Forward-Looking Statements

This document contains forward-looking statements under the federal securities law. Forward-looking statements relate to the company's expected future financial results and business plans, strategies and objectives and are not historical facts. They are generally identified by qualifiers such as "forecasting" or similar expressions. There are risks and uncertainties, the outcome of which could cause the company's results to differ materially from what is projected. The forward-looking statements should be read in conjunction with the company's most recent annual report, as well as the company's Form 10-K, Form 10-Q and other reports filed with the Securities & Exchange Commission, containing a discussion of the company's business and various factors that may affect it.
