N/A Not applicable

NM Not meaningful

(a) Net debt is defined as total debt less cash and cash equivalents.

(b) Depreciation and amortization expense for PE Films in 2015, 2016 and 2017 includes accelerated depreciation related to the consolidation of North American manufacturing facilities. Accelerated depreciation was excluded from operating profit from ongoing operations. The Company recognized \$212 and \$144 for the three months ended September 30, 2015 and December 31, 2015, respectively, and \$102, \$115, \$135 and \$264 for the three months ended March 31, 2016, June 30, 2016, September 30, 2016 and December 31, 2016, respectively, and \$151, \$69 and \$46 for the three months ended March 31, 2017, June 30, 2017 and September 30, 2017, respectively.

(c) Tredegar's presentation of income (loss) and earnings (loss) per share from ongoing operations are non-GAAP financial measures that exclude the after-tax effects of gains or losses associated with plant shutdowns, asset impairments and restructurings, gains or losses from sale of assets; investment write-downs or write-ups and other items, and a goodwill impairment, which have been presented separately and removed from net income (loss) and earnings (loss) per share as reported under GAAP. Income (loss) and earnings (loss) per share from ongoing operations are used by management to gauge the operating performance of Tredegar's ongoing operations. They are not intended to represent the stand-alone results for Tredegar's ongoing operations under GAAP and should not be considered as an alternative to net income (loss) or earnings (loss) per share as defined by GAAP. They exclude items that we believe do not relate to Tredegar's ongoing operations.

(d) Excludes volume for Futura, which was acquired on February 15, 2017.

(e) Due to rounding, numbers presented throughout this worksheet may not add up precisely to the totals provided.
