Raytheon Company increases dividend by 8.8 percent; 14th consecutive annual increase

WALTHAM, Mass., (Mar. 21, 2018) – The Board of Directors of Raytheon Company (NYSE: RTN) has voted to increase the company’s annual dividend payout rate by 8.8 percent, from \$3.19 to \$3.47 per share. The Board also authorized payment of a quarterly cash dividend of \$0.8675 per outstanding share of common stock, to be paid on May 10, 2018, to shareholders of record as of the close of business on April 11, 2018. Payment of quarterly dividends is subject to Board authorization.

“With today’s announcement, we have increased our annual dividend for 14 consecutive years,” said Thomas A. Kennedy, Raytheon Chairman and CEO. “The dividend increase is a key part of our capital deployment strategy, and reflects our confidence in the company’s growth outlook and our continued focus on creating value for shareholders.”
