January 2016

Honeywell Lyric™ Brand Products - Fact Sheet: CES 2016

Lyric™ Brand Products - Secured by ADT Canopy

Honeywell

About the Product:

Honeywell Brand products will now be secured by ADT Canopy

- Specific products to be announced

Secured by ADT Canopy

The Lyric™ Brand products when secured by ADT Canopy will offer a variety of additional benefits.

- Availability without a contract commitment lowers the bar of entry to first time smart home and mobile users
- Option for month-to-month monitoring terms allow for greater flexibility in service provision
- Blended brand efforts gives the audience the ability to trial smart security hardware and service from leading tech and security companies in one, inclusive device
- Diverse range of products covered by Canopy provides flexibility to consumers
- Use Case: Lyric Brand products will be secured by ADT Canopy, enabling one of the three canopy services, panic, intrusion or life safety depending on the specific devices.

Terms of Availability:

- To be Announced
