THE COMPANY

We are a Bermuda exempted limited liability company that, through our subsidiaries, provides collateralized reinsurance in the property catastrophe market and invests in various insurance-linked securities. We were incorporated under the laws of Bermuda on June 24, 2013 and we commenced operations on November 12, 2013. Our headquarters and principal executive offices are located at Waterloo House, 100 Pitts Bay Road, Pembroke, Bermuda HM 08, which is also our registered office.

On November 5, 2013, our registration statement on Form S-1 (the “IPO”) was declared effective, pursuant to which we sold 6,250,000 common shares, par value U.S. \$1.00 per share (the “Common Shares”) to the public at a price of \$20.00 per Common Share. Concurrent with the IPO, we completed a private placement (the “Private Placement”) with Montpelier Reinsurance Ltd. (“Montpelier Re”), formerly a wholly-owned subsidiary of Montpelier Re Holdings Ltd. (“Montpelier”), pursuant to which we sold an additional 2,500,000 Common Shares (or 28.6% of our Common Shares outstanding) at a price of \$20.00 per share. Our total gross proceeds from the IPO and the Private Placement were \$175.0 million, and our total net proceeds (expressed after our net expenses associated with the IPO) were \$174.0 million. Our Common Shares began trading on the New York Stock Exchange (the “NYSE”) on November 6, 2013 under the symbol “BCRH” and were subsequently listed on the Bermuda Stock Exchange under the symbol “BCRH.BH.”

On March 31, 2015, Endurance Specialty Holdings Ltd. (“Endurance”) announced the signing of a definitive agreement and plan of merger (the “Merger Agreement”) with Montpelier and Millhill Holdings Ltd., a direct, wholly-owned subsidiary of Endurance (“Merger Sub”), under which Endurance, through Merger Sub, acquired all of the outstanding common shares of Montpelier (the “Merger”). The Merger was completed on July 31, 2015 (the “Closing Date”) and on the Closing Date, Merger Sub merged into Endurance. Effective on the Closing Date: (i) Endurance became the beneficial owner of 33.3% of the Company’s outstanding Common Shares, representing those Common Shares formerly beneficially owned by Montpelier and its wholly-owned subsidiary Montpelier Re; and (ii) Endurance and its subsidiaries began providing each of the services to Blue Capital that had formerly been provided by Montpelier and its subsidiaries. On December 29, 2015, Montpelier Re was merged into Endurance Specialty Insurance Ltd. (“Endurance Bermuda”), a wholly-owned subsidiary of Endurance registered in Bermuda under the Insurance Act 1987, as amended and its related regulations (the “Insurance Act”), as a Class 4 insurer to provide insurance and reinsurance on a rated basis, with Endurance Bermuda being the surviving entity and by operation of law Endurance Bermuda became the direct owner of the Company’s outstanding Common Shares previously held by Montpelier Re.

Our business strategy is to build and maintain a diversified portfolio of reinsurance risks that will generate underwriting profits, which we intend principally to distribute to our shareholders through the payment of dividends, with returns commensurate with the amount of risk assumed. We seek to provide our shareholders with the opportunity to own an alternative asset class whose returns we believe have historically been largely uncorrelated to those of other asset classes, such as global equities and bonds. Subject to the discretion of our board of directors (the “Board”), we intend to distribute a minimum of 90% of our annual Distributable Income to holders of our Common Shares. “Distributable Income,” a non-GAAP measure, means our GAAP net income plus (minus) non-cash expenses (revenues) recorded in our net income for the period. Subject to the discretion of the Board, we intend to make regular quarterly dividend payments for each of the first three quarters of each year, and either repurchase Common Shares or pay a fourth “special” dividend after the end of the year.

We operate as a single business segment through our wholly-owned subsidiaries: (i) Blue Capital Re Ltd. (“Blue Capital Re”), a Bermuda exempted limited liability company registered as a Class 3A insurer in Bermuda under the Insurance Act, which provides collateralized reinsurance; and (ii) Blue Capital Re ILS Ltd., a Bermuda exempted limited liability company which conducts hedging and other investment activities, including entering into industry loss warranties and purchasing catastrophe bonds, in support of Blue Capital Re’s operations.

Through each of the following roles and relationships, we leverage Endurance’s reinsurance underwriting expertise and infrastructure to conduct our business: (i) Blue Capital Management Ltd. (the “Manager”), a

[Table of Contents](#)

wholly-owned subsidiary of Endurance, manages our reinsurance underwriting decisions; (ii) Blue Water Re Ltd. (“Blue Water Re”), Endurance’s wholly-owned special purpose insurance company, is a significant source of reinsurance business for us; and (iii) certain employees of Endurance also serve as our Chief Executive Officer (the “CEO”), our Chief Financial Officer (the “CFO”), and as two of our five directors, including the role of Chairman.

As of December 31, 2015, Endurance and its wholly-owned subsidiary, Endurance Bermuda, owned 33.3% of the Company’s outstanding Common Shares.

We qualify as an “emerging growth company” as defined in Section 2(a)(19) of the Securities Act of 1933, as amended (the “Securities Act”), as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As a result, we are eligible to take advantage of certain exemptions from various reporting requirements applicable to public companies that are not emerging growth companies. These exemptions include:

- reduced disclosure about our executive compensation arrangements and no requirement to include a compensation discussion and analysis;
- no requirement to hold non-binding advisory shareholder votes on executive compensation or golden parachute arrangements;
- an exemption from the auditor attestation requirement in the assessment of our internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, as amended; and
- the ability to use an extended transition period for complying with new or revised accounting standards.

We intend to continue to take advantage of some, but not all, of the exemptions available to emerging growth companies until such time that we are no longer an emerging growth company. Accordingly, the information contained herein may be different from the information you receive from other public companies in which you invest.

We have irrevocably elected not to take advantage of the extended transition period afforded by the JOBS Act for the implementation of new or revised accounting standards and, as a result, we will comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for non-emerging growth companies.

We will continue to be an emerging growth company until the earliest to occur of: (i) the last day of the year during which we had total annual gross revenues of at least \$1.0 billion (as indexed for inflation); (ii) the last day of the year following the fifth anniversary of the date of the IPO; (iii) the date on which we have, during the previous three-year period, issued more than \$1.0 billion in non-convertible debt; and (iv) the date on which we are deemed to be a “large accelerated filer,” as defined under the Securities Exchange Act of 1934, as amended (the “1934 Act”).

**PROXY STATEMENT
2016 Annual General Meeting of Shareholders
May 16, 2016**

General Information

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board to be voted at the 2016 Annual Meeting to be held at the Company's principal executive offices at Waterloo House, 100 Pitts Bay Road, Pembroke HM08, Bermuda on May 16, 2016 at 1:00 p.m. Atlantic Daylight Time, or any postponement or adjournment thereof. This Proxy Statement, the Notice of 2016 Annual Meeting and the accompanying form of proxy are being first mailed to Shareholders on or about April 4, 2016.

As of March 21, 2016, the record date for the determination of persons entitled to receive notice of, and to vote at, the 2016 Annual Meeting, there were 8,752,335 Common Shares outstanding. Common Shares are the only class of our share capital entitled to vote at the 2016 Annual Meeting. Common Shares are quoted on the NYSE under the symbol "BCRH" and the Bermuda Stock Exchange under the symbol "BCRH.BH."

Holders of Common Shares are entitled to one vote on each matter to be voted upon by the Shareholders at the 2016 Annual Meeting for each Common Share held. Pursuant to the Company's Bye-Law 24, if, and so long as, the Controlled Shares (as defined below) of any person would otherwise represent more than 9.5% of the voting power of all of the Common Shares entitled to vote at an election of directors, then the votes conferred by the Controlled Shares owned by such person will be reduced by whatever amount is necessary so that after any such reduction such votes shall constitute no more than 9.5% of the total voting power of all the Common Shares entitled to vote at any election of directors as set forth in our Bye-Laws. A Shareholder's voting power in excess of 9.5% will be redistributed proportionally among the other Shareholders so that 100% of the voting power of all Common Shares is entitled to be cast. In any event, no such reduction and redistribution of voting power may have the effect of increasing another Shareholder's voting power to more than 9.5%. If the aggregate reductions in voting power would result in less than 100% of the voting power of all Common Shares being entitled to be cast, the excess of 100% of the voting power over the votes entitled to be cast shall be conferred on the shares held by the Shareholders, proportionately, based on the number of shares held by each Shareholder; provided, however, that the shares of a Shareholder shall not be conferred votes to the extent that any U.S. Person would be considered a 9.5% U.S. Shareholder.

In addition, the Board may adjust a Shareholder's voting rights to the extent that it reasonably determines in good faith that it is necessary to do so to avoid adverse U.S. tax consequences or materially adverse legal or regulatory treatment to the Company or any subsidiary of the Company or to any Shareholder or affiliate controlled by such Shareholder. "Controlled Shares" shall include, among other things, all Common Shares that a person is deemed to beneficially own directly, indirectly or constructively within the meaning of Section 958 of the U.S. Internal Revenue Code.

In order to determine the number of Controlled Shares owned by each Shareholder, we are authorized to require any Shareholder to provide information as to that Shareholder's beneficial share ownership, the names of persons having beneficial ownership of the Shareholder's Common Shares, relationships with other Shareholders or any other facts the directors may deem relevant to a determination of the number of Common Shares attributable to any person. We may, in our reasonable discretion, reduce or disregard the votes attached to Common Shares of any holder failing to respond to such a request or submitting incomplete or inaccurate information.

The presence of two or more persons present in person and representing in person or by proxy in excess of 50% of the total combined voting power (that is, the number of maximum possible votes entitled to attend and

vote at a general meeting, after giving effect to Bye-Law 24) of all of the issued and outstanding Common Shares throughout the meeting shall form a quorum for the transaction of business at the 2016 Annual Meeting.

At the 2016 Annual Meeting, Shareholders will also receive the report of our independent registered public accounting firm and may be asked to consider and take action with respect to such other matters as may properly come before the 2016 Annual Meeting.

Each of the Shareholder proposals presented herein will be decided by the affirmative vote of a majority of the voting rights attached to the Common Shares voted at the 2016 Annual Meeting, subject to Bye-Law 24, provided a quorum is present. The Company intends to conduct all voting at the 2016 Annual Meeting by poll to be requested by the Chairman of the meeting, in accordance with the Company's Bye-Laws.

Solicitation and Revocation

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD.

Such persons designated as proxies serve as officers of the Company. Any Shareholder desiring to appoint another person to represent him or her at the 2016 Annual Meeting may do so by completing another form of proxy and delivering an executed proxy to the Secretary of the Company at the address indicated herein before the time of the 2016 Annual Meeting. It is the responsibility of the Shareholder appointing such other person to represent him or her as proxy to inform such person of this appointment.

All Common Shares represented by properly executed proxies which are returned and not revoked will be voted in accordance with the instructions given thereon. If no instructions are provided in a properly executed proxy, it will be voted in accordance with the Board's recommendations as set forth on the accompanying form of proxy, and in accordance with the proxyholder's best judgment as to any other business as may properly come before the 2016 Annual Meeting. If a Shareholder appoints a person other than the person named in the enclosed form of proxy to represent him or her, such person will vote the Common Shares in respect of which he or she is appointed proxyholder in accordance with the directions of the Shareholder appointing him or her. Any Shareholder who executes a proxy may revoke it at any time before it is voted by delivering to the Secretary of the Company at Waterloo House, 100 Pitts Bay Road, Pembroke HM08, Bermuda, a written statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the 2016 Annual Meeting. Attendance at the 2016 Annual Meeting by a Shareholder who has executed and delivered a proxy to us shall not constitute a revocation of such proxy.

Member brokerage firms of the NYSE that hold Common Shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions, vote in their discretion upon the proposal to appoint Ernst & Young Ltd., an independent registered public accounting firm, as the Company's independent auditor for 2016 and to authorize the Company's Board, acting by the Company's Audit Committee, to set their remuneration. The election of directors is considered to be a non-routine matter upon which a broker will not have discretionary authority to vote if no instructions are given by the beneficial owner of the Common Shares. Broker non-votes occur when Common Shares held for a beneficial owner are not voted. If a Shareholder abstains from voting, or if a Shareholder's Common Shares are treated as a broker non-vote, those Common Shares will not be considered as votes cast "For" or "Against" the proposal, but will be included in the number of Common Shares represented for the purpose of determining whether a quorum is present.

We will bear the cost of solicitation of proxies. We have engaged the firm of Georgeson Shareholder Communications Inc. to assist us in the solicitation of proxies for a fee of \$1,500, plus the reimbursement of reasonable out-of-pocket expenses. Solicitation may be made by our directors and officers personally, by telephone, by internet or otherwise, but such persons will not be specifically compensated for such services. We may also make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Shares. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the 2016 Annual Meeting to the beneficial owners of Common Shares which such persons hold of record.

PROPOSAL 1
APPROVAL OF A FIVE MEMBER BOARD AND ELECTION OF DIRECTORS

Our Bye-Laws provide for a classified Board, divided into three classes of approximately equal size. Each director serves a three-year term, except in the case of a director appointed to fill a casual vacancy. Currently, the Board consists of five directors.

At the 2016 Annual Meeting, Shareholders are requested to fix the number of directors at five and to elect three director nominees to the Board, one as a Class A Director, one as a Class B Director and one as a Class C Director, for terms ending at the Annual General Meeting of Shareholders held in 2017, 2018 and 2019, respectively.

Michael J. McGuire, Adam G. Szakmary and Eric Lemieux have been nominated for election as directors at the 2016 Annual Meeting by the Company's Compensation and Nominating Committee (the "Compensation Committee"). If elected, Mr. McGuire will serve as Class A Director, Mr. Szakmary will serve as a Class B Director and Mr. Lemieux will serve as a Class C Director, for terms expiring at the Company's 2017, 2018 and 2019 Annual General Meeting of Shareholders, respectively, or until their respective successors are elected and qualified. In the event that Shareholders fail to elect each of the director nominees, the number of director nominees elected plus the number of directors previously elected shall be deemed to be the number of directors so fixed.

The Board and Committees

The Board

The Board currently consists of five members and is elected by Shareholders pursuant to the Company's Bye-Laws. The Board is divided into three classes, Class A, Class B and Class C, with each class serving for a staggered three-year term. The Board selects our CEO and our CFO, who are charged with the conduct of our business. After selecting the senior management team, the Board acts as an advisor to senior management and ultimately monitors its performance. The Board's ability to monitor senior management's performance is facilitated by the presence of independent directors who have experience in the reinsurance business.

The Board has determined that the positions of CEO and Chairman should be held by two different individuals. The Board believes that its current leadership structure is appropriate for the Company at this time because the CEO and Chairman fulfill separate and distinct roles. The CEO is responsible for the day-to-day management of the Company while the Chairman presides over meetings of the Board and acts as liaison between the non-management directors and the CEO.

Endurance has the right to nominate two out of our five directors (or, if the Board consists of more than five directors, no less than 40% of the total Board seats at any given time), until the later of the date on which: (i) Endurance sells any Common Shares; and (ii) Endurance owns less than 5% of the total Common Shares outstanding.

Board Role in Risk Oversight

The Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company.

The Board receives regular reports from the Manager on the risk management work undertaken by management and the extent of any action taken to address areas identified for improvement. The Board defines the risk measures and risk management processes to be used within the Company, including the definition of the Company's risk appetite and its risk tolerances. Discussions of risk management reporting, risk tolerance, risk measurement, capital management and corporate strategy take place at each of the Board meetings.

Director Independence

Members of the Audit Committee and the Compensation Committee must meet all applicable independence tests as defined by the NYSE, the SEC and the Company's Categorical Standards for Director Independence (the Company's "Independence Standards") as adopted by the Board and attached hereto as Appendix A.

The Board and the Compensation Committee have reviewed the responses of directors and director nominees to a questionnaire asking about their direct and indirect relationships with the Company (including

[Table of Contents](#)

those of their immediate family members) and other potential conflicts of interest, as well as pertinent materials provided by management related to transactions, relationships or arrangements between the Company and the directors or director nominees or parties related thereto.

The Board has concluded that each of Messrs. Cook, Lemieux and Weale is independent in accordance with the director independence standards of the NYSE, the SEC and the Company's Independence Standards and that none of Messrs. Cook, Lemieux and Weale has a material relationship with the Company that would impair his independence from management or otherwise compromise his ability to act as an independent director. Neither Mr. Szakmary, by virtue of his directorship and management position with the Manager, nor Mr. McGuire, by virtue of his directorships or management positions with Endurance or its subsidiaries, is considered to be an independent director. Accordingly, the majority of the Board is comprised of independent directors.

Board and Committee Meetings

During 2015 there were six meetings (including telephonic meetings) of the full Board, six meetings of the Audit Committee and three meetings of the Compensation Committee. During 2015 each of our directors attended over 75% of the meetings of the full Board during the period such director was a member.

As Lead Director, Mr. Lemieux, attends and presides over each regularly scheduled executive session of non-management directors. The Board intends to meet in executive session at least once during each year with only independent directors present.

It is the Board's policy that all directors will attend, or otherwise participate in, our Annual General Meetings of Shareholders unless unavoidably prevented from doing so. Each of our directors attended the 2015 Annual General Meeting of Shareholders.

Committees of the Board

The Board had two standing committees during 2015, the Audit Committee and the Compensation Committee.

The following table outlines the current members of each of the committees:

<u>Director</u>	<u>Audit Committee</u>	<u>Compensation Committee</u>

Pursuant to the terms of the Administrative Services Agreement with the Manager, which is described in more detail under the heading "*Certain Relationships and Related Person Transactions—Service Agreements with Endurance*" beginning on page 22 of this Proxy Statement, the Manager provides us with, among other things, the services of our CFO, Mr. Garside, and our CEO, Mr. Szakmary, and is compensated for such services in accordance with the Administrative Services Agreement. Nonetheless, the Compensation Committee is responsible for all aspects of compensation and benefits policies for any executive officers we may hire in the future. Our executive officers do not have any role in making determinations or recommendations regarding director compensation.

Neither the Compensation Committee nor management retained a compensation consultant during 2015.

The Compensation Committee is also responsible for nominating candidates for election to the Board and for reviewing and making recommendations on matters involving the general operation of the Board and our corporate governance.

Audit Committee Report

The following report is not deemed to be "soliciting material" or to be "filed" with the SEC or subject to the liabilities of Section 18 of the 1934 Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act or the 1934 Act.

Messrs. Cook, Lemieux and Weale currently serve on the Audit Committee. All current members of the Audit Committee will continue as members of the Audit Committee, assuming Mr. Lemieux is re-elected to the Board by the Shareholders.

[Table of Contents](#)

After reviewing the qualifications of the current members of the Audit Committee, and any relationships they may have with the Company that might affect their independence from the Company, the Board has determined that (i) all current Audit Committee members are “independent” as that concept is defined in Section 10A of the 1934 Act, the SEC rules promulgated thereunder, and the applicable NYSE Corporate Governance Rules, (ii) all current Audit Committee members are financially literate, and (iii) Mr. Cook qualifies as an “Audit Committee Financial Expert” under Item 407(d) of Regulation S-K of the 1934 Act. Shareholders should understand that this designation is an SEC disclosure requirement related to Mr. Cook’s experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Cook any duties, obligations or liability greater than are generally imposed upon him as a member of the Audit Committee and the Board and his designation as a financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board. Other currently serving members of the Audit Committee and the Board may be considered financial experts, but the Board has not so designated them at this time.

The Board appointed the undersigned directors as members of the Audit Committee and adopted a written charter setting forth the procedures and responsibilities of the committee. Each year, the Audit Committee reviews the charter and reports to the Board on its adequacy in light of applicable NYSE rules. The charter is available on the Company’s web site at www.bcapre.bm and is also available in print upon request to the Company. In addition, the Company will furnish an annual written affirmation to the NYSE relating to, among other things, clauses (i)—(iii) of the preceding paragraph of this report and the adequacy of the Audit Committee charter.

During the last year, and earlier this year in preparation for the filing with the SEC of the Company’s 2015 Form 10-K, the Audit Committee:

- reviewed and discussed the audited financial statements contained in the 2015 Form 10-K with management and the Company’s independent auditors;
- reviewed and discussed the Company’s quarterly earnings press releases and related materials;
- reviewed the overall scope and plans for the audit and the results of the independent auditors’ examinations;
- reviewed the Company’s loss reserves;
- met separately with management periodically during the year to consider the adequacy of the Company’s internal controls and the quality of its financial reporting and discussed these matters with the Company’s independent auditors and with senior management and internal auditors;
- reviewed the Company’s whistleblower policy and its application;
- reviewed and discussed with the independent auditors (i) their judgments as to the quality (and not just the acceptability) of the Company’s accounting policies, (ii) the matters required to be discussed with the committee under auditing standards generally accepted in the United States, including Auditing Standard No. 16, “Communications with Audit Committees” and (iii) responsibilities, budget and staffing of the Company’s internal audit function;
- received from the independent auditors written disclosures regarding the auditors’ independence required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526, “Communication with Audit Committees Concerning Independence,” and discussed with the independent auditors the independent auditors’ independence; and
- based on these reviews and discussions, as well as private discussions with the independent auditors and the Company’s internal auditors, recommended to the Board the inclusion of the audited financial statements of the Company and its subsidiaries in the 2015 Form 10-K.

[Table of Contents](#)

In addition to the actions described above taken in connection with the preparation for the filing with the SEC of the Company's 2015 Form 10-K, the Audit Committee oversees the internal audit services provided by the Manager to the Company. The committee reviews the proposed audit plans for the coming year and the coordination of such plans with the independent auditors. The Company's internal audit objective is to evaluate and improve the effectiveness of the Company's governance, risk management and internal control. To assist with the Audit Committee's oversight, the Manager's internal audit department provides an annual risk-based audit plan to the Audit Committee and periodic reports are additionally made to the Audit Committee summarizing the results of internal audit activities.

The Audit Committee appoints and annually evaluates the performance of the Company's independent auditor and provides assistance to the members of the Board in fulfilling their oversight functions of the financial reporting practices. The Company's current independent registered public accounting firm is Ernst & Young Ltd. ("Ernst & Young"). Ernst & Young has been the Company's independent registered public accounting firm since July 2015 and the Audit Committee has selected Ernst & Young to be the Company's independent registered public accounting firm for 2016.

The Audit Committee contracts with and sets the fees paid to the Company's independent auditor. The fees for services for Ernst & Young's audit services during 2015 are set forth under "*Professional Fees Billed to the Company.*" Audit fees relate to professional services rendered for the audit of consolidated financial statements of the Company, audits of the consolidated financial statements of Blue Capital Re and review of quarterly consolidated financial statements.

The Audit Committee also determines that the non-audit services provided to the Company by the independent auditors are compatible with maintaining the independence of the independent auditors. The Audit Committee's pre-approval policies and procedures are discussed below under "*Professional Fees Billed to the Company.*" The Audit Committee annually conducts an evaluation of the independent auditors to determine if they will recommend the retention of the independent auditors. As part of the evaluation of the independent auditors, the Audit Committee surveys management and all members of the Audit Committee to determine if the independent auditors are meeting Company expectations. In addition, the Audit Committee obtains and reviews, at least annually, a report by the independent auditors describing; the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (to assess the independent auditors' independence) all relationships between the independent auditors and the Company. Based upon the results of the evaluations mentioned, the Audit Committee recommends the retention of Ernst & Young as the Company's independent auditors based upon the quality of audit services and sufficiency of resources provided.

While the Audit Committee has the duties and responsibilities set forth above and in its charter, the Audit Committee is not responsible for planning or conducting the audit or for determining whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Similarly, it is not the responsibility of the Audit Committee to ensure that the Company complies with all laws and regulations, its Code of Conduct and Ethics or its Corporate Governance Guidelines.

In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the committee absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (iii) statements made by management or third parties as to any information technology, internal audit and other non-audit services provided by the independent auditors to the Company.

[Table of Contents](#)

The Audit Committee meets regularly with management and the independent and internal auditors, including private discussions with the independent auditors and the Company's internal auditors and receives the communications described above. The Audit Committee has also established procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters. However, this oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles or that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards.

The Company's Insider Trading Policy prohibits all our directors, officers and employees from buying or selling options on Common Shares, from hedging the value of Common Shares and from pledging Common Shares as collateral.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

The Board has adopted a written Related Person Transaction Policy (the “Related Person Transaction Policy”), which is available on our website at (www.bcpre.bm > Corporate Governance > Corporate Governance Documents > Related Person Transaction Policy). Under this Related Person Transaction policy, all relationships between us and any of our directors, executive officers, beneficial holders of more than 5% of any class of our voting securities or their immediate family members are reviewed by our Audit Committee to determine whether such persons have a direct or indirect material interest in a proposed transaction. This Related Person Transaction Policy is not applicable to day-to-day allocation, underwriting or investment decisions of the Manager, but it is applicable to any changes to the terms of any agreements we have entered into with the Manager.

The Audit Committee reviews and approves or ratifies any related person transactions. In the course of its review, the Audit Committee considers all relevant facts and circumstances, including:

- the nature of the related person’s interest in the transaction;
- the material terms of the transaction, including the amount and type of the transaction;
- whether the transaction would impair the judgment of a director or executive officer in acting in our best interests;
- the importance of the transaction to the related person; and
- any other matters it deems appropriate.

Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or any vote respecting approval or ratification of the transaction; provided, however, that such director may be counted in determining the presence of a quorum at a meeting of the Audit Committee to consider the transaction.

We have entered into transactions with parties that are related to the Company. We believe that each of these transactions, as described below, was made on terms no less favorable to us than we could have obtained from unrelated parties.

Service Agreements with Endurance

Through each of the following roles and relationships, we leverage Endurance’s reinsurance underwriting expertise and infrastructure to conduct our business: (i) the Manager manages our reinsurance underwriting decisions; (ii) Blue Water Re, Endurance’s wholly-owned special purpose insurance company, is a significant source of our reinsurance business; (iii) Mr. Szakmary, the Manager’s Chief Executive Officer and director serves as our CEO and is a director of the Company; (iv) Mr. Garside, the Controller and Vice President of Endurance and the Treasurer of the Manager, serves as our CFO; and (v) Mr. McGuire, Endurance’s Chief Financial Officer, serves as Chairman of the Board.

All of the compensation to which Messrs. Szakmary and McGuire are entitled as directors of the Company has been assigned and paid directly to Endurance.

Endurance provides services to Blue Capital through the following arrangements:

BW Retrocessional Agreement. Through a retrocessional contract dated December 31, 2013 (the “BW Retrocessional Agreement”), between Blue Capital Re and Blue Water Re, Blue Water Re has the option to cede to Blue Capital Re up to 100% of its participation in the ceded reinsurance business it writes, provided that such

business is in accordance with the Company's underwriting guidelines. Pursuant to the BW Retrocessional Agreement, Blue Capital Re may participate in: (i) retrocessional, quota share or other agreements between Blue Water Re and Endurance Bermuda, a wholly-owned subsidiary of Endurance, or other third-party reinsurers, which provides it with the opportunity to participate in a diversified portfolio of risks on a proportional basis; and (ii) fronting agreements between Blue Water Re and Endurance Bermuda or other third-party reinsurers, which allows Blue Capital Re to transact business with counterparties who prefer to enter into contracts with rated reinsurers.

Investment Management Agreement. The Company has entered into an investment management agreement with the Manager (the "Investment Management Agreement"). Pursuant to the terms of the Investment Management Agreement, the Manager has full discretionary authority, including the delegation of the provision of its services, to manage the Company's assets, subject to the Company's underwriting guidelines, the terms of the Investment Management Agreement and the oversight of the Board.

Pursuant to the Investment Management Agreement, the Manager is entitled to a management fee (the "Management Fee") of 1.5% of our average total shareholders' equity per annum, calculated and payable in arrears in cash each quarter that the Investment Management Agreement is in effect. For purposes of calculating the Management Fee, our total shareholders' equity means: (1) the net proceeds from all issuances of Common Shares since our inception (allocated on a pro rata daily basis for such issuances during the quarter of any such issuance), plus (2) our retained earnings as of the end of our most recently completed quarter (without taking into account any non-cash compensation expense we incurred in current or prior periods), minus (3) any amount that we may have paid to repurchase Common Shares on a cumulative basis since our inception. It also excludes (x) any unrealized gains and losses and other non-cash items that have impacted our shareholders' equity as reported in our financial statements prepared in accordance with accounting principles generally accepted in the U.S. ("GAAP"), other than unrealized gains and losses and other non-cash items relating to insurance-linked securities, and (y) one-time events pursuant to changes in GAAP after discussions between the Manager and our independent directors and approval by both a majority of our independent directors and the Manager for all such adjustments.

Underwriting and Insurance Management Agreement. The Company, Blue Capital Re and the Manager have entered into an Underwriting and Insurance Management Agreement (the "Underwriting and Insurance Management Agreement"). Pursuant to the Underwriting and Insurance Management Agreement, the Manager provides underwriting, risk management, claims management, ceded retrocession agreements management and actuarial and reinsurance accounting services to Blue Capital Re. The Manager has full discretionary authority to manage the underwriting decisions of Blue Capital Re, subject to the Company's underwriting guidelines, the terms of the Underwriting and Insurance Management Agreement and the oversight of the Company's and Blue Capital Re's boards of directors.

Pursuant to the Underwriting and Insurance Management Agreement, the Manager is entitled to a performance fee (the "Performance Fee") calculated and payable in arrears in cash each quarter that the Underwriting and Insurance Management Agreement is in effect in an amount, not less than zero, equal to the product of (1) 20% and (2) the difference between (A) our pre-tax, pre-Performance Fee Distributable Income for the then current quarter and (B) a hurdle amount calculated as the product of (i) the weighted average of the issue price per Common Share issued pursuant to each of our public or private offerings of Common Shares since our inception multiplied by the weighted average number of all Common Shares outstanding (including any common share equivalents), as further reduced by the amount, if any, by which our inception-to-date dividends to our shareholders exceeds our inception-to-date GAAP net income, and (ii) 2% (equivalent to an 8% annualized hurdle rate); provided, however, that the foregoing Performance Fee is subject to a rolling three-year high water mark (except that for periods prior to the completion of the three-year period following the IPO, the high water mark calculation will be done over the inception-to-date period).

[Table of Contents](#)

“Distributable Income,” a non-GAAP measure, means our GAAP net income excluding any non-cash compensation expense, unrealized gains and losses and other non-cash items recorded in our net income for the period.

Administrative Services Agreement. The Company has entered into an Administrative Services Agreement with the Manager, as amended on November 13, 2014 (the “Administrative Services Agreement”). Pursuant to the terms of the Administrative Services Agreement, the Manager provides Blue Capital with support services, including the services of our CEO and CFO, as well as finance and accounting, internal audit, claims management and policy wording, modeling software licenses, office space, information technology, human resources and administrative support.

We may not terminate the Investment Management Agreement, the Underwriting and Insurance Management Agreement or the Administrative Services Agreement until the fifth anniversary of the completion of the IPO, whether or not the Manager’s performance results are satisfactory. Upon any termination or non-renewal of either of the Investment Management Agreement or the Underwriting and Insurance Management Agreement (other than for a material breach by, or the insolvency of, the Manager), we must pay a one-time termination fee to the Manager, equal to 5% of our GAAP shareholders’ equity, calculated as of the most recently completed quarter prior to the date of termination (approximately \$9.4 million as of December 31, 2015).

Amounts Incurred Under Service Agreements with Endurance

During the year ended December 31, 2015, the Company incurred general and administrative expenses of \$2.7 million pursuant to the Investment Management Agreement, \$0.6 million pursuant to the Administrative Services Agreement and \$1.3 million pursuant to the Underwriting and Insurance Management Agreement.

During the year ended December 31, 2014, the Company incurred general and administrative expenses of \$2.6 million pursuant to the Investment Management Agreement, \$0.6 million pursuant to the Administrative Services Agreement and less than \$0.1 million pursuant to the Underwriting and Insurance Management Agreement.

During the period from June 24, 2013 to December 31, 2013, the Company incurred general and administrative expenses of \$0.4 million pursuant to the Investment Management Agreement, \$0.1 million pursuant to the Administrative Services Agreement and zero pursuant to the Underwriting and Insurance Management Agreement.

During each of the years ended December 31, 2015 and 2014, the Company incurred fees of less than \$0.1 million pursuant to Endurance’s guarantee of the Company’s obligations with respect to its 364-day unsecured credit agreement (the “Credit Agreement”).

As of December 31, 2015 and 2014, the Company owed Endurance \$2.9 million and \$0.5 million for the services performed pursuant to the aforementioned agreements, respectively.

Credit Agreement

On May 1, 2015, the Company renewed its Credit Agreement, which permits the Company to borrow up to \$20.0 million on a revolving basis for working capital and general corporate purposes. Borrowings under the Credit Agreement bear interest, set at the time of the borrowing, at a rate equal to the 3-month LIBOR rate plus 100 basis points. The Company is also subject to an ongoing annual commitment and guarantor fee of 0.375% of the facility’s total capacity. The Credit Agreement is set to expire on April 29, 2016.

Endurance serves as a guarantor of the Company’s obligations under the Credit Agreement and receives an annual guarantee fee from the Company equal to 0.125% of the facility’s total capacity.

Reimbursement of Our Offering Expenses in Connection With the IPO

Because the Company's ability to commence its operations was contingent upon it obtaining sufficient equity capital through the IPO and the Private Placement, all organizational costs incurred prior to the IPO were incurred and paid directly by Montpelier. As a result, the Company did not incur or pay any organizational expenses during the period from June 24, 2013 to December 31, 2013. The total organizational costs incurred and paid by Montpelier during that period totaled less than \$0.1 million.

In addition, the underwriting discounts, professional fees and administrative expenses associated with the IPO were largely borne by Montpelier. In this regard, Montpelier: (i) reimbursed the Company for the underwriting discount it incurred, which was equal to five percent of the gross proceeds it received from third parties (\$6.2 million); (ii) paid a structuring fee directly to a third party equal to one percent of the gross IPO proceeds received by the Company (\$1.3 million); and (iii) paid \$0.9 million of all other offering costs associated with the IPO directly to third parties (representing the amount of all other offering costs in excess of the \$1.0 million of such costs borne by the Company).

Shareholder and Registration Rights Agreement

Private Placement. Upon the completion of the IPO and through the Private Placement, Montpelier Re purchased 2,500,000 Common Shares at a price of \$20.00 per share. In connection with the Private Placement, we entered into a shareholder and registration rights agreement, dated November 12, 2013 (the "Shareholder and Registration Rights Agreement"), with Montpelier, now by operation of law, Endurance.

Governance. Pursuant to the Shareholder and Registration Rights Agreement, Endurance has the right to nominate two of our five directors (or, if the Board consists of more than five directors, not less than 40% of the total Board seats at any given time) until the later of the date on which: (i) Endurance sells any Common Shares; and (ii) Endurance owns less than 5% of the outstanding Common Shares. Endurance also has the right to designate one of its nominees as Chairman.

Pursuant to the Shareholder and Registration Rights Agreement, for so long as Endurance has the right to nominate two directors to the Board; (i) if the size of the Board is five, a quorum of the Board cannot exist unless at least one director nominated by Endurance is present at a meeting of the Board; and (ii) if the size of the Board is greater than five, a quorum of the Board cannot exist unless at least two directors nominated by Endurance are present at a meeting of the Board.

Registration Rights. Pursuant to the Shareholder and Registration Rights Agreement, we have granted Endurance registration rights with respect to the Common Shares purchased in the Private Placement and any other Common Shares Endurance may own. These rights include demand registration rights, shelf registration rights and "piggyback" registration rights, as well as customary indemnification. All fees, costs and expenses related to any registrations will be borne by us, other than underwriting discounts and commissions.

Demand Registration Rights. The Shareholder and Registration Rights Agreement grants Endurance demand registration rights. We are required, upon the written request of Endurance, to use our reasonable best efforts to effect registration of those Common Shares requested to be registered by Endurance promptly after receipt of the request. We are not required to effect any such demand registration within 180 days after the effective date of a previous demand registration.

Shelf Registration Rights. The Shareholder and Registration Rights Agreement grants Endurance shelf registration rights. Endurance may demand that we file a shelf registration statement with respect to some or all of the Common Shares it holds, and, upon such demand, we are required to use our reasonable best efforts to effect such registration.

[Table of Contents](#)

Piggyback Registration Rights. The Shareholder and Registration Rights Agreement grants Endurance piggyback registration rights. If we register any Common Shares, either for our own account or for the account of other security holders, Endurance is entitled, subject to certain limitations, to include some or all of the Common Shares it holds in the registration.

Corporate Opportunities. Pursuant to the Shareholder and Registration Rights Agreement, Endurance or any of its affiliates or any of its or their respective directors, officers, employees, partners or agents are permitted to engage in activities or businesses that are competitive with us and will have no duty to refrain from engaging in such activities or businesses. The Shareholder and Registration Rights Agreement also generally releases Endurance or any of its affiliates or any of its or their respective directors, officers, employees, partners or agents from referring any business opportunity to us.

Preemptive Rights. Pursuant to the Shareholder and Registration Rights Agreement, we have granted Endurance preemptive rights to participate, at Endurance's option, in any offerings of our equity securities. Endurance's preemptive rights entitle it to participate in any issuance of equity securities by us based on Endurance's pro rata portion of Common Shares that it holds at the time of such issuance.

General. The Shareholder and Registration Rights Agreement provides that, except as required by applicable law, neither we nor the Board shall take any action to cause the amendment of our organizational documents in a manner that is inconsistent with, or adverse to, Endurance's governance and related rights under the Shareholder and Registration Rights Agreement. In addition, our Bye-Laws will be read and construed as one with the Shareholder and Registration Rights Agreement, and the provisions of the Shareholder and Registration Rights Agreement are incorporated into such Bye-Laws.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires the Company's executive officers and directors and persons who own more than 10% of a registered class of the Company's equity securities to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us or written representations from certain reporting persons, during the year ended December 31, 2015, all Section 16(a) filing requirements applicable to the directors, executive officers and greater than 10% Shareholders were complied with by such persons on a timely basis.

EXECUTIVE COMPENSATION

Executive Officer Compensation

Mr. Szakmary, our CEO, and Mr. Garside, our CFO, serve as our “Named Executive Officers.” Pursuant to the terms of the Administrative Services Agreement, the Manager provides us with various support services, including the services of Messrs. Szakmary and Garside. Neither Mr. Szakmary nor Mr. Garside receives any compensation directly from the Company in exchange for their services as Named Executive Officers. Rather, Mr. Szakmary’s services are deemed to be encompassed within the Management Fee we are charged by the Manager under the Investment Management Agreement and Mr. Garside’s services are directly charged to us by the Manager under the Administrative Services Agreement. During 2015 and 2014, we incurred \$0.4 million and \$0.4 million, respectively, for the services of our CFO under the Administrative Service Agreement (see page 24 of this Proxy Statement).

2013 Long-Term Incentive Plan

At the discretion of the Compensation Committee, incentive awards, the value of which are based on Common Shares, may be made to the Company’s directors, employees and consultants.

The Company’s 2013 Long-Term Incentive Plan (the “2013 LTIP”), which was adopted by the Board on September 27, 2013, permits the issuance of up to one percent of the aggregate Common Shares outstanding (at the time of grant) to participants.

Incentive awards that may be granted under the 2013 LTIP include restricted share units (“RSUs”), restricted Common Shares, incentive share options (on a limited basis), non-qualified share options, share appreciation rights, deferred share units, performance compensation awards, performance units, cash incentive awards and other equity-based and equity-related awards.

During the year ended December 31, 2015, in connection with the Resignations, Messrs. Harris and Pollett collectively forfeited a total of 4,666 unvested RSUs.

As of December 31, 2015 and 2014, there were 9,799 and 7,000 RSUs, respectively, outstanding under the 2013 LTIP. The Compensation Committee intends to continue to provide each of its directors with an annual grant of RSUs with a grant-date fair value of approximately \$25,000. The RSUs intended to be granted annually to the directors will be granted pursuant to the 2013 LTIP and will vest in three equal annual installments beginning on the first anniversary of the date of grant based on continuous service, payable in Common Shares at the time of vesting.

All of the incentive awards granted under the 2013 LTIP to which Messrs. Szakmary and McGuire are entitled as directors of the Company have been assigned and paid directly to Endurance.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee has served as an officer or employee of the Company during 2015, and the Board notes no relationship that would impair the independence of any director who served as a member of the Compensation Committee during 2015.

Director Compensation

Each of our directors receives, or is entitled to receive, the following compensation for services as a director: an annual cash retainer of \$50,000 and an annual grant of RSUs with a grant-date fair value of approximately \$25,000. The RSUs granted to our directors vest in three equal annual installments beginning on

PROPOSAL 2
APPOINTMENT OF INDEPENDENT AUDITOR

On February 22, 2016, upon recommendation of the Audit Committee, the Board unanimously selected, subject to approval of Shareholders, Ernst & Young Ltd., an independent registered public accounting firm, to serve as the independent auditor of the Company and its subsidiaries for the year ending December 31, 2016. In addition to this appointment, Shareholders are being asked to authorize the Board, acting by the Company's Audit Committee, to set the remuneration for Ernst & Young Ltd. for the year ending December 31, 2016. Ernst & Young Ltd. has served as the Company's independent registered public accounting firm since July 2015.

On June 30, 2015, PricewaterhouseCoopers Ltd. ("PwC") resigned as the Company's independent registered public accounting firm. This resignation was due to an independence matter which resulted from the Merger. The independence conflict resulted from a retired partner of PricewaterhouseCoopers LLP being on Endurance's board of directors and serving as the Chair of Endurance's Audit Committee. Endurance, together with its wholly-owned subsidiary Endurance Bermuda, currently owns 33.3% of the Company's outstanding Common Shares and fully consolidates the Company's assets, liabilities and operations within its consolidated financial statements. The reports of PwC on the financial statements for the fiscal years ended December 31, 2014 and 2013 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended December 31, 2014 and 2013, and the subsequent interim period through June 30, 2015, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference thereto in their report on the financial statements for such years, nor were there any reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. At the Company's request, PwC furnished a letter addressed to the SEC stating whether or not it agreed with the above statements. A copy of such letter, dated July 2, 2015, was filed as Exhibit 16 to the Company's current report on Form 8-K. On July 15, 2015, the Board, upon recommendation of its Audit Committee, approved the engagement of Ernst & Young Ltd. as the Company's independent registered public accounting firm.

During the fiscal years ended December 31, 2014, and 2013, and the subsequent interim periods through July 15, 2015, neither the Company nor anyone on its behalf had consulted with Ernst & Young Ltd. regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Ernst & Young Ltd. concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

The policy of the Audit Committee is to pre-approve all audit and permissible non-audit services to be performed by the independent registered public accounting firm during the year. During the year ended December 31, 2015, neither Ernst & Young Ltd. nor PwC performed any non-audit services on behalf of the Company.

A representative of Ernst & Young Ltd. is expected to be present at the 2016 Annual Meeting and will have the opportunity to make statements and to respond to appropriate questions.

Professional Fees Billed to the Company

The following table presents fees billed for professional services rendered by Ernst & Young Ltd. during 2015 and by PwC during 2014 and through June 30, 2015. The Audit Committee has considered whether the provisions of total services by Ernst & Young Ltd. and PwC are compatible with maintaining its independence with respect to the Company.

	<u>Year Ended December 31,</u>

- (1) Represents services performed in connection with the audit of the Company's annual consolidated financial statements. For the year ended December 31, 2015, includes \$35,000 of fees paid to PwC for audit fees up to the last day of their engagement on June 30, 2015 and \$240,000 of fees paid to Ernst & Young Ltd. subsequent to their engagement as independent registered public accountants.
- (2) For the year ended December 31, 2014, only the fees billed by PwC are included.

THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 2 CALLING FOR THE APPOINTMENT OF ERNST & YOUNG LTD., AN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AS THE COMPANY'S INDEPENDENT AUDITOR FOR 2016, AND TO AUTHORIZE THE BOARD, ACTING BY THE COMPANY'S AUDIT COMMITTEE, TO SET THEIR REMUNERATION.

Presentation of Financial Statements

In accordance with the Companies Act and Bye-Law 46, the Company's audited consolidated financial statements for the year ended December 31, 2015 will be presented at the 2016 Annual Meeting. The Board has approved these financial statements. There is no requirement under Bermuda law that these financial statements be approved by Shareholders and no such approval will be sought at the meeting.

2017 SHAREHOLDER PROPOSALS

To be considered for inclusion in the Proxy Statement relating to the 2017 Annual General Meeting of Shareholders, Shareholder proposals must comply with Rule 14a-8 of the 1934 Act and be received by the Company no later than December 5, 2016, unless the Company changes the date of the 2017 Annual General Meeting of Shareholders by more than thirty days from the date of this year's meeting, in which case the Company will provide a revised deadline in one of the Company's 2016 Quarterly Reports on Form 10-Q. If a Shareholder wishes to nominate an individual for election as a director at the 2017 Annual General Meeting of Shareholders or to properly bring other business before the 2017 Annual General Meeting of Shareholders, such Shareholder must provide notice of the Shareholder's intention to do so in accordance with the procedures set forth in the Company's Bye-Laws no later than February 15, 2017 and no earlier than January 16, 2017. CATEGORICAL STANDARDS FOR DIRECTOR INDEPENDENCE

I. Introduction

For a director to be considered “independent” under the New York Stock Exchange (“NYSE”) rules, the Board of Directors of the Company (the “Board”), must determine that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). These Standards have been established in order to assist the Board in determining director independence with broad consideration of all relevant facts and circumstances and may be amended by the Board from time to time. These standards shall be interpreted in a manner consistent with the NYSE rules.

In order to be considered independent, a director of the Company must meet all of the following Categorical Standards for Director Independence.

II. Definitions

References to the “Company” include any parent or subsidiary in a consolidated group with the Company.

The term “executive officer” has the same meaning specified for the term “officer” in Rule 16a-1(f) under the Securities Exchange Act of 1934.

An “immediate family member” includes a person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person’s home. When applying the look-back provisions required herein, individuals who are no longer immediate family members as a result of legal separation or divorce, or those who have died or become incapacitated, need not be considered.

III. Employment Relationships

(1) A director is not independent if the director is, or has been within the last three years, an employee of the Company, or an immediate family member is, or has been within the last three years, an executive officer of the Company. Employment as an interim Executive Chairman or CEO or other executive officer shall not disqualify a director from being considered independent following that employment.

(2) A director is not independent if: (A) the director or an immediate family member is a current partner of a firm that is the Company’s internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm’s audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company’s audit within that time.

IV. Compensation Relationships

(1) A director is not independent if the director has received, during any twelve-month period within the last three years, any direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). Compensation received by a director for former service as an interim Executive Chairman or CEO or other executive officer need not be considered in determining independence under this test.

(2) A director is not independent if the director has an immediate family member who has received, during any twelve-month period within the last three years, any direct compensation from the Company, other than director

and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). Compensation received by an immediate family member for service as an employee of the Company (other than as an executive officer) need not be considered in determining independence under this test.

V. Commercial and Charitable Relationships

(1) A director is not independent if the director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds or exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues as reported for its last completed fiscal year.

(2) A director is not independent if the director is an executive officer, director or trustee of a charitable organization that received contributions from the Company in an amount which, in any single fiscal year within the preceding three years, exceeded the greater of \$1 million or 2% of such charitable organization's total charitable receipts as reported for the last completed fiscal year; *provided, however*, that the Board may determine such relationships to be immaterial or nevertheless consistent with a director's independence. Note that the Company's automatic matching of employee charitable contributions will not be included in the amount of the Company's contributions for the purposes of this paragraph.

VI. Interlocking Directorates

A director is not independent if the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.

VII. Other Relationships

(1) Being a director, executive officer or employee, or having an immediate family member who is a director, executive officer or employee, of a company that purchases insurance, reinsurance or other services or products from the Company, by itself, does not bar a determination that the director is independent if the payments made to the Company for such products or services are made in the ordinary course of business on an arms-length basis.

(2) For relationships not specifically mentioned above, the determination of whether a director has a material relationship with the Company (directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), and therefore would not be independent, will be made by the Board after taking into account all relevant facts and circumstances. For purposes of these standards, a director who is solely a director and/or a non-controlling shareholder of another company that has a relationship with the Company will not be considered to have a material relationship based solely on such relationship that would impair such director's independence.

VIII. Additional Standards for the Audit Committee

In order to be considered independent as a member of the Audit Committee of the Board (the "Audit Committee"), a director of the Company must meet the following additional requirements of the U.S. Securities and Exchange Commission (the "SEC").

(1) A director is not independent for the purposes of Audit Committee membership if the director receives, whether directly or indirectly, any consulting or advisory fees or other compensation from the Company, other than director and committee fees, fixed payments under a retirement plan for prior service with the Company or

payments received as a shareholder of the Company. A member of the Audit Committee is considered to receive indirect compensation if: (A) the director is a partner, executive officer or holder of a similar position with an accounting firm, consulting firm, law firm or investment bank that receives payments for its services from the Company; or (B) the director's spouse, child or stepchild receives any form of compensation from the Company.

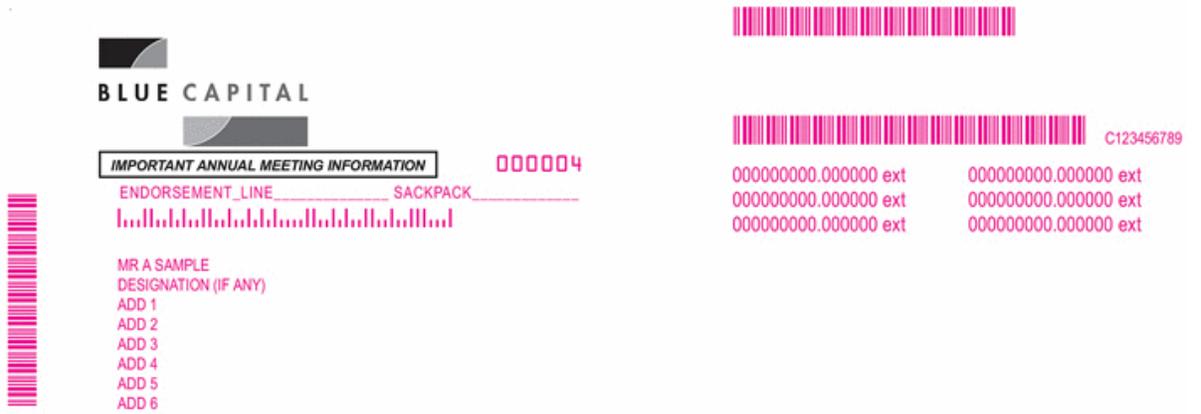

(2) A director is not independent for the purposes of Audit Committee membership if the director is an affiliate of the Company, or any subsidiary of the Company. The SEC defines an affiliate as a person who directly or indirectly controls, is controlled by or is under common control with the Company. A director may qualify for the SEC safe harbor from being considered an affiliate if the director owns less than 10% of any class of the Company's voting securities and is not an executive officer of the Company.

IX. Additional Standards for the Compensation and Nominating Committee

In order for a director to be considered independent as a member of the Compensation and Nominating Committee of the Board (the "Compensation and Nominating Committee"), the following factors, among other relevant factors, must be considered as required by the SEC.

(1) In determining a director's independence for the purposes of the Compensation and Nominating Committee, the source of compensation of the director should be considered, such as any consulting advisory or other fees paid by the Company to the director.

(2) In determining a director's independence for the purposes of the Compensation and Nominating Committee, whether the director is an affiliate of the Company, or any the Company's subsidiaries or affiliates, should be considered.
