

SENIOR ACCOUNTANT

TerraForm Power is looking to recruit six Senior Accountants who enjoy working in a fast-pace and collaborative environment.

TerraForm Power owns and operates a best-in-class renewable power portfolio of solar and wind assets located primarily in the United States, totaling more than 3,600 megawatts of installed capacity. TerraForm Power's goal is to acquire operating solar and wind assets in North America and Western Europe.

TerraForm Power is listed on the Nasdaq stock exchange (Nasdaq: TERP). It is sponsored by Brookfield Asset Management, a leading global alternative asset manager with more than \$285 billion of assets under management.

Reporting to the Manager, Accounting, you are accountable for all aspects of the monthly accounting cycle, ensuring accurate financial close within tight deadlines, as well as preparing the financial statements for various sites under the Wind and/or Solar Platform.

Responsibilities

- Take ownership of assigned companies, acting as the main point of contact for those outside the department;
- Prepare and document analysis for complex accounting issues, present the findings and conclusions, including the implementation plan to the Accounting group, as well as impacted stakeholders;
- Prepare accounting and financial statements for Wind and/or Solar assets;
- Prepare journal entries as part of the monthly, quarterly and annual close process;
- Coordinate with internal departments to prepare monthly and quarterly variance analysis;
- Review and maintain monthly general ledger accounts and reconciliations to ensure accuracy of financial statements;
- Prepare monthly and quarterly account reconciliations;
- Monitor and improve upon internal controls to ensure SOX compliance and work directly with the audit team to provide quarterly and year-end audit support;
- Lead or participate in special projects as needed within the department, within a broader finance environment and/or cross-functionally.

Requirements

- Excellent communication, interpersonal and organizations skills;
- Ability to "think outside the box", and embrace a dynamic, complex, fast-paced, and deadline-driven environment;
- Effective project management skills; able to prioritize multiple tasks;
- Call on past experiences, industry trends and new technology to identify opportunities to improve and streamline processes;
- Flexible and able to adapt quickly to changing priorities;
- Self-motivated and able to work independently;
- Able to work overtime hours during peak periods as required;
- Occasional travel required.

Qualifications

- Bachelor's Degree required (Accounting concentration preferred);
- Minimum of 2 years of relevant work experience;
- Working towards or completion of an accounting designation (CPA/CA);
- Proficient in Microsoft Office Suite (Excel, Word, Outlook) and Microsoft Dynamics 365 or other ERP, with the ability to learn new software;
- Demonstrated knowledge of internal controls (specific SOX experience is considered an asset);
- Experience in publicly traded companies, preferred.

All interested candidates should apply in confidence to Human Resources at: recruiting@terraform.com.

PLEASE CLEARLY INDICATE "SENIOR ACCOUNTANT" IN THE EMAIL SUBJECT LINE.

Terraform Power would like to thank all applicants but only those selected for an interview will be contacted.

In addition to providing a climate for professional growth, TerraForm offers competitive salary and a comprehensive benefits program. TerraForm is an equal employment/affirmative action employer. If you need accommodation for any part of the employment process because of a medical condition or disability, please send an e-mail to recruiting@terraform.com.
