*Although we provide forecasts for adjusted earnings per share and adjusted cash from operations (both of which are non-GAAP financial measures), we are not able to forecast the most directly comparable measures calculated and presented in accordance with GAAP. Certain elements of the composition of the GAAP amounts are not predictable, making it impractical for us to forecast. Such elements include, but are not limited to restructuring, acquisition charges, and discontinued operations and related cash activity. As a result, no GAAP outlook is provided.*

*Safe Harbor Statement under the Private Securities Act of 1995: Statements in this Outlook Statement that are forward-looking statements are subject to various risks and uncertainties concerning specific factors described in FMC Corporation's 2017 Form 10-K and other SEC filings. Such information contained herein represents management's best judgment as of the date hereof based on information currently available. This outlook represented the views of the company on the date of its original issuance and does not necessarily represent the views of the company as of any subsequent date. FMC Corporation does not undertake any duty to update this information more than once a quarter and disclaims any legal obligation to the contrary. Historical information is not necessarily indicative of future performance.*
