QUESTIONS AND ANSWERS

FEBRUARY 8, 2018

FORWARD-LOOKING STATEMENTS AND NON-GAAP MEASURES

Certain of the statements included in this presentation constitute forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Words such as “expects,” “believes,” “anticipates,” “includes,” “plans,” “assumes,” “estimates,” “projects,” “intends,” “should,” “will,” “shall,” or variations of such words are generally part of forward-looking statements. Forward-looking statements are made based on management’s current expectations and beliefs concerning future developments and their potential effects upon Prudential Financial, Inc. and its subsidiaries. Prudential Financial, Inc.’s actual results may differ, possibly materially, from expectations or estimates reflected in such forward-looking statements. Certain important factors that could cause actual results to differ, possibly materially, from expectations or estimates reflected in such forward-looking statements can be found in the “Risk Factors” and “Forward-Looking Statements” sections included in Prudential Financial, Inc.’s Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. Prudential Financial, Inc. does not undertake to update any particular forward-looking statement included in this presentation. Information in this presentation regarding the impact of the Tax Act on Prudential Financial, Inc.’s results of operations and financial condition consists of estimates. These estimates are forward-looking statements based on current interpretations and expectations and may change, possibly materially, due to, among other things, changes in interpretations and assumptions made by Prudential Financial, Inc., additional guidance that may be issued by the U.S. Department of Treasury and actions that Prudential Financial, Inc. may take. The 2018 expected adjusted operating income effective tax rate included in this presentation reflects the estimated impact of the Tax Act on the 2018 effective tax rate included in Prudential Financial, Inc.’s 2018 Financial Outlook presentation and the related Current Report on Form 8-K dated December 14, 2017. Apart from the tax rate, Prudential Financial, Inc. is not updating or reaffirming the expectations or assumptions presented in its 2018 Financial Outlook as of such date.

This presentation also includes references to adjusted operating income and adjusted book value, as well as operating return on average equity, which is based on adjusted operating income and adjusted book value. Consolidated adjusted operating income and adjusted book value are not calculated based on accounting principles generally accepted in the United States of America (GAAP). For additional information about adjusted operating income, adjusted book value and the comparable GAAP measures, including a reconciliation between the comparable measures, please refer to our quarterly results news releases, which are available on our Web site at www.investor.prudential.com. Reconciliations are also included as part of this presentation.

TREND CONSIDERATIONS

“Trend considerations” represent the approximate impact on results attributable to variances from the Company’s long-term average expectations for the items described below and for the period indicated. These items, where significant, are individually identified for the respective periods in the Company’s earnings releases, available at www.investor.prudential.com. Trend considerations for the reporting periods shown herein include variances as applicable, for the following items, organized by business unit:

- *Individual Annuities*: earnings from non-coupon investments and prepayment fees;
- *Individual Life*: claims experience (including mortality, reserve updates and related amortization), earnings from non-coupon investments and prepayment fees, and updates and refinements of reserves and related items;
- *Retirement*: earnings from non-coupon investments and prepayment fees, and case experience;
- *Group Insurance*: earnings from non-coupon investments and prepayment fees, claims experience, and reserve and premium refinements;
- *Life Planner Operations*: earnings from non-coupon investments and prepayment fees, claims experience and higher than typical expenses where significant; and
- *Gibraltar Life & Other Operations*: earnings from non-coupon investments and prepayment fees, and claims experience.

The Company chooses to highlight the impact of these items because it believes their contribution to results in a given period may not be indicative of future performance. These trend considerations do not include seasonality impacts or quarterly expense patterns and may not encompass all items that could affect earnings trends. Average expectations used for comparison herein are those in effect for the respective periods shown at the time of original reporting and are not adjusted for subsequent changes in the Company’s expectations.

Prudential Financial, Inc. of the United States is not affiliated with Prudential plc which is headquartered in the United Kingdom.
