Special Note Regarding Forward-Looking Information

In addition to historical information, this presentation contains "forward-looking" statements that reflect management's expectations for the future. The forward-looking statements contained in this presentation include, without limitation, statements relating to GAIN Capital's expectations regarding the opportunities and strengths of the combined company created by the combination of GAIN and GFT, anticipated cost and revenue synergies as well as expected growth in financial and operating metrics, the strategic rationale for the business combination, including expectations regarding product offerings, growth opportunities, value creation, and financial strength. A variety of important factors could cause results to differ materially from such statements. These factors include, but are not limited to, the actions of both current and potential new competitors, fluctuations in market trading volumes, financial market volatility, evolving industry regulations, including changes in regulation of futures companies, errors or malfunctions in our systems or technology, rapid changes in technology, effects of inflation, customer trading patterns, the success of our products and service offerings, our ability to continue to innovate and meet the demands of our customers for new or enhanced products, our ability to successfully integrate assets and companies we have acquired, including the successful integration of GFT, our ability to effectively compete in the OTC products and futures industries, changes in tax policy or accounting rules, fluctuations in foreign exchange rates and commodity prices, adverse changes or volatility in interest rates, as well as general economic, business, credit and financial market conditions, internationally or nationally, and our ability to continue paying a quarterly dividend in light of future financial performance and financing needs. The forward-looking statements included herein represent GAIN Capital's views as of the date of this presentation. GAIN Capital undertakes no obligation to revise or update publicly any forward-looking statement for any reason unless required by law.
