

## CORPORATE PROFILE

Pentair is a diversified industrial company committed to building a safer, more sustainable world. We deliver industry leading products, services and solutions that help people make the best use of the resources they rely on most. Our Water segment delivers sustainable solutions for water quality and availability, and food and beverage processing, and also helps industry reduce emissions with technologies that capture waste for reuse. Our Electrical segment provides solutions to help protect the environment, sensitive equipment, buildings and critical processes, and supports efficient industrial processes.

We are committed to delivering sustainable growth for our shareholders through operational excellence, innovation knowhow and global capabilities along with our "Win Right" culture. We win by delivering on our values of customer first, accountability for performance, and innovation and adaptability. And we do it the right way, through positive energy, respect and teamwork, and absolute integrity.
