

HANESBRANDS INC. AUDIT COMMITTEE CHARTER

Purpose

The Audit Committee (the “**Committee**”) is appointed by the Board of Directors of Hanesbrands Inc. (the “**Company**”) for the following purposes:

- to assist the Board of Directors in fulfilling the following oversight of:
 - the integrity of the Company’s financial statements, financial reporting process and systems of internal accounting and financial controls;
 - the Company’s compliance with legal and regulatory requirements;
 - the independent auditor’s qualifications and independence; and
 - the performance of the Company’s internal audit function and independent auditor; and
- to prepare a report of the Committee which is to be included in the Company’s proxy statement relating to the annual meeting of stockholders or annual report filed on Form 10-K with the Securities and Exchange Commission (“**SEC**”) and which complies with the applicable rules and regulations of the SEC.

In furtherance of this purpose, the Committee shall maintain direct communication with the Company’s independent auditor and head of the Company’s internal audit function and the Board of Directors. The independent auditor shall report directly to the Committee.

The Committee’s job is one of oversight, and it recognizes that the Company’s management is responsible for preparing the Company’s financial statements and that the independent auditor is responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management, as well as the independent auditor, have more time and more detailed information about the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company’s financial statements or any professional certification as to the independent auditor’s work.

Composition of the Committee

The Committee shall be composed of at least three members, who shall be independent directors meeting the requirements of the New York Stock Exchange listing standards and the rules of the SEC and appointed by the Board of Directors on the recommendation of the Governance and Nominating Committee. Each member of the

Committee must be financially literate or must become financially literate within a reasonable time period after appointment to the Committee. At least one member shall have accounting or related financial management expertise. In addition, at least one member of the Committee shall be an “audit committee financial expert” within the meaning set forth by the rules of the SEC and if no such expert is on the Committee, the Committee shall ensure that the Company makes appropriate disclosures.

The Chairman of the Committee shall be designated by the Board of Directors. In the absence of the Chairman, the members of the Committee may designate a chairman by majority vote. The Board of Directors may, at any time, remove one or more directors as members of the Committee and may fill any vacancy on the Committee. The Committee may form and delegate authority to subcommittees when appropriate.

In light of the extraordinary commitment of time and attention required of members of the Committee in fulfilling their responsibilities, no member of the Committee shall be a member of the audit committee, or a committee fulfilling similar functions, of more than two other public companies. In the event that a member of the Committee is found to be serving in such capacity for more than two other public companies, service on the Committee may not continue unless the Board determines that such service will not impair the ability of the member to serve effectively on the Committee and discloses such determination in the Company’s proxy statement, annual report, or website.
