- (1) To elect two Class I directors to serve until the 2016 Annual Meeting or until his or her respective successor is elected and has been qualified;

Accordingly, on or about March 12, 2013, we are mailing to many of our unitholders a Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access the proxy statement and Annual Report on Form 10-K for the year ended December 31, 2012 over the Internet and how to vote online (www.proxyvote.com). The Notice also contains instructions on how to request a paper copy of our proxy materials. PROXY STATEMENT

2013 ANNUAL MEETING OF UNITHOLDERS

April 24, 2013

GENERAL INFORMATION

Introduction

Our Board is soliciting proxies to be voted at the 2013 Annual Meeting of Unitholders on April 24, 2013 (the 2013 Annual Meeting). The accompanying notice describes the time, place and purposes of the 2013 Annual Meeting. Unless otherwise indicated, the terms “NuStar,” “we,” “our” and “us” are used in this proxy statement to refer to NuStar GP Holdings, LLC, to one or more of our consolidated subsidiaries or to all of them taken as a whole. The term “Board” means our board of directors.

We are mailing the Notice of Internet Availability of Proxy Materials (Notice) to holders of our common units on or about March 12, 2013. On this date, you will have the ability to access all of our proxy materials on the website referenced in the Notice.

Record Date and Units Outstanding

Holders of record of NuStar’s common units (Common Units) at the close of business on March 4, 2013 are entitled to vote on the matters presented at the 2013 Annual Meeting. On the record date, 42,608,435 Common Units were issued and outstanding and entitled to one vote per unit.

Quorum

Holders of Common Units representing a majority of the voting power, present in person or represented by properly executed proxy, shall constitute a quorum.

Voting in Person at the Meeting

If you attend the 2013 Annual Meeting and plan to vote in person, we will provide you with a ballot at the meeting. If your Common Units are registered directly in your name, you are considered the unitholder of record and you have the right to vote the Common Units in person at the meeting. If your Common Units are held in the name of your broker or other nominee, you are considered the beneficial owner of units held in street name. As a beneficial owner, if you wish to vote at the meeting, you will need to bring to the meeting a legal proxy from the unitholder of record (e.g., your broker or other nominee) authorizing you to vote the Common Units.

Revocability of Proxies

You may revoke a proxy at any time before it is voted at the 2013 Annual Meeting by (a) submitting a written revocation to NuStar, (b) returning a subsequently dated proxy to NuStar or (c) voting in person at the 2013 Annual Meeting. If instructions to the contrary are not given, units will be voted as indicated on the proxy card.

Broker Non-Votes

Brokers holding Common Units must vote according to specific instructions they receive from the beneficial owners. If specific instructions are not received, brokers may generally vote these units in their discretion for matters that are considered “routine.” However, the New York Stock Exchange (NYSE) precludes brokers from exercising voting discretion on certain proposals without specific instructions from the beneficial owner. This results in a “broker non-vote” on such a proposal. A broker non-vote is treated as “present” for purposes of determining the existence of a quorum and has the effect of a negative vote when a majority of

the voting power of the issued and outstanding units is required for approval of a particular proposal. A broker non-vote has no effect when a majority of the voting power of the units present in person or by proxy and entitled to vote or a plurality or majority of the votes cast is required for approval.

The ratification of the appointment of KPMG LLP as our independent registered accounting firm for 2013 (Proposal No. 2) is a matter considered routine under applicable NYSE rules. A broker or other nominee generally may vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of two Class I directors (Proposal No. 1) is a matter that is considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore an undetermined number of broker non-votes may occur on Proposal No. 1.

Solicitation of Proxies

NuStar pays for any cost of soliciting proxies and the 2013 Annual Meeting. In addition to the solicitation of proxies by mail, proxies may be solicited by personal interview, telephone and similar means by directors, officers or employees of NuStar, none of whom will be specially compensated for such activities. NuStar also intends to request that brokers, banks and other nominees solicit proxies from their principals and will pay such brokers, banks and other nominees certain expenses incurred by them for such activities.

INFORMATION REGARDING THE BOARD OF DIRECTORS

NuStar's business is managed under the direction of its Board. NuStar's Second Amended and Restated Limited Liability Company Agreement requires the Board to be divided into Class I, Class II and Class III directors, with each class serving a staggered three-year term. Our Board conducts its business through meetings of its members and its committees. In 2012, our Board held six meetings and the standing committees held 11 meetings in the aggregate. No member of the Board attended less than 75% of the meetings of the Board and committees of which he was a member. All Board members attended the 2012 Annual Meeting of Unitholders on April 25, 2012, and all Board members, other than Stan L. McLelland, whose term expires at the 2013 Annual Meeting, are expected to attend the 2013 Annual Meeting.

INDEPENDENT DIRECTORS

The Board includes one member of management, Curtis V. Anastasio, President and Chief Executive Officer (CEO), and four non-management directors. The Board determined that three of four of its non-management directors who served at any time during 2012 met the independence requirements of the NYSE listing standards as set forth in the NYSE Listed Company Manual. Those independent directors were: William B. Burnett, James F. Clingman, Jr. and Stan L. McLelland. As a member of management, Mr. Anastasio is not an independent director under the NYSE listing standards, and our Chairman of the Board, Mr. Greehey, currently owns approximately 18.7% of our outstanding units.

The Board's Audit, Compensation and Nominating/Governance Committees are composed entirely of directors who meet the independence requirements of the NYSE listing standards. Each member of the Audit Committee and Ms. Jelyne LeBlanc-Burley, a Class I director nominee, also meets the additional independence standards for Audit Committee members set forth in the regulations of the Securities and Exchange Commission (SEC).

Independence Determinations

Under the NYSE's listing standards, no director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with NuStar. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, the Board has determined that none of Mr. Burnett, Mr. Clingman or Ms. LeBlanc-Burley has any more than an

immaterial relationship with NuStar, either directly or as a partner, stockholder or officer of an organization that has a relationship with NuStar, and each is therefore independent under the NYSE's listing standards.

As provided by the NYSE listing standards, the Board has adopted categorical standards or guidelines to assist the Board in making its independence determinations with respect to each director. These standards are published in Article I of NuStar's *Corporate Governance Guidelines* and are available on our website at www.nustargpholdings.com (under the "Corporate Governance" tab in the "Investor Relations" section). Under the NYSE listing standards, immaterial relationships that fall within the guidelines are not required to be disclosed in this proxy statement.

An immaterial relationship falls within the guidelines if it:

- is not a relationship that would preclude a determination of independence under Section 303A.02(b) of the NYSE Listed Company Manual;
- consists of charitable contributions by NuStar to an organization where a director is an executive officer and does not exceed the greater of \$1 million or 2% of the organization's gross revenue in any of the last three years;
- consists of charitable contributions to any organization with which a director, or any member of a director's immediate family, is affiliated as an officer, director or trustee pursuant to a matching gift program of NuStar and made on terms applicable to employees and directors; or is in amounts that do not exceed \$250,000 per year; and
- is not required to be, and it is not otherwise, disclosed in this proxy statement.

COMMITTEES OF THE BOARD

The Board has standing Audit, Compensation and Nominating/Governance Committees. Each committee has a written charter. These charters are published on our website at www.nustargpholdings.com (under the "Corporate Governance" tab in the "Investor Relations" section). The committees of the Board and the number of meetings held by each committee in 2012 are described below.

Audit Committee

The Audit Committee reviews and reports to the Board on various auditing and accounting matters, including the quality, objectivity and performance of our internal and external accountants and auditors, the adequacy of its financial controls and the reliability of financial information reported to the public. The Audit Committee also monitors our efforts to comply with environmental laws and regulations and the Foreign Corrupt Practices Act. Members of the Audit Committee during 2012 were Mr. Burnett (Chairman), Mr. Clingman and Mr. McLelland. The Audit Committee met eight times in 2012. The "*Report of the Audit Committee for Fiscal Year 2012*" appears below within the disclosures related to Proposal No. 2.

The Board has determined that Mr. Burnett is an "audit committee financial expert" (as defined by the SEC), and that he is "independent" as independence for audit committee members is defined in the NYSE Listing Standards. For further information regarding Mr. Burnett's relevant experience, see "Proposal No. 1 *Election of Directors - Information Concerning Nominees and Other Directors.*"

Compensation Committee

The Compensation Committee reviews and reports to the Board on matters related to compensation strategies, policies and programs, including certain personnel policies and policy controls, management development, management succession and benefit programs. The Compensation Committee also approves and administers our equity compensation plan. The Compensation Committee has, for administrative convenience, delegated authority to the Company's CEO to make non-material amendments to the Company's plans. See the "*Compensation Committee Report*" below.

Members of the Compensation Committee during 2012 were Mr. McLelland (Chairman), Mr. Burnett and Mr. Clingman. The Compensation Committee met two times in 2012.

The “*Compensation Committee Report*” for fiscal year 2012 appears below within the disclosures related to Executive Compensation.

Compensation Committee Interlocks and Insider Participation

There are no compensation committee interlocks. None of the members of the Compensation Committee listed above have ever served as an officer or employee of NuStar or had any relationship requiring disclosure by NuStar under any paragraph of Item 404 of SEC’s Regulation S-K, which addresses related person transactions. Except for compensation arrangements disclosed in this proxy statement, NuStar has not participated in any contracts, loans, fees, awards or financial interests, direct or indirect, with any Compensation Committee member, nor is NuStar aware of any means, directly or indirectly, by which a Compensation Committee member could receive a material benefit from NuStar.

Nominating/Governance Committee

The Nominating/Governance Committee evaluates policies on the size and composition of the Board and criteria and procedures for director nominations, and considers and recommends candidates for election to the Board. The Nominating/Governance Committee also evaluates, recommends and monitors corporate governance guidelines, policies and procedures, including our codes of business conduct and ethics. Members of the Nominating/Governance Committee during 2012 were Mr. Clingman (Chairman), Mr. Burnett and Mr. McLelland. The Nominating/Governance Committee met one time in 2012.

In addition to recommending Mr. Greehey and Ms. LeBlanc-Burley as the director nominees for election as the Class I directors at the 2013 Annual Meeting, the Nominating/Governance Committee considered and recommended the appointment of a presiding director to preside at meetings of the independent directors without management, and recommended assignments for the committees of the Board. The full Board approved the recommendations of the Nominating/Governance Committee and adopted resolutions approving the director nominees to stand for election at the 2013 Annual Meeting, the appointment of a presiding director, and assignments for the committees of the Board.

SELECTION OF DIRECTOR NOMINEES

The Nominating/Governance Committee solicits recommendations for potential Board candidates from a number of sources, including members of the Board, NuStar’s officers, individuals personally known to the members of the Board and third-party research. In addition, the Nominating/Governance Committee will consider candidates submitted by unitholders. Any submissions by a unitholder must be in writing and include the candidate’s name, qualifications for Board membership, and sufficient biographical and other relevant information such that an informed judgment as to the proposed nominee’s qualifications can be made. Submissions must be directed to NuStar’s Corporate Secretary at the address indicated on the cover page of this proxy statement or corporatesecretary@nustarenergy.com. The level of consideration that the Nominating/Governance Committee will give to a unitholder’s candidate will be commensurate with the quality and quantity of information about the candidate that the nominating unitholder makes available to the Nominating/Governance Committee. The Nominating/Governance Committee will consider all candidates identified through the processes described above and will evaluate each of them on the same basis. In addition, in order to nominate a person for election as a director at an annual unitholders meeting, our bylaws require unitholders to follow certain procedures, including providing timely notice, as described under “*Additional Information – Advance Notice Required for Unitholder Nominations and Proposals*” below.

Evaluation of Director Candidates

The Nominating/Governance Committee is responsible for assessing the skills and characteristics that candidates for election to the Board should possess, as well as the composition of the Board as a whole. The assessments include qualifications under applicable independence standards and other standards applicable to the Board and its committees, as well as consideration of skills and experience in the context of the needs of the Board. Each candidate must meet certain minimum qualifications, including:

- independence of thought and judgment;
- the ability to dedicate sufficient time, energy and attention to the performance of his or her duties, taking into consideration the nominee's service on other public company boards; and
- skills and expertise complementary to the existing Board members' skills; in this regard, the Board will consider its need for operational, managerial, financial, governmental affairs or other relevant expertise.

The Nominating/Governance Committee may also consider the ability of a prospective candidate to work with the then-existing interpersonal dynamics of the Board and the candidate's ability to contribute to the collaborative culture among Board members. In accordance with our *Corporate Governance Guidelines*, individuals are considered for membership on the Board based on their character, judgment, integrity, diversity, age, skills (including financial literacy), independence and experience in the context of the overall needs of the Board. Nominees are also selected based on their knowledge about our industry and their respective experience leading or advising large companies. We require that our directors have the ability to work collegially, exercise good judgment and think critically. In addition, we ask that our directors commit to working hard for our company. The Nominating/Governance Committee strives to find the best possible candidates to represent the interests of NuStar and its unitholders. As part of its self-assessment process, the Nominating/Governance Committee annually evaluates the mix of independent and non-independent directors, the selection and functions of the presiding director and whether the Board has the appropriate range of talents, expertise and backgrounds.

Based on this evaluation, the Nominating/Governance Committee determines whether to interview a candidate, and if warranted, will recommend that one or more of its members, other members of the Board or senior management, as appropriate, interview the candidate in person or by telephone. After completing this evaluation and interview process, the Nominating/Governance Committee ultimately determines its list of nominees and submits it to the full Board for consideration and approval.

LEADERSHIP STRUCTURE OF THE BOARD; PRESIDING DIRECTOR AND MEETINGS OF NON-MANAGEMENT DIRECTORS

As prescribed by our limited liability company agreement, the Chairman of the Board has the power to preside at all meetings of the Board. Mr. Greehey serves as the Chairman of our Board. Although the Board believes that the separation of the Chairman and CEO roles is appropriate in the current circumstances, our *Corporate Governance Guidelines* do not establish this approach as a policy.

Our Board appoints a "Presiding Director," whose responsibilities include presiding over Board meetings that take place outside the presence of management; such meetings occur regularly. Pursuant to the recommendation of the Nominating/Governance Committee, the Board designated Mr. Clingman to serve as the Presiding Director for 2013.

RISK OVERSIGHT

While it is the job of management to assess and manage our risk, the Board and its Audit Committee (each where applicable) discuss the guidelines and policies that govern the process by which risk assessment and management is undertaken and evaluate reports from various functions with the management team on risk assessment and management. The Board interfaces regularly with management and receives periodic reports that include updates on operational, financial, legal and risk management matters. The Audit Committee assists the Board in oversight of the integrity of NuStar's financial statements and NuStar's compliance with legal and regulatory requirements, including those related to the health, safety and environmental performance of our company. The Audit Committee also reviews and assesses the performance of NuStar's internal audit function and its independent auditors. The Board receives regular reports from the Audit Committee. We do not believe that the Board's role in risk oversight has an effect on the Board's leadership structure.

Evaluation of Compensation Risk

As described below in "Compensation Discussion and Analysis," we pay a services fee under a services agreement between our consolidated subsidiary, NuStar GP, LLC, and NuStar Energy L.P. We receive all administrative services from NuStar GP, LLC. In addition to the services fee, we pay 1% of NuStar GP, LLC's domestic bonus and unit compensation expense, subject to certain adjustments. The total fee for 2012 was \$1.3 million. While we have officers, we do not pay for their compensation beyond the services fee. We believe that the services fee that we pay does not create incentives to take risks that are reasonably likely to have a material adverse effect on NuStar.

PROPOSAL NO. 1
ELECTION OF DIRECTORS
(Item 1 on the Proxy Card)

Our Board is divided into three classes for purposes of election. Two Class I directors will be elected at the 2013 Annual Meeting to serve a three-year term that will expire at the 2016 Annual Meeting.

THE BOARD RECOMMENDS THAT UNITHOLDERS VOTE “FOR” ALL NOMINEES.

In accordance with NuStar’s limited liability company agreement, directors are elected by a plurality of the votes cast by the holders of the Common Units represented at the 2013 Annual Meeting and entitled to vote. The nominees for Class I director receiving the greatest number of votes, whether or not these votes represent a majority of the votes of the holders of the Common Units present and voting at the 2013 Annual Meeting, will be elected as a director. Votes “withheld” from a nominee will not count against the election of the nominee.

If the nominee is unavailable as a candidate at the time of the 2013 Annual Meeting, either the number of directors constituting the full Board will be reduced to eliminate the vacancy, or the persons named as proxies will use their best judgment in voting for any available nominee. The Board has no reason to believe that the current nominee will be unable to serve.

INFORMATION CONCERNING THE NOMINEES AND OTHER DIRECTORS

The following table describes (i) the nominees for election as a director at the 2013 Annual Meeting, and (ii) the other members of the Board whose terms expire in 2014 and 2015. The information provided is based partly on data furnished by the directors and partly on NuStar’s records. There is no family relationship among any of the executive officers, directors or the nominee for director of NuStar.

- (7) The calculation for NuStar Energy L.P. Percentage of Outstanding Common Units includes the total of units listed under the captions “NuStar Energy L.P. Units Beneficially Owned” and “Units under Exercisable Options.”

The following Compensation Committee Report is not “soliciting material,” is not deemed filed with the SEC and is not to be incorporated by reference into any of NuStar’s filings under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, respectively, whether made before or after the date of this proxy statement and irrespective of any general incorporation language therein.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the following *Compensation Discussion and Analysis* with management. Based on the foregoing review and discussions and such other matters the Compensation Committee deemed relevant and appropriate, the committee recommended to the Board that the *Compensation Discussion and Analysis* be included in this proxy statement.

Members of the Compensation Committee:

James F. Clingman, Jr., Acting Chairman*

William B. Burnett

* Due to his plan to retire as of the end of his current term, Stan L. McLelland, current member of the Compensation Committee, excused himself from the review of the Compensation Discussion and Analysis. He has not disagreed with the other members of the committee on any point.

COMPENSATION DISCUSSION AND ANALYSIS

Our officers are also officers of NuStar GP, LLC, our wholly owned subsidiary and the general partner of Riverwalk Logistics, L.P., the general partner of NuStar Energy L.P. Our only cash generating assets are our indirect ownership interests in NuStar Energy L.P., a publicly traded Delaware limited partnership (NYSE: NS).

We do not pay our officers. Instead, under a services agreement between NuStar Energy L.P. and NuStar GP, LLC, dated effective January 1, 2008 (the Services Agreement), we receive administrative services, which include executive management, accounting, legal, cash management, corporate finance and other administrative services, from NuStar GP, LLC for an administrative services fee (the Services Fee). The total Services Fee for all services provided in 2012 was \$1.3 million.

EXECUTIVE COMPENSATION

As described above in “*Compensation Discussion and Analysis*,” we do not pay our officers, and we receive all administrative services from our wholly owned subsidiary, NuStar GP, LLC, under the above-referenced Services Agreement for an annual fee of, presently, \$1.1 million plus 1.0% of NuStar GP, LLC’s domestic bonus and unit compensation expense and subject to certain other adjustments. The total Services Fee for all services provided in 2012 was \$1.3 million. Please see NuStar Energy L.P.’s annual report on Form 10-K for the year ended December 31, 2012 for disclosure of the compensation of certain NuStar GP, LLC officers for their services for NuStar Energy L.P.

In addition, we have no employment, severance or other agreements with any of our officers. Pension and benefit plans are maintained by our wholly owned subsidiary, NuStar GP, LLC. However, since costs incurred by us related to our pension and other retirement benefit plans are reimbursed by NuStar Energy L.P., funding for these plans will be provided by NuStar Energy L.P. As a result, we have omitted the following tables from our disclosure:

- Pension Benefits
- Nonqualified Deferred Compensation
- Payments Under Change of Control Severance Agreements

In 2012, at a joint meeting of the Compensation Committee of the Board of Directors of NuStar GP, LLC and our Compensation Committee, our Compensation Committee approved a grant of restricted units to certain officers of NuStar GP, LLC, including those who are also our officers. Our Compensation Committee granted those restricted units to encourage the officers to continue to devote their best efforts to advancing the business of NuStar GP Holdings, LLC and NuStar Energy L.P.

Due to the fact that 99% of the 2012 expense for the bonus and unit compensation was paid by NuStar Energy L.P. (as reflected in the disclosures in NuStar Energy L.P.’s Annual Report on Form 10-K for the year ended December 31, 2012), we have omitted the following tables from our disclosure:

- Summary Compensation Table
- Grants of Plan-Based Awards
- Outstanding Equity Awards
- Option Exercises and Stock Vested

The table listed below, which appears below, provides information required by the SEC regarding the compensation we paid for the year ended December 31, 2012 to our directors. The footnotes to the table provide important information to explain the values presented in the tables, and are an important part of our disclosures relating to our director compensation for the year ended December 31, 2012.

COMPENSATION OF DIRECTORS

The following table provides a summary of compensation paid to members of our board of directors during the year ended December 31, 2012.

DIRECTOR COMPENSATION FOR THE YEAR ENDED DECEMBER 31, 2012

Footnotes appear on the following page.

Footnotes to “Director Compensation” table:

- (1) In addition to the fees paid according to the non-employee director compensation described below, the amounts disclosed in this column include reimbursement for expenses for transportation to and from Board meetings and lodging while attending meetings.
- (2) Mr. Anastasio is not compensated for his service as a director of NuStar.
- (3) The amounts reported represent the grant-date fair value of grants of “phantom” restricted NuStar GP Holdings, LLC units. Phantom restricted units are not original issuance units subject to restrictions; rather, phantom restricted units are contractual obligations of the Company to provide NuStar GP Holdings, LLC units, which the Company acquires on the open market at then-market prices, upon the lapse of applicable vesting conditions. The satisfaction of vesting of phantom units does not dilute then-current unitholders.

No unit options have been granted to NuStar’s non-employee directors.

As of December 31, 2012, each director holds the following aggregate number of restricted unit and unvested option awards:

Name	Aggregate # of Restricted Units	Aggregate # of Unit Options
Mr. Greehey	6,060	-
Mr. Anastasio	20,174	-
Mr. Burnett	4,417	-
Mr. Clingman	4,417	-
Mr.. McLelland	4,417	-

- (4) Our non-employee directors do not participate in these plans. Pension and benefit plans are maintained by our wholly owned subsidiary, NuStar GP, LLC. In addition, since costs incurred by us related to our pension and other retirement benefit plan are reimbursed by NuStar Energy L.P., funding for these plans will primarily be provided by NuStar Energy L.P.

During 2012, non-employee directors received a retainer fee of \$55,000 per year, plus \$1,250 for each Board and committee meeting attended in person and \$500 for each Board and committee meeting attended telephonically. Directors who serve as chairperson of the Audit Committee receive an additional \$10,000 annually, and directors who serve as chairperson of either the Compensation or the Nominating/Governance Committee receive an additional \$5,000 annually. Each director is also reimbursed for expenses of meeting attendance. Directors who are employees of NuStar GP, LLC receive no compensation (other than reimbursement of expenses) for serving as directors. The Chairman of the Board receives an additional retainer fee of \$50,000 per year. The Chairman of the Board receives no fees for attending committee meetings.

NuStar supplements the compensation paid to non-employee directors with an annual grant of restricted units valued at \$70,000 that vests in equal annual installments over a three-year period. The Chairman of the Board receives an additional grant of restricted units valued at \$25,000 per year. We believe this annual grant of restricted units increases the non-employee directors’ identification with the interests of NuStar’s unitholders through ownership of NuStar’s units. Upon a non-employee director’s initial election to the Board, the director will receive a grant of restricted units equal to the pro-rated amount of the annual grant of restricted units from the time of his election through the next annual grant of restricted units.

In the event of a “Change of Control” as defined in the 2006 Long-Term Incentive Plan, all unvested restricted units and unit options previously granted immediately become vested or exercisable. Each plan also contains anti-dilution provisions providing for an adjustment in the number of restricted units or unit options, respectively, which have been granted to prevent dilution of benefits in the event there is a

change in our capital structure that affects our Common Units.

EQUITY COMPENSATION PLAN INFORMATION

The following table summarizes information for NuStar's equity compensation plan as of December 31, 2012.

	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans
Approved by unitholders:	489,209	\$30.30	1,510,791
Not approved by unitholders:	0	n/a	0

For additional information on this plan, see Note 15 of the Notes to the Consolidated Financial Statements of NuStar for the fiscal year ended December 31, 2012, which is included in NuStar's annual report on Form 10-K filed with the SEC on March 1, 2013.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Others

In January 2007, our Board adopted a written related person transaction policy that codifies our prior practice. The policy requires that any transaction between NuStar and: (i) any vice president, Section 16 officer or director, (ii) any 5% or greater unitholder of NuStar Energy L.P. or NuStar GP Holdings, LLC, (iii) any immediate family member of any officer or director or (iv) any entity controlled by any of (i), (ii) or (iii) (or in which any of (i), (ii) or (iii) owns more than 5%) must be approved by the disinterested members of the Board. In addition, the policy requires that the officers and directors have an affirmative obligation to inform our Corporate Secretary of his or her immediate family members, as well as any entities in which he or she controls or owns more than 5%.

Management also makes it a practice to inform the Board and/or its committees regarding any potential “related person” transaction (within the meaning of Item 404(a) of the SEC’s Regulation S-K) of which management is aware. We also solicit information from our directors and officers annually in connection with the preparation of disclosures in our proxy statement. These questionnaires specifically seek information pertaining to any “related person” transaction.

Relationship with NuStar Energy L.P.

Due to our ownership of NuStar GP, LLC and Riverwalk Holdings, LLC, as of December 31, 2012, we indirectly owned:

- the 2% general partner interest in NuStar Energy L.P., through our indirect 100% ownership interest in Riverwalk Logistics, L.P.;
- 100% of NuStar Energy L.P.’s incentive distribution rights, which entitle us to receive increasing percentages of the cash distributed by NuStar Energy L.P., currently at the maximum percentage of 23%; and
- 10,351,461 common units of NuStar Energy L.P. representing 13.3% of the issued and outstanding NuStar Energy L.P. common units.

Our officers are also officers of NuStar GP, LLC. Our Chairman, William E. Greehey, is also the Chairman of the board of directors of NuStar GP, LLC. Our Board appoints NuStar GP, LLC’s directors and is responsible for overseeing our role as the owner of the general partner of NuStar Energy L.P.

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Item 2 on the Proxy Card)

On February 28, 2013, the Audit Committee of the Board recommended that NuStar's Board engage KPMG LLP (KPMG) to serve as NuStar's independent registered public accounting firm for the fiscal year ending December 31, 2013. KPMG also served as NuStar's independent registered public accounting firm for the fiscal year ended December 31, 2012, and since NuStar became a publicly traded company in July 2006.

The Board requests unitholder approval of the following resolution adopted by the Board on February 28, 2013:

RESOLVED, that the appointment of the firm of KPMG as the independent registered public accounting firm for NuStar GP Holdings, LLC for the purpose of conducting an audit of the consolidated financial statements and internal control over financial reporting of NuStar GP Holdings, LLC and its subsidiaries for the fiscal year ending December 31, 2013 is hereby approved and ratified.

THE BOARD RECOMMENDS THAT UNITHOLDERS VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG AS NUSTAR GP HOLDINGS, LLC'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2012.

The Audit Committee is responsible for recommending, for unitholder approval, our independent registered public accounting firm. The affirmative vote of a majority of the units present in person or by proxy and entitled to vote is required for adoption of this proposal. Should unitholders fail to approve the appointment of KPMG, the Audit Committee would undertake the task of reviewing the appointment. Nevertheless, given the difficulty and expense of changing independent accountants mid-way through the year, there is no assurance that a firm other than KPMG could be secured to deliver any or all of NuStar's independent auditing services required in 2013. The Audit Committee, however, would take the lack of unitholder approval into account when recommending an independent registered public accounting firm for 2014.

Representatives of KPMG are expected to be present at the 2013 Annual Meeting to respond to appropriate questions raised at the 2013 Annual Meeting or submitted to them in writing prior to the 2013 Annual Meeting. The representatives may also make a statement if they desire to do so.

Audit-Related Fees. The aggregate fees for the fiscal year 2011 for assurance and related services rendered by KPMG that are reasonably related to the performance of the audit or review of NuStar's financial statements and not reported under the preceding caption were \$0.

All Other Fees. The aggregate fees for the fiscal year 2011 for services provided by KPMG, other than the services reported under the preceding captions, were \$0.

AUDIT COMMITTEE PRE-APPROVAL POLICY

The Audit Committee has adopted a pre-approval policy to address the approval of services rendered to NuStar by its independent auditors. The text of that policy appears in Exhibit 99.01 to NuStar's Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

None of the services (described above) for 2012 provided by KPMG were approved by the Audit Committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

REPORT OF THE AUDIT COMMITTEE FOR FISCAL YEAR 2012 *

Management is responsible for NuStar's internal controls and the financial reporting process. KPMG, NuStar's independent registered public accounting firm for the fiscal year ended December 31, 2012, is responsible for performing an independent audit of NuStar's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB), and an audit of NuStar's internal control over financial reporting in accordance with the standards of the PCAOB, and to issue its reports thereon. The Audit Committee monitors and oversees these processes and approves the selection and appointment of NuStar's independent registered public accounting firm and recommends the ratification of such selection and appointment to the Board.

The Audit Committee has reviewed and discussed NuStar's audited financial statements with management and KPMG. The Audit Committee has discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380 "*Communications with Audit Committees*"), as adopted by the PCAOB in Rule 3200T. The Audit Committee has received written disclosures and the letter from KPMG required by applicable requirements of the Audit Committee concerning its independence, and has discussed with KPMG that firm's independence.

Based on the foregoing review and discussions and such other matters the Audit Committee deemed relevant and appropriate, the Audit Committee recommended to the Board that the audited financial statements of NuStar be included in NuStar's Annual Report on Form 10-K for the year ended December 31, 2012.

HOUSEHOLDING

The SEC's rules allow companies to send a single Notice or single copy of annual reports, proxy statements, prospectuses and other disclosure documents to two or more unitholders sharing the same address, subject to certain conditions. These "householding" rules are intended to provide greater convenience for unitholders, and cost savings for companies, by reducing the number of duplicate documents that unitholders receive. If your units are held by an intermediary broker, dealer or bank in "street name," your consent to householding may be sought, or may already have been sought, by or on behalf of the intermediary.

If your units are held in a brokerage account, and you no longer wish to participate in householding, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker. If you hold registered units, you can notify NuStar by sending a written request to NuStar's Corporate Secretary at the address indicated on the cover page of this proxy statement, calling the Corporate Secretary at (210) 918-2000 or emailing corporatesecretary@nustarenergy.com.
