Disclosure

This presentation contains certain forward-looking statements with respect to the financial condition, results of operations and business of Hillshire Brands and the combined businesses of Pinnacle and Hillshire Brands and certain plans and objectives of Hillshire Brands with respect thereto, including the expected benefits of the proposed merger . These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “goal”, “believe”, “hope”, “aim”, “continue”, “will”, “may”, “would”, “could” or “should” or other words of similar meaning or the negative thereof. These forward-looking statements are based on numerous assumptions and assessments made by Hillshire Brands in light of its experience and perception of historical trends, current conditions, business strategies, operating environment, future developments and other factors it believes appropriate. By their nature, forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this announcement could cause Hillshire Brands’ plans with respect to Pinnacle Foods, actual results, performance or achievements, industry results and developments to differ materially from those expressed in or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. Hillshire Brands assumes no obligation to update the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.
