

Third Quarter Results Fiscal Year 2017

August 3, 2017

Forward-Looking Statements

- These materials include forward-looking statements and it's possible that actual results could differ from our expectations. Factors that could cause such differences appear in our quarterly earnings release and in our recent SEC filings.

Non-GAAP Financial Measures

- These materials also include Non-GAAP financial measures. A reconciliation to the comparable GAAP measures can be found herein, or in our earnings release and the financial schedules attached thereto.
- Certain financial information excludes the impact of the following items:
 1. Foreign currency translation.
 2. All adjustments to current and prior year as noted in the schedules in the appendix of this presentation.
- A reconciliation of certain forward-looking non-GAAP financial measures to the most directly comparable GAAP financial measures are omitted from the financial schedules attached hereto as we are unable to provide such reconciliations without unreasonable efforts. Sufficient information is not available to calculate certain forward-looking adjustments required for such reconciliations, including future restructuring charges and acquisition-related costs. We expect these forward-looking adjustments could have a potentially significant impact on our future GAAP financial results.
- A copy of the press release, including the financial schedules, is posted on the "Investors" section of the BD.com website.

FXN = Estimated foreign exchange-neutral currency growth. \$ = Dollars in millions except per share data.

All "comparable" basis FY17 revenue growth rates presented are adjusted for the following divestitures: Respiratory, Simplist and Spine.

Note: All figures on accompanying slides are rounded. Totals may not add due to rounding. Percentages are based on un-rounded figures.
