

Investor Information

Corporate Profile

Xerox Corporation is an \$11 billion technology leader that innovates the way the world communicates, connects and works. Its expertise allows them to improve productivity, maximize profitability and increase satisfaction for small and mid-size businesses, large enterprises, governments, graphic communications providers, and the partners who serve them. Xerox automates, personalizes, packages, analyzes and secures information to keep customers moving at an accelerated pace. Embracing the increasingly complex world of paper and digital, office and mobile, personal and social, every day across the globe – in more than 160 countries – its technology, software and people successfully navigate those intersections.
