1 PURPOSE

The Audit Committee (the Committee) assists the Board of Directors of Encore Capital Group, Inc. (Company) in fulfilling its oversight responsibilities by overseeing and reviewing (i) the Company's financial statements provided to stockholders, debt holders, the public, and others, (ii) the Company's system of internal controls regarding finance and accounting, and (iii) the Company's auditing, accounting, and financial reporting process generally, including independent auditors and internal auditors. The Committee will work closely with other committees of the Board of Directors of the Company to ensure related matters are addressed in the appropriate committee.

In meeting its responsibilities, the Committee is expected to:

- serve as an independent and objective party to review the Company's financial reporting process and internal controls system;
- review and appraise the audit activities of the Company's independent auditors and internal auditors; and
- provide an open avenue of communication among the independent auditors, management, and the Board of Directors.

Without limiting the foregoing, and in recognition of the fact that the Company's independent auditors are ultimately accountable to the Committee, the Committee has the sole authority and responsibility to select, evaluate, oversee, determine the compensation of, and where appropriate, replace the independent auditors and/or nominate the independent auditors for stockholder approval, and to resolve disagreements between management and the independent auditor regarding financial reporting issues. The Committee shall consult with management and the Board of Directors, but shall not delegate these responsibilities. The Company's independent auditors shall report directly to the Committee.

The Committee fulfills these responsibilities by carrying out the activities enumerated under the heading "Roles and Responsibilities" in this Charter. In carrying out its responsibilities, the Committee has the authority (i) to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and (ii) to retain independent legal, accounting, and other consultants to advise the Committee, at the Company's expense, as it deems necessary. The Company shall provide for appropriate funding, as determined by the Committee, for the payment of compensation to the Company's independent auditors, consultants, or advisors employed by the Committee and ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

2 SCOPE

This Charter covers all of Encore Capital Group, Inc. and its subsidiaries (Encore) in the U.S. and abroad.

3 POLICY

3.1 Membership

The Committee shall be appointed by the Board of Directors and shall be comprised of three (3) or more directors as determined by the Board of Directors, each of whom shall be an independent director (as defined by all applicable NASDAQ and SEC rules and regulations) and each of whom is free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of the director's independent judgment as a member of the Committee.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement or shall become able to do so within a reasonable time after his or her appointment to the Committee. At least one (1) member of the Committee shall qualify as an "audit committee financial expert," as defined in Regulation S-K Item 407(d)(5), and shall also meet the financial experience requirements of NASDAQ. Members of the Committee shall not have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the previous three (3) years.

3.2 Meetings

The Committee shall meet as circumstances require. The Committee may require any officer or employee of the Company or its subsidiaries, the Company's independent auditors and internal auditors, or outside counsel or others to attend its meetings or to meet with any members of, or consultants to, the Committee and to provide pertinent information as necessary. As part of its job to foster open communication, the Committee shall meet with management, the Company's internal auditors, and the Company's independent auditors in separate executive sessions to discuss any matters that the Committee or any of these groups believe should be discussed privately. Minutes will be kept for each Committee meeting.

4 ROLES & RESPONSIBILITIES

While the Committee has the responsibilities and powers set forth in this Charter, the Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing them. The Committee is responsible for overseeing the conduct of these activities and is not expected to audit the Company, to define the scope of any audit, to control the Company's accounting practices, to define the standards to be used in the preparation of the Company's financial statements. Neither is it the duty of the Committee to conduct investigations nor to assure compliance with laws and regulations or the Company's Standards of Business Conduct.

The Committee may rely, without independent verification, on the information provided to it and on the representations made by management, including information that the financial statements have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) and the corresponding reports of the independent auditors prepared in connection with their reviews and audits. Consequently, in carrying out its responsibilities, the Committee

The Chairman of the Committee or any subcommittee of the Committee may represent the entire Committee for the purpose of this review.
3. Review disclosures made to the Committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for Form 10-Ks and 10-Qs about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls, as well as any significant changes in internal controls implemented by management during the most recent reporting period of the Company.
4. Prepare any reports of the Committee required by applicable securities laws or NASDAQ listing requirements or rules to be included in any proxy statements, information statements, or other documents, and approve disclosures required to be included in periodic filings with the Securities and Exchange Commission with respect to audit, audit-related and non-audit services, and reports and attestations regarding internal controls.

All non-audit services permitted pursuant to law to be provided by the independent auditors must be considered and pre-approved by the Committee and such approvals must be disclosed in the Company's applicable periodic public filings. The Committee may delegate to one or more designated members of the Committee who are independent directors of the Company the authority to grant pre-approvals as required by this item, provided that the decisions of any such designated members to whom such authority is delegated will be presented to the full Committee at its scheduled meetings.
