PROXY STATEMENT

2016 Annual Meeting of Stockholders

General

We are furnishing you this proxy statement in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or “Board”) of Fifth Street Finance Corp. (“FSC” or the “Company”) for use at the Company’s 2016 Annual Meeting of Stockholders (the “Annual Meeting”). This proxy statement and the Company’s Annual Report for fiscal year 2015 are being provided to stockholders on or about March 11, 2016. When we refer to the Company’s fiscal year, we mean the 12-month period ending September 30 of the stated year (for example, fiscal year 2015 was October 1, 2014 through September 30, 2015).

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you provide voting instructions, either via the Internet, by telephone or by mail, and the Company receives them in time for the Annual Meeting, the persons named as proxies will vote your shares in the manner that you specified.

Annual Meeting Information

Date and Location

We will hold the Annual Meeting at the Courtyard Rye, 631 Midland Avenue, Rye, New York 10580, on April 13, 2016, at 10:00 a.m., local time.

Attendance

You are entitled to attend the Annual Meeting only if you are a stockholder of FSC as of the close of business on the record date for the Annual Meeting, which is April 1, 2016 (the “Record Date”), or you hold a valid proxy for the Annual Meeting. You must present valid photo identification, such as a driver’s license or passport, for admittance. If you are not a stockholder of record of the Company but hold shares as a beneficial owner in street name, in order to attend the Annual Meeting you must also provide proof of beneficial ownership, such as your most recent account statement prior to the Record Date, a copy of the voting instruction form provided by your broker, bank, trustee, or nominee, or other similar evidence of ownership of shares of the Company. Since seating is limited, admission to the meeting will be on a first-come, first-served basis.

If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting. For security reasons, you and your bags will be subject to search prior to your admittance to the Annual Meeting.

Availability of Proxy and Annual Meeting Materials

This proxy statement and the accompanying Annual Report on Form 10-K for the fiscal year ended September 30, 2015 are also available at <http://fsc.fifthstreetfinance.com>.

Purpose of Annual Meeting

In addition to transacting such other business as may properly come before the Annual Meeting and any adjournments or postponements, at the Annual Meeting, you will be asked to vote on the following proposals:

Proposal 1 — To elect three directors, each of whom will serve until the 2019 Annual Meeting of Stockholders or until his successor is duly elected and qualified; and

Proposal 2 — To ratify the selection of PricewaterhouseCoopers LLP (“PwC”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2016.

To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements.

Voting Information

General

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE COMPANY'S DIRECTOR NOMINEES DESCRIBED IN THE ACCOMPANYING PROXY STATEMENT (PROPOSAL 1) AND "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2016 (PROPOSAL 2).

Voting Securities

You may cast one vote for each share of Company common stock that you owned as of the Record Date. All shares of the Company common stock have equal voting rights and are the only class of voting securities outstanding. Supplemental proxy materials filed with the Securities and Exchange Commission ("SEC") will set forth the number of shares of Company common stock outstanding as of the Record Date.

Quorum Required

For the Company to conduct business at the Annual Meeting, a quorum of stockholders of the Company must be present at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Company common stock outstanding on the Record Date will constitute a quorum. Supplemental proxy materials filed with the SEC will set forth, as of the Record Date, the number of shares of Company common stock necessary to achieve a quorum at the Annual Meeting. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote on Proposal 1 (which are considered "broker non-votes" with respect to Proposal 1) will be treated as shares present for quorum purposes.

If a quorum is not present for the Company, the Annual Meeting may be adjourned pursuant to the provisions of the Company's bylaws until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker, Bank, Trustee, or Nominee

If you hold shares of Company common stock through a broker, bank, trustee, or nominee, you must follow the voting instructions you receive from your broker, bank, trustee, or nominee. If you hold shares of Company common stock through a broker, bank, trustee, or nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. **Please instruct your broker, bank, trustee, or nominee so your vote can be counted.**

Discretionary Voting

Brokers, banks, trustees, and nominees have discretionary authority to vote on "routine" matters, but not on "non-routine" matters. The only "non-routine" matter being considered at this Annual Meeting is the election of directors (Proposal 1), while the only "routine" matter being considered at this Annual Meeting is the ratification of the appointment of our independent registered public accounting firm (Proposal 2). If you hold your shares in street name (or "nominee name") and you do not provide your broker, bank, trustee, or nominee who holds such shares of record with specific instructions regarding how to vote on Proposal 1, your broker may not be permitted to vote your shares on Proposal 1.

Please note that to be sure your vote is counted on Proposal 1, you should instruct your broker, bank, trustee, or nominee how to vote your shares. If you do not provide voting instructions, votes may not be cast on your behalf with respect to Proposal 1.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of Company common stock, you may authorize a proxy to vote on your behalf by following the instructions provided on the enclosed proxy card. Authorizing your proxy will not limit your right to vote in person at the Annual Meeting. A properly completed and submitted proxy will

TABLE OF CONTENTS

be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board's recommendations. Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Your telephone or Internet vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed and returned a proxy card.

Receipt of Multiple Proxy Cards

Many of our stockholders hold their shares in more than one account and may receive separate proxy cards or voting instruction forms for each of those accounts. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you vote every proxy card you receive.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy at any time before it is exercised by: (i) delivering a written revocation notice that is received prior to the Annual Meeting to Kerry Acocella, Secretary, Fifth Street Finance Corp., 777 West Putnam Avenue, 3rd Floor, Greenwich, CT 06830; (ii) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (iii) voting in person at the Annual Meeting. If you hold shares of Company common stock through a broker, bank, trustee, or nominee, you must follow the instructions you receive from them in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting.

Votes Required

Proposal 1 — Election of directors. The affirmative vote of a plurality of the shares of Company common stock outstanding and entitled to vote thereon at the Annual Meeting is required to elect each director nominee of the Company (i.e., the candidates receiving the most "for" votes will win each election). Stockholders may not cumulate their votes. If you "withhold authority" with respect to any of the Board's nominees, your shares will not be voted with respect to the person indicated.

Proposal 2 — Ratification of independent registered public accounting firm. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the appointment of PwC to serve as the Company's independent registered public accounting firm (i.e., the number of shares voted "for" the ratification of the appointment of PwC exceeds the number of votes "against" the ratification of the appointment of PwC). Abstentions and broker non-votes, if any, will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Information Regarding This Solicitation

We will bear the cost of the solicitation of proxies. In addition to mail and e-mail, proxies may be solicited personally, via the Internet or by telephone or facsimile, by FSC CT LLC's ("FSC CT") or Fifth Street Management LLC's ("Fifth Street Management") regular employees without additional compensation. We will reimburse brokers and other persons holding Company common stock in their names, or in the names of nominees, for their expenses for forwarding proxy materials to principals and beneficial owners and obtaining their proxies. We have retained Innisfree M&A Incorporated ("Innisfree"), 501 Madison Avenue, 20th Floor, New York, NY 10022 to assist us in the solicitation of proxies for a retainer fee of \$75,000 plus out-of-pocket expenses. In addition, the Company has agreed to pay Innisfree a per call fee of \$5.00 for telephone calls between Innisfree and retail investors in connection with the proxy solicitation.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 10, 2016, the beneficial ownership information of each current director and the nominees for director of the Company, as well as the Company’s executive officers, each person known to it to beneficially own 5% or more of the outstanding shares of its common stock, and the executive officers and directors as a group. Percentage of beneficial ownership is based on 150,262,924 shares of Company common stock outstanding as of February 8, 2016.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. Ownership information for those persons who beneficially own 5% or more of the shares of Company common stock is based upon filings by such persons with the SEC and other information obtained from such persons, if available.

Unless otherwise indicated, the Company believes that each beneficial owner set forth in the table below has sole voting and investment power over the shares beneficially owned by such beneficial owner. The directors are divided into two groups — interested directors and independent directors. Interested directors are “interested persons” of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”). The address of all executive officers and directors is c/o Fifth Street Finance Corp., 777 West Putnam Avenue, 3rd Floor, Greenwich, CT 06830.

PROPOSAL 1 — ELECTION OF DIRECTORS

The business and affairs of the Company are managed under the direction of the Board. The Board may modify its number of members in accordance with FSC's bylaws, except that no decrease in the number of directors shall shorten the term of any incumbent director. The Board currently consists of nine members, of whom five are not "interested persons" of FSC, as defined in Section 2(a)(19) of the 1940 Act. The NASDAQ Stock Market ("NASDAQ") requires that the Company maintain a majority of independent directors on its Board and provides that a director of a business development company shall be considered to be independent if he or she is not an "interested person", as defined in Section 2(a)(19) of the 1940 Act. Therefore, under both the 1940 Act and applicable NASDAQ rules, a majority of the Board is independent.

The Board unanimously recommended that Todd G. Owens, Richard P. Dutkiewicz and Douglas F. Ray be nominated for election to the Board.

Under FSC's restated certificate of incorporation, directors are divided into three classes. At each annual meeting of stockholders, the successors to the directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of his or her election or until their successors have been duly elected and qualified or any director's earlier resignation, death or removal.

Messrs. Owens, Dutkiewicz and Ray have been nominated for re-election to the Board of FSC for three-year terms expiring in 2019. At FSC's 2015 annual meeting of stockholders, Messrs. Berman, Castro-Blanco and Khorana were elected to the Board.

No person being nominated by the Company as a director of the Company is being proposed for election pursuant to any agreement or understanding between any such person and the Company.

Any stockholder of FSC can vote for or withhold on each of the director nominees of FSC. A withhold vote will not be included in determining the number of votes cast for a nominee. Shares represented by broker non-votes are not considered entitled to vote and thus are not counted for purposes of determining whether each of the nominees for election as a director has been elected, but will be treated as shares present for quorum purposes. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of Todd G. Owens, Richard P. Dutkiewicz and Douglas F. Ray.** If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person nominated by the Board as a replacement. The Board has no reason to believe that any director nominee named will be unable or unwilling to serve.

The Board unanimously recommends a vote "FOR" each of Todd G. Owens, Richard P. Dutkiewicz and Douglas F. Ray.

Board Leadership Structure

The Board monitors and performs oversight roles with respect to the Company's business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers. Among other things, the Board approves the appointment of the Company's investment adviser and executive officers, reviews and monitors the services and activities performed by the Company's investment adviser and executive officers and approves the engagement of, and reviews the performance of, the independent registered public accounting firm.

Under FSC's bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him or her by the Board. The Company does not have a fixed policy as to whether the chairman of the Board should be an independent

TABLE OF CONTENTS

director; the Company believes that it should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the Company's best interests and the best interests of the Company's stockholders at such times. Our Board has established corporate governance procedures to guard against, among other things, an improperly constituted Board. Pursuant to the Company's Corporate Governance Policy, whenever the chairman of the Board is not an independent director, the chairman of the Nominating and Corporate Governance Committee will act as the presiding independent director at meetings of the "Non-Management Directors" (which will include the Independent Directors and other directors who are not officers of the Company even though they may have another relationship with the Company or its management that prevents them from being Independent Directors).

Presently, Mr. Berman serves as the chairman of the Board. Mr. Berman's history with the Company, familiarity with Fifth Street's investment platform and extensive knowledge of the financial services industry qualify him to serve as the chairman of the Company. We believe that we are best served through this existing leadership structure, as Mr. Berman's relationship with Fifth Street Management provides an effective bridge and encourages an open dialogue between Fifth Street Management and the Board.

Our Board does not currently have a designated lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is chairman of the Board but believe these potential conflicts are offset by our strong corporate governance practices. As previously disclosed in our Annual Report on Form 10-K for the fiscal year ended September 30, 2015, we have identified a material weakness in internal control over financial reporting. However, we do not believe such identification of a material weakness in internal control over financial reporting was the result of a deficiency in board oversight or independence because, among other things, all of the members of the Audit Committee, including the chairman, are independent directors of the Company. Our corporate governance practices include regular meetings of the Independent Directors in executive session without the presence of interested directors and management, the establishment of Audit Committees and Nominating and Corporate Governance Committees comprised solely of Independent Directors and the appointment of a chief compliance officer, with whom the Independent Directors meet with in executive session at least once a year, for administering our compliance policies and procedures. While certain non-management members of the Board may participate on the boards of directors of other public companies, we monitor such participation to ensure it is not excessive and does not interfere with their duties to us.

Board's Role In Risk Oversight

The Board performs its risk oversight function primarily through (i) three standing committees, which report to the Board and are comprised solely of Independent Directors, and (ii) active monitoring of our chief compliance officer and the Company's compliance policies and procedures.

As described below in more detail, the Company's Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee assist the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, systems of internal controls regarding finance and accounting, and audits of the Company's financial statements, as well as the establishment of guidelines and making recommendations to the Board regarding the valuation of the Company's loans and investments. The Compensation Committee's risk oversight responsibilities include reviewing and approving the reimbursement by the Company of the compensation of the chief financial officer and chief compliance officer and their staffs. The Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the Company's stockholders, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management.

The Board also performs its risk oversight responsibilities with the assistance of the Company's chief compliance officer. The Board annually reviews a written report from the chief compliance officer discussing the adequacy and effectiveness of the compliance policies and procedures of the company. The chief compliance officer's annual report addresses: (i) the operation of the compliance policies and procedures of the Company, Fifth Street Management and certain other entities since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes

TABLE OF CONTENTS

to such policies and procedures as a result of the chief compliance officer's annual review; and (iv) any compliance matter that has occurred since the date of the last report about which the Board would reasonably need to know to oversee compliance. In addition, the chief compliance officer meets in executive session with the Independent Directors at least once a year.

The Company believes that the role of the Board in risk oversight is effective and appropriate given the extensive regulation to which it is already subject as a business development Company. As a business development company, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we were substantially limited in our ability to co-invest in privately negotiated transactions with affiliated funds until we obtained an exemptive order from the SEC on September 9, 2014.

Transactions with Related Persons

The Company has entered into a Third Amended and Restated Investment Advisory Agreement (the "Third Amended and Restated Investment Advisory Agreement") with Fifth Street Management, our investment adviser. Messrs. Berman, Dimitrov, Owens and Khorana, interested members of the Board, have a direct or indirect pecuniary interest in Fifth Street Management. Fifth Street Management is a registered investment adviser under the Investment Advisers Act of 1940, that is partially and indirectly owned by FSAM.

Under the Third Amended and Restated Investment Advisory Agreement, fees payable to Fifth Street Management equal (a) a base management fee of 1.75% of the value of FSC's gross assets, which includes any borrowings for investment purposes and excludes cash and cash equivalents, and (b) an incentive fee based on FSC's performance. The incentive fee consists of two parts. The first part is calculated and payable quarterly in arrears and equals 20% of FSC's "Pre-Incentive Fee Net Investment Income" for the immediately preceding quarter, subject to a preferred return, or "hurdle," and a "catch up" feature. The second part is determined and payable in arrears as of the end of each fiscal year (or upon termination of the Third Amended and Restated Investment Advisory Agreement) and equals 20% of FSC's "Incentive Fee Capital Gains," which equals its realized capital gains on a cumulative basis from inception through the end of the year, if any, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain incentive fee.

In July 2015, Fifth Street Management voluntarily agreed to waive a portion of its base management fees through January 1, 2017 for increases in capital related to the issuances of new equity. Under the waiver, the base management fee related to new equity (equity raised above the net asset value as of March 31, 2015, the time at which the waiver was put in place) will be 1% (resulting in a blended fee between 1% and 2%). This fee will be applied in the same manner as currently applied under the Investment Advisory Agreement, as publicly announced on July 14, 2015. All FSC stockholders will be treated equally in the benefit of the fee reduction, regardless of when they invested.

The Third Amended and Restated Investment Advisory Agreement may be terminated by either party without penalty upon no fewer than 60 days' written notice to the other. FSC incurred investment advisory fees of \$79.6 million for fiscal year 2015 under the Investment Advisory Agreement.

The Company has entered into an administration agreement with FSC CT (the "Administration Agreement"), which is a wholly-owned subsidiary of Fifth Street Management. Pursuant to the Administration Agreement, FSC CT provides administrative services to the Company necessary for the operations of the Company, which include providing to the Company office facilities, personnel, equipment, clerical, bookkeeping and record keeping services at such facilities and such other services as FSC CT, subject to review by the Board, shall from time to time deem to be necessary or useful to perform its obligations under the Administration Agreement. FSC CT also provides to the Company portfolio collection functions for interest income, fees and warrants and is responsible for the financial and other records that the Company is required to maintain and prepares, prints and disseminates reports to the Company's stockholders and reports and all other materials filed with the SEC. In addition, FSC CT assists the Company in determining and publishing the Company's net asset value, overseeing the preparation and filing of the Company's tax returns, and generally overseeing the payment of the Company's expenses and the performance of administrative and professional services rendered to the Company by others. For providing these services, facilities and personnel, the Company reimburses FSC CT for overhead and other expenses incurred by FSC CT in

TABLE OF CONTENTS

performing its obligations under the Administration Agreement, including the rent of the Company's principal executive offices at market rates and the costs of compensation and related expenses of the chief financial officer and chief compliance officer and their staffs. **Such reimbursement is at cost, with no profit to, or markup by, FSC CT.** FSC CT may also offer to provide, on the Company's behalf, managerial assistance to the Company's portfolio companies. The Administration Agreement may be terminated by either party without penalty upon 60 days' written notice to the other party. FSC incurred approximately \$6.9 million of administration fees for fiscal year 2015 under the Administration Agreement.

The Company has also entered into a license agreement with Fifth Street Capital LLC ("Fifth Street Capital") pursuant to which Fifth Street Capital has agreed to grant the Company a non-exclusive, royalty-free license to use the name "Fifth Street." Under this agreement, the Company has a right to use the "Fifth Street" name for so long as Fifth Street Management or one of its affiliates remains its investment adviser.

Review, Approval or Ratification of Transactions with Related Persons

The Independent Directors are required to review, approve or ratify any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Material Conflicts of Interest

Certain of our executive officers, directors and/or members of Fifth Street Management serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as we do or of investment funds managed by our investment adviser or its affiliates. For example, Fifth Street Management presently serves as investment adviser to FSC and FSFR and will encounter certain investment opportunities that satisfy the investment criteria for both FSC and FSFR. FSC had total assets of approximately \$2.5 billion as of December 31, 2015. FSC generally targets mid-sized companies with annual revenues between \$25 million and \$250 million and targets investment sizes generally ranging from \$10 million to \$100 million. In addition, although not the primary focus of FSC's investment portfolio, FSC's investments also include floating rate senior loans, although it is not the exclusive focus of FSC's investment portfolio. FSFR had total assets of approximately \$644.5 million as of December 31, 2015 and invests in senior secured loans, including first lien, unitranche and second lien debt instruments, that pay interest at rates which are determined periodically on the basis of a floating base lending rate, similar to those that FSC targets for investment. Specifically, FSFR targets private, leveraged, middle-market companies with approximately \$20 million to \$100 million of EBITDA, in connection with investments by private equity sponsors, and targets investment sizes generally ranging from \$3 million to \$30 million. Therefore, there may be certain investment opportunities that satisfy the investment criteria for both FSC and FSFR. In addition, certain of our executive officers and Independent Directors serve in substantially similar capacities for both FSC and FSFR. Fifth Street Management and its affiliates also manage private investment funds, and may manage other funds in the future, that have investment mandates that are similar, in whole and in part, with ours. Accordingly, they may have obligations to investors in those entities, the fulfillment of which might not be in the best interests of us or our stockholders.

In order to address potential conflicts of interest, Fifth Street Management has adopted an investment allocation policy that governs the allocation of investment opportunities among the investment funds managed by Fifth Street Management and its affiliates. To the extent an investment opportunity is appropriate for either or both of FSC and FSFR and/or any other investment fund managed by our affiliates, and co-investment is not possible, Fifth Street Management will adhere to its investment allocation policy in order to determine to which entity to allocate the opportunity. The 1940 Act prohibits the Company from making certain negotiated co-investments with affiliates, including with one another, unless they receive an order from the SEC permitting us to do so. As such, we were substantially limited in our ability to co-invest in privately negotiated transactions with affiliated funds until we obtained an exemptive order from the SEC on September 9, 2014. The exemptive relief permits us to participate in negotiated co-investment transactions, subject to the conditions of the relief granted by the SEC, with certain affiliates, each of whose investment adviser is Fifth Street Management, or an investment adviser controlling, controlled by or under common control with Fifth Street Management, in a manner consistent with our investment objectives, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors.

TABLE OF CONTENTS

If we are unable to rely on our exemptive relief for a particular opportunity, such opportunity will be allocated first to the entity whose investment strategy is the most consistent with the opportunity being allocated, and second, on a rotational basis to those entities for which the terms of the opportunity are consistent with such entity's investment strategy. Although our investment professionals will endeavor to allocate investment opportunities in a fair and equitable manner, the Company and its common stockholders could be adversely affected to the extent investment opportunities are allocated among us and other investment vehicles managed or sponsored by, or affiliated with, our executive officers, directors and members of Fifth Street Management.

Fifth Street Management's investment allocation policy is also designed to manage and mitigate the conflicts of interest associated with the allocation of investment opportunities if we are able to co-invest, either pursuant to SEC interpretive positions or our exemptive order, with other accounts managed by our investment adviser and its affiliates. Generally, under the investment allocation policy, co-investments will be allocated pursuant to the conditions of the exemptive order. Under the investment allocation policy, a portion of each opportunity that is appropriate for us and any affiliated fund will be offered to us and such other eligible accounts as determined by Fifth Street Management generally based on asset class, fund size and liquidity, among other factors. If there is a sufficient amount of securities to satisfy all participants, the securities will be allocated among the participants in accordance with their order size and if there is an insufficient amount of securities to satisfy all participants, the securities will be allocated pro rata based on each participating party's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each. In accordance with Fifth Street Management's investment allocation policy, we might not participate in each individual opportunity, but will, on an overall basis, be entitled to participate equitably with other entities managed by Fifth Street Management and its affiliates. Fifth Street Management seeks to treat all clients fairly and equitably such that none receive preferential treatment vis-à-vis the others over time, in a manner consistent with its fiduciary duty to each of them; however, in some instances, especially in instances of limited liquidity, the factors may not result in pro rata allocations or may result in situations where certain funds receive allocations where others do not.

Pursuant to the Administration Agreement, which is a wholly-owned subsidiary of Fifth Street Management, FSC CT furnishes the Company with the facilities, including its principal executive offices, and administrative services necessary to conduct its day-to-day operations. The Company pays FSC CT for overhead and other expenses incurred by FSC CT in performing its obligations under the Administration Agreement, including rent at market rates and the compensation of the Company's chief financial officer and chief compliance officer and their respective staffs.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's directors and executive officers, and persons who own 10% or more of the Company common stock, to file reports of ownership and changes in ownership of its equity securities with the SEC. Directors, executive officers and 10% or more holders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms furnished to us, or written representations that no such forms were required, we believe that our directors, executive officers and 10% or more beneficial owners complied with all Section 16(a) filing requirements during the fiscal year ended September 30, 2015, except that a Form 3 for Sandeep Khorana was filed late and a Form 4 for James Castro-Blanco was filed late, each due to an administrative oversight.

TABLE OF CONTENTS

Director Independence

In accordance with rules of NASDAQ, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company's Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has materially changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NASDAQ listing rules. Section 5605 provides that a director of a business development company shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Berman, Dimitrov, Khorana, and Owens. Messrs. Berman, Dimitrov, Khorana and Owens are interested persons due to their positions at our investment adviser or at the Company.

Evaluation

The Company's directors perform an evaluation, no less frequently than annually, of the effectiveness of the Board and its committees. This evaluation includes Board and Board committee discussions.

Communications with Directors

Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent to Fifth Street Finance Corp., 777 West Putnam Avenue, 3rd Floor, Greenwich, CT 06830, Attention: Corporate Secretary. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Company's Audit Committee. Appropriate personnel of the Company will review and sort through communications before forwarding them to the addressee(s).

Board Meetings and Committees

The Board met nine times during fiscal year 2015. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member of the Board or such committee, as applicable. The Board's standing committees are described below. Our directors are encouraged to attend each annual meeting of stockholders. Three of FSC's directors attended FSC's 2015 annual meeting of stockholders in person.

Audit Committee

The Company's Audit Committee is responsible for selecting, engaging and discharging the Company's independent accountants, reviewing the plans, scope and results of the audit engagement with its independent accountants, approving professional services provided by its independent accountants (including compensation thereof), reviewing the independence of its independent accountants and reviewing the adequacy of its internal control over financial reporting, as well as establishing guidelines and making recommendations to its Board regarding the valuation of its loans and investments.

The members of the Audit Committee of FSC are Messrs. Castro-Blanco, Dunn, Dutkiewicz, Haney and Ray, each of whom is not an interested person of FSC as defined in the 1940 Act and is independent for purposes of the NASDAQ Listing Rules. Mr. Dutkiewicz serves as the Chairman of FSC's Audit Committee. The Board has determined that Mr. Dutkiewicz is an "audit committee financial expert" as defined under SEC rules. FSC's Audit Committee met ten times during the 2015 fiscal year.

The charter of FSC's Audit Committee is available in print to any stockholder who requests it and is also available on FSC's website at <http://fsc.fifthstreetfinance.com>.

TABLE OF CONTENTS

Compensation Committee

The Company's Compensation Committee is responsible for reviewing and approving the reimbursement by the Company of the compensation of its chief financial officer and chief compliance officer and their staffs.

The current members of FSC's Compensation Committee are Messrs. Castro-Blanco, Dutkiewicz and Ray, each of whom is not an interested person of FSC as defined in the 1940 Act and is independent for purposes of the NASDAQ Listing Rules. Mr. Ray serves as the chairman of FSC's Compensation Committee. As discussed below, none of FSC's executive officers are directly compensated by FSC. FSC's Compensation Committee met once during the 2015 fiscal year.

The charter of the Compensation Committee is available in print to any stockholder who requests it and is also available on FSC's website at <http://fsc.fifthstreetfinance.com>.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee is responsible for determining criteria for service on the Board, identifying, researching and nominating directors for election by its stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the self-evaluation of the Board and its committees and evaluation of management.

The members of FSC's Nominating and Corporate Governance Committee are Messrs. Castro-Blanco, Dunn and Haney, each of whom is not an interested person of FSC as defined in the 1940 Act and is independent for purposes of the NASDAQ Listing Rules. Mr. Dunn serves as the chairman of FSC's Nominating and Corporate Governance Committee. FSC's Nominating and Corporate Governance Committee met twice during the 2015 fiscal year.

The charter of FSC's Nominating and Corporate Governance Committee is available in print to any stockholder who requests it and is also available on FSC's website at <http://fsc.fifthstreetfinance.com>.

The Company's Nominating and Corporate Governance Committee considers qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with FSC's bylaws, and any other applicable law, rule or regulation regarding director nominations. Stockholders may submit candidates for nomination for the Board by writing to: Board of Directors, Fifth Street Finance Corp., 777 West Putnam Avenue, 3rd Floor, Greenwich, CT 06830. When submitting a nomination for consideration, a stockholder must provide certain information about each person whom the stockholder proposes to nominate for election as a director, including: (i) the name, age, business address and residence address of the person; (ii) the principal occupation or employment of the person; (iii) the class or series and number of shares of Company common stock owned beneficially or of record by the person; and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder. Such notice must be accompanied by the proposed nominee's written consent to be named as a nominee and to serve as a director if elected.

In evaluating director nominees, the Company's Nominating and Corporate Governance Committee considers the following factors:

- the appropriate size and composition of the Board;
- its needs with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- the capacity and desire to serve as a member of the Board and to represent the balanced, best interests of its stockholders as a whole;
- experience with accounting rules and practices; and
- the desire to balance the considerable benefit of continuity with the periodic addition of the fresh perspective provided by new members.

TABLE OF CONTENTS

The Company's Nominating and Corporate Governance Committee's goal is to assemble a Board that brings it a variety of perspectives and skills derived from high quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Company's Nominating and Corporate Governance Committee may also consider such other factors as it may deem are in the Company's best interests and those of its stockholders. The Company's Nominating and Corporate Governance Committee also believes it appropriate for certain key members of its management to participate as members of the Board. The Company's Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Board does not have a specific diversity policy, but considers diversity of race, religion, national origin, gender, sexual orientation, disability, cultural background and professional experiences in evaluating candidates for Board membership.

The Company's Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee would identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Company's Nominating and Corporate Governance Committee and Board review and discuss for nomination the individuals meeting the criteria of the Nominating and Corporate Governance Committee. Research may also be performed to identify qualified individuals. We have not engaged third parties to identify or evaluate or assist in identifying potential nominees to the Board.

TABLE OF CONTENTS

The Board unanimously recommended that Todd G. Owens, Richard P. Dutkiewicz and Douglas F. Ray be nominated for election to the Board.

Executive Compensation

The Company's executive officers do not receive direct compensation from the Company. The compensation of the principals and other investment professionals of our investment adviser are paid by FSC CT, our administrator. Further, the Company is prohibited under the 1940 Act from issuing equity incentive compensation, including stock options, stock appreciation rights, restricted stock and stock, to its officers or directors, or any employees it may have in the future. Compensation paid to the chief financial officer and chief compliance officer and their staffs and other support personnel is set by our administrator, FSC CT, and is subject to reimbursement by the Company of such compensation for services rendered to it.

During fiscal year 2015, FSC reimbursed FSC CT approximately \$2,421,941.16 million for compensation expenses incurred by FSC CT on behalf of FSC's chief financial officer, chief compliance officer and other support personnel, pursuant to its Administration Agreement.

PROPOSAL 2 — RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2016 FISCAL YEAR

Upon the recommendation of the Audit Committee of the Board, the Board has appointed PwC as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2016, subject to ratification by the Company's stockholders.

It is expected that a representative of PwC will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Independent Auditor's Fees

The following table presents fees for professional services rendered by PwC for the fiscal years ended September 30, 2015 and 2014.

	2015	2014

Aggregate Non-Audit Fees:		
Tax Fees	\$ 110,000	\$ 106,300
All Other Fees	\$ —	—
Total Aggregate Non-Audit Fees	\$ 110,000 ⁽¹⁾	\$ 106,300 ⁽²⁾

Audit-Related Fees. Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees." These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state and local tax compliance.

All Other Fees. All other fees would include fees for products and services other than the services reported above.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to approve this proposal. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company's registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of shares of our common stock, there should not be any broker non-votes with respect to this proposal.

The Board unanimously recommends a vote "FOR" the proposal to ratify the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Company for the fiscal year ending September 30, 2016.

TABLE OF CONTENTS

Audit Committee Report

The following is the report of the Audit Committees with respect to the Company's audited financial statements for the fiscal year ended September 30, 2015.

As part of its oversight of the Company's financial statements, the Company's Audit Committee reviewed and discussed with both management and its independent registered public accounting firm all of the Company's financial statements filed with the SEC for each quarter during fiscal year 2015 and as of and for the fiscal year ended September 30, 2015. Company management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles (GAAP), and reviewed significant accounting issues with the Audit Committee. The Company's Audit Committee discussed with its independent registered public accounting firm the matters required to be discussed by Auditing Standards No. 16, (Communication with Audit Committees), as adopted by the Public Company Accounting Board in Rule 3200T. The independent registered public accounting firm also provided to the Audit Committee the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee discussed the subject of independence with the independent registered public accounting firm.

The Company's Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by PwC, the Company's independent registered public accounting firm. Pursuant to the policies, the Audit Committee pre-approves the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committees does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Company's Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements as of and for the fiscal year ended September 30, 2015, be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2015, for filing with the SEC. The Audit Committee also recommended to the Board the selection of PwC to serve as the independent registered public accounting firm of the Company for the fiscal year ending September 30, 2016.

OTHER MATTERS

RiverNorth Settlement

On November 6, 2015, RiverNorth Capital Management, LLC (“RiverNorth”) together with certain of its investment funds delivered a letter to the Company in furtherance of the nomination of certain individuals for election to the Board at the Annual Meeting and the submission of a binding proposal to terminate the Investment Advisory Agreement with Fifth Street Management.

On February 18, 2016, the Company entered into a Purchase and Settlement Agreement (the “PSA”) by and among the Company, FSAM, Fifth Street Holdings L.P. (“Holdings”), Leonard M. Tannenbaum, Chairman and Chief Executive Officer of FSAM (together with Holdings, the “Buyers”), RiverNorth, RiverNorth Capital Partners, L.P., RiverNorth Institutional Partners, L.P., RiverNorth Core Opportunity Fund, RiverNorth/DoubleLine Strategic Income Fund, Randy I. Rochman, Fred G. Steingraber and Murray R. Wise (collectively, the “Sellers”).

The PSA provides that RiverNorth has irrevocably withdrawn and rescinded its proposal to terminate the Investment Advisory Agreement with Fifth Street Management and its director nominations that it had put forth for consideration at the Annual Meeting.

In the PSA, the Sellers have agreed to certain standstill obligations with respect to the Company until the certification of votes for the Company’s 2017 Annual Meeting of Stockholders.

On the terms and subject to the conditions of the PSA, the Buyers have agreed to purchase 9,220,600 shares of Company common stock from the Sellers, which shares (when combined with the shares of Company common stock Sellers are economically exposed to via cash-settled total return swaps) constitute all of the shares of Company common stock beneficially owned by the Sellers, for a per-share purchase price of \$6.25, without interest. Under certain circumstances in connection with a breach of the PSA by Buyers, Holdings and Mr. Tannenbaum may be liable for a \$5,000,000 fee payable to Sellers.

The parties to the PSA have agreed to an outside closing date of March 31, 2016, for the purchase of the Shares from the Sellers (the “Closing Date”). In connection with the PSA, Holdings and RiverNorth entered into an escrow agreement with JPMorgan Chase Bank, N.A., as escrow agent (the “Escrow Agent”), pursuant to which Holdings deposited \$10,000,000 with the Escrow Agent. Holdings has agreed to use reasonable best efforts to deposit into the escrow account, on or prior to March 24, 2016, an additional \$24,577,250 (together with the initial \$10,000,000 deposit, and together with interest thereon, the “Escrow Funds”). On the Closing Date, Holdings and RiverNorth have agreed to direct the Escrow Agent to release the Escrow Funds to RiverNorth, and the Escrow Funds will be credited (after deducting, if applicable, the \$5,000,000 fee payable to the Sellers, as described above) against any other amounts owed by Buyers pursuant to the PSA on the Closing Date.

In the PSA, Holdings and certain Sellers also agreed to terms that may require Holdings, on the one hand, or such Sellers, on the other hand, to make certain payments to the other in connection with the settlement (or other payments) of certain cash-settled total return swaps held by such Sellers in respect of Shares. In addition, the PSA requires such Sellers to request and use their best efforts to cause the counterparty to such swaps to vote the Shares held by such counterparty, as of the record date for any meeting of the Company’s stockholders, in accordance with the recommendations of the Board. The parties to the PSA have made certain customary representations and warranties therein and have entered into a mutual release from liability in connection with the PSA.

On February 19, 2016, the Company announced that, as part of the Company’s previously announced \$100 million stock repurchase authorization, the Company plans to repurchase \$25 million of its common stock beginning as soon as practicable, and plans to repurchase an additional \$25 million of its common stock, for a total of at least \$50 million, by the end of calendar year 2016.
