Proxy voting by Internet or telephone

The Proxy Statement is one of Aetna’s most important public documents. It includes information about Aetna’s Board of Directors and describes the proposals to be voted on at the 2015 Annual Meeting of Shareholders, which will be held Friday, May 15, 2015, at the JW Marriott Miami in Miami, Florida. ***Early next week, Broadridge Financial Solutions, the distribution agent for the trustee of the 401(k) Plans, will send an e-mail to each active employee who held Aetna stock through a 401(k) Plan at the close of business on March 13, 2015 with this subject line: “AETNA 2015 ANNUAL MEETING-VOTING INSTRUCTIONS FOR 401(K) SHAREHOLDERS.”***

If you held Aetna stock through any of the 401(k) Plans at the close of business on March 13, 2015, you are encouraged to inform yourself of the issues being voted on and exercise your right to vote by Internet or by telephone. Shares held in the 401(k) Plans are voted by the 401(k) Plan trustee in proportion to the votes the trustee receives from Aetna shareholders with respect to the shares they own through the 401(k) Plans. Your individual voting instructions are strictly confidential and are not disclosed to Aetna.
