3.1 Options may be granted by the Board to any Eligible Person. If an Eligible Person executes and delivers to the Company a letter agreement substantially in the form of Schedule “A” and thereby agrees to participate in the Plan on the terms and conditions specified by the Company, he or she shall become a Participant in the Plan. The Company shall have no obligation at any time after the delivery of such a letter agreement to a Participant to notify the Participant of the Expiry Date of any Options granted under this Plan.

3.2 The Company may, from time to time, grant an Option to a Participant to acquire Shares in accordance with the Plan. In granting such Option, subject to the provisions hereof, the Company shall designate,

- (a) the maximum number (the “Designated Number”) of Shares which the Participant may purchase under the Option, which number shall be determined by the Company in accordance with Section 5.4 hereof;
- (b) the price (the “Exercise Price”) per Share at which the Participant may purchase his or her Shares under the Option, which price shall be determined by the Company in accordance with Section 3.3 hereof;
- (c) the conditions to be met to establish Vesting Rights attaching to the Option, which may include performance conditions relating to the market price of the Shares; the return on investment to holders of Shares, with or without reference to other comparable companies; the financial performance or results of the Company or business unit thereof; other performance criteria relating to the Company or business unit thereof; ownership of Shares by a Participant; and any other terms and conditions the Company may in its discretion determine with respect to vesting;
- (d) the Expiry Date of the Option, which shall be no later than the date that is seven years after the Date of Grant; and
- (e) with respect to Options granted pursuant to Section 8 hereof, whether the Option is intended to constitute an ISO.

3.3 The Exercise Price in respect of an Option shall be determined by the Company, but shall be not less than the Fair Market Value of the Shares on the Date of Grant of the Option.

3.4 Except as otherwise set out in any written agreement between a Participant and the Company in respect of an Option, and notwithstanding any other provision of this Plan, in the event of a Corporate Transaction, the Board may, in its discretion, permit and authorize the accelerated vesting and early exercise of all or any portion of the then outstanding Options in connection with the Completion of the Corporate Transaction. Whether or not the Board determines to accelerate the vesting of any Options, the Company shall give written notice of any proposed Corporate Transaction to each Optionee. Upon the giving of any such notice, the Optionees shall be entitled to

exercise, at any time within the 14-day period following the giving of such notice, all or a portion of those Options granted to such Optionees which are then vested and exercisable in accordance with their terms, as well as any unvested Options which the Board has determined shall be immediately vested and exercisable in connection with the Completion of such Corporate Transaction. Unless the Board determines otherwise (in its discretion), upon the expiration of such 14-day period, all rights of the Optionees to exercise any outstanding Options, whether vested or unvested, shall terminate and all such Options shall immediately expire and cease to have any further force or effect, subject to the completion of the relevant Corporate Transaction.

3.5 The Board or the Committee, as the case may be, may, in its sole discretion and subject to such conditions as the Board or Committee considers appropriate, at any time after the Date of Grant of an Option, determine the acceleration, if any, of the vesting provisions for any Option and permit an Optionee to exercise any or all of the unvested Options then outstanding and granted to the Optionee under this Plan, in which event all such unvested Options then outstanding and granted to the Optionee shall be deemed to be immediately exercisable during such period of time as may be specified by the Board or the Committee.

3.6 If a Participant should die and the circumstances specified in Section 3.7 had not occurred in relation to such Participant and such Participant, at the time of his or her death, held an Option(s) in respect of which the Expiry Time had not then occurred, then in the case of each Option so held by the deceased Participant which had vested and was exercisable with respect to some or all of the Shares forming the subject matter thereof as at the date of the death of the deceased Participant, the legal representatives of the deceased Participant shall be entitled to send a notice in writing (an "Exercise Notice") to the Company advising that they wish to exercise such Option which notice, to be effective, must be actually received by the Company by no later than the Exercise Notice Deadline and must specify the number of Shares in respect of which such Option is wished to be exercised (provided that such exercise can only be in respect of up to that number of Shares that the deceased Participant could have exercised such Option as at the date of his or her death), accompanied by a certified cheque or other means of cash payment satisfactory to the Company in the amount of the aggregate Exercise Price for such number of Shares. In the event that:

- (a) an effective Exercise Notice is actually received by the Company by no later than the Exercise Notice Deadline, then the Company shall issue to the estate of the deceased Participant that number of Shares as were specified in the Exercise Notice (provided that the maximum number of Shares which can be issued shall not exceed that number of Shares for which the deceased Participant could have exercised such Option as at the date of his or her death), which issuance shall occur as soon as practicable thereafter. If the Exercise Notice so received is in respect of less than the maximum number of Shares for which the deceased Participant could have exercised such Option as at the date of his or her death, such Option shall in all respects terminate and be of no further force or effect as to such of the Shares in respect of which such Option has not been exercised pursuant to the Exercise Notice; and
 - (b) an effective Exercise Notice is not actually received by the Company by the Exercise Notice Deadline, such Option shall in all respects terminate and be of no further force or effect.
- 3.7 (a) Except as otherwise provided in Section 3.6 or Subsection 3.7(b) or in a written agreement with the Company and approved by the Board, if a Participant's Continuous Service shall terminate then (A) any Option granted to such Participant under the Plan that has not vested shall in all respects terminate and be of no further force or effect immediately after such termination of Continuous Service (and without the requirement for any further act or formality including, without limitation, the giving of any notices) and (B) immediately after the earlier of 5:00 p.m. (Toronto time) on the 30th day following the date of the occurrence of any such resignation, discharge, removal or termination other than by reason of death as contemplated in Section 3.6 (and without the requirement for any further act or formality including, without limitation, the giving of any notices) and the Expiry Time, each and every Option granted to such Participant under the Plan that has not been exercised by said time shall in all respects immediately terminate and be of no further force or effect.

- (b) Except as otherwise provided in a written agreement with the Company, and approved by the Board, if a Participant:
- (i) is discharged or terminated as an employee or officer of the Company or an Affiliate of the Company for cause; or
 - (ii) is removed as a director of the Company by action of the Board or the shareholders of the Company; or
 - (iii) is removed as a director of an Affiliate of the Company by action of the board of directors of the Affiliate or the shareholders of the Affiliate; or
 - (iv) was engaged as a Service Provider and is not an employee or director or officer of the Company or an Affiliate of the Company, and the engagement is terminated by the Company or an Affiliate of the Company for cause or breach of duty,

immediately upon the occurrence of any such discharge, removal or termination other than by reason of death as contemplated in Section 3.6 (and without the requirement of any further act or formality including, without limitation, the giving of any notices), each and every Option granted to such Participant under the Plan that had not been exercised prior to such occurrence shall in all respects immediately terminate and be of no further force or effect as to Shares in respect of such Options, regardless of whether or not such Option had vested with respect to such Shares.

For greater certainty, the Company shall in its sole and absolute discretion determine whether “cause” or a “breach of duty” exists with respect to a discharge or termination.

3.8 If the Participant is an Employee Corporation, the references to the Participant in Sections 3.6 and 3.7 shall be deemed to refer to the Eligible Individual associated with the Employee Corporation.

3.9 Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect the employment or engagement of any Eligible Person with the Company or an Affiliate of the Company.

3.10 The Company shall in its sole discretion, subject only to the terms of this Plan, determine the terms of all Options.

3.11 An Option is personal to the Optionee and non-assignable (whether by operation of law or otherwise), except as provided for herein. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of an Option contrary to the provisions of the Plan, or upon the levy of any attachment or similar process upon an Option, the Option shall, at the election of the Company, cease and terminate and be of no further force or effect whatsoever.

3.12 Notwithstanding Sections 3.11 and 10.5, Options may be transferred or assigned between an Eligible Individual and the related Employee Corporation provided the assignor delivers notice to the Company prior to the assignment and the Board or the Committee approves such assignment.

4. EXERCISE OF PARTICIPANTS' OPTIONS

4.1 Subject to earlier termination as provided for in Sections 3.6 and 3.7, a Participant's Option shall terminate and may not be exercised after the Expiry Date.

4.2 Other than as provided for in Sections 3.4, 3.6, and 3.7, the exercise of an Option under the Plan shall be made by submitting to the Company a notice substantially similar to that attached as Schedule “B”, specifying and subscribing for the number of Shares in respect of which the Option is being exercised at that time and

accompanied by a certified cheque or other means of cash payment satisfactory to the Company in the amount of the aggregate Exercise Price for such number of Shares.

4.3 At the discretion of the Company, an Option granted under the Plan may have connected therewith, at or after the time of grant, a number of stock appreciation rights (a "SAR" or "SARs") equal to the Designated Number of Shares in respect of the Option. Each such SAR in respect of a Share shall entitle the Participant to surrender to the Company, unexercised, the right to subscribe for such Share pursuant to the related Option and to receive from the Company cash in an amount equal to the excess of the Fair Market Value at the time of exercise of the SAR over the Exercise Price of the related Option. Upon exercise of a SAR in respect of a Share covered by a related Option, that Option in respect of such Share shall immediately cease and terminate and be of no further force or effect. Unexercised SARs shall terminate when the related Option is exercised or the Option terminates.

4.4 Upon the exercise of any Option, the Company shall have the right to require the Participant to remit to the Company, in addition to the Exercise Price, an amount sufficient to satisfy all federal, provincial, state and local withholding tax requirements, if any, prior to the issuance of the Shares. The Company shall also have the right in its discretion to satisfy any such withholding tax liability by retaining any Shares which would otherwise be issued to a Participant hereunder.

4.5 Upon the disposition of any Shares acquired through the exercise of an Option, the Company shall have the right to require the Participant to remit to the Company an amount sufficient to satisfy all federal, provincial, state and local withholding tax requirements, if any, as a condition to the registration of the transfer of such Shares on its books.

4.6 A term of grant of each Option shall be that if the holder is requested in writing by the Company and the lead underwriters for a proposed public offering of securities of the Company, the holder shall not (as evidenced by such form as may be reasonably requested) sell or otherwise dispose of or enter into a transaction providing the economic consequences of a sale in respect of any Shares acquired or that may be acquired pursuant to the exercise of the Option without the prior written consent of such underwriters, for a period not to exceed 180 days following the closing of such public offering.

5. MAXIMUM NUMBER OF SHARES TO BE ISSUED UNDER THE PLAN; PER PARTICIPANT LIMITATIONS

5.1 The maximum number of Shares that may be issued by the Company to Participants pursuant to Options granted and outstanding under this Plan and other Share Compensation Arrangements is 10% of the issued and outstanding common shares of the Company on the date of grant.

5.2 Following completion of a Qualified IPO, no Options shall be granted to any Optionee if the total number of Shares issuable to such Optionee under this Plan, together with any Shares reserved for issuance to such Optionee under options for services or any other stock option plans, would exceed 5% of the issued and outstanding Shares.

5.3 Notwithstanding any of the other provisions of this Plan, following completion of a Qualified IPO, no Options shall be granted to any Optionee if such grant could result, at any time, in:

- (a) the aggregate number of Shares issuable to Insiders at any time and issued to Insiders within the one-year period prior to such time pursuant to Options or other Share Compensation Arrangements exceeding 10% of the issued and outstanding Shares;
- (b) the aggregate number of Shares reserved for issuance pursuant to Options granted under this Plan or any other stock option plan to Non-Executive Directors exceeding 0.5% of the issued and outstanding Shares; and

- (c) the issuance to any one Insider and such Insider's Associates, within a one-year period, pursuant to Options or other Share Compensation Arrangements of an aggregate number of Shares exceeding 5% of the issued and outstanding Shares.

5.4 At no time during any calendar year shall the aggregate Fair Market Value (determined as of the time of grant) of the Shares with respect to which Options are exercisable by a Participant who is a Non-Executive Director under the Plan or other Share Compensation Arrangements exceed \$100,000.

5.5 If any Option is terminated, cancelled or has expired without being fully exercised, any unissued Shares which have been reserved to be issued upon the exercise of the Option shall become available to be issued upon the exercise of Options subsequently granted under the Plan, provided that any such termination or cancellation of Options shall be conducted in accordance with the applicable rules of any stock exchange upon which the Shares of the Company are listed. Upon exercise of any Option the Shares which had been reserved to be issued pursuant to that Option shall become available to be issued upon the exercise of Options subsequently granted under the Plan.

6. ANTI-DILUTION

6.1 In the event that the Shares are at any time changed or affected as a result of the declaration of a stock dividend or other distribution thereon or their subdivision or consolidation, the number of Shares reserved for issuance under this Plan shall be adjusted accordingly by the Board or the Committee to such extent as they deem proper in their discretion. In such event, the number of, and the price payable for, any Shares that are then subject to Option may also be adjusted by the Board or the Committee to such extent, if any, as they deem proper in their discretion.

Subject to Section 3.4, if at any time after the grant of an Option and prior to the expiration of the term of such Option, the Shares shall be reclassified, reorganized or otherwise changed, otherwise than as specified in the preceding paragraph, or the Company shall merge, combine, enter into a plan of arrangement or amalgamate with or into another corporation (the corporation resulting or continuing from such merger, combination, plan of arrangement or amalgamation being herein called the "Successor Corporation"), the Optionee shall be entitled to receive upon the subsequent exercise of his or her Option in accordance with the terms hereof and shall accept in lieu of the number of Shares to which he or she was theretofore entitled upon such exercise but for the same aggregate consideration payable therefor, the aggregate number of shares of the appropriate class and/or other securities of the Company or the Successor Corporation (as the case may be) and/or other consideration from the Company or the Successor Corporation (as the case may be) that the Optionee would have been entitled to receive as a result of such reclassification, reorganization or other change or, of such merger, combination, arrangement or amalgamation, if on the record date or effective date (as the case may be) of such reclassification, reorganization or other change or such merger, combination, plan of arrangement or amalgamation (as the case may be) he or she had been the registered holder of the number of Shares to which he or she was theretofore entitled upon such exercise.

6.2 The Company shall not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Share that would, except for the provisions of this Section 6.2, be deliverable upon the exercise of any Option shall be cancelled and not be deliverable by the Company.

7. ACCOUNTS AND STATEMENTS

7.1 The Company shall maintain records of the details of each Option granted to each Participant under the Plan, including the Date of Grant, the Designated Number, the Exercise Price of each Option, the Vesting Rights, the Expiry Date, the number of Shares in respect of which the Option has been exercised and the maximum number of Shares which the Participant may still purchase under the Option, which records shall, absent manifest error, be considered conclusively determinative of all information contained therein. Upon request therefor from a Participant and at such other times as the Company shall determine, the Company shall furnish the Participant with a statement setting forth the details of his Options. Subject to the first sentence of this Section 7.1, such statement shall be

deemed to have been accepted by the Participant as correct unless written notice to the contrary is provided to the Company within 30 days after such statement is given to the Participant. For greater certainty, in the event of any discrepancy between the records of the Company and any statement provided to a Participant pursuant to this section 7.1, the records of the Company shall govern and the rights and obligations of the Company and the Participant shall be determined on the basis of such records.

8. OPTIONS GRANTED TO US RESIDENTS OR CITIZENS

8.1 Any Option granted under this Plan to a Participant who is a citizen or resident of the United States (including its territories, possessions and all areas subject to the jurisdiction) (a "U.S. Optionee") may be an incentive stock option (an "ISO") within the meaning of Section 422 of the Code, but only if so designated by the Company in the agreement evidencing such Option. No provision of this Plan, as it may be applied to a US Optionee, shall be construed so as to be inconsistent with any provision of Section 422 of the Code. Grants of Options to US Optionees which are not ISO's may be granted pursuant to Section 3 hereof. Notwithstanding anything in this Plan contained to the contrary, the following provisions shall apply to ISO's granted to each US Optionee:

- (a) ISO's shall only be granted to US Optionees who are employees at the time of grant;
- (b) the aggregate Fair Market Value (determined as of the time an ISO is granted) of the Shares subject to ISO's exercisable for the first time by a US Optionee during any calendar year under this Plan and all other equity plans, within the meaning of Section 422 of the Code, of the Company shall not exceed One Hundred Thousand Dollars in US funds (US \$100,000); provided that options for Shares which exceed such aggregate Fair Market Value shall not be void, but shall instead be options which are granted under Section 3 hereof and are not ISOs;
- (c) the Exercise Price for Shares under each ISO granted to a US Optionee pursuant to this Plan shall be not less than the Fair Market Value of such Shares at the time the Option is granted;
- (d) if any US Optionee to whom an ISO is to be granted under the Plan at the time of the grant of such ISO is the owner of shares possessing more than ten percent (10%) of the total combined voting power of all classes of shares of the Company, then the following special provisions shall be applicable to the ISO granted to such individual:
 - (i) the Exercise Price (per Share) subject to such ISO shall not be less than one hundred ten percent (110%) of the Fair Market Value of one Share at the time of grant; and
 - (ii) for the purposes of this Section 8.1 only, the option exercise period shall not exceed five (5) years from the Date of Grant; and
- (e) no Option may be granted hereunder to a US Optionee following the expiration of ten (10) years after the date on which this Plan is adopted by the Company or the date on which the Plan is approved by the shareholders of the Company, whichever is earlier.

8.2 The maximum number of ISOs that may be issued under this Plan is 750,000, subject to adjustment in accordance with Section 6.1, *mutatis mutandis*.
