The Audit Committee Charter is posted on the Company's investor website.

Item 11. Executive Compensation**Compensation Discussion and Analysis****Overview**

The Compensation Committee of our Board of Directors (the “Committee”) has developed and implemented compensation policies, plans and programs that seek to enhance our profitability, and thus stockholder value, by aligning the financial interests of our senior management with those of our stockholders. Our compensation arrangements are designed to attract and retain corporate officers and other key employees and to motivate them to perform to the full extent of their abilities, in the best long-term interests of our stockholders.

Composition of the Committee

The Committee currently consists of Mr. Arnaud Ajdler, *Chair*, Mr. Barry Erdos, Mr. Joseph A. Goldblum, Mr. David Schlessinger and Mr. B. Allen Weinstein. None of these individuals has ever been an officer or employee of the Company. Each member of the Committee is considered to be an “independent director” under Nasdaq rules and the rules of the SEC. The Report of the Compensation Committee is set forth below after this “Compensation Discussion and Analysis” section.

The Committee meets at least once annually regarding compensation decisions. In fiscal year 2010 the Committee met seven times.

Significant Actions Taken

Significant actions taken by the Committee during fiscal year 2010 and thereafter include the following:

- (1) Approval of a Letter Agreement with Rebecca C. Matthias in connection with her retirement at the end of fiscal year 2010;
- (2) Approval of an Agreement to provide severance benefits to the Company’s Chief Merchandising Officer, Lisa Hendrickson, in the event that her employment is involuntarily terminated in connection with a change in control of the Company; and
- (3) Establishment of special bonus arrangements for Ms. Hendrickson and the Company’s Senior Vice President & Chief Financial Officer, Judd P. Tirnauer.

In addition to a discussion of our compensation philosophy in general, the following discussion highlights these specific decisions.

Total Compensation and Allocation Between Compensation Elements

Both the total amount of compensation paid to our named executive officers and the portion of total compensation represented by each element of compensation have been determined by the Committee with reference to the individual capabilities, contributions and strategic importance of each executive officer. The Committee members apply their independent judgment and experience in making these subjective determinations.

Other significant factors that may be considered by the Committee include the executive’s experience and expertise, the pay levels for peers within the Company, the pay levels in the marketplace for similar positions and our performance as a whole. In evaluating these considerations, the Committee may from time to time seek the input of an independent compensation consultant (although no consultant was used during fiscal year 2010).

Benchmarking

As noted above, one reason the Committee may retain an independent consultant is to evaluate compensation decisions in the context of similar decisions made by other companies in our industry. In that case, we look to the consultant to help us identify these “peer” companies. The Hay Group identified the following companies as our “peers” in fiscal year 2007:

Aeropostale, Inc.	dELiA’s Inc.
BEBE	Dress Barn, Inc.
Cache	Guess, Inc.
Casual Male Retail Group, Inc.	Gymboree
Cato Corporation	J. Crew Group, Inc.
Charlotte Russe Holding, Inc.	Jos. A. Bank Clothiers, Inc.
Chico’s FAS	New York & Co., Inc.
Christopher & Banks Corp.	Tween Brands
Coldwater Creek, Inc.	United Retail Group, Inc.
DEB Shops, Inc.	Wet Seal, Inc.

The Committee continues to believe that these companies represent an appropriate peer group (excluding those companies that are no longer publicly held) and from time to time will examine publicly disclosed pay practices of these companies when evaluating proposed changes in the compensation of our executives.

Participation of Management in the Compensation Process

Mr. Krell was consulted regularly by the Committee in fiscal year 2010 with respect to compensation decisions regarding, and the individual performance of, named executive officers other than himself. While his input in such matters is afforded great weight, the ultimate decision on all named executive officer compensation matters was made only by the Committee or the Board of Directors. The individual performance of Mr. Krell was evaluated by the Committee and the Board of Directors, without input from any manager.

At the request of the Committee, management assembles and distributes to the Committee, in advance of its meeting or meetings, information requested by the Committee to assist the Committee in its compensation decisions. Such information may include corporate financial data, historical compensation data (for us or members of our peer group) and information regarding the accounting, tax or legal consequences of proposed compensation arrangements, as prepared by internal personnel or external advisors.

Effect of Historical Contractual Arrangements

The Committee’s compensation decisions are made in light of our current and foreseeable future circumstances and with an eye toward conformity with perceived “best practices.” However, the Committee’s approach to compensation is also influenced by our existing contractual commitments to named executive officers, some of which originated many years ago. When appropriate and practicable, the Committee will negotiate with named executive officers to update such “legacy” commitments to reflect changed circumstances or evolving commercial practices.

Elements of Compensation

The principal elements of our named executive officers’ compensation are: (1) base salary, (2) annual cash bonuses, (3) special or discretionary cash bonuses, (4) equity-based incentives, and (5) severance and change in control benefits.

Base Salary: The base salary of each named executive officer constitutes compensation for discharging such named executive officer’s job responsibilities and is intended to achieve comparability with the base salaries of senior executives at similar companies holding comparable positions, taking into account such factors as the individual executive’s experience, tenure and alternative employment opportunities.

Individual salary adjustments also take into account individual performance contributions for the year, as well as sustained performance contributions over a number of years and significant changes in responsibilities, if any. The assessment of individual performance is subjective and is not intended to correlate to specific corporate performance measures.

The Committee's decisions regarding fiscal year 2009 and 2010 salary increases are reflected below:

<u>Executive Officer</u>	<u>Fiscal Year 2009 Base Salary Rate</u>	<u>Fiscal Year 2010 Base Salary Rate</u>
Edward M. Krell—Chief Executive Officer & President	\$ 650,000	\$ 650,000
Lisa Hendrickson—Chief Merchandising Officer	\$ 433,768	\$ 433,768
Judd P. Tirnauer—Senior Vice President & Chief Financial Officer	\$ 325,000	\$ 331,500
Rebecca C. Matthias—Former Chief Creative Officer	\$ 571,731	\$ 438,327 (1)

- (1) Pursuant to the Letter Agreement with Ms. Matthias regarding her retirement at the end of fiscal year 2010 (described below), Ms. Matthias served the Company in a part-time capacity from June 15, 2010 through September 30, 2010 and earned (i) a base salary at an annualized rate of \$571,731 (unchanged from fiscal year 2009) through June 15, 2010; and (ii) a base salary at an annualized rate of \$114,346 (20% of her full time equivalent pay) from June 16, 2010 to September 30, 2010. Thus, the total amount of base salary Ms. Matthias earned during fiscal year 2010 was \$438,327.

Mr. Tirnauer's base salary increase for fiscal year 2010 was 2% and was intended to approximate changes in the cost of living since the date of his last salary increase in July 2008.

The base salary rates for Mr. Krell, Ms. Hendrickson and Ms. Matthias were not changed by the Committee during fiscal year 2010.

The Committee has not yet made any determinations as to fiscal year 2011 salary increases for named executive officers.

Annual Bonuses: We pay annual bonuses in cash based on our achievement of corporate performance goals established by the Committee, with input from senior management. The target amount for each executive's annual bonus is expressed as a percentage of the executive's base salary and is reflected in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards." The percentage is based primarily on the executive's level of responsibility (and, therefore, his or her ability to influence our business results). For each named executive officer, the target percentages were established contractually in their respective Employment Agreements (or, in the case of Ms. Hendrickson, in her Letter Agreement). As illustrated in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards," each executive's actual bonus payment may be lower or higher than the target amount, based on actual corporate performance relative to the specified goals. In determining the amount of the annual bonus payable to an executive when the applicable performance goals have been met, the Committee may exercise negative discretion to reduce the amount of such annual bonus to ensure that the amount ultimately paid is commensurate with the executive's contribution to the Company's performance.

The Committee has utilized this same annual bonus approach for several years, and the arrangement is codified as our "Management Incentive Program." The terms of the Management Incentive Program are described in greater detail in the Proxy Statement for our January 19, 2007 annual meeting of stockholders.

For fiscal years 2009 and 2010, the Committee continued to use "Adjusted EBITDA" as the relevant performance metric for annual bonus purposes because it believes that continued profitability will be the key driver to increase stockholder value. For this purpose "Adjusted EBITDA" represents earnings before interest,

taxes, depreciation and amortization, adjusted to exclude: (i) loss on impairment of tangible or intangible assets; (ii) gain or loss on disposal of assets; (iii) gain or loss from the early extinguishment, redemption or repurchase of debt, (iv) stock-based compensation expense and (v) the impact of any changes to accounting principles that become effective during the relevant year. In addition, for fiscal year 2011, Adjusted EBITDA will exclude any expenses incurred by the Company in connection with certain extraordinary, unusual or infrequently occurring events reported in the Company's public filings.

Fiscal Year 2010 Bonuses: With respect to fiscal year 2010 bonuses for named executive officers under the Management Incentive Program, on December 22, 2009 the Committee established that the level of Adjusted EBITDA which would have yielded 100% of target bonus was \$43.9 million and that the level of Adjusted EBITDA which would have yielded the maximum bonus payment (200% of target bonus) was \$50.0 million. In November 2010, the Committee determined that the Company's Adjusted EBITDA for fiscal year 2010 was approximately \$48.3 million (10.1% above the target level for Adjusted EBITDA and 24.7% above the Company's actual Adjusted EBITDA for the 2009 fiscal year of approximately \$38.8 million). Based on the performance goals established by the Committee for fiscal year 2010, the Committee determined that the Company's Adjusted EBITDA for such fiscal year resulted in payment of 172.8% of target bonus under the Management Incentive Program. Pursuant to this determination the Committee determined that the following cash bonuses were payable to the following named executive officers of the Company under the Management Incentive Program: (a) Edward M. Krell, Chief Executive Officer & President: \$1,123,200 (or 172.8% of Mr. Krell's target bonus, which target bonus is equal to 100% of Mr. Krell's fiscal year 2010 base salary of \$650,000); (b) Judd P. Tirnauer, Senior Vice President & Chief Financial Officer: \$286,416 (or 172.8% of Mr. Tirnauer's target bonus, which target bonus is equal to 50% of Mr. Tirnauer's fiscal year 2010 base salary of \$331,500) and (c) Rebecca C. Matthias, former President & Chief Creative Officer: \$757,429 (or 172.8% of Ms. Matthias' target bonus, which target bonus was equal to 100% of the base salary of \$438,327 actually paid to Ms. Matthias for fiscal year 2010). The Committee, with the advice of Mr. Krell, determined that Ms. Hendrickson would not be paid a bonus under the Management Incentive Program for fiscal year 2010, despite the achievement of the performance metric. However, the Committee did authorize the payment of a \$216,884 bonus to Ms. Hendrickson in December 2010 in satisfaction of, and subject to the terms of, the special bonus opportunity granted to Ms. Hendrickson in November 2009 (see below description under *Discretionary or Special Bonuses*).

Fiscal Year 2011 Bonuses: With respect to fiscal year 2011 bonuses for named executive officers under the Management Incentive Program, on December 28, 2010 the Committee established that the level of Adjusted EBITDA which would yield 100% of target bonus is \$59.3 million (a 22.7% increase from fiscal year 2010 Adjusted EBITDA) and that the level of Adjusted EBITDA which would yield the maximum bonus payment (200% of target bonus) is \$66.0 million (a 36.5% increase from fiscal year 2010 Adjusted EBITDA).

Discretionary or Special Bonuses: In addition to maintaining an annual bonus program with payments tied to the achievement of pre-established corporate performance goals, the Committee may also authorize the payment of additional cash bonuses on a discretionary or special basis, to reward extraordinary corporate and/or individual accomplishments or to accomplish specific recruitment or retention objectives.

In anticipation of Ms. Matthias' retirement at the end of fiscal year 2010 and given the Committee's determination of Ms. Hendrickson's value to the Company, the Committee determined that encouraging Ms. Hendrickson's continued service through and beyond the end of fiscal year 2010 is an important objective. Therefore, the Committee established an opportunity for Ms. Hendrickson to earn a special bonus of \$216,884 (50% of her base salary) if she remained continuously employed by the Company through December 15, 2010. The special bonus would also be paid to Ms. Hendrickson if her employment was terminated by the Company without cause prior to December 15, 2010. Ms. Hendrickson earned and was paid this bonus in December 2010.

In November 2010, given the Committee's determination of Ms. Hendrickson's and Mr. Tirnauer's value to the Company, the Committee also established an opportunity for Ms. Hendrickson to earn a special cash bonus of

\$100,000 and for Mr. Tirnauer to earn a special cash bonus of \$45,084. Each of Ms. Hendrickson and Mr. Tirnauer will be paid his or her respective special bonus on December 10, 2011 if he or she remains continuously employed by the Company through December 10, 2011. These special bonuses will in either case also be paid if the recipient's employment is terminated by the Company without cause prior to December 10, 2011.

Equity-Based Incentives: The Committee makes equity incentive awards annually. Annual equity awards are generally issued after the completion of the applicable fiscal year and, once issued, are retained only if specified service-based vesting requirements are also satisfied, subject to accelerated vesting in certain circumstances. The Committee believes the service-based vesting condition encourages management retention and the use of stock as the form of payment rewards the creation of only sustained stockholder value.

In January 2010, the Committee made the following equity awards to named executive officers: (a) Mr. Krell was granted stock options with respect to 30,000 shares; (b) Ms. Hendrickson was granted stock options with respect to 10,000 shares; and (c) Mr. Tirnauer was granted stock options with respect to 20,000 shares. The size of these equity awards was determined by the Committee after a review of fiscal year 2009 performance (and, with respect to Ms. Hendrickson and Mr. Tirnauer, after consultation with Mr. Krell regarding each executive's performance in fiscal year 2009) and taking into consideration the grantees' other compensation, the value of our shares on the date of grant and the Committee's subjective judgment regarding the size of award necessary to strongly encourage both the retention of the grantees and their continued efforts on our behalf.

The above awards are all subject to conventional service-based vesting over five years and an additional vesting requirement that our stock achieve a particular price target over a specified period, subject to acceleration in certain cases. Details of these awards, as well as the other awards described above, are shown below in the table entitled "Grants of Plan-Based Awards."

The Committee has not yet made any determinations as to equity awards for named executive officers based on fiscal year 2010 performance.

The Committee's decision to use stock options rather than restricted stock for these awards was based on several factors. First, only a limited number of shares remain available under the Company's 2005 Equity Incentive Plan for purposes of restricted stock awards. Second, in light of market conditions at the time of grant, the Committee believed that the grant of an option (particularly an option with a performance vesting condition) presented greater incentive than would otherwise exist in a restricted stock grant of similar fair value.

Severance and Change in Control Benefits: The specific terms of our severance and change in control arrangements are discussed below under the heading "Potential Payments Upon Termination or Change in Control."

The Committee has noted the prevalence of severance and change in control arrangements among our peer companies and believes that such arrangements, when properly tailored, are appropriate and necessary. Specifically, the Committee has concluded that such commitments are required to retain the continued service of Mr. Krell, Ms. Hendrickson and Mr. Tirnauer and, in the case of any potential change in control, to enable those executives to evaluate objectively the benefits to our stockholders of the transaction, notwithstanding its potential effects on their own job security.

The Committee also believes that reasonable severance and change in control benefits (1) should be established with reference to an executive's position and current cash compensation opportunities, not with reference to his or her tenure, (2) should be conditioned upon execution of a release of claims against the employer and its affiliates, and (3) should be conditioned on the executive's commitment not to compete for a reasonable period following any cessation of his or her employment.

Consistent with these principles, on October 13, 2010, the Committee approved an agreement (the “Hendrickson Agreement”) between the Company and Ms. Hendrickson that provides for the payment of certain severance benefits to Ms. Hendrickson if her employment is involuntarily terminated in connection with a change in control of the Company. Prior to that time, Ms. Hendrickson was our only named executive officer that was not party to an agreement with us providing for such benefits. The Committee approved the Hendrickson Agreement to provide for more consistent treatment of our named executive officers in this regard and secure Ms. Hendrickson’s continued loyalty to us and to our stockholders’ interests.

Supplemental Retirement Benefits: During fiscal year 2007, the Committee approved a Supplemental Retirement Agreement with Ms. Matthias. Other executives do not participate in such arrangements and, at this time, the Committee does not intend to implement similar arrangements for other executives. A more detailed description of this arrangement can be found below, under the heading “Pension Benefits for Fiscal Year 2010.”

Letter Agreement with Rebecca Matthias

On November 6, 2009, we announced the retirement of Rebecca C. Matthias as President and Chief Creative Officer of the Company effective June 15, 2010. In connection with Ms. Matthias’ retirement, we entered into a Letter Agreement with Ms. Matthias. We entered into the Letter Agreement to encourage Ms. Matthias’ commitment to a smooth transition of leadership, to secure her continued availability as a strategic advisor to us, to secure a general release of claims (including Ms. Matthias’ acknowledgement that, except as otherwise provided in the Letter Agreement, we have fully satisfied all of our compensation obligations to her), and in consideration for her agreement that her non-competition commitment to us will extend until September 30, 2014.

The Letter Agreement provided for Ms. Matthias’ full-time employment through June 15, 2010 (the “Transition Date”). Following the Transition Date, Ms. Matthias agreed to serve as a part-time employee until the end of fiscal year 2010 (the “Termination Date”), at which point Ms. Matthias’ employment terminated. Following the Termination Date and through September 30, 2012 (the “Consultancy Period”), Ms. Matthias agreed to make herself available to us for strategic planning, merchandising, public relations, publicity and other matters as requested by our Chief Executive Officer.

In consideration of the services described above, we paid Ms. Matthias: (i) a base salary at an annualized rate of \$571,731 (unchanged from fiscal year 2009) from the Effective Date through the Transition Date; (ii) a base salary at an annualized rate of \$114,346 (20% of her full time equivalent pay) from the Transition Date to the Termination Date, and (iii) certain fringe benefits which continued through the Termination Date. As noted above, the Letter Agreement also provides that Ms. Matthias was eligible for (and, in fact, did receive) a pro-rata cash bonus under our Management Incentive Program for fiscal year 2010. In addition, the Letter Agreement provided for the vesting on the Termination Date of the final tranche of the stock option granted to Ms. Matthias on November 28, 2005 (related to 8,000 shares) and the 10,000 shares of restricted stock issued to her in respect of fiscal year 2009 performance. Ms. Matthias agreed to forego receipt of 10,000 additional shares of restricted stock that would have otherwise been issuable to her in respect of fiscal year 2009 performance.

Finally, as discussed below under the heading of “Pension Benefits for Fiscal Year 2010,” the Letter Agreement provides that, for purposes of determining Ms. Matthias’ vested status under her Supplemental Retirement Agreement, her service during fiscal year 2010 would be counted as full-time service.

Additional Compensation Information

Tax and Accounting Considerations Affecting Executive Compensation. We endeavor to design our equity incentive awards so that they are accounted for under standards governing equity-based arrangements and, more specifically, so that they are afforded fixed treatment under those standards. We generally attempt to structure our compensation arrangements to permit full tax deductibility within the limits of Section 162(m) of the Internal Revenue Code. However, the Committee reserves the right to approve compensation that is not fully deductible.

Compensation Risk Analysis. The Committee is keenly aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. In designing our compensation programs, the Committee seeks to mitigate such risk by:

- (a) providing a meaningful portion of total compensation in the form of equity incentives that vest over multiple years (to encourage an appropriately long-term focus);
- (b) capping annual cash bonuses for named executive officers under the Management Incentive Program at 200% of base salary for Mr. Krell and Ms. Matthias and 100% of base salary for Mr. Tirnauer and Ms. Hendrickson, respectively (to provide appropriate balance between short- and long-term objectives); and
- (c) reserving the discretion to reduce annual bonuses otherwise payable under the Management Incentive Program (to allow recognition of the relationship between individual executive contributions and the achievement of specified performance metrics).

Moreover, while we have not implemented a formal stock ownership guideline for our management team, we note that Mr. Krell already maintains a substantial direct stock ownership position. We believe that this ownership position provides a significant incentive for Mr. Krell to ensure that his actions, and the actions of all those reporting to him, are focused on the creation of sustainable stockholder value and the avoidance of excessive risk.

Compensation of Directors

Directors who are also our employees receive no additional compensation for serving as a director or as a member of any Committee of the Board of Directors. Our current arrangements for non-employee directors are as follows:

The Company pays each non-employee director a retainer of \$6,250 per quarter. Upon conclusion of the annual meeting of stockholders each year, the Company grants each non-employee director 2,000 shares of restricted stock pursuant to the Company's 2005 Equity Incentive Plan that will vest on the earlier of: (1) one year from the date of grant or (2) one day before the Company's next Annual Meeting of Stockholders, subject to acceleration in the event of the non-employee director's death or disability or upon a change in control of the Company.

Each non-employee director is compensated for his or her service at each meeting of our Board of Directors at a rate of \$1,500 for Board meetings scheduled to be held in person and attended by such non-employee director. Non-employee directors are not compensated for attendance at Board of Directors or Committee meetings scheduled to be held telephonically. Additionally, the Chair of each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee is paid a quarterly retainer at the rates reflected in the below table, and each non-employee director who is a member of a Committee is compensated for his or her services at each meeting of a Committee scheduled to be held in person and attended by such non-employee director, at the following rates:

<u>Committee / Position</u>	<u>Quarterly Retainer</u>	<u>Meeting Fee</u>
Audit Committee		
Chair	\$ 2,500	\$ 1,500
Member	n/a	\$ 1,500

Member	n/a	\$ 1,000
Nominating and Corporate Governance Committee

In November 2010, the Board of Directors determined that each of Mr. Erdos, Mr. Ajdler, Mr. Hitchner and Ms. Kavanagh should receive additional compensation for certain extraordinary services provided for, and at the direction of, the Board. Specifically, the following additional compensation was awarded: (i) Mr. Erdos was awarded \$25,000 in cash and a one-time grant of 2,000 shares of common stock and (ii) each of Mr. Ajdler, Mr. Hitchner and Ms. Kavanagh was awarded \$15,000 in cash and a one-time grant of 1,500 shares of common stock. The shares of stock will be issued on the day before the Company's 2011 Annual Meeting of Stockholders.

Upon the conclusion of fiscal year 2009, our former Chief Executive Officer and Non-Executive Chairman of the Board of Directors, Dan W. Matthias, entered into a Letter Agreement with the Company whereby he agreed not to seek re-election to the Board of Directors at the Annual Meeting held on January 22, 2010. Accordingly, following the Annual Meeting held on January 22, 2010, Mr. Matthias no longer served as a member of the Board of Directors.

On November 4, 2009, the Company announced that Elam M. Hitchner, III, a director of the Company since 1994, would be appointed as the Non-Executive Chairman of the Board (the "Non-Executive Chairman"), replacing Dan W. Matthias, our co-founder and former Chief Executive Officer, who did not seek re-election to the Board of Directors. The Compensation Committee of our Board of Directors (the "Committee") established that the Non-Executive Chairman will be entitled to the following compensation (in addition to the compensation otherwise payable to the Non-Executive Chairman pursuant to the Company's current non-employee director compensation policy as described herein): (a) an additional retainer of \$6,250 per quarter; and (b) an additional 1,000 shares of restricted stock granted upon election or re-election of the Non-Executive Chairman to that position by the Board following the annual meeting of stockholders each year, vesting one year from the date of grant, subject to acceleration in the event of the Non-Executive Chairman's death or disability or upon a change of control of the Company.

In addition, the Committee approved a special one-time grant of 1,000 shares of restricted stock to Mr. Hitchner upon his appointment as Non-Executive Chairman, which such shares vest on the earlier of: (1) one year from the date of grant or (2) one day before the Company's 2011 Annual Meeting of Stockholders, subject to acceleration in the event of the Non-Executive Chairman's death or disability or upon a change of control of the Company.

Board members are also reimbursed for their reasonable travel expenses incurred to attend meetings of our Board of Directors or Committees of the Board of Directors on which they serve.

In fiscal year 2010 our non-employee directors received the following compensation:

All of these grants fully vest on the earlier of: (1) one year from the date of grant or (2) one day before the Company’s 2011 Annual Meeting of Stockholders. The amounts in the column titled “Stock Awards” reflect the grant date fair values of awards made during fiscal year 2010, as computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation — Stock Compensation (“FASB ASC Topic 718”).
- (3) Subsequent to his retirement, Mr. Matthias, our former Chief Executive Officer, continued to serve us as non–executive Chairman of the Board and agreed to remain available to our Chief Executive Officer in a consulting capacity through September 2012 in exchange for an annual retainer of \$200,000. In November 2009, Mr. Matthias entered into a letter agreement with us, which confirmed that he would not seek reelection to the Board of Directors after the expiration of his term in January 2010. The agreement does not change the terms of payment under his annual retainer for advisory services.

Report of the Compensation Committee

Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company’s Annual Report on Form 10–K for the year ended September 30, 2010.

The term “Threshold” means the lowest non-zero amount that could be paid as a bonus under the Company’s Management Incentive Program if a bonus is payable for the applicable fiscal year. The threshold is not a minimum bonus. There is no minimum bonus under the Company’s Management Incentive Program. If specified performance objectives are not met for the applicable fiscal year, no bonus is payable for that fiscal year pursuant to the Management Incentive Program. With respect to the bonus opportunity established by the Compensation Committee on December 22, 2009, please see the details on the payouts of such bonuses in the “Compensation Discussion and Analysis” section above.
- (2) The amounts in the column under “All Other Stock Awards” represent shares of restricted stock awarded under the Company’s 2005 Equity Incentive Plan, each of which vest over time. The vesting schedule is described in the footnotes to the “Outstanding Equity Awards at 2010 Fiscal Year-End” table below.
- (3) The amounts in the column under “All Other Option Awards” represent shares underlying options awarded, each of which vest over time and an additional vesting requirement that our stock achieve a particular price target over a sustained period. The vesting schedule is described in the footnotes to the “Outstanding Equity Awards at 2010 Fiscal Year-End” table below.
- (4) The amounts in the column under “Grant Date Fair Value of Option Awards” represent the fair value of the awards on the date of grant, as computed in accordance with applicable accounting standards.
- (5) Based on fiscal year 2009 performance, Ms. Matthias was granted 10,000 shares of restricted stock. The shares were issued in the 2010 fiscal year (on November 19, 2009). However, under applicable accounting standards, the date of grant is deemed to have occurred in fiscal year 2009. The grant date fair value of this stock award in fiscal year 2009 was \$83,300.
- (6) Ms. Fabricant served as our President from May 24, 2010 through August 3, 2010. Ms. Fabricant had an annual base salary rate of \$600,000 and a target annual bonus opportunity under the Management Incentive Program of fifty percent (50%) of her annual base salary with a limit on her maximum bonus opportunity of one hundred percent (100%) of her annual base salary. Ms. Fabricant was also granted an inducement grant of non-qualified options to purchase 70,000 shares of Company Common Stock at an exercise price of \$26.88 per share, and 7,500 shares of Company restricted stock. Due to Ms. Fabricant’s departure in August 2010 she was not eligible for any bonus payment under our Management Incentive Program and she forfeited all of the options and shares referenced above (which were all unvested at the time of her departure).

- (1) In addition to the Company's customary five year service-based time vesting requirement, the 100,000 shares underlying the stock options issued to Mr. Krell on September 29, 2008, and all of the shares underlying the stock options issued to Mr. Krell, Ms. Hendrickson and Mr. Tirnauer in January 2010 (each a "Performance Grant") will only be exercisable, if prior to the fifth anniversary of the date of grant (but no later than the cessation of the executive's service), a change in control occurs or the closing price of the Company's Common Stock shall have exceeded \$30.00 for 30 consecutive trading days on the principal national securities exchange on which the Company's Common Stock is listed or admitted to trading. This performance condition was satisfied during the first quarter of fiscal year 2011.
- (2) The market value is based upon the closing price of our Common Stock on September 30, 2010 (\$32.92).
- (3) All stock options currently held by Mr. Krell vest in equal annual installments over a five year period. The 20,000 shares of restricted stock granted to Mr. Krell on November 22, 2006, of which 8,000 remain unvested, vest in equal annual installments over a five year period. All stock options and restricted stock held by Mr. Krell are subject to accelerated vesting upon death, disability, a termination without cause, a resignation for good reason or a change in control.
- (4) All stock options and shares of restricted stock currently held by Ms. Hendrickson vest in equal annual installments over a five year period. The stock options granted to Ms. Hendrickson are also subject to acceleration upon a change in control. 300 of the 750 shares of restricted stock granted to Ms. Hendrickson on November 22, 2006 remain unvested. 600 of the 1,000 shares of restricted stock granted to Ms. Hendrickson on November 21, 2007 remain unvested. 3,000 of the 5,000 shares of restricted stock granted to Ms. Hendrickson on January 24, 2008 remain unvested. 800 of the 1,000 shares of restricted stock granted to Ms. Hendrickson on November 19, 2008 remain unvested.
- (5) All stock options and shares of restricted stock currently held by Mr. Tirnauer vest in equal annual installments over a five year period. The stock options granted to Mr. Tirnauer are also subject to acceleration upon a change in control. The restricted stock award on July 23, 2008 is also subject to accelerated vesting upon a change in control. 400 of the 1,000 shares of restricted stock granted to Mr. Tirnauer on November 22, 2006 remain unvested. 600 of the 1,000 shares of restricted stock granted to Mr. Tirnauer on November 21, 2007 remain unvested. 3,000 of the 5,000 shares of restricted stock granted to Mr. Tirnauer on July 23, 2008 remain unvested. 800 of the 1,000 shares of restricted stock granted to Mr. Tirnauer on November 19, 2008 remain unvested.

Option Exercises and Stock Vested during Fiscal Year 2010

The following table sets forth options exercised by, and stock awards vested to, our named executive officers during our fiscal year 2010:

<u>Name</u>	<u>Option Awards</u>		<u>Stock Awards</u>	
	<u>Number of Shares Acquired on Exercise (#)</u>	<u>Value Realized on Exercise (\$)</u>	<u>Number of Shares Acquired on Vesting (#)</u>	<u>Value Realized on Vesting (\$)</u>

Rebecca C. Matthias	123,509 (1)	2,335,335	10,000	329,200
Lisa Hendrickson	—	—	1,650	33,478
Judd P. Tirnauer	3,200	44,180	1,600	40,608

(1) This amount reflects the net issuance of shares to Ms. Matthias in connection with her cashless exercise of stock options with respect to an aggregate of 158,475 shares.

Pension Benefits for Fiscal Year 2010

As discussed above, we entered into a Supplemental Retirement Agreement with Ms. Matthias on March 2, 2007 (the “SERP Agreement”). The amount of the benefit payable under the SERP Agreement is the actuarial present value of a single life annuity equal to 60% of Ms. Matthias’ “deemed final pay,” commencing upon cessation of employment. For this purpose, “deemed final pay” means Ms. Matthias’ annual base salary as of March 2, 2007, increased by 3% for each new fiscal year, beginning before October 1, 2012, that occurs before Ms. Matthias’ cessation of employment. The benefit vested 33 1/3% on March 2, 2007. Starting on September 30, 2007 and on each September 30 thereafter until fully vested, the benefit vested either (i) 15%, if during that entire fiscal year Ms. Matthias provided continuous full-time service to the Company, or (ii) 7.5%, if during that entire fiscal year Mr. Matthias provided at least continuous 50% part-time service to the Company (subject to full acceleration if, following a change in control, an executive’s employment ceased due to a termination without cause or a resignation with good reason).

Ms. Matthias’ SERP Agreement was amended by the Letter Agreement entered into in connection with her retirement at the end of fiscal year 2010 (see the “Compensation Discussion and Analysis” for a further discussion of the Letter Agreement with Ms. Matthias). The amendment provides that, for purposes of determining the vested status of Ms. Matthias’ benefits under the SERP Agreement, Ms. Matthias will be credited with having served during fiscal year 2010 on a full-time basis. Accordingly, Ms. Matthias was fully vested in her benefits under the SERP Agreement upon her retirement. Those benefits were paid in December 2010 in a single lump sum.

The following table sets forth pension or other benefits providing for payment at, following, or in connection with, retirement, granted or accrued to our named executive officers during our fiscal year 2010:

<u>Name</u>	<u>Plan Name</u>	<u>Number of Years Credited Service (#) (1)</u>	<u>Present Value of Accumulated Benefit (\$) (2)</u>	<u>Payments During Last Fiscal Year (\$)</u>
Rebecca C. Matthias	SERP Agreement	4	4,123,753	—

(1) This number reflects Ms. Matthias’ years of service since the SERP Agreement was adopted and is relevant in determining the vested status of her SERP benefit. That said, Ms. Matthias had served us for more than 25 years prior to the implementation of the SERP Agreement and the SERP Agreement was adopted in recognition of this past service.

-
- (2) The value in this column represents the present value of our vested obligation under the SERP Agreement as recognized for financial reporting purposes for fiscal year 2010. Assumptions used in the calculation of this amount are included in Note 18 to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2010.

Potential Payments upon Termination or Change in Control

We have entered into agreements with each of our current named executive officers that provide payments and benefits to the executive in the event of his or her termination of employment under various circumstances, including a change of control. The following tables reflect the amount of compensation payable to each of our current named executive officers upon these various events. The amounts shown assume that such termination was effective as of September 30, 2010, the last day of our fiscal year, and thus includes termination-related amounts earned through such time. The amounts are calculated using various assumptions and are therefore only estimates of the amounts that could become payable to our current named executive officers. The actual amounts to be paid out can only be determined at the time of an actual termination or change in control.

General Amounts Due Upon Termination. Generally, upon a termination of employment for any reason, each current named executive officer is entitled to receive the payment of certain accrued obligations, including the following (none of which are included on the trigger event tables presented below for each named executive officer):

- annual base salary through the date of termination, to the extent not paid;
- any annual bonus earned but not previously paid with respect to a year ended prior to the date of termination;
- any accrued, but unused, vacation pay;
- any unreimbursed business expenses; and
- the vested portion of the named executive officer's supplemental retirement benefit (applicable only as to Ms. Matthias).

Edward M. Krell

Termination without Cause or Resignation due to Good Reason. Upon a termination of employment without "cause" or resignation due to "good reason," Mr. Krell will be entitled to the following payments and/or benefits:

- a cash lump sum payment equal to (A) three times the sum of (1) Mr. Krell's annual base salary, plus (2) his target annual bonus amount, (B) any annual bonus payable for the year ended prior to the date of termination, and (C) any accrued but unpaid vacation pay;
- payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year;
- all outstanding stock options, restricted stock and restricted stock units will become fully vested;
- continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;
- transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;
- continued provision, for a period of 3 years, of supplemental long term disability premiums providing a monthly disability benefit of \$18,000;
- continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the

3 year period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents); and

- payment for full outplacement services to an agency selected by Mr. Krell, based on customary fees charged by nationally rated firms engaged in such services.

Mr. Krell is bound by certain non-competition and non-solicitation covenants which extend for a period of 36 months following termination of employment.

Death. In the event of his termination of employment due to death, Mr. Krell's executors, legal representatives or administrators will be entitled to the following payments and/or benefits:

- payment of a pro-rata portion of the annual bonus he otherwise would be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and
- all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Disability. In the event of his termination of employment due to disability, Mr. Krell will be entitled to the following payments and /or benefits:

- monthly supplemental disability payments equal to one-twelfth (1/12) of his annual base salary as of the date of termination for a period of 30 months following the termination;
- continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the 30 month period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents);
- continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;
- transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;
- payment of a pro-rata portion of the annual bonus he otherwise would be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and
- all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Amounts payable to Mr. Krell in the event of a termination due to disability will be reduced by (1) any disability or life insurance benefits payable to Mr. Krell, with respect to the same period, under any of our funded disability or death benefit plans, policies or arrangements, under the Social Security Act, or under Mr. Krell's supplemental long-term disability policies for which the Company pays the premiums, and (2) by any amounts earned by Mr. Krell for the performance of personal services during the same period.

In addition, if it is determined that any payment by us to or for the benefit of Mr. Krell would be a so-called "excess parachute payment" and, therefore, result in the imposition on the executive of an excise tax under Section 4999 of the Code, Mr. Krell shall receive a payment sufficient to place him in the same after tax position as if no excise tax had been applicable ("parachute gross-up payment"), provided that the parachute gross-up payment will only be payable if the total of all payments by us to or for the benefit of Mr. Krell, inclusive of such parachute gross-up payment, (on an after tax basis to Mr. Krell) will be at least 20% more than the largest amount that could be payable to Mr. Krell (on an after tax basis to Mr. Krell) without causing the application of the excise tax described above. However, if Mr. Krell resigns his employment without good reason within the 6 month period immediately following a change in control, payments by us to or for the benefit of Mr. Krell shall

be limited to the largest amount that could be payable to Mr. Krell without causing the application of the excise tax described above.

In order to receive any severance or termination payments or benefits described above, Mr. Krell is required to execute and deliver a general release and non-disparagement agreement in a form prescribed by us.

Description of Triggering Events

Cause. Mr. Krell's employment may be terminated by us for "cause" upon the commission of any act of fraud, theft, misconduct, negligence, or Mr. Krell's unwillingness or refusal to perform his job (other than by reason of illness, injury or incapacity).

Good Reason. Mr. Krell may terminate his employment for "good reason" upon the occurrence of any of the following without his prior consent: (i) a material, adverse change in title, authority or duties; (ii) a reduction in base salary or bonus opportunity; or (iii) a relocation of his principal worksite more than 50 miles. The foregoing events or conditions will only constitute "good reason" if Mr. Krell provides us with a written objection to the event or condition giving rise to the "good reason" within 90 days following the occurrence thereof and, if we do not reverse or otherwise cure the event or condition within 30 days of receiving that written objection, he then resigns his employment within 30 days following the expiration of that cure period.

Disability. Under Mr. Krell's Employment Agreement, "disability" is defined as the executive's inability, after any reasonable accommodation required by law, to perform his duties and responsibilities by reason of illness, injury or incapacity for more than six (6) consecutive months.

Change in Control. The "change in control" provisions of the executive's Employment Agreement will be triggered upon the first to occur of any of the following:

- the sale, transfer, assignment or other disposition (including by merger or consolidation) by our stockholders, in one transaction or a series of related transactions, of more than 35% of the voting power represented by our then outstanding stock to one or more persons, other than any such sales, transfers, assignments or other dispositions by such stockholders to their respective affiliates;
- the sale of all or substantially all of our assets to any other person in any sale or series of related sales; or
- any person becoming a beneficial owner of 35% or more of the votes entitled to be cast at an election of our directors.

Assuming one of the following events occurred on September 30, 2010, Mr. Krell's payments and benefits have an estimated value of:

For Cause	Severance Payment (\$)	Payment of Pro-Rata Annual Bonus (\$)	Health Benefit Continuation (\$)	Other (\$)	Value of Options Subject to Acceleration (\$)(1)	Value of Restricted Stock Subject to Acceleration (\$)(2)	Parachute Gross-up Payment (\$)	Total (\$)

Change in Control (without termination)	—	—	—	—	3,388,820	263,360	— (10)	3,652,180

- (1) This amount represents the value of otherwise unvested stock options to purchase an aggregate of 192,000 shares of Common Stock, based on the difference between the exercise price of the options and \$32.92, the closing price of our Common Stock on September 30, 2010. The actual value ultimately realized with respect to these options, if any, will vary depending on the date the options are exercised.
- (2) This amount represents the value of 8,000 shares of otherwise unvested Common Stock, based on \$32.92, the closing price of our Common Stock on September 30, 2010.
- (3) This amount represents a cash bonus paid to Mr. Krell in November 2010 under our Management Incentive Program for fiscal year 2010 performance.
- (4) This amount represents the estimated present value of 30 months of supplemental disability payments equal to one-twelfth of Mr. Krell's annual base salary as of September 30, 2010, including the value of any benefit payable under our long-term disability plan and under Mr. Krell's supplemental long-term disability policies for which the Company pays the premiums. The aggregate benefit payable under the long-term disability policies for which we pay the premiums for the 30 month period would be \$531,000.
- (5) This amount represents premium payments for 30 months of health coverage.
- (6) This amount represents the value of the following benefits: (1) use of an automobile and automobile insurance coverage for 12 months, with an estimated aggregate value of \$24,117, and (2) the transfer to Mr. Krell of a key man term life insurance policy on Mr. Krell's life, with an estimated value of \$740 (representing the premium paid in fiscal year 2010).
- (7) This amount is equal to three times the sum of (1) Mr. Krell's annual base salary as of September 30, 2010, and (2) the target annual bonus payable to Mr. Krell for fiscal year 2010.
- (8) This amount represents premium payments for 36 months of health coverage.
- (9) This amount represents the value of the following benefits: (i) use of an automobile and automobile insurance coverage for 12 months, with an estimated aggregate value of \$24,117, (ii) 36 months of premiums for a supplemental long-term disability policy with a \$18,000 monthly benefit, with an estimated aggregate value of \$32,841, (iii) the transfer to Mr. Krell of a key man term life insurance policy on Mr. Krell's life, with an estimated value of \$740 (representing the premium paid in fiscal year 2010), and (iv) payment of full outplacement services, with an estimated aggregate value of \$97,500 (for one year of services).
- (10) Mr. Krell's non-competition commitments extend for three years beyond his termination of employment. Our parachute gross-up analysis includes an assumption that Mr. Krell's non-compete commitments have a fair market value of \$2,600,000 which amount is equal to two times the sum of (1) Mr. Krell's fiscal year 2010 base salary and (2) Mr. Krell's target annual bonus for fiscal year 2010. While we have not solicited a formal valuation of the non-compete, based on Mr. Krell's role and responsibilities with us, we believe the value is reasonable. The Company's parachute gross-up analysis is based on a variety of other assumptions, including, without limitation, that all stock options would be cashed out upon closing of the relevant transaction.

Lisa Hendrickson

As discussed above, in November 2009, the Committee established an opportunity for Ms. Hendrickson to earn a special retention bonus of \$216,884 if she remained continuously employed by the Company through December 15, 2010. Such special bonus was also payable to Ms. Hendrickson if her employment was terminated by the Company without cause prior to December 15, 2010. Also, as discussed above, in November 2010, the Committee established a similar opportunity for Ms. Hendrickson to earn a special cash bonus of \$100,000 if she remains continuously employed by the Company through December 10, 2011. Such special bonus would also be paid to Ms. Hendrickson if her employment is terminated by the Company without cause prior to December 10, 2011.

Additionally, under the terms of Ms. Hendrickson's stock option awards, the vesting of those awards would accelerate in the event of a change in control.

Under Ms. Hendrickson's Agreement with the Company dated October 13, 2010, she may become entitled to certain severance benefits, as further described below:

Termination without Cause or Resignation due to Good Reason in the 90 Day Period Prior to or the 12 Month Period Following a Change in Control. If a change in control of the Company occurs within the next three years and, within the period beginning 90 days before and ending one year after that transaction, Ms. Hendrickson's employment ceases due to a termination without "cause" or a resignation with "good reason," Ms. Hendrickson will be entitled to the following payments and/or benefits:

- monthly severance payment of one-twelfth base salary for a period equal to 12 months; and
- continued coverage (for herself and, to the extent covered immediately prior to the date of termination, her spouse and eligible dependents) under our group health plan for 12 months following termination.

In order to receive any severance or termination payments or benefits described above, Ms. Hendrickson is required to execute and deliver a general release and non-disparagement agreement in a form prescribed by us.

Description of Triggering Events

Cause. For purposes of the Hendrickson Agreement, "cause" means (i) conviction of, or the entry of a plea of guilty or no contest to, a crime, other than a minor traffic offense; (ii) alcohol abuse or use of controlled drugs (other than in accordance with a physician's prescription); (iii) willful misconduct or gross negligence in the course of employment; (iv) material breach of any published Company policy, including (without limitation) the Company's ethics guidelines, insider trading policies or policies regarding employment practices; (v) material breach of any agreement with or duty owed to the Company or any of its affiliates; or (vi) refusal to perform the lawful and reasonable directives of a supervisor.

Good Reason. Ms. Hendrickson may terminate her employment for "good reason" upon the occurrence of any of the following without her prior consent: (i) a reduction in base salary or (ii) a relocation of her principal worksite more than 50 miles. The foregoing events or conditions will only constitute "good reason" if Ms. Hendrickson provides us with a written objection to the event or condition giving rise to the "good reason" within 30 days following the occurrence thereof and, if we do not reverse or otherwise cure the event or condition within 30 days of receiving that written objection, she then resigns her employment within 30 days following the expiration of that cure period.

Change in Control. The "change in control" provisions of the Hendrickson Agreement will be triggered upon the first to occur of any of the following:

- any person becoming a beneficial owner of 50% or more of the votes entitled to be cast at an election of our directors;

- a consolidation, share exchange, reorganization or merger of the Company resulting in the stockholders of the Company immediately prior to such event not owning at least a majority of the voting power of the resulting entity's securities outstanding immediately following such event;
- the sale of all or substantially all of our assets to any other person in any sale or series of related sales;
- a liquidation or dissolution of the Company; or
- any similar event deemed by the Board to constitute a Change in Control.

Consistent with SEC rules, the table below is intended to illustrate the payments and benefits to which Ms. Hendrickson would become entitled upon a termination of her employment or a change in control on September 30, 2010. However, although the Hendrickson Agreement was not in effect until October 2010, in order to provide the most meaningful disclosure to our stockholders, we have prepared this table as though the Hendrickson Agreement was in effect on September 30, 2010.

	Severance Payment (\$)	Payment of Pro-Rata Annual Bonus (\$)	Health Benefit Continuation (\$)	Accelerated Special Bonus (\$)	Value of Options Subject to Acceleration (\$)(1)	Total (\$)
Without Cause or for Good Reason	—	—	—	216,884 (2)	—	216,884
Without Cause or for Good Reason 90 days before or 12 months after a Change in Control	433,768 (3)	—	— (4)	216,884 (2)	141,086	791,738
Change in Control (without termination)	—	—	—	—	141,086	141,086

- (1) This amount represents the value of otherwise unvested stock options to purchase an aggregate of 12,800 shares of Common Stock, based on the difference between the exercise price of the options and \$32.92, the closing price of our Common Stock on September 30, 2010. The actual value ultimately realized with respect to these options, if any, will vary depending on the date the options are exercised.
- (2) This payment reflects an acceleration of the special retention bonus otherwise payable to Ms. Hendrickson (and actually paid) in December 2010.
- (3) This amount is equal to 12 months of Ms. Hendrickson's monthly base salary as of September 30, 2010.
- (4) Ms. Hendrickson would be entitled to 12 months of continued group health coverage. However, Ms. Hendrickson was not a participant in the Company's group health coverage on September 30, 2010.

Judd P. Tirnauer

As discussed above, in November 2010, the Committee established an opportunity for Mr. Tirnauer to earn a special retention bonus of \$45,084 if he remains continuously employed by the Company through December 10, 2011. Such special bonus would also be paid to Mr. Tirnauer if his employment is terminated by the Company without cause prior to December 10, 2011.

Additionally, under the terms of Mr. Tirnauer's stock option and restricted stock awards, the vesting of those awards would accelerate in the event of a change in control.

Under the terms of his Employment Agreement, Mr. Tirnauer has the following severance rights:

Termination without Cause or Resignation due to Good Reason. Upon a termination of employment without "cause" or resignation due to "good reason," Mr. Tirnauer will be entitled to the following payments and/or benefits:

- monthly severance payment of one-twelfth base salary for a period equal to 12 months;

- payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and
- continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the end of the 1 year period following termination.

Termination without Cause or Resignation due to Good Reason in the 12 Month Period Following a Change in Control. Upon a termination of employment without “cause” or resignation due to “good reason,” in the 12 month period immediately following a “change in control,” Mr. Tirnauer will be entitled to the following payments and/or benefits:

- monthly severance payment of one-twelfth base salary for a period equal to 18 months;
- payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and
- continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan for 18 months following termination.

Mr. Tirnauer is bound by certain non-competition and non-solicitation covenants which extend for a period of 24 months following termination of employment. In order to receive any severance or termination payments or benefits described above, Mr. Tirnauer is required to execute and deliver a general release and non-disparagement agreement in a form prescribed by us.

Description of Triggering Events

Cause. Mr. Tirnauer’s employment may be terminated by us for “cause” upon the commission of any act of fraud, theft, misconduct, negligence, or Mr. Tirnauer’s unwillingness or refusal to perform his job (other than by reason of illness, injury or incapacity).

Good Reason and Change in Control. The definitions of “good reason” and “change in control” in Mr. Tirnauer’s Employment Agreement are substantially the same as those described above with respect to Mr. Krell’s agreement.

Information about transactions involving related parties is reviewed by the Audit Committee. Related parties include Company directors and executive officers, as well as their immediate family members. If a related party has a direct or indirect material interest in any Company transaction, then the Audit Committee would decide whether or not to approve or ratify the transaction. The Audit Committee will use any process and review any information that it determines is appropriate. All related party transactions will be disclosed in accordance with SEC rules.

Board Independence

The Company’s Corporate Governance Principles require that a majority of the Company’s directors be independent. The Nasdaq Stock Market listing standards require that a majority of the Company’s directors be independent and that the Audit, Compensation and Nominating and Corporate Governance Committees be comprised entirely of independent directors. The Board of Directors has adopted standards to assist it in making the annual determination of each director’s independence status. These director independence standards, which are set forth in our Corporate Governance Principles, are consistent with the Nasdaq listing standards. A director will be considered “independent” if he or she meets the requirements of our director independence standards and the independence criteria in the Nasdaq listing standards.

The Board of Directors has affirmatively determined that the following directors have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent:

Elam M. Hitchner, III

Anne T. Kavanagh
David Schlessinger
B. Allen Weinstein
Arnaud Ajdler
Joseph A. Goldblum
Melissa Payner-Gregor
William A. Schwartz, Jr.

The Board of Directors has determined that each of the Company's Audit, Compensation and Nominating and Corporate Governance Committees is composed solely of independent directors. Independence for Audit Committee purposes requires compliance with applicable independence rules of the SEC in addition to Nasdaq listing standards. In making the independence determinations for the Board and its committees, the Board reviewed all of the directors' relationships with the Company. This review is based primarily on a review of the responses of the directors to questions regarding employment, business, family, compensation and other relationships with the Company and its management.

None of the members of the Compensation Committee is currently an officer or employee of the Company. No interlocking relationship exists between any member of the Company's Board of Directors or compensation committee of any other company.

Any proposed services exceeding pre-approved fee levels require specific pre-approval by the Audit Committee. The pre-approval fee levels for all services to be provided by the independent registered public accountants are established annually by the Audit Committee. The Audit Committee pre-approved all audit and non-audit services described above rendered to the Company by KPMG LLP during fiscal years 2009 and 2010 and has pre-approved similar services to be rendered during fiscal year 2011.
