termination Date will be registered by the Registrar unless the applicable box on the Form of Assignment has been checked.

Any Security (or security issued in exchange or substitution therefor) as to which such restrictions on transfer shall have expired in accordance with their terms may, upon surrender of such Security for exchange to the Trustee in accordance with the provisions of this Article 2, be exchanged for a new Security or Securities, of like tenor and aggregate principal amount, which shall not bear the Security Private Placement Legend required by this Section 2.17(a) and shall not be assigned a restricted CUSIP number. In addition, on or after the Resale Restriction Termination Date, upon the request of any Holder and upon surrender of its Security for exchange, the Company shall exchange a Physical Security with the Security Private Placement Legend for a Physical Security without Security Private Placement Legend so long as the Holder covenants to the Company that it will offer, sell, pledge or otherwise transfer such Security in compliance with the Securities Act. The Company shall be entitled to instruct the Trustee in writing to cancel any Global Security as to which such restrictions on transfer shall have expired in accordance with their terms for exchange, and, upon such instruction, the Trustee shall provide evidence of cancellation of such Global Security; and any new Global Security exchanged therefor shall not bear the Security Private Placement Legend specified in this Section 2.17(a) and shall not be assigned a restricted CUSIP number. The Company shall promptly notify the Trustee in writing upon the occurrence of the Resale Restriction Termination Date and promptly after a registration statement, if any, with respect to the Securities or any Common Stock issued upon conversion of the Securities has been declared effective under the Securities Act.

- (b) Until the Resale Restriction Termination Date, any stock certificate representing Common Stock issued upon conversion of such Security, if any, shall, if such shares constitute Restricted Securities at their time of issuance, bear the legend (the "**Common Stock Private Placement Legend**") as set forth in Exhibit B-1B unless such Common Stock have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or have been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company in writing.
- (c) Each Global Security shall also bear the legend as set forth in Exhibit B-2.

ARTICLE 3
REPURCHASE

Section 3.01. *Repurchase at Option of Holder Upon a Fundamental Change.* (a) If a Fundamental Change occurs at any time prior to the Maturity Date, each Holder of Securities shall have the right (the "**Fundamental Change Repurchase Right**"), at such Holder's option, to require the Company to repurchase (a "**Repurchase Upon Fundamental Change**") all of such Holder's Securities (or any portion thereof that is equal to \$1,000 in principal amount or an integral multiples of \$1,000 in excess thereof), on a date selected by the Company (the "**Fundamental Change Repurchase Date**"), which shall be no later than thirty five (35) Business Days, and no earlier than twenty (20) Business Days (or as such period may be extended pursuant to Section 3.01(j)), after the date the Fundamental Change Notice is sent in accordance with Section 3.01(b), at a price, payable in cash, equal to one hundred and eight percent (108%) of the principal amount of the Securities (or portion thereof) to be so repurchased, plus accrued and unpaid interest, if any, to, but excluding, the Fundamental Change Repurchase Date (the "**Fundamental Change Repurchase Price**"), subject to satisfaction of the following conditions:

- (i) delivery to the Company (if it is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice, no later than the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, of a Repurchase Notice, in the form set forth in the Securities or any other form of written notice substantially similar thereto, in each case, duly completed and signed, with appropriate signature guarantee, stating:
- (A) the certificate number(s) of the Securities that the Holder will deliver to be repurchased, if such Securities are Physical Securities;
- (B) the principal amount of Securities to be repurchased, which must be \$1,000 or an integral multiple thereof;
- and

(C) that such principal amount of Securities are to be repurchased pursuant to the terms and conditions specified in this Section 3.01; and

(ii) delivery to the Company (if it is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice, at any time after the delivery of such Repurchase Notice, of such Securities (together with all necessary endorsements) with respect to which the Fundamental Change Repurchase Right is being exercised, if such Securities are Physical Securities, or book-entry transfer of the Securities, if the Securities are Global Securities, in compliance with the Applicable Procedures;

provided, however, that if such Fundamental Change Repurchase Date is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, then the full amount of accrued and unpaid interest, if any, to, but excluding, such Interest Payment Date shall be paid on such Interest Payment Date to the Holder of record of such Securities at the Close of Business on such Record Date (without any surrender of such Securities by such Holder), and the Fundamental Change Repurchase Price shall not include any accrued but unpaid interest.

If such Securities are held in book-entry form through the Depository, the delivery of any Securities, Repurchase Notice, Fundamental Change Notice or notice of withdrawal pursuant to the second immediately succeeding paragraph shall comply with the Applicable Procedures.

Notwithstanding anything herein to the contrary, any Holder that has delivered the Repurchase Notice contemplated by this Section 3.01(a) to the Company (if it is acting as its own Paying Agent) or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice shall have the right to withdraw such Repurchase Notice by delivery, at any time prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date (or, if there shall be a Default in the payment of the Fundamental Change Repurchase, at any time during which such Default is continuing), of a written notice of withdrawal to the Company (if acting as its own Paying Agent) or the Paying Agent, which notice shall be delivered in accordance with, and contain the information specified in, Section 3.01(b)(x).

The Paying Agent shall promptly notify the Company of the receipt by it of any Repurchase Notice or written notice of withdrawal thereof.

(b) On or before the 20th Business Day after the consummation of a Fundamental Change, the Company shall send, or cause to be sent, to all Holders of the Securities in accordance with Section 14.01 a notice (the "**Fundamental Change Notice**") of the occurrence of such Fundamental Change and the Fundamental Change Repurchase Right arising as a result thereof. The Company shall deliver a copy of the Fundamental Change Notice to the Trustee at the time such notice is delivered to the Holders. Each Fundamental Change Notice shall state:

(i) the events causing the Fundamental Change;

- (ii) the date of the Fundamental Change;
- (iii) the Fundamental Change Repurchase Date;
- (iv) the last date on which the Fundamental Change Repurchase Right may be exercised, which shall be the Business Day immediately preceding the Fundamental Change Repurchase Date;
- (v) the Fundamental Change Repurchase Price;
- (vi) the names and addresses of the Paying Agent and the Conversion Agent;
- (vii) the procedures that a Holder must follow to exercise the Fundamental Change Repurchase Right;
- (viii) that the Fundamental Change Repurchase Price for any Security as to which a Repurchase Notice has been given and not withdrawn will be paid no later than the later of such Fundamental Change Repurchase Date and the time of book-entry transfer or delivery of the Security (together with all necessary endorsements);
- (ix) that, except as otherwise provided herein with respect to a Fundamental Change Repurchase Date that is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, on and after such Fundamental Change Repurchase Date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), interest on Securities subject to Repurchase Upon Fundamental Change will cease to accrue, and all rights of the Holders of such Securities shall terminate, other than the right to receive, in accordance herewith, the Fundamental Change Repurchase Price;
- (x) that a Holder will be entitled to withdraw its election in the Repurchase Notice prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, or such longer period as may be required by law, delivered in the same manner as the related Repurchase Notice was delivered and setting forth the name of such Holder, a statement that such Holder is withdrawing its election to have Securities purchased by the Company on such Fundamental Change Repurchase Date pursuant to a Repurchase Upon Fundamental Change, the certificate number(s) of such Securities to be so withdrawn (if such Securities are Physical Securities) the principal amount of the Securities of such Holder to be so withdrawn, which amount must be \$1,000 or an integral multiple thereof and the principal amount, if any, of the Securities of such Holder that remain subject to the Repurchase Notice delivered by such Holder in accordance with this Section 3.01, which amount must be \$1,000 or an integral multiple thereof; *provided, however*, that if there shall be a Default in the payment of the Fundamental Change Repurchase Price, a Holder shall be entitled to withdraw its election in the Repurchase Notice at any time during which such Default is continuing;

- (xi) the Conversion Rate and any adjustments to the Conversion Rate that will result from such Fundamental Change;
- (xii) that Securities with respect to which a Repurchase Notice is given by a Holder may be converted pursuant to Article 10 only if such Repurchase Notice has been withdrawn in accordance with this Section 3.01 or the Company defaults in the payment of the Fundamental Change Repurchase Price; and
- (xiii) the CUSIP number or numbers, as the case may be, of the Securities.

At the Company's request, upon prior notice reasonably acceptable to the Trustee, the Trustee shall send such Fundamental Change Notice in the Company's name and at the Company's expense; *provided, however*, that the form and content of such Fundamental Change Notice shall be prepared by the Company.

No failure of the Company to give a Fundamental Change Notice shall limit any Holder's right pursuant hereto to exercise a Fundamental Change Repurchase Right.

- (c) Subject to the provisions of this Section 3.01, the Company shall pay, or cause to be paid, the Fundamental Change Repurchase Price with respect to each Security as to which the Fundamental Change Repurchase Right shall have been exercised to the Holder thereof no later than the later of the Fundamental Change Repurchase Date and the time of book-entry transfer or when such Security is surrendered to the Paying Agent together with any necessary endorsements.
- (d) The Company shall, in accordance with Section 2.14, deposit with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust in accordance with Section 2.04) money, in funds immediately available on the Fundamental Change Repurchase Date, sufficient to pay the Fundamental Change Repurchase Price upon Repurchase Upon Fundamental Change for all of the Securities that are to be repurchased by the Company on such Fundamental Change Repurchase Date pursuant to a Repurchase Upon Fundamental Change. The Paying Agent shall, promptly after delivering the Fundamental Change Repurchase Price to Holders entitled thereto and upon written demand by the Company, return to the Company as soon as practicable, any money in excess of the Fundamental Change Repurchase Price.
- (e) Once the Fundamental Change Notice and the Repurchase Notice have been duly given in accordance with this Section 3.01, the Securities to be repurchased pursuant to a Repurchase Upon Fundamental Change shall, on the Fundamental Change Repurchase Date, become due and payable in accordance herewith, and, on and after such date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), except as otherwise provided herein with respect to a Fundamental Change Repurchase Date that is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, such Securities shall cease to bear interest (whether or not book-entry transfer of the Securities has been made or the Securities have been delivered to the Paying Agent), and all rights of the relevant Holders of such Securities shall terminate, other than the right to receive, in accordance herewith, such consideration and any other applicable rights under those sections set forth in the proviso in Section 8.01.
- (f) Securities with respect to which a Repurchase Notice has been duly delivered in accordance with this Section 3.01 may be converted pursuant to Article 10 only if such Repurchase Notice has been withdrawn in accordance with this Section 3.01 or the Company defaults in the payment of the Fundamental Change Repurchase Price.

- (g) If any Security shall not be paid on the Fundamental Change Repurchase Date upon book-entry transfer or surrender thereof for Repurchase Upon Fundamental Change, the principal of, and accrued and unpaid interest on, such Security shall, until paid, bear interest, payable in cash, at the rate borne by such Security plus 6% per annum, and such Security shall be convertible pursuant to Article 10 if any Repurchase Notice with respect to such Security is withdrawn pursuant to this Section 3.01.
- (h) Any Security that is to be submitted for Repurchase Upon Fundamental Change only in part shall be delivered pursuant to this Section 3.01 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing, with a notarization or medallion guarantee), and the Company shall promptly execute, and the Trustee shall promptly authenticate and make available for delivery to the Holder of such Security without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder, of the same tenor and in aggregate principal amount equal to the portion of such Security not duly submitted for Repurchase Upon Fundamental Change.
- (i) Notwithstanding anything herein to the contrary, except in the case of an acceleration resulting from a Default relating to the payment of the Fundamental Change Repurchase Price, there shall be no purchase of any Securities pursuant to this Section 3.01 on any date if, on such date, the principal amount of the Securities shall have been accelerated in accordance with this Indenture and such acceleration shall not have been rescinded on or prior to such date in accordance with this Indenture. The Paying Agent will promptly return to the respective Holders thereof any Securities held by it during the continuance of such an acceleration.
- (j) In connection with any Repurchase Upon Fundamental Change, the Company shall, to the extent required (i) comply with the provisions of Rule 13e-4, Rule 14e-1, Regulation 14E under the Exchange Act, and with all other applicable laws; (ii) file a Schedule TO or any other schedules required under the Exchange Act or any other applicable laws; and (iii) otherwise comply with all applicable United States federal and state securities laws in connection with any offer by the Company to repurchase the Securities; *provided* that any time period specified in this Article 3 shall be extended to the extent necessary for such compliance.

ARTICLE 4
COVENANTS

Section 4.01. *Payment of Securities.* The Company shall pay all amounts and make deliveries of securities due with respect to the Securities on the dates and in the manner provided in the Securities and this Indenture. All such amounts shall be considered paid on the date due if the Paying Agent holds (or, if the Company is acting as Paying Agent, the Company has segregated and holds in trust in accordance with Section 2.04) on that date money sufficient to pay the amount then due with respect to the Securities. The Company will pay, in money of the United States that at the time of payment is legal tender for payment of public and private debts, all amounts due in cash with respect to the Securities, which amounts shall be paid (a) in the case of a Global Security, by wire transfer of immediately available funds to the account designated by the Depository or its nominee; and (b) in the case of a Physical Security, by wire transfer of immediately available funds to the account as specified in writing to the Paying Agent by such Holder or, if such Holder does not specify an account, by mailing a check to the address of such Holder set forth in the register of the Registrar. With respect to principal payments, presentation and surrender of Securities is required prior to final payment.

The Company shall pay, in cash, interest on any overdue amount (including, but not limited to unpaid principal, interest, repurchase amounts and Settlement Amounts, and to the extent permitted by applicable law, overdue interest) at the rate borne by the Securities plus 6% per annum.

Section 4.02. *Maintenance of Office or Agency.* The Company will maintain, or cause to be maintained, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or exchange, payment or conversion. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain, or fail to cause to be maintained, any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the Corporate Trust Office of the Trustee.

The Company will maintain, or cause to be maintained, an office or agency where notices and demands to or upon the Company in respect of the Securities and this Indenture (other than the type contemplated by Section 14.09(c)) may be served, provided that such office or agency may instead be at the principal office of the Company located in the United States (and, notwithstanding the final sentence of this Section 4.02, shall initially be at such office until the Company notifies the Trustee otherwise).

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Corporate Trust Office of the Trustee as an agency of the Company in accordance with Section 2.03.

Section 4.03. *Annual Reports.* (a) The Company shall provide to the Trustee a copy of each report the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act no later than the date 15 Business Days after such report is required to be filed with the SEC pursuant to the Exchange Act (after giving effect to any grace period provided by Rule 12b-25 under the Exchange Act); *provided, however*, that each such report will be deemed to be so provided to the Trustee if the Company files such report with the SEC through the SEC's EDGAR database no later than the time such report is required to be filed with the SEC pursuant to the Exchange Act (taking into account any applicable grace periods provided thereunder). To the extent the TIA then applies to this Indenture, the Company shall comply with TIA §314(a). In addition, while the Securities remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Company will, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, furnish to holders of the Securities and prospective investors, upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

- (b) Delivery of such reports, information and documents to the Trustee pursuant to this Section 4.03 is for informational purposes only, and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officers' Certificates).
- (c) The Trustee shall have no obligation or duty to determine or monitor whether the Company has delivered reports in accordance with this Section 4.03.

Section 4.04. *Compliance Certificate.* The Company shall deliver to the Trustee, within one hundred and twenty (120) calendar days after the end of each fiscal year of the Company, commencing with the fiscal year ending December 31, 2016, a certificate from the principal executive, financial or accounting officer of the Company stating that such officer has conducted or supervised a review of the activities of the Company and its performance of obligations under this Indenture and the Securities and that, based upon such review, no Default or Event of Default exists hereunder or thereunder or, if a Default or Event of Default then exists, specifying such event, status and the remedial action proposed to be taken by the Company with respect to such Default or Event of Default.

Section 4.05. *Stay, Extension and Usury Laws.* The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture or the Securities; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.06. *Notice of Default.* Within 30 days of the Company's becoming aware of the occurrence of any Default or Event of Default, the Company shall give written notice to the Trustee of such Default or Event of Default, and any remedial action proposed to be taken.

ARTICLE 5
SUCCESSORS

Section 5.01. *When Company May Merge, Etc.* Subject to Section 5.02, the Company shall not consolidate with, or merge with or into, or sell, transfer, lease, convey or otherwise dispose of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole, to another Person (other than one or more Subsidiaries of the Company (it being understood that this Article 5 shall not apply to a sale, transfer, lease, conveyance or other disposition of property or assets between or among the Company and its Subsidiaries)), whether in a single transaction or series of related transactions, unless (i)(x) the Company is the continuing Person or (y) such other Person is organized and existing under the laws of the United States of America, any state of the United States of America or the District of Columbia, and such other Person assumes by supplemental indenture all of the obligations of the Company under the Securities and this Indenture and (ii) immediately after giving effect to such transaction or series of transactions, no Default or Event of Default shall have occurred and be continuing under this Indenture.

For purposes of this Section 5.01, the sale, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of one or more Subsidiaries of the Company to another Person other than the Company or one or more other Subsidiaries of the Company, which properties or assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the consolidated properties or assets of the Company and its Subsidiaries, taken as a whole, shall be deemed to be the sale, transfer, lease, conveyance or other disposition of all or substantially all of the consolidated properties or assets of the Company and its Subsidiaries, taken as a whole, to another Person.

The Company shall deliver to the Trustee substantially concurrently with or prior to the consummation of the proposed transaction an Officers' Certificate and an Opinion of Counsel (which may rely upon such Officers' Certificate as to the absence of Defaults and Events of Default and other statements of fact) stating that the proposed transaction and, if required, such supplemental indenture (if any) will, upon consummation of the proposed transaction, comply with the applicable provisions of this Indenture.

Section 5.02. *Successor Substituted.* In case of any such consolidation, merger or any sale, transfer, lease, conveyance or other disposition of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and accrued and unpaid interest on all of the Securities, the due and punctual payment of the Fundamental Change Repurchase Price with respect to all Securities repurchased on each Fundamental Change Repurchase Date, the due and punctual payment of the Redemption Price due on a Redemption Date, the due and punctual delivery or payment, as the case may be, of any consideration due upon conversion of the Securities and the due and punctual performance of all of the covenants and conditions of this Indenture and the Securities to be performed by the Company, such successor Person shall succeed to and be substituted for the Company, with the same effect as if it had been named herein as the party of the first part. Such successor Person thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Securities that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Securities that such successor Person thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof. In the event of any such consolidation, merger or any sale, transfer, conveyance or other disposition (but not in the case of a lease), upon compliance with this Article 5, the Person named as the "Company" in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 5, except in the case of a lease, shall be released from its liabilities as obligor and maker of the Securities and its obligations under this Indenture shall terminate.

In case of any such consolidation, merger or any sale, transfer, lease, conveyance or other disposition, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01. *Events of Default*. An "**Event of Default**" occurs if:

- (b) the Company fails to pay an installment of interest on any Security when due, if the failure continues for twenty (20) days after the date when due;

- (d) the Company fails to (i) comply with its obligations under Article 5 or (ii) issue a Fundamental Change Notice in accordance with Section 3.01(b) when due.
- (e) the Company fails to comply with any other term, covenant or agreement set forth in the Securities or this Indenture and such failure continues for the period, and after the notice, specified in the last paragraph of this Section 6.01;

- (f) the Company fails to make any payment at maturity, including any applicable grace period, on any indebtedness of the Company (other than indebtedness of the Company owing to any of its subsidiaries) outstanding in an amount in excess of \$150,000,000 and continuance of this failure to pay or (ii) there is a default on any indebtedness of the Company (other than indebtedness owing to any of its Subsidiaries), which default results in the acceleration of such indebtedness in an amount in excess of \$150,000,000 without such indebtedness having been discharged or the acceleration having been cured, waived, rescinded or annulled, in the case of clause (i) or (ii) above, for a period of 30 days after written notice thereof to the Company by the Trustee or to the Company and the Trustee by Holders of not less than 25% in principal amount of outstanding Securities, provided, however, that if any failure, default or acceleration referred to in clause (i) or (ii) above ceases or is cured, waived, rescinded or annulled, then the Event of Default will be deemed cured;
- (g) the Company, pursuant to, or within the meaning of, any Bankruptcy Law, insolvency law, or other similar law now or hereafter in effect or otherwise, either:
- (i) commences a voluntary case,
 - (ii) consents to the entry of an order for relief against it in an involuntary case,
 - (iii) consents to the appointment of a Bankruptcy Custodian of it or for all or substantially all of its property, or
 - (iv) makes a general assignment for the benefit of its creditors; or
- (h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (i) is for relief against the Company in an involuntary case or proceeding with respect to the Company, or adjudicates the Company insolvent or bankrupt,
 - (ii) appoints a Bankruptcy Custodian of the Company for all or substantially all of the consolidated property of the Company, as the case may be, or
 - (iii) orders the winding up or liquidation of the Company,

and, in the case of each of the foregoing clauses (i), (ii) and (iii) of this Section 6.01(h), the order or decree remains unstayed and in effect for at least sixty (60) consecutive days.

A Default under clause (e) above shall not be an Event of Default until (A) the Trustee notifies the Company in writing, or the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding notify the Company and the Trustee in writing, of the Default and (B) the Default is not cured within thirty (30) days after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." If the Holders of at least twenty five percent (25%) in aggregate principal amount of the outstanding Securities request the Trustee to give such notice on their behalf, the Trustee shall do so. When a Default is cured, it ceases to exist for all purposes under this Indenture.

Section 6.02. *Acceleration.* (a) Subject to Section 6.02(b), if applicable, if an Event of Default (excluding an Event of Default specified in Section 6.01(g) or Section 6.01(h)) has occurred and is continuing, either the Trustee, by written notice to the Company, or the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding, by written notice to the Company and the Trustee, may declare 100% of the principal of, and accrued and unpaid interest on, all the Securities to be immediately due and payable in full. Upon such declaration, the principal of, and any accrued and unpaid interest on, all Securities shall be due and payable immediately. If an Event of Default specified in Section 6.01(g) or Section 6.01(h) occurs, 100% of the principal of, and accrued and unpaid interest on, all the Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in aggregate principal amount of the Securities then outstanding by written notice to the Trustee may rescind or annul an acceleration and its consequences if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default, except the nonpayment of principal or interest that has become due solely because of the acceleration, have been cured or waived (or are waived concurrently with such rescission or annulment) and (iii) all amounts due to the Trustee under Section 7.06 have been paid. Upon any such rescission or annulment, the Events of Default that were the subject of such acceleration shall cease to exist and deemed to have been cured for every purpose.

- (b) Notwithstanding the foregoing, for the first 360 days immediately following an Event of Default relating to failure to comply with Section 4.03(a) or for any failure to comply with the requirements of Section 314(a)(1) of the TIA (at any time such section is applicable to the Indenture, if any) (which will be the 31st day after written notice is provided to the Company of the Default pursuant to the last paragraph of Section 6.01, unless such failure is cured or waived prior to such 31st day), the sole remedy for any such Event of Default shall, at the Company's election, be the accrual of Additional Interest on the Securities at a rate per year equal to 6% per annum and, if such Event of Default has not been cured or waived prior to such 361st day, the payment of the principal of the Securities may be accelerated by the Holders or the Trustee as provided above.

In order to elect to pay Additional Interest as sole remedy during the first 360 days after the occurrence of any Event of Default relating to the failure to comply with the obligations under Section 4.03(a) or for any failure to comply with the requirements of Section 314(a)(1) of the TIA (at any time such section is applicable to this Indenture, if any), the Company shall notify all Holders and the Trustee and the Paying Agent of such election in writing prior to the Close of Business on the date that is one Business Day following the date on which such Event of Default occurs (which will be the 31st day after written notice is provided to the Company of the Default pursuant to the last paragraph of Section 6.01, unless such failure is cured or waived prior to such 31st day). If the Company fails to give timely notice of such election, the Securities will be immediately subject to Section 6.02(a).

In the event the Company does not elect to pay Additional Interest upon such Event of Default in accordance with this Section 6.02(b), the Securities will be subject to Section 6.02(a). This Section 6.02(b) does not affect the rights of Holders if any other Event of Default occurs under this Indenture.

Additional Interest shall be payable at the same time, in the same manner and to the same Persons as ordinary interest.

- (c) If the Company is required to pay Additional Interest to Holders, the Company shall provide a direction or order in the form of a written notice to the Trustee (and if the Trustee is not the Paying Agent, to the Paying Agent) of the Company's obligation to pay such Additional Interest no later than three Business Days prior to the date on which any such Additional Interest is scheduled to be paid. Such notice shall set forth the amount of Additional Interest to be paid by the Company on such payment date and direct the Trustee (or, if the Trustee is not the Paying Agent, to the Paying Agent) to make payment to the extent it receives funds from the Company to do so. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine whether the Additional Interest is payable, or with respect to the nature, extent or calculation of the amount of the Additional Interest owed, or with respect to the method employed in such calculation of the Additional Interest.

Section 6.03. *Other Remedies.* Notwithstanding any other provision of this Indenture, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of amounts due with respect to the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Securities, and it shall not be necessary to make any Holders of the Securities parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant hereto or any rescission and annulment pursuant hereto or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.04. *Waiver of Past Defaults.* Subject to Section 6.07 and Section 9.02, the Holders of a majority in aggregate principal amount of the Securities then outstanding may on behalf of all Holders of Securities, by written notice to the Trustee, waive any past Default or Event of Default and its consequences, other than a Default or Event of Default (a) in the payment of the principal of, or interest on, any Security, or in the payment of the Fundamental Change Repurchase Price or the Redemption Price, as the case may be, (b) arising from a failure by the Company to convert any Securities in accordance with this Indenture or (c) in respect of any provision of this Indenture or the Securities which, under Section 9.02, cannot be modified or amended without the consent of the Holder of each outstanding Security affected, if:

- (i) all existing Defaults or Events of Default, other than the nonpayment of the principal of and interest on the Securities that have become due solely by the declaration of acceleration, have been cured or waived; and
- (ii) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

When a Default or an Event of Default is waived, it is cured and ceases to exist for all purposes under this Indenture, but no such waiver will extend to any subsequent or other Default or Event of Default or impair any rights of Holders or the Trustee related thereto.

Section 6.05. *Control by Majority.* The Holders of a majority in aggregate principal amount of the Securities then outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it with respect to the Securities. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability unless the Trustee is offered indemnity satisfactory to it; *provided* that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

Section 6.06. *Limitation on Suits.* Except with respect to any proceeding instituted in accordance with Section 6.07, a Holder shall not have any right to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver or a trustee, or for any other remedy under this Indenture unless:

- (a) such Holder previously shall have given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding shall have made a written request to the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;
- (c) such Holder or Holders shall have offered and if requested, provided to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense to or of the Trustee in connection with pursuing such remedy; and
- (d) the Trustee shall have failed to comply with the request for sixty (60) days after receipt of such notice, request and offer of indemnity, and during such sixty (60) day period, the Holders of a majority in aggregate principal amount of the Securities then outstanding have not given the Trustee a direction that is inconsistent with the request;

provided, that so long as the Purchaser is the sole Beneficial Owner (as defined in the Investment Agreement) of the Purchaser Security, clauses (b) through (d) of this Section 6.06 shall not apply.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders). A Holder shall not have the right to enforce any right under this Indenture except in the manner herein.

Section 6.07. *Rights of Holders to Receive Payment and to Convert Securities.* Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of all amounts (including any principal, interest or the Fundamental Change Repurchase Price or the Redemption Price) due with respect to the Securities, on or after the respective due dates as provided herein, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder.

In addition, notwithstanding any other provision of this Indenture, the right of any Holder to convert a Security in accordance with this Indenture, or to bring suit for the enforcement of such right, shall not be impaired or affected without the consent of the Holder.

Section 6.08. *Collection Suit by Trustee.* If an Event of Default specified in Section 6.01(a) or Section 6.01(b) has occurred and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount due with respect to the Securities, including any unpaid and accrued interest.

Section 6.09. *Trustee May File Proofs of Claim.* The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee, any predecessor Trustee and the Holders allowed in any judicial proceedings relative to the Company or its creditors or properties.

The Trustee may collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. *Priorities.* If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

- First: to the Trustee for amounts due under Section 7.06;
- Second: to Holders for all amounts due and unpaid on the Securities, without preference or priority of any kind, according to the amounts due and payable on the Securities; and
- Third: the balance, if any, to the Company.

The Trustee, upon prior written notice to the Company, may fix a record date and payment date for any payment by it to Holders pursuant to this Section 6.10. At least fifteen (15) days before each such record date, the Trustee shall send to each Holder and the Company a written notice that states such record date and payment date and the amount of such payment.

Section 6.11. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit other than the Trustee of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by a Holder or group of Holders of more than ten percent (10%) in aggregate principal amount of the outstanding Securities.

ARTICLE 7 TRUSTEE

Section 7.01. *Duties of Trustee.* (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

- (b) Except during the continuance of an Event of Default:
 - (i) the Trustee need perform only those duties that are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
 - (i) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
 - (ii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to the provisions of this Section 7.01.
- (e) The Trustee shall not be liable for interest on or the investment of any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

Section 7.02. *Rights of Trustee.* (a) The Trustee may conclusively rely on any document believed by it in good faith to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document; if, however, the Trustee shall determine to make such further inquiry or investigation, it shall be entitled during normal business hours to examine the relevant books, records and premises of the Company, personally or by agent or attorney upon reasonable prior notice, at the sole cost of the Company, and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.
- (c) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Order, and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution.
- (d) The Trustee may consult with counsel of its own selection, and the advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.
- (e) The Trustee may act through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

- (f) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its discretion, rights or powers conferred upon it by this Indenture; *provided* that the Trustee's action does not constitute willful misconduct or negligence.
- (g) The Trustee shall be under no obligation to exercise any of the rights or powers vested by this Indenture at the request or demand of any of the Holders pursuant to this Indenture unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or demand.
- (h) The rights, privileges, protections, immunities and benefits given to the Trustee, including without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Securities Agent, agent, custodian and other Person employed to act hereunder.
- (i) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.
- (j) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee or any Securities Agent be liable under or in connection with this Indenture and the Securities for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee or such Securities Agent has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.
- (l) No bond or surety shall be required of the Trustee with respect to performance of the Trustee's duties and powers hereunder;
- (m) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by this Indenture or the Note.
- (n) Any discretion, permissive right, or privilege of the Trustee hereunder shall not be deemed to be or otherwise construed as a duty or obligation of the Trustee hereunder.

Section 7.03. *Individual Rights of Trustee.* The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or any of its Affiliates with the same rights the Trustee would have if it were not Trustee. Any Securities Agent may do the same with like rights. The Trustee, however, must comply with Section 7.09.

Section 7.04. *Trustee's Disclaimer.* The Trustee makes no representation as to the validity or adequacy of this Indenture or the Securities; the Trustee shall not be accountable for the Company's use of the proceeds from the Securities; and the Trustee shall not be responsible for any statement in the Securities other than its certificate of authentication.

Section 7.05. *Notice of Defaults.* If a Default or Event of Default occurs and is continuing as to which the Trustee has received written notice, then the Trustee shall send to each Holder a notice of the Default or Event of Default within thirty (30) days after receipt of such notice, as applicable, unless such Default or Event of Default has been cured or waived; *provided, however,* that, except in the case of a Default or Event of Default in payment or delivery of any amounts due (including principal, interest, the Fundamental Change Repurchase Price, the Redemption Price or the consideration due upon conversion) with respect to any Security, the Trustee may withhold such notice if, and so long as it in good faith determines that, withholding such notice is in the best interests of Holders.

Section 7.06. *Compensation and Indemnity.* The Company shall pay to the Trustee from time to time such compensation for its services hereunder as shall be mutually agreed upon in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it pursuant to, and in accordance with, any provision hereof, except for any such expenses as shall have been caused by the Trustee's own negligence, bad faith or willful misconduct. Such expenses shall include the reasonable compensation and out-of-pocket expenses of the Trustee's agents and counsel. The Trustee shall provide the Company with reasonable notice of any expense not in the ordinary course of business.

The Company shall indemnify each of the Trustee, each predecessor Trustee and their respective agents for, and hold each of them harmless against, any and all loss, liability, damage, claim, cost or expense (including the reasonable fees and expenses of counsel and taxes other than those based upon the income of the Trustee) incurred by it in connection with the acceptance or administration of this trust, the performance of its duties and/or the exercise of its rights hereunder, or in connection with enforcing the provisions of this Section 7.06, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers and duties hereunder. The Company need not pay for any settlement made without its consent. The Trustee shall notify the Company promptly of any claim for which it may seek indemnification; *provided* that failure to give such notice shall not relieve the Company of its obligations under this Section 7.06. The Company need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee through the Trustee's own negligence, bad faith or willful misconduct.

To secure the Company's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay amounts due on particular Securities.

The indemnity obligations of the Company with respect to the Trustee provided for in this Section 7.06 shall survive any resignation or removal of the Trustee and any termination of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(g) or Section 6.01(h) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07. *Replacement of Trustee.* A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

The Trustee may resign by so notifying the Company in writing thirty (30) days prior to such resignation. The Holders of a majority in aggregate principal amount of the Securities then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing and may appoint a successor Trustee with the Company's consent. The Company may remove the Trustee on thirty (30) days written notice if:

- (a) the Trustee fails to comply with Section 7.09;
- (b) the Trustee is adjudged a bankrupt or an insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee.

If a successor Trustee does not take office within thirty (30) days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.09, the Company or any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06.

Section 7.08. *Successor Trustee by Merger, Etc.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee, if such successor corporation is otherwise eligible hereunder.

Section 7.09. *Eligibility; Disqualification.* There shall at all times be a Trustee hereunder that (i) is an entity organized and doing business under the laws of the United States of America or of any state thereof or the District of Columbia, (ii) is subject to supervision or examination by federal or state authorities and (iii) has a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition.

Section 7.10. *Preferential Collection of Claims Against Company.* To the extent the TIA then applies to the Indenture, the Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). To the extent the TIA then applies to the Indenture, a Trustee who has resigned or been removed shall be subject to §311(a) to the extent indicated.

Section 7.11. *Reports by Trustee to Holders.* Within 60 days after each May 15, beginning with May 15, 2016, the Trustee shall send to all Holders of the Securities, as their names and addresses appear on the register kept by the Registrar, a brief report dated as of such anniversary date, in accordance with, and to the extent required under, TIA § 313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also send all reports as required by TIA § 313(c). A copy of each report at the time of its delivery to the Holders of Securities shall be delivered to the Company and each stock exchange on which the Securities are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee in writing when the Securities are listed on any stock exchange or any delisting thereof.

ARTICLE 8 DISCHARGE OF INDENTURE

Section 8.01. *Termination of the Obligations of the Company.* This Indenture shall cease to be of further effect, and the Trustee shall execute instruments acknowledging satisfaction and discharge of this Indenture, if (a) either (i) all outstanding Securities (other than Securities replaced pursuant to Section 2.07) have been delivered to the Trustee for cancellation or (ii) all outstanding Securities have become due and payable at their scheduled maturity, upon conversion or Repurchase Upon Fundamental Change, or redemption, and in either case the Company irrevocably deposits, prior to the applicable due date, with the Trustee or the Paying Agent (if the Paying Agent is not the Company or any of its Affiliates) cash (or, in the case of conversion, delivers to the Holders in accordance with Article 10 cash, Common Stock (and cash in lieu of any fractional shares) or a combination thereof, as applicable, solely to satisfy the Company's Conversion Obligation) sufficient to satisfy all obligations due and owing on all outstanding Securities (other than Securities replaced pursuant to Section 2.07) on the Maturity Date, the relevant settlement date of any conversion, the Fundamental Change Repurchase Date or Redemption Date, as the case may be; (b) the Company pays to the Trustee all other sums payable hereunder by the Company; and (c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for herein relating to the satisfaction and discharge of this Indenture have been complied with; *provided, however*, that Section 2.03, Section 2.04, Section 2.05, Section 2.08, Section 7.06, Section 7.07, Section 7.08, Section 7.09, Section 14.09 and Section 14.14, and this Article 8 shall survive any discharge of this Indenture until such time as all payments in respect of the Securities have been paid in full and there are no Securities outstanding; *provided further, however*, that Section 7.06 shall also survive after the Securities are paid in full and there are no Securities outstanding.

Section 8.02. *Application of Trust Money.* The Trustee shall hold in trust all money deposited with it pursuant to Section 8.01 and shall apply such deposited money through the Paying Agent and in accordance with this Indenture to the payment of amounts due on the Securities.

Section 8.03. *Repayment to Company.*

Subject to applicable escheatment laws, the Trustee and the Paying Agent shall promptly notify the Company of, and pay to the Company upon the written request of the Company, any excess money held by them at any time. The Trustee or the Paying Agent, as the case may be, shall provide written notice to the Company of any money that has been held by it and has, for a period of two (2) years, remained unclaimed for the payment of the principal of, or any accrued and unpaid interest on, the Securities. Subject to the requirements of applicable law, the Trustee and the Paying Agent shall pay to the Company upon the written request of the Company any money held by them for the payment of the principal of, or any accrued and unpaid interest on, the Securities that remains unclaimed for two (2) years. After payment to the Company, Holders entitled to the money must look to the Company for payment as general creditors, subject to applicable law, and all liability of the Trustee and the Paying Agent with respect to such money and payment shall, subject to applicable law, cease.

Section 8.04. *Reinstatement.* If any money, Common Stock or other consideration cannot be applied in accordance with Section 8.01 and Section 8.02 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Company under this Indenture and the Securities shall be revived and reinstated as though no deposit or delivery had occurred pursuant to Section 8.01 and Section 8.02 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.01 and Section 8.02; *provided, however,* that if the Company has made any payment of amounts due with respect to any Securities because of the reinstatement of its obligations, then the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money, Common Stock or other consideration held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS

Section 9.01. *Without Consent of Holders.* The Company may amend or supplement this Indenture or the Securities without notice to or the consent of any Holder:

- (a) to comply with Section 5.01 or Section 10.11;
- (b) to secure the obligations of the Company in respect of the Securities or add guarantees with respect to the Securities;
- (c) to evidence and provide for the appointment of a successor Trustee in accordance with Section 7.07;
- (d) to comply with the provisions of any securities depository, including DTC, clearing agency, clearing corporation or clearing system, or the requirements of the Trustee or the Registrar, relating to transfers and exchanges of any applicable Securities pursuant to this Indenture;
- (e) to add to the covenants or Events of Default of the Company described in this Indenture for the benefit of Holders or to surrender any right or power conferred upon the Company;
- (f) to make provision with respect to adjustments to the Conversion Rate as required by this Indenture or to increase the Conversion Rate in accordance with this Indenture;
- (g) subject to Section 10.02(a)(v) (the amendment of which shall require consent of the Holders), to irrevocably elect or eliminate one or more Settlement Methods and/or irrevocably elect a minimum Specified Dollar Amount;
- (h) to make any change that does not adversely affect the rights of any Holder;
- (i) to permit the conversion of the Securities into Reference Property in accordance with Section 10.11; or
- (j) to comply with the requirement of the SEC in order to effect or maintain the qualification of this Indenture and any supplemental indenture under the TIA.

In addition, the Company and the Trustee may enter into a supplemental indenture without the consent of Holders of the Securities to cure any ambiguity, defect, omission or inconsistency in this Indenture in a manner that does not adversely affect the rights of any Holder.

Any supplemental indenture authorized by the provisions of this Section 9.01 may be executed by the Company and the Trustee without the consent of the Holders of any of the Securities at the time outstanding, notwithstanding any of the provisions of Section 9.02.

Section 9.02. *With Consent of Holders.* The Company may amend or supplement this Indenture or the Securities with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (including, without limitation, consents obtained from Holders in connection with a purchase of, or tender or exchange offer for, Securities). Subject to Section 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the outstanding Securities may, by written notice to the Trustee, waive by consent (including, without limitation, consents obtained from Holders in connection with a purchase of, or tender or exchange offer for, Securities) compliance by the Company with any provision of this Indenture or the Securities without notice to any other Holder. Notwithstanding the foregoing or anything herein to the contrary, without the consent of the Holder of each outstanding Security affected, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not:

- (a) change the stated maturity of the principal of, or the payment date of any installment of interest on, any Security;
- (b) reduce the principal amount of any Security, or any interest on, any Security or alter or waive the provisions with respect to the redemption of such Security;
- (c) change the place or currency of payment of principal of, or any interest on, any Security;
- (d) impair the right of any Holder to receive any payment on, or with respect to, or any delivery or payment due upon the conversion of, any Security or impair the right to institute suit for the enforcement of any delivery or payment on, or with respect to, or due upon the conversion of, any Security;
- (e) modify, in a manner adverse to Holders, the obligation of the Company pursuant to Section 3.01 to repurchase Securities upon the occurrence of a Fundamental Change;
- (f) adversely affect the right of Holders to convert Securities in accordance with Article 10;
- (g) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a modification to or amendment of any provision of this Indenture or the Securities; or
- (h) modify the provisions of Article 9 that require each Holder's consent or the waiver provisions of Section 6.04 with respect to modification and waiver (including waiver of a Default or an Event of Default), except to increase the percentage required for modification or waiver or to provide for the consent of each affected Holder.

Notwithstanding anything herein to the contrary, so long as any Purchaser Securities are outstanding, the consent of the Holders of 100% of the aggregate principal amount of the outstanding Purchaser Securities shall be required for any amendment, supplement or waiver (including a waiver pursuant to Section 6.04) that adversely affects rights unique to the Purchaser Securities pursuant to the definition of "Observation Period", Section 2.08, Section 6.06, this Section 9.02, Section 10.02 or Section 11.03.

Promptly after an amendment, supplement or waiver under Section 9.01 or this Section 9.02 becomes effective, the Company shall send, or cause to be sent, to Holders a notice briefly describing such amendment, supplement or waiver. Any failure of the Company to send such notice shall not in any way impair or affect the validity of such amendment, supplement or waiver.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

Section 9.03. *Revocation and Effect of Consents.* Until an amendment, supplement or waiver becomes effective (or until such earlier date as specified by the Company in connection with the solicitation of such consent), a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to its Security or portion of a Security if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective (or such earlier date specified by the Company in connection with the solicitation of such consent).

After an amendment, supplement or waiver becomes effective with respect to the Securities, it shall bind every Holder unless such amendment, supplement or waiver makes a change that requires, pursuant to Section 9.02, the consent of each Holder affected. In that case, the amendment, supplement or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security. Any amendment to this Indenture or the Securities shall be set forth in a supplemental indenture to this Indenture that complies with the TIA as then in effect, if the TIA is applicable to this Indenture.

Nothing in this Section 9.03 shall impair the Company's rights pursuant to Section 9.01 to amend this Indenture or the Securities without the consent of any Holder in the manner set forth in, and permitted by, such Section 9.01.

Section 9.04. *Notation on or Exchange of Securities.* If an amendment, supplement or waiver changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security as directed and prepared by the Company about the changed terms and return it to the Holder. Alternatively, if the Company so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms.

Section 9.05. *Trustee Protected.* The Trustee shall sign any amendment, supplemental indenture or waiver authorized pursuant to this Article 9; *provided, however,* that the Trustee need not sign any amendment, supplement or waiver authorized pursuant to this Article 9 that adversely affects the Trustee's rights, duties, liabilities or immunities. The Trustee shall receive and conclusively rely upon an Opinion of Counsel as to legal matters and an Officers' Certificate as to factual matters that any supplemental indenture, amendment or waiver is permitted or authorized pursuant to this Indenture and constitutes the legal, valid and binding obligation of the Company enforceable in accordance with its terms (subject to customary exceptions).

Section 9.06. *Effect of Supplemental Indentures.* Upon the due execution and delivery of any supplemental indenture in accordance with this Article 9, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes, and, except as set forth in Section 9.02 and Section 9.03, every Holder of Securities shall be bound thereby.

ARTICLE 10
CONVERSION

Section 10.01. *Conversion Privilege.* (a) Subject to the limitations of Section 10.02, and Section 10.11, and upon compliance with the provisions of this Article 10, each Holder of a Security shall have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is \$1,000 principal amount or a multiple thereof) of such Security at any time beginning six (6) calendar months following the Issue Date and prior to the Close of Business on the Scheduled Trading Day immediately preceding the Maturity Date, in each case, at the then applicable Conversion Rate per \$1,000 principal amount of Securities (subject to the settlement provisions of Section 10.02, the "**Conversion Obligation**").

- (b) To convert its Security, a Holder of a Physical Security must (i) complete and manually sign the Conversion Notice, with appropriate notarization or signature guarantee, or facsimile of the Conversion Notice and deliver the completed Conversion Notice or facsimile thereof to the Conversion Agent, (ii) surrender the Security to the Conversion Agent, (iii) furnish appropriate endorsements and transfer documents if required by the Registrar or Conversion Agent, (iv) pay all transfer or similar taxes if required pursuant to Section 10.04 and (v) pay funds equal to interest payable on the next Interest Payment Date if so required by Section 10.02(d). If a Holder holds a beneficial interest in a Global Security, to convert such Security, the Holder must comply with clauses (iv) and (v) above and the Depository's procedures for converting a beneficial interest in a Global Security.
- (c) A Holder may convert a portion of the principal amount of a Security if such portion is \$1,000 principal amount or an integral multiple of \$1,000 principal amount in excess thereof. Provisions of this Indenture that apply to conversion of all of a Security also apply to conversion of a portion of such Security.

Section 10.02. *Conversion Procedure and Payment Upon Conversion.*

- (a) Subject to this Section 10.02 and Section 10.11, upon conversion of any Security, the Company shall pay or deliver, as the case may be, to the converting Holder, in respect of each \$1,000 principal amount of Securities being converted, cash ("**Cash Settlement**"), Common Stock, together with cash, if applicable, in lieu of delivering any fractional shares of Common Stock in accordance with Section 10.03 ("**Physical Settlement**") or a combination of cash and Common Stock, together with cash, if applicable, in lieu of delivering any fractional shares of Common Stock in accordance with Section 10.03 ("**Combination Settlement**"), at its election, as set forth in this Section 10.02.
 - (i) All conversions for which the relevant Conversion Date occurs on or after the 22nd Scheduled Trading Day immediately prior to the Maturity Date shall be settled using the same Settlement Method.

- (ii) Except for any conversions described in the immediately preceding clause (i), the Company shall use the same Settlement Method for all conversions of Securities occurring on the same Conversion Date, but the Company shall not have any obligation to use the same Settlement Method with respect to conversions that occur on different Conversion Dates.
- (iii) If, in respect of any Conversion Date (or for all conversions in any period), the Company elects to deliver a notice (the "**Settlement Notice**") of the relevant Settlement Method in respect of such Conversion Date (or such period, as the case may be), the Company, through the Trustee, shall deliver such Settlement Notice to converting Holders no later than the Close of Business on the Trading Day immediately following the relevant Conversion Date to which such Settlement Notice applies (or, in the case of any conversions occurring on or after the 22nd Scheduled Trading Day immediately prior to the Maturity Date, no later than the 22nd Scheduled Trading Day immediately prior to the Maturity Date). If the Company does not elect a Settlement Method prior to the deadline set forth in the immediately preceding sentence for a Conversion Date, the Company shall no longer have the right to elect Cash Settlement or Physical Settlement with respect to conversions on such Conversion Date and the Company shall be deemed to have elected Combination Settlement in respect of its Conversion Obligation on such Conversion Date, and the Specified Dollar Amount per \$1,000 principal amount of Securities shall be equal to \$1,000. Such Settlement Notice shall specify the relevant Settlement Method and in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per \$1,000 principal amount of Securities. If the Company delivers a Settlement Notice electing Combination Settlement in respect of its Conversion Obligation but does not indicate a Specified Dollar Amount per \$1,000 principal amount of Securities in such Settlement Notice, the Specified Dollar Amount per \$1,000 principal amount of Securities shall be deemed to be \$1,000.
- (iv) The cash, Common Stock or combination of cash and Common Stock in respect of any conversion of Securities (the "**Settlement Amount**") shall be computed as follows:
- (A) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Physical Settlement, the Company shall deliver to the converting Holder in respect of each \$1,000 principal amount of Securities being converted a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date (*provided* that the Company shall deliver cash in lieu of any fractional shares as described in Section 10.03);

- (B) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Cash Settlement, the Company shall pay to the converting Holder in respect of each \$1,000 principal amount of Securities being converted cash in an amount equal to the sum of the Daily Conversion Values for each Trading Day during the related Observation Period; and
- (C) if the Company elects (or is deemed to have elected pursuant to Section 10.02(a)(iii)) to satisfy its Conversion Obligation in respect of such conversion by Combination Settlement, the Company shall pay or deliver to the converting Holder, as the case may be, in respect of each \$1,000 principal amount of Securities being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each Trading Day during the related Observation Period.
- (v) Notwithstanding anything to the contrary in this Section 10.02 and subject to Section 10.14, the Company hereby elects to satisfy its Conversion Obligation with respect to any conversion of Purchaser Securities by Combination Settlement with a Specified Dollar Amount of \$1,000 per \$1,000 principal amount of Securities. In the event any Holder(s) of Purchaser Securities exercises its right to convert all or any portion of such Purchaser Securities, the relevant Observation Period for purposes of determining the Daily Settlement Amount shall be the 20 consecutive Trading Day period beginning on, and including, the 20th Trading Day immediately preceding the applicable Conversion Date and ending on the Trading Day immediately preceding such Conversion Date.

The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the Observation Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional shares of Common Stock, and in any event within one (1) Business Day following the last day of the Observation Period, the Company shall notify the Trustee and the Conversion Agent (if other than the Trustee) of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Conversion Agent (if other than the Trustee) shall have no responsibility for any such determination.

(b) Each conversion shall be deemed to have been effected as to any Securities surrendered for conversion at the Close of Business on the applicable Conversion Date; *provided, however*, that the Person in whose name any shares of the Common Stock shall be issuable upon such conversion shall become the holder of record of such shares as of the Close of Business on such Conversion Date (in the case of Physical Settlement or a Combination Settlement of the Purchaser Securities) or the last Trading Day of the relevant Observation Period (in the case of Combination Settlement other than in respect to the Purchaser Securities). Prior to such time, a Holder receiving Common Stock upon conversion shall not be entitled to any rights relating to such Common Stock, including, among other things, the right to vote and receive dividends and notices of shareholder meetings. The Company will determine the Conversion Date and the last Trading Day of the relevant Observation Period, as applicable, in accordance with the requirements set forth herein and notify the Trustee of the same.

(c) In the case of any conversion of Securities other than the Purchaser Securities, the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the later of (i) the third Business Day immediately following the relevant Conversion Date and (ii) the third Business Day immediately following the last Trading Day of the relevant Observation Period, as applicable. In the case of any conversion of Purchaser Securities, the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the third Business Day immediately following the relevant Conversion Date unless otherwise specified in the written notice referred to in the second proviso below; *provided, however*, that (i) to the extent all or a portion of the Conversion Obligation is paid in cash, such cash shall not be due until the earlier of (A) the 30th Business Day immediately following the relevant Conversion Date and (B) the Maturity Date, and (ii) to the extent all or a portion of the Conversion Obligation is to be paid in shares of Common Stock, such shares shall be delivered on the day specified in a written notice from the beneficial owner(s) of the Purchaser Securities being converted that is delivered to the Company on or prior to the second Business Day immediately following the relevant Conversion Date, which delivery date (in respect of such shares of Common Stock) shall be no earlier than the third Business Day immediately following the relevant Conversion Date and be no later than the seventh Business Day immediately following the relevant Conversion Date (it being understood that if no such notice is delivered to the Company, then the Company shall deliver such shares on the third Business Day immediately following the relevant Conversion Date). Such written notice shall include a certification therein that the beneficial owners delivering such written notice are holders that hold beneficial interests in the Purchaser Securities subject to conversion. If any shares of Common Stock are due to converting Holders, the Company shall issue or cause to be issued, and deliver or cause to be delivered to such Holder, or such Holder's nominee(s) or transferee(s), certificates or a book-entry transfer through the Depository for the full number of shares of Common Stock to which such Holder shall be entitled in satisfaction of the Company's Conversion Obligation.

(d) Solely with respect to Purchaser Securities, accrued and unpaid interest, if any, shall be paid to the Holder upon conversion. Upon the Company's settlement of the full Conversion Obligation with respect to a Purchaser Security, the Company shall pay the principal amount of such Purchaser Security and accrued and unpaid interest, if any, to, but not including, the relevant settlement date of any conversion.

(e) With respect to any Security except a Purchaser Security and except to the extent otherwise provided in this Section 10.02(e), no payment or adjustment will be made for accrued interest on a converted Security, and accrued interest, if any, will be deemed to be paid by the consideration paid to the Holder upon conversion of such Security. Such accrued interest, if any, shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. The Company's settlement of the full Conversion Obligation with respect to such a Security shall be deemed to satisfy in full its obligation to pay the principal amount of the Security and accrued and unpaid interest, if any, to, but not including, the relevant Conversion Date.

(f) Upon a conversion of Securities into a combination of cash and Common Stock, accrued and unpaid interest will be deemed to be paid first out of the cash paid upon such conversion. If any Holder surrenders a Security for conversion after the Close of Business on the Record Date for the payment of an installment of interest but prior to the Open of Business on the next Interest Payment Date, then, notwithstanding such conversion, the full amount of interest payable with respect to such Security on such Interest Payment Date shall be paid on such Interest Payment Date to the Holder of record of such Security at the Close of Business on such Record Date; *provided, however*, that such Security, when surrendered for conversion, must be accompanied by payment in cash to the Conversion Agent on behalf of the Company of an amount equal to the full amount of interest payable on such Interest Payment Date on the Security so converted; *provided further, however*, that such payment to the Conversion Agent described in the immediately preceding proviso in respect of a Security surrendered for conversion shall not be required with respect to a Security that (i) is surrendered for conversion after the Close of Business on the Record Date immediately preceding the Maturity Date, (ii) is surrendered for conversion after the Close of Business on a Record Date for the payment of an installment of interest and on or prior to the Open of Business on the related Interest Payment Date, where, pursuant to Section 3.01, the Company has specified, with respect to a Fundamental Change, a Fundamental Change Repurchase Date that is after such Record Date but on or prior to such Interest Payment Date or (iii) is surrendered for conversion after the Close of Business on a Record Date for the payment of an installment of interest and on or prior to the Open of Business on the related Interest Payment Date, where, pursuant to Section 13.03, the Company has specified a Redemption Date that is after such Record Date but on or prior to such Interest Payment Date.

(g) If a Holder converts more than one Security at the same time, the Conversion Obligation with respect to such Securities shall be based on the total principal amount of all Securities so converted.

(h) Upon surrender of a Security that is converted in part, the Trustee shall authenticate for the Holder a new Security equal in principal amount to the unconverted portion of the Security surrendered.

Section 10.03. *Cash in Lieu of Fractional Shares.* The Company shall not issue fractional shares of Common Stock upon the conversion of a Security. Instead, the Company shall pay to converting Holders cash in lieu of fractional shares based on the Daily VWAP on the relevant Conversion Date (in the case of Physical Settlement) or based on the Daily VWAP on the last Trading Day of the relevant Observation Period (in the case of Combination Settlement). If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Observation Period (in the case of Combination Settlement) or the aggregate principal amount of the Securities, or specified portions thereof to the extent permitted hereby (in the case of Physical Settlement) so surrendered, and any fractional shares remaining after such computation shall be paid in cash.

Section 10.04. *Taxes on Conversion.* If a Holder converts its Security, the Company shall pay any documentary, stamp or similar issue or transfer tax or duty due on the issue, if any, of Common Stock upon the conversion. However, the Holder shall pay such tax which is due because the Holder requests the shares of Common Stock to be issued in a name other than the Holder's name. The Company may refuse to deliver the certificate(s) representing the Common Stock being issued or delivered to the Holder or in a name other than such Holder's name until the Conversion Agent receives a sum sufficient to pay any tax or duty which will be due because shares of Common Stock are to be issued or delivered in a name other than such Holder's name.

Section 10.05 *Company to Provide Common Stock*. The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued stock, for the purpose of effecting the conversion of the Securities, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient for the conversion of all outstanding Securities into shares of Common Stock at any time (assuming, for such purposes, Physical Settlement and that at the time of computation of such number of shares, all such Securities would be converted by a single Holder). The Company shall, from time to time and in accordance with Delaware law, cause the authorized number of shares of Common Stock to be increased if the aggregate of the number of authorized shares of Common Stock remaining unissued shall not be sufficient for the conversion of all outstanding (and issuable as set forth above) Securities into shares of Common Stock at any time.

All Common Stock issued upon conversion of the Securities shall be validly issued, fully paid and non-assessable and shall be free of preemptive or similar rights and free of any lien or adverse claim that arises from the action or inaction of the Company.

The Company shall comply with all securities laws regulating the offer and delivery of any Common Stock upon conversion of Securities and shall list such shares on each national securities exchange or automated quotation system on which the Common Stock is listed on the applicable Conversion Date.

Section 10.06. *Adjustment of Conversion Rate*. The Conversion Rate shall be subject to adjustment from time to time, without duplication, upon the occurrence of any of the following events on or after the date of this Indenture:

- (a) In case the Company shall pay or make a dividend or other distribution on its Common Stock consisting exclusively of Common Stock, the Conversion Rate shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the number of shares of Common Stock outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution, and the numerator shall be the number of shares of Common Stock outstanding immediately after such dividend or distribution, in the following formula:

$$CR' = CR_0 \times OS'/OS_0$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date of such dividend or distribution;
- CR' = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such dividend or distribution;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution; and
- OS' = the number of shares of Common Stock outstanding immediately after such dividend or distribution.

In case the Company shall effect a share split or share combination, the Conversion Rate shall be proportionally increased, in the case of a share split, and proportionally reduced, in the case of a share combination, as expressed in the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the effective date of such share split or share combination;
- CR' = the Conversion Rate in effect immediately after the Open of Business on the effective date of such share split or share combination;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the Open of Business on the effective date of such share split or share combination; and
- OS' = the number of shares of Common Stock outstanding immediately after such share split or share combination.

Any adjustment made under this Section 10.06(a) shall become effective immediately after the Open of Business on the Ex Date for such dividend or distribution, or immediately after the Open of Business on the effective date for such share split or share combination, as the case may be. If any dividend or distribution of the type described in this Section 10.06(a) is declared but not so paid or made, then the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

- (b) If the Company distributes to all or substantially all holders of the Common Stock any rights, options or warrants entitling them, for a period expiring not more than forty-five (45) days immediately following the date of such distribution, to purchase or subscribe for Common Stock, at a price per share less than the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement for such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such distribution;
- CR' = the Conversion Rate in effect immediately after the Open of Business on such Ex Date;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the Open of Business on such Ex Date;
- X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and
- Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, divided by the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement for such distribution.

Any increase made under this Section 10.06(b) shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the Open of Business on the Ex Date for such distribution. To the extent that Common Stock is not delivered after expiration of such rights, options or warrants, the Conversion Rate shall be readjusted, effective as of the date of such expiration, to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so distributed, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to make such distribution, to the Conversion Rate that would then be in effect if such Ex Date for such distribution had not occurred.

In determining whether any rights, options or warrants entitle the holders to subscribe for or purchase Common Stock at less than such average of the Closing Sale Prices for the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement for such distribution, and in determining the aggregate offering price of such Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors. Except in the case of a readjustment of the Conversion Rate pursuant to the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(b).

(c) If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other of its assets, securities or property or rights, options or warrants to acquire its Capital Stock or other securities, to all or substantially all holders of Common Stock, but excluding (i) dividends or distributions as to which an adjustment was effected pursuant to Section 10.06(a) or Section 10.06(b), (ii) dividends or distributions paid exclusively in cash as to which an adjustment was effected pursuant to Section 10.06(d) or that is excluded from the scope of Section 10.06(d) by the parenthetical language preceding the formula therein, (iii) distributions of Reference Property in a transaction described in Section 10.11, (iv) rights issued pursuant to a rights plan of the Company (i.e., a poison pill), except to the extent provided by Section 10.13, and (v) Spin-Offs to which the provisions set forth in the latter portion of this Section 10.06(c) shall apply (any of such shares of Capital Stock, indebtedness or other assets, securities or property or rights, options or warrants to acquire its Capital Stock or other securities, the "**Distributed Property**"), then, in each such case the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such distribution;
- CR' = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such distribution;
- SP₀ = the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the Ex Date for such distribution; and
- FMV = the fair market value (as determined by the Board of Directors) of the Distributed Property distributable with respect to each outstanding share of Common Stock as of the Open of Business on the Ex Date for such distribution.

If the Board of Directors determines "FMV" for purposes of this Section 10.06(c) by reference to the actual or when issued trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the Ex Date for such distribution.

Notwithstanding the foregoing, if "FMV" (as defined above) is equal to or greater than the "SP₀" (as defined above), in lieu of the foregoing increase, provision shall be made for each Holder of a Security to receive, for each \$1,000 principal amount of Securities it holds, at the same time and upon the same terms as the holders of the Common Stock, the amount and kind of Distributed Property that such Holder would have received if such Holder had owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex Date for such distribution.

Any increase made under the portion of this Section 10.06(c) above shall become effective immediately after the Open of Business on the Ex Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to make such distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

With respect to an adjustment pursuant to this Section 10.06(c) where there has been a payment of a dividend or other distribution on the Common Stock of Capital Stock of any class or series, or similar equity interests, of or relating to a Subsidiary or other business unit of the Company, where such Capital Stock or similar equity interest is listed or quoted (or will be listed or quoted upon consummation of the transaction) on a U.S. national securities exchange (a "**Spin-Off**"), the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for the Spin-Off;
- CR' = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for the Spin-Off;
- FMV₀ = the average of the Closing Sale Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of Common Stock over the ten (10) consecutive Trading Days immediately following, and including, the Ex Date for a Spin-Off (the "**Valuation Period**"); and
- MP₀ = the average of the Closing Sale Prices of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall be determined on the last Trading Day of the Valuation Period, but will be given effect immediately after the Open of Business on the Ex Date for such Spin-Off. Notwithstanding the foregoing, in respect of any conversion during the Valuation Period, references in the portion of this Section 10.06(c) related to Spin-Offs with respect to 10 Trading Days shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between the Ex Date of such Spin-Off and the Conversion Date in determining the Conversion Rate. If the period from and including the Ex Date for the Spin-Off to and including the last Trading Day of the Observation Period in respect of any conversion of Securities is less than 10 Trading Days, references in the portion of this Section 10.06(c) related to Spin-Offs with respect to 10 Trading Days shall be deemed to be replaced, solely in respect of that conversion of Securities, with such lesser number of Trading Days as have elapsed from, and including, the Ex Date for the Spin-Off to, and including, the last Trading Day of such Observation Period.

Subject in all respects to Section 10.13, rights, options or warrants distributed by the Company to all holders of its Common Stock entitling the holders thereof to subscribe for or purchase shares of the Company's Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (i) are deemed to be transferred with such Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 10.06(c) (and no adjustment to the Conversion Rate under this Section 10.06(c), will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 10.06(c), as the case may be. If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex Date with respect to new rights, options or warrants with such rights (and a termination or expiration of the existing rights, options or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 10.06(c), as the case may be, was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued.

For purposes of Section 10.06(a), Section 10.06(b) and this Section 10.06(c), any dividend or distribution to which this Section 10.06(c) is applicable that also includes one or both of:

- (A) a dividend or distribution of Common Stock to which Section 10.06(a) is applicable (the "**Clause A Distribution**"); or
- (B) a dividend or distribution of rights, options or warrants to which Section 10.06(b) is applicable (the "**Clause B Distribution**"),

then (1) such dividend or distribution, other than the Clause A Distribution and Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 10.06(c) is applicable (the "**Clause C Distribution**") and any Conversion Rate adjustment required by this Section 10.06(c) with respect to such Clause C Distribution shall then be made and (2) the Clause A Distribution and Clause B Distribution shall be deemed to immediately follow the Clause C Distribution and any Conversion Rate adjustment required by Section 10.06(a) and Section 10.06(b) with respect thereto shall then be made, except that, if determined by the Board of Directors, the Ex Date of the Clause A Distribution and the Clause B Distribution shall be deemed to be the Ex Date of the Clause C Distribution and any Common Stock included in the Clause A Distribution or Clause B Distribution shall be deemed not to be "outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution" or "outstanding immediately after the Open of Business on the effective date of such share split or share combination," as the case may be within the meaning of Section 10.06(a) or "outstanding immediately prior to the Open of Business on the Ex Date for such distribution" within the meaning of Section 10.06(b).

Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of either the fourth or seventh paragraph of this Section 10.06(c), the Conversion Rate shall not be decreased pursuant to this Section 10.06(c).

- (d) If any cash dividend or distribution is made to all or substantially all holders of the Common Stock (other than a regular, quarterly cash dividend that does not exceed \$0.355 per share, which is referred to as the "**dividend threshold**," and which is subject to adjustment as described below), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0 - T}{SP_0 - C}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such dividend or distribution;
- CR₁ = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such dividend or distribution;
- SP₀ = the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period immediately preceding the Ex Date for such dividend or distribution (or, if the Company declares such dividend or distribution less than eleven (11) Trading Days prior to the Ex Date for such dividend or distribution the reference to ten (10) consecutive Trading Days shall be replaced with a smaller number of consecutive Trading Days that shall have occurred after, and not including, such declaration date and prior to, but not including, the Ex Date for such dividend or distribution);

T = the dividend threshold; provided, that if the dividend or distribution is not a regular cash dividend, then the dividend threshold will be deemed to be zero; and

C = the amount in cash per share of Common Stock the Company distributes to holders of its Common Stock.

Any adjustment made under this Section 10.06(d) shall become effective immediately after the Open of Business on the Ex Date for such dividend or distribution.

The dividend threshold is subject to adjustment in a manner inversely proportional to, and at the same time as, adjustments to the Conversion Rate; *provided* that no adjustment will be made to the dividend threshold for any adjustment to the Conversion Rate pursuant to this clause (d).

Notwithstanding the foregoing, if "C" (as defined above) is equal to or greater than "SP₀" (as defined above), in lieu of the foregoing increase, provision shall be made for each Holder of a Security to receive, for each \$1,000 principal amount of Securities it holds, at the same time and upon the same terms as holders of the Common Stock, the amount of cash such Holder would have received as if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Ex Date for such cash dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(d).

- (e) If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for the Common Stock, if the cash and value of any other consideration included in the payment per share of Common Stock exceeds the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the last Trading Day of the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- CR' = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors) paid or payable for shares of Common Stock purchased in such tender or exchange offer;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the time such tender or exchange offer expires (prior to giving effect to such tender offer or exchange offer);
- OS' = the number of shares of Common Stock outstanding immediately after the time such tender or exchange offer expires (after giving effect to such tender offer or exchange offer); and
- SP' = the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this Section 10.06(c) shall occur at the Close of Business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; *provided* that, for purposes of determining the Conversion Rate, in respect of any conversion during the ten (10) Trading Days immediately following, but excluding, the date that any such tender or exchange offer expires, references in this Section 10.06(e) to ten (10) consecutive Trading Days shall be deemed to be replaced with such lesser number of consecutive Trading Days as have elapsed between the date such tender or exchange offer expires and the relevant Conversion Date. If the Company or one of its Subsidiaries is obligated to purchase the Common Stock pursuant to any such tender or exchange offer but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchase or all such purchases are rescinded, the Conversion Rate shall be immediately decreased to the Conversion Rate that would be in effect if such tender or exchange offer had not been made.

Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(e).

- (f) In addition to the foregoing adjustments in subsections (a), (b), (c), (d) and (e) above, and to the extent permitted by applicable law and the rules of the Relevant Stock Exchange, the Company may, from time to time and to the extent permitted by law, increase the Conversion Rate by any amount for a period of at least twenty (20) Trading Days or any longer period as may be permitted or required by law, if the Board of Directors has made a determination, which determination shall be conclusive, that such increase would be in the best interests of the Company. Such Conversion Rate increase shall be irrevocable during such period. The Company shall give notice to the Trustee and cause notice of such increase, which notice will include the amount of the increase and the period during which the increase shall be in effect, to be sent to each Holder of Securities in accordance with Section 14.01, at least fifteen (15) days prior to the date on which such increase commences.

- (g) All calculations under this Article 10 shall be made by the Company to the nearest cent or to the nearest 1/10,000th of a share, as the case may be. Adjustments to the Conversion Rate will be calculated to the nearest 1/10,000th.
- (h) Notwithstanding this Section 10.06 or any other provision of this Indenture or the Securities, if a Conversion Rate adjustment becomes effective on any Ex Date, and a Holder that has converted its Securities on or after such Ex Date and on or prior to the related record date would be treated as the record holder of the Common Stock as of the related Conversion Date as described under Section 10.02(b) based on an adjusted Conversion Rate for such Ex Date, then, notwithstanding the Conversion Rate adjustment provisions in this Section 10.06, the Conversion Rate adjustment relating to such Ex Date shall not be made for such converting Holder. Instead, such Holder shall be treated as if such Holder were the record owner of the Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.
- (i) Notwithstanding this Section 10.06 or any other provision of this Indenture or the Securities, if a Holder converts a Security, Combination Settlement is applicable to such Security and the Daily Settlement Amount for any Trading Day during the Observation Period applicable to such Security (x) is calculated based on a Conversion Rate adjusted on account of any event described in clauses (a), (b), (c), (d) and (e) of this Section 10.06 and (y) includes any shares of Common Stock that entitle their holder to participate in such event, then, notwithstanding the Conversion Rate adjustment provisions in this Section 10.06, the Conversion Rate adjustment relating to such event will not be made for such converting Holder for such Trading Day. Instead, such Holder will be treated as if such Holder were the record owner of the Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.
- (j) For purposes of this Section 10.06, "**effective date**" means the first date on which the Common Stock trade on the Relevant Stock Exchange, regular way, reflecting the relevant share split or share combination, as applicable.
- (k) For purposes of this Section 10.06, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company shall not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company. The Company shall not pay any dividend or distribution on shares of Capital Stock of the Company held in the treasury of the Company to the extent such dividend or distribution would be made in an amount based on the amount of a dividend or distribution paid on the Common Stock.

Section 10.07. *No Adjustment.* The Conversion Rate shall not be adjusted for any transaction or event other than for any transaction or event described in this Article 10. Without limiting the foregoing, the Conversion Rate shall not be adjusted:

- (i) upon the issuance of any Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;
- (ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of the Company's Subsidiaries (or the issuance of any shares of Common Stock pursuant to any such options or other rights);
- (iii) upon the issuance of any Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) above and outstanding as of the date the Securities were first issued;
- (iv) for accrued and unpaid interest, if any;
- (v) repurchases of Common Stock that are not tender offers or exchange offers pursuant to Section 10.06(e), including structured or derivative transactions such as accelerated share repurchase transactions or similar forward derivatives;
- (vi) solely for a change in the par value of the Common Stock; or
- (vii) for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or the right to purchase Common Stock or such convertible or exchangeable securities, except as described in Section 10.06.

No adjustment in the Conversion Rate less than one percent (1%) of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate) shall be made pursuant to Section 10.06(a) through Section 10.06(e); *provided, however*, that (i) the Company shall carry forward any adjustments that are not made as a result of the foregoing and make such carried forward adjustments with respect to the Conversion Rate when the cumulative effect of all adjustments not yet made will result in a change of one percent (1%) or more of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate) and (ii) notwithstanding the foregoing, all such deferred adjustments that have not yet been made shall be made (including any adjustments that are less than one percent (1%) of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate)) (1) on the effective date of any Fundamental Change and (2) on (A) the Conversion Date (in the case of Physical Settlement) and (B) on each Trading Day of any Observation Period (in the case of Cash Settlement or Combination Settlement, and in each case, after such adjustment shall be made such adjustments shall no longer be carried forward and taken into account in any subsequent adjustment to the Conversion Rate).

No adjustment to the Conversion Rate need be made pursuant to Section 10.06 for a transaction (other than for share splits or share combinations pursuant to Section 10.06(a)) if the Company makes provision for each Holder to participate in the transaction, at the same time and upon the same terms as holders of Common Stock participate in such transaction, without conversion, as if such Holder held a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex Date or effective date, as applicable, of the transaction (without giving effect to any adjustment pursuant to Section 10.06 on account of such transaction), *multiplied by* principal amount (expressed in thousands) of Securities held by such Holder.

Section 10.08. *Other Adjustments.* Whenever any provision of this Indenture requires the computation of an average of the Closing Sale Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts over a period of multiple Trading Days (including an Observation Period), the Board of Directors, in its good faith determination, shall appropriately adjust such average to account for any event requiring, pursuant hereto, an adjustment to the Conversion Rate where the effective date, Ex Date or expiration date of such event occurs at any time on or after the first Trading Day of such period and on or prior to the last Trading Day of such period.

Section 10.09. *Adjustments for Tax Purposes.* Except as prohibited by law, the Company may (but is not obligated to) make such increases in the Conversion Rate, in addition to those required by Section 10.06 hereof, as it considers to be advisable to avoid or diminish any income tax to any holders of Common Stock (or rights to purchase Common Stock) resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes or for any other reason.

Section 10.10. *Notice of Adjustment and Certain Events.* (a) Whenever the Conversion Rate is adjusted, the Company shall promptly file with the Trustee an Officers' Certificate describing in reasonable detail the adjustment and the method of calculation used and the Company shall promptly send to the Holders in accordance with Section 14.01 a notice of the adjustment setting forth the adjusted Conversion Rate and the calculation thereof. The certificate and notice shall be conclusive evidence of the correctness of such adjustment. In the absence of an Officers' Certificate being filed with the Trustee (and the Conversion Agent if not the Trustee), the Trustee may assume without inquiry that the Conversion Rate has not been adjusted and that the last Conversion Rate of which it has knowledge remains in effect.

- (b) In case of any:
 - (i) action by the Company or one of its Subsidiaries that would require an adjustment to the Conversion Rate in accordance with Section 10.06 or Section 10.13;
 - (ii) Merger Event; or
 - (iii) voluntary or involuntary dissolution, liquidation or winding-up of the Company;

then the Company shall at least ten days prior to the anticipated effective date of such transaction or event cause written notice thereof to be sent to the Trustee and the Holders in accordance with Section 14.01 Such notice shall also specify, as applicable, the date or expected date on which the holders of Common Stock shall be entitled to a distribution and the date or expected date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up, as the case may be. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such action by the Company or one of its Subsidiaries, Merger Event, dissolution, liquidation or winding-up.

Section 10.11. *Effect of Reclassifications, Consolidations, Mergers, Binding Share Exchanges or Sales on Conversion Privilege.* If on or after the date of this Indenture the Company:

- (a) reclassifies the Common Stock (other than a change as a result of a subdivision or combination of Common Stock to which Section 10.06(a) applies);
- (b) is party to a consolidation, merger or binding share exchange; or
- (c) sells, transfers, leases, conveys or otherwise disposes of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole,

in each case, pursuant to which the Common Stock would be converted into or exchanged for, or would constitute solely the right to receive, cash, securities or other property (any such event, a "**Merger Event**"), each \$1,000 principal amount of converted Securities will, from and after the effective time of such Merger Event, be convertible into the same kind, type and proportions of consideration that a holder of a number of shares of Common Stock equal to the Conversion Rate in effect immediately prior to such Merger Event would have received in such Merger Event ("**Reference Property**") and, prior to or at the effective time of such Merger Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture permitted under Section 9.01(a) providing for such change in the right to convert the Securities; *provided, however*, that at and after the effective time of the Merger Event (A) the Company shall continue to have the right to determine the form of consideration to be paid or delivered, as the case may be, upon conversion of Securities in accordance with Section 10.02 and (B) (I) any amount payable in cash upon conversion of the Securities in accordance with Section 10.02 shall continue to be payable in cash, (II) any Common Stock that the Company would have been required to deliver upon conversion of the Securities in accordance with Section 10.02 shall instead be deliverable in the amount and type of Reference Property that a holder of that number of shares of Common Stock would have received in such Merger Event and (III) the Daily VWAP shall be calculated based on the value of a unit of Reference Property.

If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration determined based in whole or in part upon any form of stockholder election, then (i) the Reference Property into which the Securities will be convertible shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such an election and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock. The Company shall notify Holders, the Trustee and the Conversion Agent (if other than the Trustee) of such weighted average as soon as reasonably practicable after such determination is made. If the holders receive only cash in such Merger Event, then for all conversions that occur after the effective date of such Merger Event (A) the consideration due upon conversion of each \$1,000 principal amount of Securities shall be solely cash in an amount equal to the Conversion Rate in effect on the Conversion Date, multiplied by the price paid per share of Common Stock in such Merger Event and (B) the Company shall satisfy its Conversion Obligation by paying cash to converting Holders on the third Business Day immediately following the relevant Conversion Date.

The supplemental indenture referred to in the first sentence of this Section 10.11 shall provide for adjustments to the Conversion Rate that shall be as nearly equivalent as may be practicable to the adjustments of the Conversion Rate provided for in this Article 10 and for the delivery of cash by the Company in lieu of fractional securities or property that would otherwise be deliverable to holders upon Conversion as part of the Reference Property, with such amount of cash determined by the Board of Directors in a manner as nearly equivalent as may be practicable to that used by the Company to determine the Closing Sale Price of the Common Stock. The provisions of this Section 10.11 shall similarly apply to successive consolidations, mergers, binding share exchanges, sales, transfers, leases, conveyances or dispositions.

The Company shall not consummate any Merger Event unless its terms are consistent with this Section 10.11.

None of the foregoing provisions shall affect the right of a Holder to convert its Securities into Common Stock (and cash in lieu of any fractional share) as set forth in Section 10.01 and Section 10.02 prior to the effective date of such Merger Event.

In the event the Company shall execute a supplemental indenture in accordance with this Section 10.11, the Company shall promptly file with the Trustee an Officers' Certificate briefly stating the reasons therefor, the kind or amount of Reference Property receivable by Holders of the Securities upon the conversion of their Securities after any such Merger Event and any adjustment to be made with respect thereto.

Section 10.12. *Trustee's Disclaimer.* The Trustee and any other Conversion Agent shall have no duty to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require that any adjustment under this Article 10 should be made, how it should be made or what such adjustment should be, but may accept as conclusive evidence of the correctness of any such adjustment, and shall be protected in relying upon, the Officers' Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 10.10 hereof. Neither the Trustee nor any other Conversion Agent makes any representation as to the validity or value of any securities or assets issued upon conversion of Securities, and neither the Trustee nor any other Conversion Agent shall be responsible for the failure by the Company to comply with any provisions of this Article 10 or to monitor any Person's compliance with this Article 10. Neither the Trustee nor the Conversion Agent shall be responsible for making any calculations under this Article 10 or for monitoring the price of the Common Stock.

The Trustee shall not be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture executed pursuant to Section 10.11, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officers' Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 10.11 hereof.

Section 10.13. *Rights Distributions Pursuant to Shareholders' Rights Plans.* To the extent that on or after the date of this Indenture the Company adopts a rights plan (i.e., a poison pill) and such plan is in effect upon conversion of any Security or a portion thereof, the Company shall make provision such that each Holder thereof shall receive, in addition to, and concurrently with the delivery of, the Common Stock due upon conversion, the rights described in such plan, unless the rights have separated from the Common Stock before the time of conversion, in which case the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all holders of Common Stock, Distributed Property as described in Section 10.06(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 10.14. *Applicable Stock Exchange Restrictions.* Notwithstanding anything in this Article 10 to the contrary, in the event of any increase in the Conversion Rate that would result in the Securities in the aggregate becoming convertible into shares of Common Stock in excess of the share issuance limitations of the listing rules of The New York Stock Exchange, the Company shall, at its option (but without delaying delivery of consideration upon any conversion), either obtain stockholder approval of such issuances or deliver cash consideration in lieu of any shares of Common Stock otherwise deliverable upon conversions in excess of such limitations (calculated based on the applicable Settlement Amount determined as though the Company elected Cash Settlement with respect to those shares of Common Stock in excess of such limitations).

ARTICLE 11 CONCERNING THE HOLDERS

Section 11.01. *Action by Holders.* Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Securities may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (i) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, (ii) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 12 or (iii) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders of the Securities, the Company or the Trustee may fix, but shall not be required to, in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date if one is selected shall be not more than fifteen (15) days prior to the date of commencement of solicitation of such action.

Section 11.02. *Proof of Execution by Holders.* Subject to the provisions of Section 12.05, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Securities shall be proved by the security register of the Registrar or by a certificate of the Registrar. The record of any Holders' meeting shall be proved in the manner provided in Section 12.06.

Section 11.03. *Persons Deemed Absolute Owners.* The Company, the Trustee, any authenticating agent, any Paying Agent, any Conversion Agent and any Registrar may deem the Person in whose name a Security shall be registered upon the security register of the Registrar to be, and may treat it as, the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Registrar) for the purpose of receiving payment of or on account of the principal of and (subject to Section 2.12 and Section 4.01) accrued and unpaid interest on such Security, or the Fundamental Change Repurchase Price or Redemption Price, if applicable, for conversion of such Security and for all other purposes (except as otherwise provided herein in respect of the Purchaser or the Purchaser Securities); and neither the Company nor the Trustee nor any authenticating agent nor any Paying Agent nor any Conversion Agent nor any Registrar shall be affected by any notice to the contrary. All such payments so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for monies payable upon any such Security. Notwithstanding anything to the contrary in this Indenture or the Securities following an Event of Default, any holder of a beneficial interest in a Global Security may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depository or any other Person, such holder's right to exchange such beneficial interest for a Physical Security in accordance with the provisions of this Indenture.

ARTICLE 12 HOLDERS' MEETINGS

Section 12.01. *Purpose of Meetings.* A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 12 for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder and its consequences, or to take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 9.02; or
- (d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Securities under any other provision of this Indenture or under applicable law.

Section 12.02. *Call of Meetings by Trustee.* The Trustee may at any time call a meeting of Holders to take any action specified in Section 12.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 11.01, shall be sent to Holders of such Securities at their addresses as they shall appear on the security register of the Registrar. Such notice shall also be sent to the Company. Such notices shall be sent not less than twenty (20) nor more than ninety (90) days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Securities then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Securities outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 12.03. *Call of Meetings by Company or Holders.* In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have sent the notice of such meeting within twenty (20) days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 12.01, by sending notice thereof as provided in Section 12.02.

Section 12.04. *Qualifications for Voting.* To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities on the record date pertaining to such meeting or (b) be a Person appointed by an instrument in writing as proxy by a Holder of one or more Securities on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 12.05. *Regulations.* Notwithstanding any other provision of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 12.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the outstanding Securities represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 2.09, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each \$1,000 principal amount of Securities held or represented by such Holder or proxyholder, as the case may be; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Securities held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 12.02 or Section 12.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of outstanding Securities represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 12.06. *Voting.* The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding principal amount of the Securities held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was sent as provided in Section 12.02. The record shall show the principal amount of the Securities voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated. A consent in writing signed by all the Holders shall be as valid and effective as if the same had been passed at a meeting of the Holders.

Section 12.07. *No Delay of Rights by Meeting.* Nothing contained in this Article 12 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Securities. Nothing contained in this Article 12 shall be deemed or construed to limit any Holder's actions pursuant to the Applicable Procedures so long as the Securities are Global Securities.

ARTICLE 13

Redemption

Section 13.01. *Optional Redemption; Election to Redeem; Notice to Trustee.* The Company may, at its option, redeem for cash all or part of the Securities, upon notice pursuant to Section 13.03, at a price (the "**Redemption Price**") equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the Redemption Date, *provided* that the Closing Sale Price of the Common Stock for 20 or more Trading Days (including the final three Trading Days) in the period of at least 30 consecutive Trading Days ending on the Trading Day immediately prior to the date the redemption notice is delivered to Holders is equal to or exceeds 180% of the applicable Conversion Price on each applicable Trading Day.

Any redemption pursuant to this Section 13.01 shall be made pursuant to the provisions of this Article 13. The election of the Company to redeem any Securities pursuant to this Article 13 shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company of less than all the Securities, the Company shall, at least 45 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction. As used herein, the "**Redemption Date**" means the date specified for redemption of the Securities in accordance with the terms of this Article 13.

No Securities may be redeemed by the Company pursuant to this Article 13 if the principal amount of the Securities has been accelerated, and such acceleration has not been rescinded by the Holders, on or prior to the Redemption Date.

Section 13.02. *Selection of Securities to Be Redeemed.* If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date, from the outstanding Securities of such series not previously called for redemption, by lot in accordance with Applicable Procedures for the Global Securities or on a *pro-rata* basis, provided that each of the redeemed portion and the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

The selection of any Security or portion thereof for redemption, the sending of any notice of redemption, and the deposit of the Redemption Price with the Trustee or a Paying Agent, shall not in any way limit the conversion privilege of any Holder or the Company's Conversion Obligation with respect to any Security for which the Conversion Date occurs before the Redemption Date.

If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted during a selection of Securities to be redeemed shall be treated by the Trustee as outstanding for the purpose of such selection.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption as aforesaid and, in case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

In the case of any redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities in this Article 13 shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed. Securities and portions of them the Trustee selects shall be in principal amounts of \$1,000 or integral multiples of \$1,000.

Section 13.03. *Notice of Redemption.* Notice of redemption shall be given by first-class mail, postage prepaid (or in accordance with the Applicable Procedures in the case of Global Securities), delivered not less than 90 days and not more than 120 days prior to the Redemption Date, unless a shorter period is specified in the Securities to be redeemed, to each Holder of Securities to be redeemed, at its address appearing in the security register; *provided, however,* that the Company shall not deliver any notice of redemption to any Holder at any time when there exists any Default or Event of Default.

All notices of redemption shall identify the Securities (including CUSIP or ISIN number(s)) to be redeemed and shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price;
- (iii) that Holders have a right to convert the Securities called for redemption upon satisfaction of the requirements set forth in Section 10.02;
- (iv) the time at which the Holders' right to convert the Securities called for redemption will expire, which will be the close of business on the Business Day immediately preceding the Redemption Date;
- (v) the Conversion Rate, any adjustments thereto, and the Settlement Method that shall apply during the redemption period;
- (vi) the procedures a Holder must follow to convert its Securities;
- (vii) if less than all the outstanding Securities of any series consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the outstanding Securities of any series consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed;
- (viii) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date; and
- (ix) the place or places where each such Security is to be surrendered for payment of the Redemption Price.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's written request with 10 Business Days' advance notice (unless a shorter period is agreed to by the Trustee), by the Trustee in the name and at the expense of the Company.

Section 13.04. *Deposit of Redemption Price.* Prior to 11:00 a.m., New York City time, on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 2.04) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

If any Security called for redemption is converted, any money deposited with the Trustee or with a Paying Agent or so segregated and held in trust for the redemption of such Security shall be paid to the Company on at the Company's request, or if then held by the Company, shall be discharged from such trust.

Section 13.05. *Securities Payable on Redemption Date.* Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date, if any; *provided, however*, that installments of interest due on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

Section 13.06. *Securities Redeemed in Part.* Any Security which is to be redeemed only in part shall be surrendered at a place of payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("**Instructions**") given pursuant to this Indenture and delivered using the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder (collectively, "**Electronic Means**"); *provided, however*, that the Company shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("**Authorized Officers**") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Company whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Company shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Company and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses (except to the extent attributable to the Trustee's gross negligence, willful misconduct or bad faith) arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 14.02. *Communication by Holders with Other Holders.* To the extent the TIA is then applicable: (A) The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA §312(c) and (B) Holders may communicate pursuant to TIA §312(b) with other Holders with respect to their rights under this Indenture or the Securities.

Section 14.03. *Certificate and Opinion as to Conditions Precedent.* Upon any request or application by the Company to the Trustee to take any action under this Indenture other than any action to be taken on the Issue Date in connection with the initial issuance of the Securities, the Company shall furnish to the Trustee:

- (a) an Officers' Certificate stating that, in the opinion of the signatories to such Officers' Certificate, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and
- (b) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Each signatory to an Officers' Certificate or an Opinion of Counsel may (if so stated) rely, effectively, upon an Opinion of Counsel as to legal matters and an Officers' Certificate or certificates of public officials or other representations or documents as to factual matters.

Section 14.04. *Statements Required in Certificate or Opinion.* Each Officers' Certificate or Opinion of Counsel with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to TIA § 314(a)(4)) which shall comply with the provisions of TIA § 314(e) and shall include:

- (a) a statement that the Person making such certificate or opinion has read such covenant or condition;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with.

Section 14.05. *Rules by Trustee and Agents.* The Registrar, Paying Agent or Conversion Agent may make reasonable rules and set reasonable requirements for their respective functions.

Section 14.06. *Legal Holidays.* If a payment date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on that payment for the intervening period.

Section 14.07. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Delivery of an executed counterpart by facsimile shall be effective as delivery of a manually executed counterpart thereof.

Section 14.08. *Facsimile and PDF Delivery of Signature Pages.* The exchange of copies of this Indenture and of signature pages by facsimile or portable document format ("**PDF**") transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 14.09. *Governing Law.* THIS INDENTURE AND THE SECURITIES, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE OR THE SECURITIES, SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

- (a) submits for itself and its property in any legal action or proceeding relating solely to this Indenture or the transactions contemplated hereby, to the general jurisdiction of the Supreme Court of the State of New York, County of New York or the United States Federal District Court sitting for the Southern District of New York (and appellate courts thereof);
- (b) consents that any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same to the extent permitted by applicable law;
- (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the party, as the case may be, at its address set forth in Section 14.01 or at such other address of which the other party shall have been notified pursuant thereto;
- (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction for recognition and enforcement of any judgment or if jurisdiction in the courts referenced in the foregoing clause (a) are not available despite the intentions of the parties hereto;

- (e) agrees that final judgment in any such suit, action or proceeding brought in such a court may be enforced in the courts of any jurisdiction to which such party is subject by a suit upon such judgment, provided that service of process is effected upon such party in the manner specified herein or as otherwise permitted by law;
- (f) agrees that to the extent that such party has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process with respect to itself or its property, such party hereby irrevocably waives such immunity in respect of its obligations under this Indenture, to the extent permitted by law; and
- (g) irrevocably and unconditionally waives trial by jury in any legal action or proceeding in relation to this Indenture or the Securities.

Section 14.10. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture, loan or debt agreement of the Company or any of its Subsidiaries. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 14.11. *Successors.* All agreements of the Company in this Indenture and the Securities shall bind its successors and assigns. All agreements of the Trustee in this Indenture shall bind its successors.

Section 14.12. *Separability.* In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and a Holder shall have no claim therefor against any party hereto.

Section 14.13. *Table of Contents, Headings, Etc.* The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms or provisions hereof.

Section 14.14. *Calculations in Respect of the Securities.* The Company and its agents shall make all calculations under this Indenture and the Securities. These calculations include, but are not limited to, determinations of the Closing Sale Price of the Common Stock, the number of shares deliverable upon conversion, adjustments to the Conversion Price and the Conversion Rate, the Daily VWAPS, the Daily Settlement Amounts, the Daily Conversion Values, the Conversion Rate of the Securities, the amount of conversion consideration deliverables in respect of any conversion and amounts of interest payable on the Securities. The Company and its agents shall make all of these calculations in good faith, and, absent manifest error, such calculations shall be final and binding on all Holders. The Company shall provide a copy of such calculations to the Trustee (and the Conversion Agent if not the Trustee) as required hereunder, and, the Trustee shall be entitled to conclusively rely on the accuracy of any such calculation without independent verification. The Trustee will forward the Company's calculations to any Holder upon the request of that Holder at the sole cost and expense of the Company.

Section 14.15. *No Personal Liability of Directors, Officers, Employees or Shareholders.* None of the Company's past, present or future directors, officers, employees or stockholders, as such, shall have any liability for any of the Company's obligations under this Indenture or the Securities or for any claim based on, or in respect or by reason of, such obligations or their creation. By accepting a Security, each holder waives and releases all such liability. This waiver and release is part of the consideration for the issue of the Securities.

Section 14.16. *Force Majeure.* In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 14.17. *Trust Indenture Act Controls.* If any provision of this Indenture limits, qualifies, or conflicts with another provision which is required or deemed to be included in this Indenture by the TIA, such required or deemed provision shall control. If any provision of this Indenture modifies or excludes any provision of the TIA which may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

Section 14.18. *No Security Interest Created.* Nothing in this Indenture or in the Securities, expressed or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter enacted and in effect, in any jurisdiction.

Section 14.19. *Benefits of Indenture.* Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than the Holders, the parties hereto, any Securities Agent and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.20. *Withholding.* Notwithstanding anything herein to the contrary, the Company, the Trustee, the Registrar, the Paying Agent and the Conversion Agent, as applicable, shall have the right to deduct and withhold from any payment or distribution made with respect to this Indenture and any Security and/or any Common Stock issued upon conversion of the Securities such amounts as are required to be deducted or withheld with respect to the making of such payment or distribution (or issuance) under any applicable tax law (inclusive of rules, regulations and interpretations promulgated by competent authorities) without liability therefor. To the extent that any amounts are so deducted or withheld, such deducted or withheld amounts shall be treated for all purposes under this Security as having been paid to the Holder. In the event the Company, the Trustee, the Registrar, the Paying Agent or the Conversion Agent previously remitted any amounts to a governmental entity on account of taxes required to be deducted or withheld in respect of any payment or distribution (or deemed distribution) under this Indenture or with respect to any Security, the Company, the Registrar, the Paying Agent or the Conversion Agent, as applicable, shall be entitled to offset any such amounts against any amounts otherwise payable in respect of this Indenture or any Security and/or any Common Stock issued upon conversion of the Securities. The Company shall cooperate with the Trustee in providing the Trustee information within the Company's possession relating to the transaction to enable the Trustee to determine whether it has withholding obligations under applicable tax law.

ANNEX A

PLAN OF DISTRIBUTION

The selling securityholders, including their pledgees, donees, transferees, distributees, beneficiaries or other successors in interest, may from time to time offer some or all of the shares of common stock (collectively, "Securities") covered by this prospectus. To the extent required, this prospectus may be amended and supplemented from time to time to describe a specific plan of distribution and to identify such successors as selling stockholders.

The selling securityholders will not pay any of the costs, expenses and fees in connection with the registration and sale of the Securities covered by this prospectus (except any fees and disbursements of their counsel and other advisors over \$25,000), but they will pay any and all underwriting discounts, selling commissions, agency fees, brokers' commissions and stock transfer taxes, if any, attributable to sales of the Securities. We will not receive any proceeds from the sale of Securities sold by the selling stockholders.

The selling securityholders may sell the Securities covered by this prospectus from time to time, and may also decide not to sell all or any of the Securities that they are allowed to sell under this prospectus. The selling securityholders will act independently of us in making decisions regarding the timing, manner and size of each sale. These dispositions may be at fixed prices, at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at varying prices determined at the time of sale, or at privately negotiated prices. Sales may be made by the selling securityholders in one or more types of transactions, which may include:

- purchases by underwriters, dealers and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from the selling securityholders and/or the purchasers of the Securities for whom they may act as agent;
 - one or more block transactions, including transactions in which the broker or dealer so engaged will attempt to sell the Securities as agent but may position and resell a portion of the block as principal to facilitate the transaction, or in crosses, in which the same broker acts as an agent on both sides of the trade;
 - ordinary brokerage transactions or transactions in which a broker solicits purchases;
 - purchases by a broker-dealer or market maker, as principal, and resale by the broker-dealer for its account;
 - the pledge of Securities for any loan or obligation, including pledges to brokers or dealers who may from time to time effect distributions of Securities;
 - short sales or transactions to cover short sales relating to the Securities;
 - one or more exchanges or over the counter market transactions;
-

- through distribution by a selling securityholder or its successor in interest to its members, general or limited partners or shareholders (or their respective members, general or limited partners or shareholders);
- privately negotiated transactions;
- the writing of options, whether the options are listed on an options exchange or otherwise;
- distributions to creditors and equity holders of the selling securityholders; and
- any combination of the foregoing, or any other available means allowable under applicable law.

A selling securityholder may also resell all or a portion of its Securities in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, as amended (the "Securities Act") provided it meets the criteria and conforms to the requirements of Rule 144 and all applicable laws and regulations.

The selling securityholders may enter into sale, forward sale and derivative transactions with third parties, or may sell securities not covered by this prospectus to third parties in privately negotiated transactions. In connection with those sale, forward sale or derivative transactions, the third parties may sell securities covered by this prospectus, including in short sale transactions and by issuing securities that are not covered by this prospectus but are exchangeable for or represent beneficial interests in the common stock. The third parties also may use shares received under those sale, forward sale or derivative arrangements or shares pledged by the selling securityholder or borrowed from the selling securityholders or others to settle such third-party sales or to close out any related open borrowings of common stock. The third parties may deliver this prospectus in connection with any such transactions. Any third party in such sale transactions will be an underwriter and will be identified in a supplement or a post-effective amendment to the registration statement of which this prospectus is a part as may be required.

In addition, the selling securityholders may engage in hedging transactions with broker-dealers in connection with distributions of Securities or otherwise. In those transactions, broker-dealers may engage in short sales of securities in the course of hedging the positions they assume with selling securityholders. The selling securityholders may also sell securities short and redeliver securities to close out such short positions. The selling securityholders may also enter into option or other transactions with broker-dealers which require the delivery of securities to the broker-dealer. The broker-dealer may then resell or otherwise transfer such securities pursuant to this prospectus. The selling securityholders also may loan or pledge shares, and the borrower or pledgee may sell or otherwise transfer the Securities so loaned or pledged pursuant to this prospectus. Such borrower or pledgee also may transfer those Securities to investors in our securities or the selling securityholders' securities or in connection with the offering of other securities not covered by this prospectus.

To the extent necessary, the specific terms of the offering of Securities, including the specific Securities to be sold, the names of the selling securityholders, the respective purchase prices and public offering prices, the names of any underwriter, broker-dealer or agent, if any, and any applicable compensation in the form of discounts, concessions or commissions paid to underwriters or agents or paid or allowed to dealers will be set forth in a supplement to this prospectus or a post-effective amendment to this registration statement of which this prospectus forms a part. The selling securityholders may, or may authorize underwriters, dealers and agents to, solicit offers from specified institutions to purchase Securities from the selling securityholders. These sales may be made under "delayed delivery contracts" or other purchase contracts that provide for payment and delivery on a specified future date. If necessary, any such contracts will be described and be subject to the conditions set forth in a supplement to this prospectus or a post-effective amendment to this registration statement of which this prospectus forms a part.

Broker-dealers or agents may receive compensation in the form of commissions, discounts or concessions from the selling securityholders. Broker-dealers or agents may also receive compensation from the purchasers of Securities for whom they act as agents or to whom they sell as principals, or both. Compensation as to a particular broker-dealer might be in excess of customary commissions and will be in amounts to be negotiated in connection with transactions involving securities. In effecting sales, broker-dealers engaged by the selling securityholders may arrange for other broker-dealers to participate in the resales. Pursuant to a requirement by FINRA, the maximum commission or discount to be received by any FINRA member or independent broker-dealer may not be greater than 8% of the gross proceeds received by the selling stockholders for the sale of any common stock being offered by this prospectus.

In connection with sales of Securities covered hereby, the selling securityholders and any underwriter, broker-dealer or agent and any other participating broker-dealer that executes sales for the selling securityholders may be deemed to be an "underwriter" within the meaning of the Securities Act. Accordingly, any profits realized by the selling securityholders and any compensation earned by such underwriter, broker-dealer or agent may be deemed to be underwriting discounts and commissions. Selling securityholders who are "underwriters" under the Securities Act must deliver this prospectus in the manner required by the Securities Act. This prospectus delivery requirement may be satisfied through the facilities of the NYSE in accordance with Rule 153 under the Securities Act or satisfied in accordance with Rule 174 under the Securities Act.

We and the selling securityholders have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act. In addition, we or the selling securityholders may agree to indemnify any underwriters, broker-dealers and agents against or contribute to any payments the underwriters, broker-dealers or agents may be required to make with respect to, civil liabilities, including liabilities under the Securities Act. Underwriters, broker-dealers and agents and their affiliates are permitted to be customers of, engage in transactions with, or perform services for us and our affiliates or the selling securityholders or their affiliates in the ordinary course of business.

The selling securityholders will be subject to applicable provisions of Regulation M of the Securities Exchange Act of 1934 and the rules and regulations thereunder, which provisions may limit the timing of purchases and sales of any of the Securities by the selling securityholders. Regulation M may also restrict the ability of any person engaged in the distribution of the Securities to engage in market-making activities with respect to the Securities. These restrictions may affect the marketability of such Securities.

In order to comply with applicable securities laws of some states or countries, the Securities may only be sold in those jurisdictions through registered or licensed brokers or dealers and in compliance with applicable laws and regulations. In addition, in certain states or countries the Securities may not be sold unless they have been registered or qualified for sale in the applicable state or country or an exemption from the registration or qualification requirements is available. In addition, any Securities of a selling securityholder covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold in open market transactions under Rule 144 rather than pursuant to this prospectus.

In connection with an offering of Securities under this prospectus, the underwriters may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in an offering. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the securities while an offering is in progress.

The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the underwriters have repurchased securities sold by or for the account of that underwriter in stabilizing or short-covering transactions.

These activities by the underwriters may stabilize, maintain or otherwise affect the market price of the Securities offered under this prospectus. As a result, the price of the Securities may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. These transactions may be effected on the NYSE or another securities exchange or automated quotation system, or in the over-the-counter market or otherwise.
