**DOVER BOARD OF DIRECTORS APPROVES SPIN-OFF OF APERGY**

- Record Date – April 30, 2018
- Distribution Date – May 9, 2018
- Apergy expects to begin "regular-way" trading on the NYSE on May 9, 2018

**DOWNERS GROVE, Ill., April 18, 2018** - Dover (NYSE: DOV) announced today that its board of directors formally approved the separation of Apergy Corporation ("Apergy") from Dover through a distribution of all of the common stock of Apergy held by Dover to Dover shareholders. In connection with the approval, the board has also set the distribution ratio, record date and distribution date for the spin-off. As a result, the following will occur:

- The distribution is expected to be made at 12:01 a.m. ET on May 9, 2018 to Dover stockholders of record as of 5:00 p.m. ET on April 30, 2018, the record date for the distribution.
- On the distribution date, Dover stockholders will receive one share of Apergy common stock for every two shares of Dover common stock held as of the record date.
- Following the distribution, Apergy will be an independent, publicly traded company, and Dover will retain no ownership interest in Apergy.

"Today's announcement marks another important milestone toward the completion of the Apergy spin-off," said Robert A. Livingston, Dover's President and Chief Executive Officer. "As separate companies, both Dover and Apergy will have greater flexibility to focus on and pursue their respective growth strategies and be better positioned to build upon their long history of success."

**Apergy Common Stock Distribution**

As stated above, the Dover board of directors approved a pro rata dividend of Apergy common stock owned by Dover to be made on May 9, 2018 (the "distribution date") to Dover shareholders of record as of 5:00 p.m. ET on April 30, 2018 (the "record date"). The distribution will be effective at 12:01 a.m. ET on the distribution date. Each Dover shareholder of record will receive one share of Apergy common stock for every two shares of Dover common stock held by such shareholder as of the record date. No fractional shares of Apergy's common stock will be distributed. Fractional shares of Apergy's common stock will be aggregated and sold on the open market, and the aggregate net proceeds of the sales will be distributed ratably in the form of cash payments to Dover shareholders who would otherwise be entitled to receive a fractional share of Apergy's common stock.

## **Trading of Dover and Apergy Shares**

Shares of Dover common stock will continue to trade "regular-way" on the New York Stock Exchange ("NYSE") under the symbol "DOV" through and after the May 9, 2018 distribution date. Any holder of shares of Dover common stock who sells Dover shares "regular way" through the close of trading on the day prior to the May 9, 2018 distribution date will also be selling their right to receive shares of Apergy common stock in the distribution. It is anticipated that Dover shares will also trade "ex-distribution" (that is, without the right to receive shares of Apergy common stock in the distribution) beginning on or about April 27, 2018, and continuing through the close of trading on the day prior to the distribution date, under the symbol "DOV WI". Investors should consult with their financial advisors about selling their shares of Dover common stock on or after the record date and on or before the distribution date. Beginning on May 9, 2018, "regular-way" trading in Dover stock will reflect the distribution of Apergy.

A "when-issued" public trading market for Apergy's common stock is expected to begin on or about April 27, 2018 on the NYSE under the symbol "APY WI" and continue through the close of trading on the day prior to the distribution date. Beginning on May 9, 2018, "when-issued" trading under the symbol "APY WI" will end and Apergy will begin "regular-way" trading on the NYSE under the symbol "APY."

## **Information About the Spin-Off**

The distribution of Apergy's shares will be made in book entry form, which means no physical share certificates of Apergy will be issued. No action is required by Dover shareholders in order to receive shares of Apergy common stock in the distribution and they will not be required to surrender or exchange their Dover shares.

Prior to the distribution date, Dover will mail information statements (or notices of their internet availability) to all shareholders of Dover common stock as of the record date. The information statement describes Apergy, including the risks of owning Apergy common stock and other details regarding the distribution and is an exhibit to Apergy's Registration Statement on Form 10, as amended (the "Form 10"), which Apergy has filed with the Securities and Exchange Commission (the "SEC") and is available at [www.sec.gov](http://www.sec.gov).

The completion of the Apergy distribution is subject to the satisfaction or waiver of a number of conditions, including the Form 10 for the Apergy common stock being declared effective by the SEC and certain other conditions described in the Information Statement included in the Form 10 and in the form of Separation and Distribution Agreement, which is filed as an exhibit to the Form 10. Dover and Apergy expect all conditions to the Apergy distribution to be satisfied on or before the distribution date.

The Apergy spin-off has been structured to qualify as a tax-free distribution to U.S. holders of Dover common stock for U.S. federal income tax purposes. Cash received in lieu of fractional shares will, however, be taxable. Dover shareholders should consult their tax advisors with respect to the U.S. federal, state, local and non-U.S. tax consequences of the Apergy spin-off.
