THE COMPANY

We are a Bermuda exempted limited liability company that, through our subsidiaries, provides collateralized reinsurance in the property catastrophe market and invests in various insurance-linked securities. We were incorporated under the laws of Bermuda on June 24, 2013 and we commenced operations on November 12, 2013.

On November 5, 2013, our registration statement on Form S-1 was declared effective, pursuant to which we sold 6,250,000 common shares, par value U.S. \$1.00 per share (“Common Shares”), to the public at a price of \$20.00 per share (the “IPO”). Concurrent with the IPO, we completed a private placement (the “Private Placement”) with Montpelier Reinsurance Ltd. (“Montpelier Re”), a wholly-owned subsidiary of Montpelier Re Holdings Ltd. (“Montpelier”), pursuant to which we sold an additional 2,500,000 Common Shares at a price of \$20.00 per share. Our Common Shares began trading on the New York Stock Exchange on November 6, 2013 under the symbol “BCRH” and were subsequently listed on the Bermuda Stock Exchange under the symbol “BCRH.BH.”

We operate through our wholly-owned subsidiaries: (i) Blue Capital Re Ltd. (“Blue Capital Re”), a Bermuda Class 3A insurer which offers collateralized reinsurance; and (ii) Blue Capital Re ILS Ltd. (“Blue Capital Re ILS”), a Bermuda exempted limited liability company which conducts hedging and other investment activities, including entering into industry loss warranties, in support of Blue Capital Re’s operations.

Our business strategy is to build and maintain a diversified portfolio of reinsurance risks that will generate underwriting profits, which we intend principally to distribute to our shareholders through the payment of dividends, with returns commensurate with the amount of risk assumed. We seek to provide Shareholders with the opportunity to own an alternative asset class whose returns we believe have historically been largely uncorrelated to those of other asset classes, such as global equities and bonds. Subject to the discretion of the Board, we intend to distribute a minimum of 90% of our Distributable Income (as defined on page 15 of this Proxy Statement) in the form of cash dividends to Shareholders.

Through each of the following roles and relationships, we leverage Montpelier’s reinsurance underwriting expertise and infrastructure to conduct our business: (i) Blue Capital Management Ltd. (“BCML”), a wholly-owned subsidiary of Montpelier, manages our reinsurance underwriting decisions; (ii) Blue Water Re Ltd. (“Blue Water Re”), Montpelier’s wholly-owned special purpose insurance vehicle, is a significant source of reinsurance business for us; and (iii) certain officers of Montpelier also serve as our Chief Executive Officer (the “CEO”), our Chief Financial Officer (the “CFO”), and as two of our five directors, including the role of Chairman.

As of December 31, 2014 and 2013, Montpelier owned 33.3% and 28.6% of our outstanding Common Shares, respectively. Montpelier increased its ownership in us during 2014 through a series of open-market purchases of Common Shares.

We qualify as an “emerging growth company” as defined in Section 2(a)(19) of the Securities Act of 1933, as amended, as modified by the Jumpstart Our Business Startups Act of 2012. As a result, we are eligible to take advantage of certain exemptions from various reporting requirements applicable to public companies that are not emerging growth companies. These exemptions include:

- reduced disclosure about our executive compensation arrangements and no requirement to include a compensation discussion and analysis;
- no requirement to hold non-binding advisory shareholder votes on executive compensation or golden parachute arrangements;
- an exemption from the auditor attestation requirement in the assessment of our internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, as amended; and
- the ability to use an extended transition period for complying with new or revised accounting standards.

We intend to continue to take advantage of some, but not all, of the exemptions available to emerging growth companies until such time that we are no longer an emerging growth company. Accordingly, the information contained herein may be different from the information you receive from other public companies in which you invest.

We have irrevocably elected not to take advantage of the extended transition period afforded by the JOBS Act for the implementation of new or revised accounting standards and, as a result, we will comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for non-emerging growth companies.

We will continue to be an emerging growth company until the earliest to occur of: (i) the last day of the year during which we had total annual gross revenues of at least \$1.0 billion (as indexed for inflation); (ii) the last day of the year following the fifth anniversary of the date of the IPO; (iii) the date on which we have, during the previous three-year period, issued more than \$1.0 billion in non-convertible debt; and (iv) the date on which we are deemed to be a “large accelerated filer,” as defined under the Securities Exchange Act of 1934, as amended (the “1934 Act”).

**PROXY STATEMENT
2015 Annual General Meeting of Shareholders
May 13, 2015**

General Information

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board to be voted at the 2015 Annual Meeting to be held at the Company's Principal Executive Offices at 94 Pitts Bay Road, Pembroke HM08, Bermuda on May 13, 2015 at 10:30 a.m. Atlantic Daylight Time, or any postponement or adjournment thereof. This Proxy Statement, the Notice of 2015 Annual Meeting and the accompanying form of proxy are being first mailed to Shareholders on or about April 2, 2015.

As of March 19, 2015, the record date for the determination of persons entitled to receive notice of, and to vote at, the 2015 Annual Meeting, there were 8,750,000 Common Shares outstanding. Common Shares are the only class of our share capital entitled to vote at the 2015 Annual Meeting. Common Shares are quoted on the New York Stock Exchange, Inc. (the "NYSE") under the symbol "BCRH" and the Bermuda Stock Exchange under the symbol "BCRH.BH."

Holders of Common Shares are entitled to one vote on each matter to be voted upon by the Shareholders at the 2015 Annual Meeting for each Common Share held. Pursuant to the Company's Bye-Law 24, if, and so long as, the Controlled Shares (as defined below) of any person would otherwise represent more than 9.5% of the voting power of all of the Common Shares entitled to vote at an election of directors, then the votes conferred by the Controlled Shares owned by such person will be reduced by whatever amount is necessary so that after any such reduction such votes shall constitute no more than 9.5% of the total voting power of all the Common Shares entitled to vote at any election of directors as set forth in our Bye-Laws. A Shareholder's voting power in excess of 9.5% will be redistributed proportionally among the other Shareholders so that 100% of the voting power of all Common Shares is entitled to be cast. In any event, no such reduction and redistribution of voting power may have the effect of increasing another Shareholder's voting power to more than 9.5%. If the aggregate reductions in voting power would result in less than 100% of the voting power of all Common Shares being entitled to be cast, the excess of 100% of the voting power over the votes entitled to be cast shall be conferred on the shares held by the Shareholders, proportionately, based on the number of shares held by each Shareholder; provided, however, that the shares of a Shareholder shall not be conferred votes to the extent that any U.S. Person would be considered a 9.5% U.S. Shareholder.

In addition, the Board may adjust a Shareholder's voting rights to the extent that it reasonably determines in good faith that it is necessary to do so to avoid adverse U.S. tax consequences or materially adverse legal or regulatory treatment to the Company or any subsidiary of the Company or to any Shareholder or affiliate controlled by such Shareholder. "Controlled Shares" shall include, among other things, all Common Shares that a person is deemed to beneficially own directly, indirectly or constructively within the meaning of Section 958 of the U.S. Internal Revenue Code.

In order to determine the number of Controlled Shares owned by each Shareholder, we are authorized to require any Shareholder to provide information as to that Shareholder's beneficial share ownership, the names of persons having beneficial ownership of the Shareholder's Common Shares, relationships with other Shareholders or any other facts the directors may deem relevant to a determination of the number of Common Shares attributable to any person. We may, in our reasonable discretion, reduce or disregard the votes attached to Common Shares of any holder failing to respond to such a request or submitting incomplete or inaccurate information.

The presence of two or more persons present in person and representing in person or by proxy in excess of 50% of the total combined voting power (that is, the number of maximum possible votes entitled to attend and vote at a general meeting, after giving effect to Bye-law 24) of all of the issued and outstanding Common Shares throughout the meeting shall form a quorum for the transaction of business at the 2015 Annual Meeting.

At the 2015 Annual Meeting, Shareholders will also receive the report of our independent registered public accounting firm and may be asked to consider and take action with respect to such other matters as may properly come before the 2015 Annual Meeting.

Each of the Shareholder proposals presented herein will be decided by the affirmative vote of a majority of the voting rights attached to the Common Shares voted at the 2015 Annual Meeting, subject to Bye-law 24, provided a quorum is present. The Company intends to conduct all voting at the 2015 Annual Meeting by poll to be requested by the Chairman of the meeting, in accordance with the Company's Bye-Laws.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on May 13, 2015. The Proxy Statement and the 2014 Annual Report are available at <https://materials.proxyvote.com/G1190F>.

Solicitation and Revocation

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD.

Such persons designated as proxies serve as officers of the Company. Any Shareholder desiring to appoint another person to represent him or her at the 2015 Annual Meeting may do so either by inserting such person's name in the blank space provided on the accompanying form of proxy, or by completing another form of proxy and, in either case, delivering an executed proxy to the Assistant Secretary of the Company at the address indicated herein before the time of the 2015 Annual Meeting. It is the responsibility of the Shareholder appointing such other person to represent him or her as proxy to inform such person of this appointment.

All Common Shares represented by properly executed proxies which are returned and not revoked will be voted in accordance with the instructions given thereon. If no instructions are provided in a properly executed proxy, it will be voted in accordance with the Board's recommendations as set forth on the accompanying form of proxy, and in accordance with the proxyholder's best judgment as to any other business as may properly come before the 2015 Annual Meeting. If a Shareholder appoints a person other than the persons named in the enclosed form of proxy to represent him or her, such person will vote the Common Shares in respect of which he or she is appointed proxyholder in accordance with the directions of the Shareholder appointing him or her. Any Shareholder who executes a proxy may revoke it at any time before it is voted by delivering to the Assistant Secretary of the Company at 94 Pitts Bay Road, Pembroke HM08, Bermuda, a written statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the 2015 Annual Meeting. Attendance at the 2015 Annual Meeting by a Shareholder who has executed and delivered a proxy to us shall not constitute a revocation of such proxy.

Member brokerage firms of the NYSE that hold Common Shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions, vote in their discretion upon the proposal to appoint PricewaterhouseCoopers Ltd., an independent registered public accounting firm, as the Company's independent auditor for 2015 and to authorize the Company's Board, acting by the Company's Audit Committee, to set their remuneration. The elections of directors and the reduction of the Company's share premium account are considered to be non-routine matters upon which a broker will not have discretionary authority to vote if no instructions are given by the beneficial owner of the Common Shares. Broker non-votes occur when Common Shares held for a beneficial owner are not voted. If a Shareholder abstains from voting, or if a Shareholder's Common Shares are treated as a broker non-vote, those Common Shares will not be considered as votes cast "For" or "Against" the proposal, but will be included in the number of Common Shares represented for the purpose of determining whether a quorum is present.

We will bear the cost of solicitation of proxies. Solicitation may be made by our directors and officers personally, by telephone, by internet or otherwise, but such persons will not be specifically compensated for such services. We may also make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Shares. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the 2015 Annual Meeting to the beneficial owners of Common Shares which such persons hold of record.

Corporate Governance and Related Matters

The Board acts as the Company’s ultimate decision maker and advises and oversees management, which is responsible for day-to-day operations. The Company has adopted Corporate Governance Guidelines (the “Corporate Governance Guidelines”) to provide a framework for the governance of the Company. This document is available on our website at (www.bcapre.bm > Corporate Governance > Corporate Governance Documents > Corporate Governance Guidelines and Procedures) and may also be obtained at no charge upon written request to the attention of the Company Assistant Secretary at 94 Pitts Bay Road, Pembroke HM08, Bermuda.

Code of Conduct and Ethics

The Company has adopted a Code of Conduct and Ethics (the “Code of Conduct and Ethics”) for all its directors, officers and employees, including the Company’s CEO and CFO. This document is available on our website at (www.bcapre.bm > Corporate Governance > Corporate Governance Documents > Code of Conduct and Ethics) and may also be obtained at no charge upon written request to the attention of the Company Assistant Secretary at 94 Pitts Bay Road, Pembroke HM08, Bermuda. Any waiver of any part of the Code of Conduct and Ethics for executive officers or directors may be made only by the Board (or the Audit Committee) and will be promptly disclosed to Shareholders as required by SEC and NYSE rules.

The Board and Committees

The Board

The Board currently consists of five members and is elected by Shareholders pursuant to the Company's By-Laws. The Board is divided into three classes, Class A, Class B and Class C, with each class serving for a staggered three-year term. The Board selects our CEO and our CFO, who are charged with the conduct of our business. After selecting the senior management team, the Board acts as an advisor to senior management and ultimately monitors its performance. The Board's ability to monitor senior management's performance is facilitated by the presence of independent directors who have experience in the reinsurance business.

The Board has determined that the positions of CEO and Chairman should be held by two different individuals. The Board believes that its current leadership structure is appropriate for the Company at this time because the CEO and Chairman fulfill separate and distinct roles. The CEO is responsible for the day-to-day management of the Company while the Chairman presides over meetings of the Board and acts as liaison between the non-management directors and the CEO.

Montpelier has the right to nominate two out of our five directors (or, if the Board consists of more than five directors, no less than 40% of the total Board seats at any given time), until the later of the date on which: (i) Montpelier sells any Common Shares; and (ii) Montpelier owns less than 5% of the total Common Shares outstanding.

Board Role in Risk Oversight

The Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company.

The Board receives regular reports from BCML on the risk management work undertaken by management and the extent of any action taken to address areas identified for improvement. The Board defines the risk measures and risk management processes to be used within the Company, including the definition of the Company's risk appetite and its risk tolerances. Discussions of risk management reporting, risk tolerance, risk measurement, capital management and corporate strategy takes place at each of the Board meetings.

Director Independence

Members of the Audit Committee and the Compensation Committee must meet all applicable independence tests as defined by the NYSE, the SEC and the Company's Categorical Standards for Director Independence (the Company's "Independence Standards") as adopted by the Board and attached hereto as Appendix A.

The Board and the Compensation Committee have reviewed the responses of directors and director nominees to a questionnaire asking about their direct and indirect relationships with the Company (including those of their immediate family members) and other potential conflicts of interest, as well as pertinent materials provided by management related to transactions, relationships or arrangements between the Company and the directors or director nominees or parties related thereto.

The Board has concluded that each of Messrs. Cook, Lemieux and Weale is independent in accordance with the director independence standards of the NYSE and the Company's Independence Standards and that none of Messrs. Cook, Lemieux and Weale has a material relationship with the Company that would impair his independence from management or otherwise compromise his ability to act as an independent director. Neither Mr. Pollett, by virtue of his management positions with Montpelier, nor Mr. Harris, by virtue of his management positions and directorship with Montpelier, is considered to be an independent director. Accordingly, the majority of the Board is comprised of independent directors.

Board and Committee Meetings

During 2014 there were four meetings (including telephonic meetings) of the full Board, seven meetings of the Audit Committee and three meetings of the Compensation Committee. During 2014 each of our directors attended over 75% of the meetings of the full Board during the period such director was a member.

As Lead Director, Mr. Lemieux, attends and presides over each regularly scheduled executive session of non-management directors. The Board intends to meet in executive session at least once during each year with only independent directors present.

It is the Board's policy that all directors will attend, or otherwise participate in, our Annual General Meetings of Shareholders unless unavoidably prevented from doing so.

Compensation Committee

The Board has determined that all members of the Compensation Committee are “independent” within the meaning of the NYSE listing standards and the rules and regulations of the SEC.

Pursuant to the terms of the Administrative Services Agreement with BCML, which is described in more detail under the heading “Certain Relationships and Related Person Transactions - Service Agreements with Montpelier” beginning on page 14 of this Proxy Statement, BCML provides us with, among other things, the services of our CFO, Mr. Paquette, and is compensated for such services in accordance with the Administrative Services Agreement. Nonetheless, the Compensation Committee is responsible for all aspects of compensation and benefits policies for any executive officers we may hire in the future. Our executive officers do not have any role in making determinations or recommendations regarding director compensation.

Neither the Compensation Committee nor management retained a compensation consultant during 2014.

The Compensation Committee is also responsible for nominating candidates for election to the Board and for reviewing and making recommendations on matters involving the general operation of the Board and our corporate governance.

The principal duties and responsibilities of the Compensation Committee related to nominating and corporate governance include: (i) establishing criteria for Board and committee membership and recommending to the Board proposed nominees for election to the Board and for membership on committees of the Board; (ii) searching for qualified director candidates as needed and reviewing background information of candidates for selection to the Board, including those recommended by Shareholders, and making recommendations to the Board regarding such candidates; (iii) assisting the Board in identifying individuals qualified to become Board members consistent with criteria approved by the Board and set forth in the Corporate Governance Guidelines and recommending director nominees to the Board; (iv) evaluating whether each director candidate is independent, is financially literate, has accounting or related financial management expertise, qualifies as an "Audit Committee Financial Expert" and is free of any conflict of interest or the appearance of any conflict of interest with the best interests of us and Shareholders; (v) identifying potential nominees for director through director suggestions, management recommendations, business, insurance industry and other contacts and Shareholder nominations; (vi) to the extent it deems appropriate, engaging a third-party search firm and other advisors to identify potential nominees for director; (vii) taking a leadership role on shaping our corporate governance; (viii) making recommendations to the Board regarding board governance matters and practices; and (ix) fulfilling all other duties and responsibilities as outlined within the Compensation Committee's charter.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

The Board has adopted a written Related Person Transaction Policy (the “Related Person Transaction Policy”), which is available on our website at (www.bcpre.bm > Corporate Governance > Corporate Governance Documents > Related Person Transaction Policy). Under this Related Person Transaction policy, all relationships between us and any of our directors, executive officers, beneficial holders of more than 5% of any class of our voting securities or their immediate family members will be reviewed by our Audit Committee to determine whether such persons have a direct or indirect material interest in a proposed transaction. This Related Person Transaction Policy will not be applicable to day-to-day allocation, underwriting or investment decisions of BCML, but it will be applicable to any changes to the terms of any agreements we have entered into with BCML.

The Audit Committee will review and approve or ratify any related person transactions that involve an amount in excess of \$120,000. In the course of its review, the Audit Committee will consider all relevant facts and circumstances, including:

- the nature of the related person’s interest in the transaction;
- the material terms of the transaction, including the amount and type of the transaction;
- whether the transaction would impair the judgment of a director or executive officer in acting in our best interests;
- the importance of the transaction to the related person; and
- any other matters it deems appropriate.

Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or any vote respecting approval or ratification of the transaction; provided, however, that such director may be counted in determining the presence of a quorum at a meeting of the Audit Committee to consider the transaction.

We have entered into transactions with parties that are related to the Company. We believe that each of these transactions, as described below, was made on terms no less favorable to us than we could have obtained from unrelated parties.

Service Agreements with Montpelier

Through each of the following roles and relationships, we leverage Montpelier’s reinsurance underwriting expertise and infrastructure to conduct our business: (i) BCML manages our reinsurance underwriting decisions; (ii) Blue Water Re, Montpelier’s wholly-owned special purpose insurance vehicle, is a significant source of our reinsurance business (as described below); (iii) Mr. Pollett, Montpelier’s Chief Corporate Development and Strategy Officer, Treasurer and Senior Vice President, serves as our CEO and is a director of the Company; (iv) Mr. Paquette, Montpelier’s CFO and Executive Vice President, serves as our CFO; and (v) Mr. Harris, Montpelier’s President and CEO, serves as Chairman of the Company.

All of the compensation to which Messrs. Pollett and Harris are entitled as directors of the Company has been assigned and paid directly to Montpelier.

Montpelier provides services to us through the following arrangements:

BW Retrocessional Agreement. Through a retrocessional contract dated December 31, 2013 (the “BW Retrocessional Agreement”), between Blue Capital Re and Blue Water Re, Blue Water Re has the option to cede to Blue Capital Re up to 100% of its participation in the ceded reinsurance business it writes, provided that such business is in accordance with our underwriting guidelines. Pursuant to the BW Retrocessional Agreement, Blue Capital Re may participate in: (i) retrocessional, quota share or other agreements between Blue Water Re and Montpelier Re or other third-party reinsurers, which provides us with the opportunity to participate in a diversified portfolio of risks on a proportional basis; and (ii) fronting agreements between Blue Water Re and Montpelier Re or other well capitalized third-party rated reinsurers, which allows us to transact business with counterparties who prefer to enter into contracts with rated reinsurers.

Investment Management Agreement. The Company has entered into an Investment Management Agreement with BCML (the “Investment Management Agreement”). Pursuant to the terms of the Investment Management Agreement, BCML has full discretionary authority, including the delegation of the provision of its services, to manage our assets, subject to our underwriting guidelines, the terms of the Investment Management Agreement and the oversight of the Board.

[Table of Contents](#)

Pursuant to the Investment Management Agreement, BCML is entitled to a management fee (the “Management Fee”) of 1.5% of our average total shareholders’ equity per annum, calculated and payable in arrears in cash each quarter that the Investment Management Agreement is in effect. For purposes of calculating the Management Fee, our total shareholders’ equity means: (1) the net proceeds from all issuances of Common Shares since our inception (allocated on a pro rata daily basis for such issuances during the quarter of any such issuance), plus (2) our retained earnings as of the end of our most recently completed quarter (without taking into account any non-cash compensation expense we incurred in current or prior periods), minus (3) any amount that we may have paid to repurchase Common Shares on a cumulative basis since our inception. It also excludes (x) any unrealized gains and losses and other non-cash items that have impacted our shareholders’ equity as reported in our financial statements prepared in accordance with accounting principles generally accepted in the U.S. (“GAAP”), other than unrealized gains and losses and other non-cash items relating to insurance-linked securities, and (y) one-time events pursuant to changes in GAAP after discussions between the BCML and our independent directors and approval by both a majority of our independent directors and BCML for all such adjustments.

Underwriting and Insurance Management Agreement. The Company, Blue Capital Re and BCML have entered into an Underwriting and Insurance Management Agreement (the “Underwriting and Insurance Management Agreement”). Pursuant to the Underwriting and Insurance Management Agreement, BCML provides underwriting, risk management, claims management, ceded retrocession agreements management, and actuarial and reinsurance accounting services to Blue Capital Re. BCML has full discretionary authority to manage the underwriting decisions of Blue Capital Re, subject to our underwriting guidelines, the terms of the Underwriting and Insurance Management Agreement and the oversight of the Board and Blue Capital Re’s board of directors.

Pursuant to the Underwriting and Insurance Management Agreement, BCML is entitled to a performance fee (the “Performance Fee”) calculated and payable in arrears in cash each quarter that the Underwriting and Insurance Management Agreement is in effect in an amount, not less than zero, equal to the product of (1) 20% and (2) the difference between (A) our pre-tax, pre-Performance Fee Distributable Income for the then current quarter and (B) a hurdle amount calculated as the product of (i) the weighted average of the issue price per Common Share issued pursuant to each of our public or private offerings of Common Shares since our inception multiplied by the weighted average number of all Common Shares outstanding (including any common share equivalents), as further reduced by the amount, if any, by which our inception-to-date dividends to our shareholders exceeds our inception-to-date GAAP net income, and (ii) 2% (equivalent to an 8% annualized hurdle rate); provided, however, that the foregoing Performance Fee is subject to a rolling three-year high water mark (except that for periods prior to the completion of the three-year period following the IPO, the high water mark calculation will be done over the inception-to-date period).

“Distributable Income,” a non-GAAP measure, means our GAAP net income excluding any non-cash compensation expense, unrealized gains and losses and other non-cash items recorded in our net income for the period.

Administrative Services Agreement. The Company has entered into an Administrative Services Agreement with BCML, as amended on November 13, 2014 (the “Administrative Services Agreement”). Pursuant to the terms of the Administrative Services Agreement, BCML provides us with support services, including the services of Messrs. Pollett and Paquette, as well as finance and accounting, internal audit, claims management and policy wording, modeling software licenses, office space, information technology, human resources and administrative support.

We may not terminate the Investment Management Agreement, the Underwriting and Insurance Management Agreement or the Administrative Services Agreement until the fifth anniversary of the completion of the IPO, whether or not BCML’s performance results are satisfactory. Upon any termination or non-renewal of either of the Investment Management Agreement or the Underwriting and Insurance Management Agreement (other than for a material breach by, or the insolvency of, BCML), we must pay a one-time termination fee to BCML, equal to 5% of our GAAP shareholders’ equity, calculated as of the most recently completed quarter prior to the date of termination (approximately \$9.0 million as of December 31, 2014).

Amounts Incurred Under Service Agreements with Montpelier

During 2014, we incurred a total of \$2.6 million and \$0.6 million pursuant to services we received from Montpelier and its subsidiaries under the Investment Management Agreement and the Administrative Services Agreement, respectively. We incurred less than \$0.1 million during 2014 pursuant to the Underwriting and Insurance Management Agreement.

During 2013, we incurred a total of \$0.4 million and \$0.1 million pursuant to services we received from Montpelier and its subsidiaries under the Investment Management Agreement and the Administrative Services Agreement, respectively. We did not incur any amounts during 2013 pursuant to the Underwriting and Insurance Management Agreement.

As of December 31, 2014 and 2013, we owed Montpelier \$0.5 million for services we received from Montpelier pursuant to the aforementioned agreements.

Credit Agreement

In May 2014 we entered into a 364-day unsecured credit agreement (the “Credit Agreement”) which permits us to borrow up to \$20.0 million on a revolving basis for working capital and general corporate purposes. Montpelier serves as a guarantor of our obligations under the Credit Agreement and receives an annual guarantee fee equal to 0.125% of the facility’s total capacity.

Reimbursement of Our Offering Expenses in Connection With the IPO

In connection with the IPO, Montpelier: (i) reimbursed us for the underwriting discount we incurred, which was equal to 5% of the gross proceeds we received from third parties (\$6.2 million); (ii) paid a structuring fee to a third-party equal to 1% of the gross proceeds we received from third parties (\$1.3 million); and (iii) paid \$0.9 million of our offering expenses (representing our offering expenses in excess of \$1.0 million).

Shareholder and Registration Rights Agreement

Private Placement. Upon the completion of the IPO and through the Private Placement, Montpelier Re purchased 2,500,000 Common Shares at a price of \$20.00 per share. In connection with the Private Placement, we entered into a shareholder and registration rights agreement (the “Shareholder and Registration Rights Agreement”) with Montpelier.

Governance. Pursuant to the Shareholder and Registration Rights Agreement, Montpelier has the right to nominate two of our five directors (or, if the Board consists of more than five directors, not less than 40% of the total Board seats at any given time) until the later of the date on which: (i) Montpelier sells any Common Shares; and (ii) Montpelier owns less than 5% of the outstanding Common Shares. Montpelier also has the right to designate one of its nominees as Chairman.

Pursuant to the Shareholder and Registration Rights Agreement, for so long as Montpelier has the right to nominate two directors to the Board; (i) if the size of the Board is five, a quorum of the Board cannot exist unless at least one director nominated by Montpelier is present at a meeting of the Board; and (ii) if the size of the Board is greater than five, a quorum of the Board cannot exist unless at least two directors nominated by Montpelier are present at a meeting of the Board.

Registration Rights. Pursuant to the Shareholder and Registration Rights Agreement, we have granted Montpelier registration rights with respect to the Common Shares purchased in the Private Placement and any other Common Shares Montpelier may own. These rights include demand registration rights, shelf registration rights and “piggyback” registration rights, as well as customary indemnification. All fees, costs and expenses related to any registrations will be borne by us, other than underwriting discounts and commissions.

Demand Registration Rights. The Shareholder and Registration Rights Agreement grants Montpelier demand registration rights. We are required, upon the written request of Montpelier, to use our reasonable best efforts to effect registration of those Common Shares requested to be registered by Montpelier promptly after receipt of the request. We are not required to effect any such demand registration within 180 days after the effective date of a previous demand registration.

Shelf Registration Rights. The Shareholder and Registration Rights Agreement grants Montpelier shelf registration rights. Montpelier may demand that we file a shelf registration statement with respect to some or all of the Common Shares it holds, and, upon such demand, we are required to use our reasonable best efforts to effect such registration.

Piggyback Registration Rights. The Shareholder and Registration Rights Agreement grants Montpelier piggyback registration rights. If we register any Common Shares, either for our own account or for the account of other security holders, Montpelier is entitled, subject to certain limitations, to include some or all of the Common Shares it holds in the registration.

Corporate Opportunities. Pursuant to the Shareholder and Registration Rights Agreement, Montpelier or any of its affiliates or any of its or their respective directors, officers, employees, partners or agents are permitted to engage in activities or businesses that are competitive with us and will have no duty to refrain from engaging in such activities or businesses. The Shareholder and Registration Rights Agreement also generally releases Montpelier or any of its affiliates or any of its or their respective directors, officers, employees, partners or agents from referring any business opportunity to us.

Preemptive Rights. Pursuant to the Shareholder and Registration Rights Agreement, we have granted Montpelier preemptive rights to participate, at Montpelier’s option, in any offerings of our equity securities. Montpelier’s preemptive rights entitle it to participate in any issuance of equity securities by us based on Montpelier’s pro rata portion of Common Shares that it holds at the time of such issuance.

General. The Shareholder and Registration Rights Agreement provides that, except as required by applicable law, neither we nor the Board shall take any action to cause the amendment of our organizational documents in a manner that is inconsistent with, or adverse to, Montpelier’s governance and related rights under the Shareholder and Registration Rights Agreement. In addition, our Bye-Laws will be read and construed as one with the Shareholder and Registration Rights Agreement, and the provisions of the Shareholder and Registration Rights Agreement are incorporated into such Bye-Laws.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires the Company's executive officers and directors and persons who own more than 10% of a registered class of the Company's equity securities to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us or written representations from certain reporting persons, during the year ended December 31, 2014, all Section 16(a) filing requirements applicable to the directors, executive officers and greater than 10% Shareholders were complied with by such persons on a timely basis.

EXECUTIVE COMPENSATION

Executive Officer Compensation

Mr. Pollett, our CEO, and Mr. Paquette, our CFO, serve as our "Named Executive Officers." Pursuant to the terms of the Administrative Services Agreement, BCML provides us with various support services, including the services of Messrs. Pollett and Paquette. Neither Mr. Pollett nor Mr. Paquette receives any compensation directly from the Company in exchange for their services as Named Executive Officers. Rather, Mr. Pollett's services are deemed to be encompassed within the Management Fee we are charged by BCML under the Investment Management Agreement and Mr. Paquette's services are directly charged to us by BCML under the Administrative Services Agreement. During 2014 and 2013, we incurred \$0.4 million and \$0.1 million, respectively, for the services of Mr. Paquette as our CFO under the Administrative Service Agreement (see page 15 of this Proxy Statement).

2013 Long-Term Incentive Plan

At the discretion of the Compensation Committee, incentive awards, the value of which are based on Common Shares, may be made to the Company's directors, future employees and consultants.

The Company's 2013 Long-Term Incentive Plan (the "2013 LTIP"), which was adopted by the Board on September 27, 2013, permits the issuance of up to one percent of the aggregate Common Shares outstanding (at the time of grant) to participants.

Incentive awards that may be granted under the 2013 LTIP include restricted share units ("RSUs"), restricted Common Shares, incentive share options (on a limited basis), non-qualified share options, share appreciation rights, deferred share units, performance compensation awards, performance units, cash incentive awards and other equity-based and equity-related awards.

As of December 31, 2014, there were 7,000 RSUs outstanding under the 2013 LTIP. The Compensation Committee intends to continue to provide each of its directors with an annual grant of RSUs with a grant-date fair value of approximately \$25,000. The RSUs intended to be granted annually to the directors will be granted pursuant to the 2013 LTIP and will vest in three equal annual installments beginning on the first anniversary of the date of grant based on continuous service, payable in Common Shares at the time of vesting.

All of the incentive awards granted under the 2013 LTIP to which Messrs. Pollett and Harris are entitled as directors of the Company have been assigned and paid directly to Montpelier.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee has served as an officer or employee of the Company during 2014, and the Board notes no relationship that would impair the independence of any director who served as a member of the Compensation Committee during 2014.

Director Compensation

Each of our directors receives, or is entitled to receive, the following compensation for services as a director: an annual cash retainer of \$50,000 and an annual grant of RSUs with a grant-date fair value of approximately \$25,000. The RSUs granted to our directors vest in three equal annual installments beginning on the first anniversary of the date of grant based on continuous service, payable in Common Shares at the time of vesting. The Chairman, Lead Director and any director who serves as Chair of the Compensation Committee also receives an additional annual cash retainer of \$5,000, and any director who serves as Chair of the Audit Committee receives an additional annual cash retainer of \$15,000.

Pursuant to a letter agreement between Montpelier and each of Messrs. Pollett and Harris, all of the compensation to which Messrs. Pollett and Harris are entitled as directors of the Company has been assigned and paid directly to Montpelier.

PROPOSAL 2

APPROVAL OF REDUCTION OF SHARE PREMIUM ACCOUNT AND CONTRIBUTION OF \$165.2 MILLION AS CONTRIBUTED SURPLUS TO BE EFFECTIVE AS OF THE DATE OF THE APPROVAL

The Board has recommended and asks that you approve a resolution to reduce our share premium account from \$165.2 million to zero and to contribute the amount so reduced to the Company as contributed surplus to be effective as of the date of the approval.

Under Bermuda law, when a company issues shares at a premium (that is, where the actual sum paid for a share exceeds the par value of the share), whether for cash or otherwise, a sum equal to the aggregate amount or value of the premiums on those shares must be transferred to an account called “the share premium account.” Subject to certain exceptions, the provisions of the Companies Act relating to the reduction of the share capital of a company apply as if the share premium account were paid-up share capital of that company. The Companies Act requires shareholder approval prior to any reduction of our share capital or share premium accounts.

Under Bermuda law, we may not declare or pay dividends or make distributions from the contributed surplus if there are reasonable grounds for believing either that we are, or would be after the payment, unable to pay our liabilities as they become due, or that the realizable value of our assets would thereby be less than the sum of our liabilities, our issued share capital (par value) and our share premium accounts.

In order to ensure flexibility for the Company to pay dividends to shareholders, the Board has determined that it is in the best interest of the Company to reduce the share premium account from \$165.2 million to zero and make a contribution of \$165.2 million to the Company as contributed surplus. This reduction of our share premium account and allocation to contributed surplus requires the approval of our shareholders to be effective. Distributions from contributed surplus, however, may be approved and made by the Board without any need for shareholder approval.

Assuming our shareholders give the required approval, the reallocation will be effective as of the date of the approval and the reallocated capital will remain part of our capital structure available for the benefit of our creditors and Shareholders. Future dividends and distributions may then be made by the Board within the limits prescribed by Bermuda law, without restriction for the value of the historical share premium account.

Any determination to pay future dividends will be at the discretion of the Board and will be dependent upon our results of operations and cash flows, our financial position and capital requirements, general business conditions, legal, tax, regulatory and any contractual restrictions on the payment of dividends, and any other factors the Board deems relevant.

Vote Required

The reduction of the Company's share premium account and the contribution of the amount so reduced to the Company as contributed surplus requires approval by the affirmative vote of a majority, subject to Bye-law 24, of the total number of shares voted at the 2015 Annual Meeting.

THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 2 CALLING FOR THE APPROVAL OF A REDUCTION OF THE SHARE PREMIUM ACCOUNT FROM \$165.2 MILLION TO ZERO AND THE CONTRIBUTION OF THE AMOUNT REDUCED TO THE COMPANY AS CONTRIBUTED SURPLUS TO BE EFFECTIVE AS OF THE DATE OF THE APPROVAL.

During the years ended December 31, 2014 and 2013, PricewaterhouseCoopers Ltd. did not perform any non-audit services on behalf of the Company.

APPENDIX A

CATEGORICAL STANDARDS FOR DIRECTOR INDEPENDENCE

I. Introduction

For a director to be considered “independent” under the New York Stock Exchange (“NYSE”) rules, the Board of Directors of the Company (the “Board”), must determine that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). These Standards have been established in order to assist the Board in determining director independence with broad consideration of all relevant facts and circumstances and may be amended by the Board from time to time. These standards shall be interpreted in a manner consistent with the NYSE rules.

In order to be considered independent, a director of the Company must meet all of the following Categorical Standards for Director Independence.

II. Definitions

References to the “Company” include any parent or subsidiary in a consolidated group with the Company.

The term “executive officer” has the same meaning specified for the term “officer” in Rule 16a-1(f) under the Securities Exchange Act of 1934.

An “immediate family member” includes a person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person’s home. When applying the look-back provisions required herein, individuals who are no longer immediate family members as a result of legal separation or divorce, or those who have died or become incapacitated, need not be considered.

III. Employment Relationships

(1) A director is not independent if the director is, or has been within the last three years, an employee of the Company, or an immediate family member is, or has been within the last three years, an executive officer of the Company. Employment as an interim Executive Chairman or CEO or other executive officer shall not disqualify a director from being considered independent following that employment.

(2) A director is not independent if: (A) the director or an immediate family member is a current partner of a firm that is the Company’s internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm’s audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company’s audit within that time.

[Table of Contents](#)

IV. Compensation Relationships

(1) A director is not independent if the director has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). Compensation received by a director for former service as an interim Executive Chairman or CEO or other executive officer need not be considered in determining independence under this test.

(2) A director is not independent if the director has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). Compensation received by an immediate family member for service as an employee of the Company (other than as an executive officer) need not be considered in determining independence under this test.

V. Commercial and Charitable Relationships

(1) A director is not independent if the director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds or exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues as reported for its last completed fiscal year.

(2) A director is not independent if the director is an executive officer, director or trustee of a charitable organization that received contributions from the Company in an amount which, in any single fiscal year within the preceding three years, exceeded the greater of \$1 million or 2% of such charitable organization's total charitable receipts as reported for the last completed fiscal year; *provided, however*, that the Board may determine such relationships to be immaterial or nevertheless consistent with a director's independence. Note that the Company's automatic matching of employee charitable contributions will not be included in the amount of the Company's contributions for the purposes of this paragraph.

VI. Interlocking Directorates

A director is not independent if the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.

VII. Other Relationships

(1) Being a director, executive officer or employee, or having an immediate family member who is a director, executive officer or employee, of a company that purchases insurance, reinsurance or other services or products from the Company, by itself, does not bar a determination that the director is independent if the payments made to the Company for such products or services are made in the ordinary course of business on an arms-length basis.

[Table of Contents](#)

(2) For relationships not specifically mentioned above, the determination of whether a director has a material relationship with the Company (directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), and therefore would not be independent, will be made by the Board after taking into account all relevant facts and circumstances. For purposes of these standards, a director who is solely a director and/or a non-controlling shareholder of another company that has a relationship with the Company will not be considered to have a material relationship based solely on such relationship that would impair such director's independence.

VIII. Additional Standards for the Audit Committee

In order to be considered independent as a member of the Audit Committee of the Board (the "Audit Committee"), a director of the Company must meet the following additional requirements of the U.S. Securities and Exchange Commission (the "SEC").

(1) A director is not independent for the purposes of Audit Committee membership if the director receives, whether directly or indirectly, any consulting or advisory fees or other compensation from the Company, other than director and committee fees, fixed payments under a retirement plan for prior service with the Company or payments received as a shareholder of the Company. A member of the Audit Committee is considered to receive indirect compensation if: (A) the director is a partner, executive officer or holder of a similar position with an accounting firm, consulting firm, law firm or investment bank that receives payments for its services from the Company; or (B) the director's spouse, child or stepchild receives any form of compensation from the Company.

(2) A director is not independent for the purposes of Audit Committee membership if the director is an affiliate of the Company, or any subsidiary of the Company. The SEC defines an affiliate as a person who directly or indirectly controls, is controlled by or is under common control with the Company. A director may qualify for the SEC safe harbor from being considered an affiliate if the director owns less than 10% of any class of the Company's voting securities and is not an executive officer of the Company.

IX. Additional Standards for the Compensation and Nominating Committee

In order for a director to be considered independent as a member of the Compensation and Nominating Committee of the Board (the "Compensation and Nominating Committee"), the following factors, among other relevant factors, must be considered as required by the SEC.

(1) In determining a director's independence for the purposes of the Compensation and Nominating Committee, the source of compensation of the director should be considered, such as any consulting advisory or other fees paid by the Company to the director.

(2) In determining a director's independence for the purposes of the Compensation and Nominating Committee, whether the director is an affiliate of the Company, or any the Company's subsidiaries or affiliates, should be considered.
