^(a) The trailing 12 months ended February 3, 2018 consisted of 53 weeks compared with 52 weeks in the comparable prior periods.

^(b) Beginning with the first quarter 2018, we adopted the new accounting standards for revenue recognition, leases, and pensions. We are presenting certain prior period results on a basis consistent with the new standards and conformed to the current period presentation. We provided additional information about the impact of the new accounting standards on previously reported financial information in a Form 8-K filed on May 11, 2018.

^(c) Represents the add-back to operating income to reflect the hypothetical interest expense we would incur if the property under our operating leases were owned or accounted for as capital leases. Calculated using the discount rate for each lease and recorded as a component of rent expense within SG&A expense on our Consolidated Statements of Operations.

^(d) Calculated using the effective tax rate for continuing operations.

^(e) The effective tax rate for both the trailing twelve months ended May 5, 2018, and February 3, 2018, includes \$342 million of discrete tax benefits of the Tax Cuts and Jobs Act (Tax Act). The effective tax rate for these periods also includes the impact of the new lower federal income tax rate.

^(f) Total short-term and long-term operating lease liabilities included within Accrued and Other Current Liabilities and Noncurrent Operating Lease Liabilities on the Consolidated Statements of Financial Position.

^(g) Included in Other Assets and Liabilities on the Consolidated Statements of Financial Position.

^(h) Average based on the invested capital at the end of the current period and the invested capital at the end of the prior period.

⁽ⁱ⁾ Adoption of the new lease standard reduced ROIC by 0.2-0.5 percentage points for periods presented.

^(j) Additional information as previously reported is available under "summary financials/archives" on investors.target.com.
