

SECOND QUARTER 2018

FINANCIAL AND OPERATIONAL RESULTS

FORWARD LOOKING STATEMENTS

Forward-looking statements in this presentation, including statements regarding demand, product development and capital expenditure plans and timing of those plans, acquisition, expansion and modernization plans and our expectations with respect to the costs and benefits of those plans and timing of those benefits, production levels, share repurchases, and our future revenue, price levels, earnings, cash flow, tax rates and other financial metrics, are subject to risks that could cause actual results to differ materially from those suggested by the statements. These risks include, but are not limited to, adverse developments in the agricultural industry, including those resulting from weather, commodity prices, and changes in product demand, the possible failure by us to develop new and improved products on time, within budget and with the expected performance and price benefits, introduction of new or improved products by our competitors and reductions in pricing by them, difficulties in integrating acquired businesses and in completing expansion and modernization plans on time and in a manner that produces the expected financial results, and adverse changes in the financial and foreign exchange markets. Further information concerning these and other risks is included in AGCO's filings with the SEC, including its Form 10-K for the year ended December 31, 2017. AGCO disclaims any obligation to update any forward-looking statements except as required by law.
