Corporate Profile

Xerox Corporation (NYSE:XRX) is the world's leading document management technology and services enterprise.

A \$17.6 billion company, Xerox provides the document industry's broadest portfolio of offerings. Digital systems include color and black-and-white printing and publishing systems, digital presses and "book factories," multifunction devices, laser and solid ink network printers, copiers and fax machines. Xerox's services expertise is unmatched and includes helping businesses develop online document archives, analyzing how employees can most efficiently share documents and knowledge in the office, operating in-house print shops or mailrooms, and building Web-based processes for personalizing direct mail, invoices, brochures and more. Xerox also offers associated software, support and supplies such as toner, paper and ink.

The company's operations are guided by customer-focused and employee-centered core values -- such as environmental sustainability, citizenship, diversity and quality -- augmented by a passion for innovation, speed and adaptability.

Headquartered in Norwalk, Conn., Xerox is No. 144 among the Fortune 500 with 57,100 employees worldwide (December 2008). For more information, visit <http://www.xerox.com> or <http://www.xerox.com/news>. For investor information, visit <http://www.xerox.com/investor>.
