

## Financial Tear Sheet

### Corporate Profile

A Diversified Natural Resource Company.

Natural Resource Partners L.P. is a diversified natural resource company that owns interests in coal, aggregates and industrial minerals across the United States. A large percentage of NRP's revenues are generated from royalties and other passive income. In addition, NRP owns an equity investment in Ciner Wyoming, a trona/soda ash operation and owns VantaCore, a construction aggregates business, making NRP one of the top 25 aggregates producers in the United States.

NRP is headquartered in Houston, TX.
