Although we do provide forecasts for adjusted earnings per share and adjusted cash from operations (both of which are non-GAAP financial measures), we are not able to forecast the most directly comparable measures calculated and presented in accordance with GAAP. Certain elements of the composition of the GAAP amounts are not predictable, making it impractical for us to forecast. Such elements include, but are not limited to restructuring, acquisition charges, and discontinued operations and related cash activity. As a result, no GAAP outlook is provided.
